The QUEEN has been graciously pleased to give orders for the following appointment to the Most Excellent Order of

the British Empire in recognition of distinguished service in Northern Ireland during the period 1st November 1972 to 31st January 1973...

To be an Additional Officer of the Military Division of the said Most Excellent Order:

(To be dated 3rd July 1973)

Whitehall,
London S.W.1.
24th July 1973.

The QUEEN has been graciously pleased to approve the publication of the names of the undermentioned personnel who have been mentioned in despatches in recognition of distinguished service in Northern Ireland during the period 1st November 1972 to 31st January 1973.

Mention in Despatches

(To be dated 3rd July 1973)

Flight Lieutenant James Norman John GRISDALE (2614769), Royal Air Force.

Master Air Loadmaster George HAMILTON (RO592726), Royal Air Force.

CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD

St. James's Palace,
London S.W.1.
24th July 1973.

The QUEEN has been graciously pleased to approve the award of the British Empire Medal for Gallantry (Military Division) to the undermentioned:

(To be dated 3rd July 1973)

N1941317 Sergeant David Michael POTTERTON, Royal Air Force.

Sergeant Potterton was the armourer in 15 Squadron Royal Air Force Regiment and in October 1972 was serving with the Royal Air Force Detachment at Salalah in the Oman. On the evening of 14th October 1972 a misfire in one of the mortar units at Salalah caused the tail fin of a high explosive round to fall into the mortar pit while the explosive half of the round dropped in front of the pit. There was a distinct possibility that the high explosive half was armed thereby endangering the lives of the mortar crews and other personnel in the area. The Mortar Section Commander ordered an evacuation and called for assistance from the Station Operations Centre. Sergeant Potterton, who was off duty at the time, was immediately dispatched to the scene of the incident in company with the Squadron Duty Officer. He confirmed that the high explosive half of the round was in a dangerous condition and presented a grave threat to those R.A.F., Army and Sultan's Armed Forces personnel in the area. Sergeant Potterton advised the Squadron Duty Officer to order all personnel to take cover and then with complete disregard of personal safety he carried the round, with some assistance from the Squadron Duty Officer, across uneven ground, in complete darkness, to a wadi, where he completed its demolition. Sergeant Potterton showed outstanding fortitude, and by his act of great gallantry he safeguarded the lives of other service personnel and enabled the mortar to regain its operational capability within one hour of the incident. In his actions Sergeant Potterton displayed courage and coolness of a very high order in the finest traditions of the Royal Air Force.
