Notice is hereby given that the Swinton and Pendlebury Borough Council are considering proposals under section 1 of the Road Traffic Regulation Act, 1967, as amended by Part IX of the Transport Act, 1968, the effect of which would be to introduce the prohibition of parking in Lees Street, Pendlebury and adjacent passageways as detailed in the Schedule below.

Any Order which it may be decided to make would contain certain exceptions to enable a vehicle to wait for so long as may be necessary for a person to board or alight from the vehicle, to enable goods to be loaded on to or unloaded from the vehicle (with the exception of the short length of Lees street across the entrance to Newtown Mill), or to enable the vehicle to be used in connection with any building operation or demolition, the removal of any obstruction to traffic, the maintenance of the road or the services therein.

The Order also exempts from any restriction on waiting (with the exception of the short length of Lees Street across the entrance to Newtown Mill), an invalid car or a vehicle displaying a disabled person's car badge as provided under section 21 of the Chronically Sick and Disabled Persons Act, 1970.

The Council are satisfied that the introduction of the proposals is necessary in order to relieve traffic congestion and hazards caused by the indiscriminate parking of vehicles in the area concerned.

A copy of the proposals and the relevant map may be inspected at this office during normal office hours.

Objections to the proposals, giving the grounds for the objections, must be sent in writing to me by the 29th October, 1973.

Dated 4th October 1973.

Town Hall,
