AIR FORCE DEPARTMENT

Whitehall, London, SW1A 2HB.

31st October 1972.

The QUEEN has been graciously pleased to approve the following award:

Queen's Commendation for Valuable Service in the Air

Flight Lieutenant Keith Francis WARTON (4335008), Royal Air Force.

For his courage, skill and determination in recovering a seriously injured United States Air Force airman, who had fallen while climbing in the Nant Peris area of the Llanberis Pass. The terrain was extremely difficult and the weather conditions severe. The casualty was lying in a small rocky hollow, but the area was swept by strong, gusty winds. Despite the extreme turbulence, Flight Lieutenant Warton, after 2 unsuccessful attempts, managed to land, but, even with the wheels on the ground, it was still necessary to hold the aircraft against the wind. This position had to be maintained for some time, as the proximity of rocks and scree made the loading of the stretcher very awkward.

31st October 1972.
