NOTTINGHAM CITY COUNCIL

The City of Nottingham (Arkwright Street) (Experimental Bus Priority) Order 1973

Notice is hereby given that following the receipt of objections and comments from members of the public on the original proposals as published on the 12th June 1973 it has become apparent that the proposal to make a short length of Turney Street "access only" would impose undue hardship on persons occupying premises fronting Turney Street, Pyatt Street and Fraser Road between Bunbury Street and Arkwright Street.

Accordingly notice is hereby given that the Nottingham City Council propose to amend the Order to be made

under section 1 of the Road Traffic Regulation Act 1967 as amended by Part IX of the Transport Act 1968.

The original proposals included a restriction prohibiting all vehicles from using the length of Turney Street between Arkwright Street and a point 100 feet west, except vehicles requiring access to premises fronting that length of street. It is now proposed that the same restriction should apply to those lengths of Turney Street, Pyatt Street and Fraser Road between Arkwright Street and Bunbury Street.

This amendment will make access easier for occupiers of premises fronting those streets.

Full details of these proposals are in the amended draft Order which, together with a map showing the roads

affected and a statement of the Council's reasons for proposing to make the Order, may be examined at the Town Clerk's Office, The Guildhall, Burton Street, Nottingham, between the hours of 9 a.m. and 5 p.m. Monday to Friday.

If you wish to object to the new restrictions you should send the grounds for your objection to the undersigned by Monday, 15th October 1973.

Dated 11th September 1973.

SWINTON AND PENDLEBURY BOROUGH COUNCIL

Road Traffic Regulation Act, 1967—Proposed Traffic Regulation Order—Worsley Road (A572) at junction with Moorside Road.

Notice is hereby given that the Swinton and Pendlebury Borough Council are considering proposals under section 1 of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act, 1968, the effect of which would be to introduce the prohibition of parking on the south side of Worsley Road, Swinton, for a distance of approximately 50 metres from its junction with Stott Road to the westerly extreme of the frontage of 354 Worsley Road.

The Order which it may be decided to make would contain certain exceptions to enable a vehicle to wait for so long as may be necessary for a person to board or alight from the vehicle, to enable goods to be loaded on or unloaded from the vehicle, or to enable the vehicle to be used in connection with any building operation or demolition, the removal of any obstruction to traffic, or the maintenance of the road or the services therein.

The Order also exempts from any restriction on waiting, an invalid car or a vehicle displaying a disabled person's car badge as provided under section 21 of the Chronically Sick and Disabled Persons Act 1970.

The Council are satisfied that the introduction of the proposals is necessary to alleviate the traffic hazard at the bend on the length of Worsley Road concerned by ensuring that drivers will have reasonable forward visibility.

A copy of the proposals and the relevant map may be inspected at this office during normal office hours.

Objections to the proposals, giving the grounds for objections, must be sent in writing to me by the 8th October 1973.
