The Lords Commissioners of Her Majesty's Treasury hereby give notice that they have made an Order under sections 1, 3 (6) and 13 of the Import Duties Act 1958 viz.:

The Import Duties (European Free Trade Association Countries) (Reductions and Exemptions) (No. 2) Order 1973.

This Order, which comes into operation on 1st July 1973, revokes and re-enacts, with amendments, the Import Duties (European Free Trade Association Countries) (Reductions and Exemptions) Order 1973. That Order provided for the implementation of the United Kingdom's obligations concerning import duties under the Agreements between the European Community and Austria, Iceland, Portugal, Sweden and Switzerland and a like Agreement with Norway has now come into force and is added to the Agreements covered by this Order. The implementation of Community arrangements for trade with Finland, until such time as an Agreement with that country comes into force, will continue.

Likewise, this Order provides for continuing duty-free or preferential treatment until the end of 1973 for certain goods which have hitherto been subject to such treatment as goods originating in the area of the European Free Trade Association (E.F.T.A.), but which are not covered by the Agreements.

Continued exemption from import duty or a continued preferential rate of duty is provided for by Article 4 of the Order for all goods so treated hitherto under the E.F.T.A. Convention. If such goods are of a class covered by the Agreements or the Agreements as applied by an instrument of the Community to Finland, they must satisfy the conditions specified in the Agreements (in the Protocols relating to origin) for goods which are to benefit from the prohibition of new customs duties between the United Kingdom and the above-mentioned countries.

Goods of a class covered by the E.F.T.A. Convention which do not satisfy those conditions are entitled (Articles 5 and 6 of the Order) to a reduction of 20 per cent. of the full rate of duty in the case of goods listed in Schedule 1 or to a specific reduction in, or exemption from, duty in the case of goods listed in Schedule 2.

In the case of goods (listed in Schedule 3) not covered by the E.F.T.A. Convention but covered by the Agreements, a reduced rate of duty (equal in most cases to 80 per cent. of the full rate) is given provided that they are originating products for the purpose of the Agreements with Austria, Iceland, Norway, Portugal, Sweden or Switzerland (Article 7 of the Order), and a new reduced rate of duty (equal in most cases to 80 per cent. of the full rate) is now given in the case of certain Portuguese goods (listed in Schedule 4).

The Agreements with Austria, Sweden, Switzerland, Iceland and Portugal are annexed respectively to Community Regulations (E.E.C.) Nos. 2836/72 (J.O. No. L300, p. 1), 2838/72 (J.O. No. L300, p. 96), 2840/72 (J.O. No. L300, p. 188), 2842/72 (J.O. No. L301, p. 1) and 2844/72 (J.O. No. L301, p. 167). The Agreement between the European Economic Community and Norway has yet to be published in the Official Journal of the European Communities.

The Order comes into operation on 1st July 1973 and has been published as Statutory Instruments 1973 No. 1034.

Copies of the Order may be purchased (price 10½p net) direct from Her Majesty's Stationery Office or from any bookseller.
