

At the Court at Buckingham Palace the 24th day of October 1973.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council

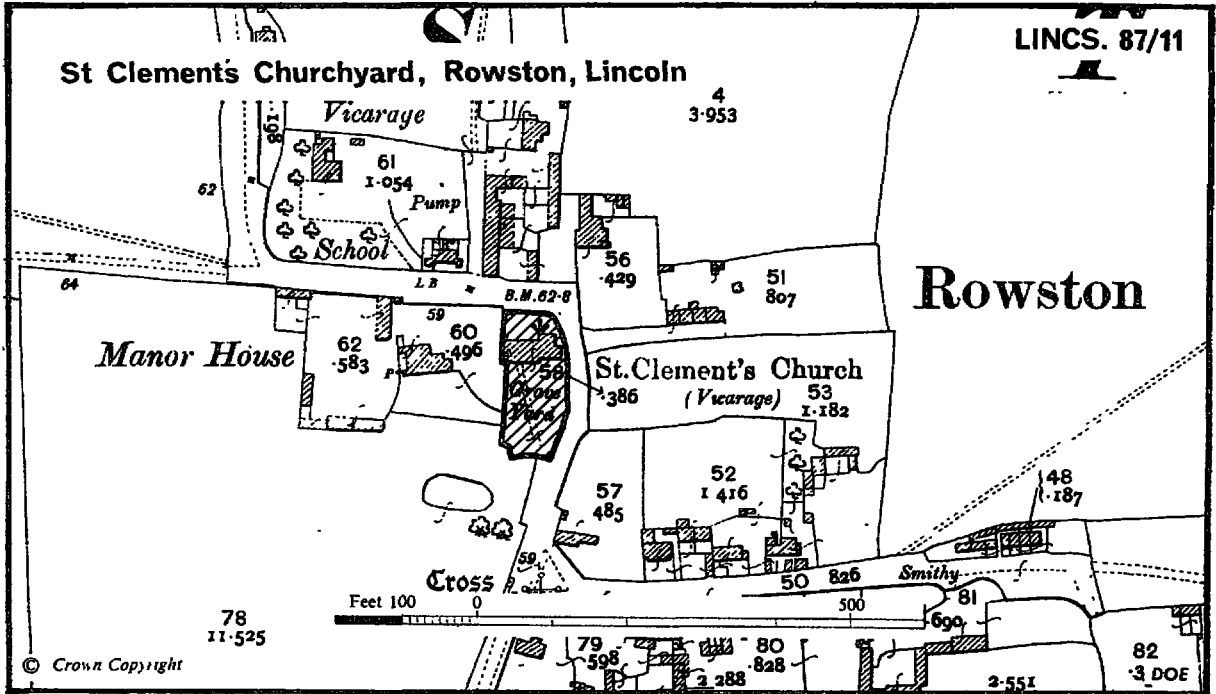

Whereas the Secretary of State for the Environment, after giving to the Incumbent and Churchwardens of the Parish of Rowston, in the County of Lincoln, ten days' previous notice of his intention in that behalf, has, under the provisions of the Burial Act 1853 as amended by subsequent enactments, made a Representation to Her Majesty in Council that for the protection of the Public Health burials

should be discontinued forthwith and entirely in St. Clement's Churchyard, in the said Parish, which is shown hatched on the plan annexed hereto.

Now, therefore, Her Majesty in Council is pleased hereby to give Notice of such Representation and to order that the same be taken into consideration by a Committee of the Privy Council on the 20th day of December next.

And Her Majesty is further pleased to direct that this Order be forthwith published in the *London Gazette*, and that copies thereof be affixed on the doors of the Churches or Chapels of, or on some conspicuous places within, the Parish affected by such Representation one month before the said 20th day of December.

DEPARTMENT OF EMPLOYMENT

FACTORIES ACT 1961

Draft Construction (Health and Welfare) (Amendment) Regulations

1. In pursuance of section 180 of, and Schedule 4 to, the Factories Act 1961, the Secretary of State for Employment hereby gives notice that he proposes to make regulations amending Regulations 3 (2) and 8 of the Construction (Health and Welfare) Regulations 1966. These amendments are consequent on the reorganisation of the health services, in particular the provision of ambulance services, under the National Health Service (Reorganisation) Act 1973, and the National Health Service (Scotland) Act 1972.

2. Regulation 8 of the Construction (Health and Welfare) Regulations 1966 requires a contractor in specified circumstances to notify the local health authority of the location of his site, the nature of the operations or works and certain other matters and to obtain from the local health authority the address of the nearest hospital named by that authority as one designated by the Regional Hospital Board to provide accident and emergency services. The proposed regulations will amend these requirements so as to substitute for the references to the local health authority and the Regional Hospital Board references to the appropriate successors under the said Acts of 1972 and 1973.

3. Copies of the draft amending regulations which are entitled "Draft Construction (Health and Welfare) (Amendment) Regulations" may be obtained from H.M. Stationery Offices at the addresses shown on the last page of this Gazette or through any bookseller.

4. Any objection with respect to the draft regulations by or on behalf of persons affected must be sent to the Secretary of State on or before 17th November 1973.

Every objection must be in writing and state:

- the specific grounds of objection; and
- the omissions, additions or modifications asked for.

5. Objections should be addressed to the Department of Employment, Directorate of Occupational Safety and Health, Factory Inspectorate Division (FI E2), Baynards House, 1 Chepstow Place, Westbourne Grove, London, W2 4TY.
