#### HIGHWAYS ACTS 1959 TO 1971

*The M.63 Sale Eastern and Northenden By Pass Motorway and Connecting Roads (Side Roads) Variation Order 197*

The Secretary of State for the Environment hereby gives notice that he proposes, in relation to that part of the M.63 (Motorway) works in the vicinity of Princess Parkway (A.5103) at Kenworthy in Manchester, to make a Variation Order under sections 13 and 286 of the Highways Act, 1959, which will authorise him to vary the provisions of Schedule and Site Plan No. 5 to the M.63 Motorway (Sale Eastern and Northenden By Pass and Connecting Roads Side Roads) Order 1970 by

- (a) amending the alignment of the system of approach footpaths providing access to the proposed new footbridge crossing of Princess Parkway at Yewtree Lane; and
- (b) amending the alignment of that part of the new cycle track and footpath to be provided on the west side of Princess Parkway, lying between Yewtree Lane and the subway giving access to a new bus lay by on Princess Parkway.

Copies of the draft Order and of the accompanying plan may be inspected free of charge at all reasonable hours from 15th May 1973 to 2nd July 1973, at the Department of the Environment, 2 Marsham Street, London S.W.1, at the offices of the North Western Road Construction Unit, Crystal House, Birley Street, Preston; the North Western Regional Controller, Department of the Environment, Sunley Buildings, Piccadilly Plaza, Manchester 1; the Manchester C.B.C., Town Hall, Manchester 2; the Public Libraries, Church Road, Northenden, Manchester 22; Rackhouse Road, Sale Circle, Northern Moor; and Wythenshawe Central Library, The Forum, Manchester 22.

Any person may not later than 2nd July 1973 object to the making of the Variation Order, by notice to the Secretary of State at his address at the North Western Road Construction Unit quoting the reference CNW 463/2/26/06 and stating the grounds of objection.

*D. V. Crowther*, Controller of Administration, Department of the Environment, North Western Road Construction Unit.

#### EXPLANATORY NOTES

1. This draft Variation Order has two purposes:

- (a) To change the layout of the approaches to the footbridge across Princess Parkway at Yewtree Lane by providing for less severe gradients (1 in 15) than were originally proposed and introducing level resting places on the ramped approaches. This follows representations by local residents concerned that the continuous 1 in 10 gradients originally proposed would prevent the elderly, the infirm, etc., from using the footbridge. The change would involve (i) lengthening the approach ramp at the eastern end of the bridge, (ii) re-positioning the ramp system at the western end of the bridge on the north side of Yewtree Lane rather than the south, and (iii) slightly adjusting the position of the steps leading to the footbridge.
- (b) To adjust the alignment of part of the cycle track and footpath running northwards from Yewtree Lane on the west side of Princess Parkway. The footpath in question gives pedestrian access, via a short sub-way under one of the motorway slip roads, to a new stop

for northbound buses to be sited in a lay-by on Princess Parkway. Local Residents have suggested that buses manoeuvring into this lay-by would create dangerous conditions for other users of Princess Parkway and that pedestrian access to the lay-by involving use of the sub-way would be socially unacceptable. They have further suggested that these problems could be overcome by re-routing buses around the perimeter of the interchange thus permitting the stop to be resited closer to Yewtree Lane without any need for subway access. While the Secretary of State considers that the original arrangements would not be unsafe or socially unacceptable, he recognises that only practical experience will establish with certainty whether or not the use of the sub-way has in fact given rise to any problems. He therefore proposes to change the alignment of that part of the footpath and cycle track south of the sub-way so as to facilitate the construction of a route for northbound buses around the interchange and associated repositioning of the bus stop should this be decided upon at some future date.

2. Further information may be obtained from the Director of the North Western Road Construction Unit.
