### PRIVY COUNCIL OFFICE

At the Court at Buckingham Palace, the 26th day of July 1972

PRESENT,

The QUEEN's Most Excellent Majesty  
in Council

Whereas a surplus of Officers, Ratings and Other Ranks of the Royal Navy and Royal Marines exists in certain Branches, Ranks and seniorities in the Active List and special provision is necessary to reduce the Lists to the numbers estimated to be necessary:

And whereas it is expedient to introduce revised Service Retired Pay and Pension regulations to provide compensation for those whose careers are prematurely terminated:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by section 3 of the Naval and Marine Pay and Pensions Act 1865 (1865, c. 73) and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

#### Citation

1. This Order may be cited as the Naval and Marine Pay and Pensions (Redundancy) Order 1972.

#### Interpretation

2. The Interpretation Act 1889 (1889, c. 63) shall apply for the interpretation of this Order as it applies for the interpretation of an Act of Parliament.

#### General

3. The provisions contained in this Order shall have effect from 1st April 1970.

4. The revised rates and conditions of award of retired pay, pensions, terminal grants, special capital payments and gratuities shall be as specified in the Schedules I, II, III and IV annexed hereto.

W. G. Agnew

#### SCHEDULE I

##### SECTION I

##### Definitions

1. In this Order in Council:

(a) "Adjusted Pay" means the following percentage according to rank of the daily rate of unstaged military salary, excluding all forms of additional pay and allowances but including, in the case of ratings, length of service pay in issue, or which but for staging, would have been in issue, for the paid rank held on conclusion of the last active employment before retirement or discharge, or in issue on the last day of full pay service, whichever is the greater.

Rank	Percentage
Able Rate/Marine . . . . .	60
Leading Rate/Corporal R.M. . . . .	69
Petty Officer/Sergeant R.M. . . . .	71
Chief Petty Officer/Colour Sergeant R.M. . . . .	74
Quartermaster Sergeant R.M. . . . .	74
Regimental Sergeant Major R.M. . . . .	72
Lieutenant R.N. and R.M. and below (General and Supplementary Lists)	71
Lieutenant (SD) R.N. and R.M. and below . . . . .	74
Lieutenant Commander R.N./Captain R.M. . . . .	77
Commander R.N./Major R.M. . . . .	79
Captain R.N. with less than six years service in the rank/Lieutenant-Colonel R.M. . . . .	83
Captain R.N. with six or more years service in the rank/Colonel R.M. . . . .	84
Rear Admiral/Major General R.M. . . . .	85

(b) "A months pay" means the adjusted daily rate multiplied by 365 and divided by 12.

(c) "Qualifying Service" for officers, means all full pay service from age 18.

(d) "Reckonable Service" for officers, means all full pay service from age 21. For Ratings, reckonable service is all full pay service from age 18.

- (e) "Completed years of service", "years of qualifying service" and "years of reckonable service" mean full pay service up to and including the last day on full pay.
- (f) "Rating" should be read as including Fleet Chief Petty Officers, Chief Petty Officers, Petty Officers, Non-Commissioned Officers, ratings and other ranks of the Royal Navy and Royal Marines.
- (g) "As though he had been invalided" refers only to the method of assessing retired pay or pension: such retired pay or pension does not carry with it the privileges attaching to retired pay or pension awarded on actual invaliding.
- (h) "Redundant" means retired or discharged by the Ministry of Defence before the date on which the Officer, rating or other rank could have expected to be retired or discharged, subject to the provisions of Section II.

## SECTION II

## General

2. The special terms in this Order in Council will not be applicable to Officers who, having been selected for redundancy, may be retired for misconduct, nor to Officers whom for any other reason the Ministry of Defence do not consider worthy of receiving them. They will not be applicable to an Officer who retires at the end of his normal career or is invalided or who is permitted to leave the R.N. voluntarily, for his own reasons, compassionate or otherwise. Nor will they apply to a R.N. rating or Royal Marine who is discharged at the end of his current engagement or is invalided or who has left or shall leave the Royal Navy voluntarily for his own reasons, compassionate or otherwise, nor to any who is discharged for misconduct or inefficiency.

3. Where an officer or rating who is selected for redundancy is permitted to retire or be discharged earlier than that which would have applied otherwise, the special capital payment to him may be as decided by the Secretary of State for Defence. In other cases an officer or rating who, after being selected for redundancy but before retirement or discharge, is retired or discharged because of medical unfitness, disciplinary reasons or unsuitability, will not be eligible for compensation under this scheme but will be eligible for any award provided for in the normal non-effective benefit regulations.

4. In those cases where the amount of special compensation for redundancy is related to the period of uncompleted service such service will be measured from the last day on full pay to, in the case of officers, the normal retiring age for rank and specialisation and, in the case of ratings, the expiry date of the engagement which has been undertaken. Where an officer has a reserved right to continue to an age later than that normally applicable to his rank and specialisation, the amount of special capital payment admissible in his case will be assessed on the basis of his later retiring age. For ratings the "engagement which has been undertaken" will, for the purpose of assessing redundancy compensation be the engagement to which they are committed at the time they are notified for redundancy.

5. An officer or rating who, without a break in service, transfers to another service of the U.K. Armed Forces will not be eligible for redundancy compensation on that account.

6. The Secretary of State for Defence reserves the right to withhold permission to retire or be discharged under these regulations from any officer or man. Nothing in these regulations shall preclude the Secretary of State for Defence from retiring any officer or discharging any man during the currency of the scheme under any other regulations which may be applicable in his case.

7. Exceptionally, redundancy compensation may also be awarded to Rear Admirals and equivalents in the Royal Marines at the discretion of the Secretary of State for Defence if the circumstances of an individual officer's retirement warrant it.

- He has engaged to complete time for pension.
- He has engaged to serve for 14 years and there is no evidence to suggest that he would not have sought or would have been refused re-engagement to complete time for pension. Where there is such evidence, the terms in Clause 4, Section IV below, will apply.

In addition he may be granted a credit of service to count as reckonable service in the assessment of the pension as follows:

## SCHEDULE IV

## SECTION I

*Refund of part of Special Capital Payments by those entering certain Government Civilian Posts*

1. Officers and Ratings who receive special capital payments on premature retirement or discharge will be required to refund part of these payments if, within 2 years of leaving the service, they take up Retired Officer or similar posts in the Ministry of Defence or other Government Departments, or they obtain established appointments in the Civil Service or Foreign Service under special schemes reserving vacancies for ex members of the Forces.

2. No refund will be required when other unestablished Civil Service posts are obtained, e.g., as postmen or police constables, or when established civil service posts are obtained through normal open competition even when service in the Forces is allowed to count towards age qualification. Nor will refunds be required in the case of established Civil Service posts obtained through an open competition that reserves a percentage of posts for service personnel provided that the required standard is attained.

3. No refund will be required if a post is obtained more than two years after leaving the Royal Navy. When there is an interval of less than 2 years, the standard amount of refund will be reduced in proportion to the number of days by which the period of 2 years is reduced.

4. When an officer or rating is prematurely retired or discharged with a special capital payment less than 2 years before normal retirement or discharge, the amount of the refund if a post is obtained immediately on leaving the Navy will be that proportion of the standard amount of refund which the shortfall in Naval Service bears to two years, e.g., an officer prematurely retired one year before normal retirement would refund half of the standard amount

of refund. When there is an interval between the date of retirement or discharge from the Navy and the date of appointment to one of the posts concerned, the amount of the refund will be reduced in proportion to the number of days by which the period of shortfall in Naval Service is reduced, e.g., a Petty Officer prematurely discharged one year before completing his engagement, if appointed to an established post 91 days after leaving the Navy would refund, where R is the standard amount of refund:

$$(\frac{1}{2} \times R) - (\frac{91}{365} \times \frac{1}{2} \times R)$$

5. In no case will the amount of the special capital payment be reduced below three months pay, at the rate at which the payment is assessed, or the amount of the special capital payment, whichever is the less.

6. No refund is required where the appointment is taken up after the date of normal retirement or discharge.

7. When, by reason of redundancy, a retired officer or similar post is held for a period of less than five years, an adjustment of the refund will be made on the following basis:

When the post is held for less than one year the refund will be returned in full.

When the post is held for one year or more but less than two years, four-fifths of the refund will be returned.

When the post is held for two years or more but less than three years, three-fifths of the refund will be returned.

When the post is held for three years or more but less than four years, two-fifths of the refund will be returned.

When the post is held for four years or more but less than five years, one-fifth of the refund will be returned.

8. Refunds are not required in respect of terminal grants.

9. The standard amount of refund for the under-mentioned posts will be as follows:

Retired Officer Grade I ... ..	£850
Retired Officer Grade II ... ..	£750
Retired Officer Grade III ... ..	£700
Executive Officer (or Grade 9 appointment in the Diplomatic Service) ...	£650
Clerical Officer (or Grade 10 appointment in the Diplomatic Service) ...	£500

The amount of refund is the same for both officers and ratings and is related to the value of the post obtained. The amount to be refunded by individuals who obtain other appointments through Special Schemes will be as decided by the Secretary of State for Defence.

#### SECTION II

*Refund of Part of Special Capital Payments when an officer or rating is re-employed in the Armed Forces*

10. *Re-employment in peacetime.* When an officer or rating who has received a special capital payment is again employed on full pay service in any of the Armed Forces in peacetime and the break in service is less than 5 years he will be required to refund a portion of the special capital payment.

11. In the case of officers the refund will be calculated as follows:

$$\frac{(a-b)}{a} \times \text{the special capital payment}$$

(where "a" = 5 years or the uncompleted period of service on redundancy, whichever is the less and "b" = the break in service).

12. The formula for officers will also be applied in the case of ratings, but in addition, a discount of a period equal to that by which service on redundancy was enhanced will be made from any subsequent service reckonable for terminal benefits.

13. Where the interval between the date of discharge and date of re-employment of an officer or rating is more than a full year the amount of refund will be calculated in terms of years and days. Where re-employment falls within the first 12 months of discharge the amount of refund will be proportioned accordingly.

14. *Re-employment in an Emergency.* No refund of the special capital payment will be required when an officer or rating is recalled for service in an Emergency.
