LANCASTER CITY COUNCIL

ROAD TRAFFIC REGULATION ACT, 1967

*The City of Lancaster (Various Roads) (One-Way)
Order, 197**The City of Lancaster (Traffic Regulation) Order,
197**The City of Lancaster (North Road and Chapel
Street) (Prohibition of Driving) Order, 197**The City of Lancaster (Brook Street—North End)
(Prohibition of Driving) Order, 197**Traffic Regulation in Lancaster City Centre*

Notice is hereby given of the proposal of the Lancaster City Council to make a series of Orders entitled as above under the relevant provisions of the Road Traffic Regulation Act 1967, as amended by the Transport Act 1968, the purport of which will have a far-reaching effect upon the traffic circulation system as it operates at present in the City centre of Lancaster. The purpose of this Notice is to enable members of the public, if they see fit, to make formal objection to the proposed Orders in general or in isolation upon any particular provision within the general intent.

The range of the proposals under the Orders fall within the categories of (a) Traffic Circulation; (b) Restriction of vehicular traffic on certain City centre streets; and (c) On-Street Parking. The implications of all these proposals are explained hereunder under the separate category headings mentioned:

TRAFFIC CIRCULATION

The proposals are for the segregation of north-bound and south-bound traffic through the City

centre by way of a circulatory one-way system to operate between the points named:

North-bound Traffic

From Penny Street Roundabout by way of King Street, China Street, Bridge Lane and Cable Street to the junction of Cable Street with North Road (Cuthbert's Corner).

South-bound Traffic

From the junction of Cable Street with North Road (Cuthbert's Corner) by way of North Road, Rosemary Lane, Stonewell, Great John Street, Dalton Square and Thurnham Street to the Penny Street Roundabout.

(The legal requirements leading up to the introduction of this south-bound traffic system would be the responsibility of the Department of the Environment as the Highway Authority for the A.6 Trunk Road, of which the particular lengths of highway form part and, therefore, subject to independent statutory procedure on the part of the Department).

Other one-way proposals designed to secure adherence to clearly defined cross-town routes involve the following streets; some of these, as indicated, are new measures, whilst in other cases the proposals envisage a reversal of present one-way routes.

New One-Way Streets

<i>Street</i>	<i>Direction of Flow</i>
Common Garden Street.	West-East.
Brock Street.	West-East.
George Street.	East-West.
Spring Garden Street.	East-West.
Church Street (from China Street to New Road).	West-East.
Cheapside.	North-South.
Dalton Square (north side).	East-West.
Dalton Square (east side).	South-North.
Damside Street (from Cable Street to North Road).	East-West.
King Street.	South-North.
Middle Street.	East-West.
North Road (from Church Street to Damside Street).	South-North.
Regent Street (from Lindow Square to High Street).	South-North.

Reversal of Present One-Way Flows

<i>Street</i>	<i>Direction of Flow</i>
Friar Street.	South-North.
Gage Street.	West-East.
Mary Street.	South-North.
Penny Street (from King Street to Spring Garden Street).	South-North.

In order to secure free passage for 'buses in the environs of the Damside Street 'Bus Station, certain additional restrictions are proposed for superimposition on the general traffic scheme, i.e.:

- The use of Chapel Street would be confined to 'buses only (subject again to an Order to be made by the Department of the Environment);
- Entry into Damside Street from its junction with Chapel Street/Rosemary Lane (St. John's Corner) would be restricted to 'buses only.

Under both these provisions, however, there would be exceptions to permit the entry of vehicles requiring to service shops or other premises, or otherwise requiring bona fide access.

In the interests of better traffic management in the Aldcliffe Road area, and particularly to obviate a hazard at the junction of Aldcliffe Road with the south end of Brook Street, traffic will be excluded from Brook Street at its northerly junction with Carr House Lane, again with an exception to permit access to be gained to premises in Brook Street.

RESTRICTION OF VEHICULAR TRAFFIC

The prime intention of the proposed Order is to prohibit vehicles from entering and driving on the following lengths of highway between the hours of 10 a.m. and 5 p.m. each day:

Cheapside;

Market Street from its junction with Cheapside/
Penny Street (Horse Shoe Corner) to its junction
with New Street;
Market Square;
New Street;
New Street Square.

The only exceptions to this will be vehicles servicing shop premises, where it is impossible to service the premises outside the prohibited hours, emergency vehicles such as fire and ambulance, and disabled persons' cars.

Parking (excepted for disabled persons) within the streets is totally prohibited.

These proposals are complementary to parallel action by the Local Planning Authority who are in the process of making an Order under the Town and Country Planning Act 1971, to convert (a) the length of Penny Street between its junction with Brock Street/Common Garden Street and its junction with Market Street; and (b) the length of Market Street between its junction with King Street and its more westerly junction with New Street from highways into pedestrian ways. These Orders are made under separate statutory powers and separate public notice will be given in due course by the Local Planning Authority.

ON-STREET PARKING

For the above proposals to be effective, the present provisions relating to on-street parking will have to be terminated and replaced by a total prohibition of waiting on the following lengths of street:

Cheapside;

Market Street between its junction with Cheapside/
Penny Street (Horse Shoe Corner) to its more
westerly junction with New Street;

Market Square;

New Street Square;

New Street.

Copies of the proposed Orders may be inspected at the Town Clerk's Office, Town Hall, Lancaster, between the hours of 8.45 a.m. and 5.30 p.m. on weekdays (excluding Saturdays). Maps illustrating the various proposals in detail may be inspected during the hours mentioned above at the following locations:

The Town Hall Foyer, Dalton Square;

The Public Library, Market Square;

The Museum Foyer, Market Square;

The Corporation Information Centre, 7 Dalton Square.

In addition, leaflets in explanation of the Scheme may be obtained, free of charge, from all these points.

The public have a statutory right of objection to all the provisions which are the subject of this Notice, and any person who wishes to lodge an objection to any particular provision or provisions, or to the Council's scheme as a whole, must do so in writing, addressed to the Town Clerk, Town Hall, Lancaster, by not later than 21 days from the date of publication of this Notice.

Dated this 22nd day of September 1972.

J. D. Waddell, Town Clerk and Chief Executive Officer.

Town Hall,
Lancaster. (538)

Redditch Development Corporation Compulsory Purchase Order No. 10, 1972

Notice is hereby given that the Redditch Development Corporation in pursuance of their powers under section 7(1)(a) of the New Towns Act 1965 on 14th September 1972 made an Order which has been submitted for confirmation by the Secretary of State for the Environment authorising them to purchase compulsorily for the purposes of constructing parts of two primary roads the lands described in the Schedule hereto.

A copy of the Order and of the maps referred to therein have been deposited at the offices of the said Corporation at Holmwood, Plymouth Road, Redditch and will be open for inspection without payment of fee between the hours of 9 a.m. and 4 p.m. Mondays to Fridays inclusive.

Any owner or occupier of any land to which the Order relates may send to the Redditch Development Corporation at the address below, a request in writing to serve him with a notice that the Order has been confirmed and naming a place where a copy of the Order and of the maps and of any descriptive matter annexed thereto, may be seen. Such request should contain a statement of the name, postal address and the interest in the land of the owner or occupier, and particulars sufficient to enable the extent and boundaries of the land to be identified.
