Provided that—

- (a) In any earthen grave now existing in the said Churchyard, the burial may be allowed of the body of any person for whom or of any member of a family for which such grave space has been reserved and appropriated by Faculty granted before the 1st day of October 1973, with the exclusive right of burial

therein, subject to the condition that no part of the coffin containing the body shall be at a depth less than three feet below the level of the surface of the ground adjoining the grave.

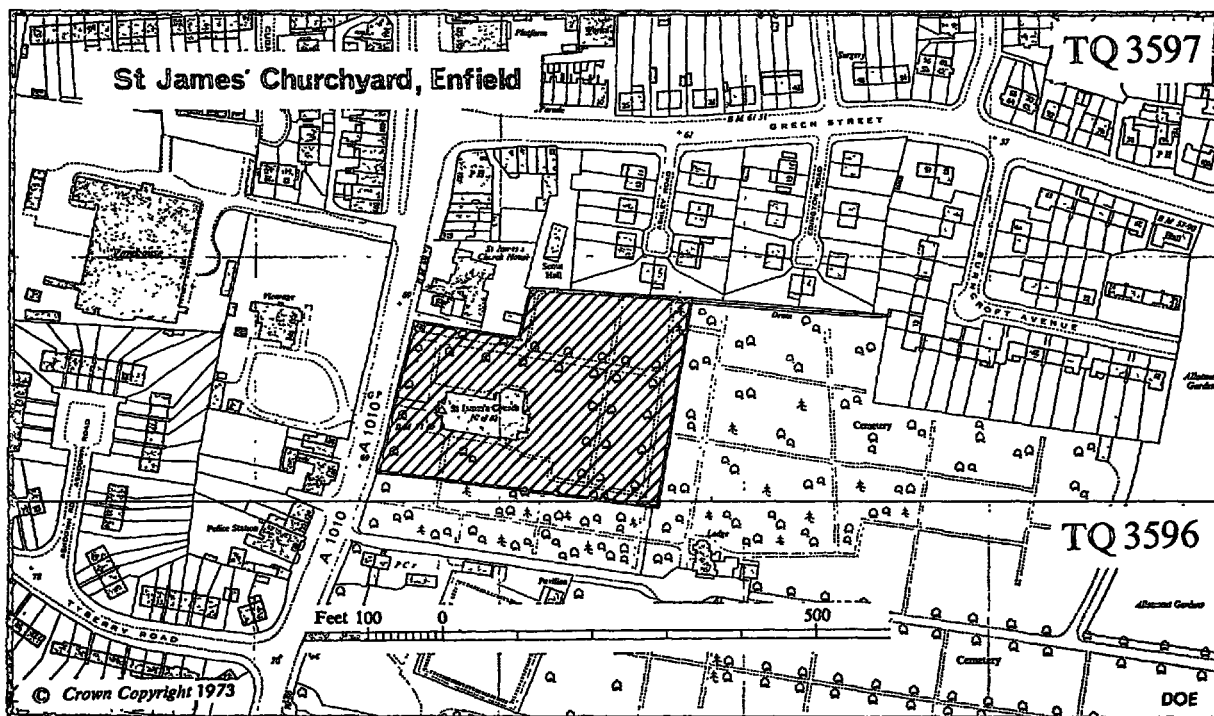

- (b) In any earthen grave as aforesaid in which the depth now available for a burial is insufficient to enable compliance with the foregoing condition no part of the coffin containing the body shall be at a depth less than two feet three inches below the level of the surface of the ground adjoining the grave and the coffin shall be sealed by concrete to a thickness of not less than three inches.

Now, therefore, Her Majesty in Council is pleased hereby to give Notice of such Representation and to order that the same be taken into consideration by a Committee of the Privy Council on the 17th day of December next.

And Her Majesty is further pleased to direct that this Order be forthwith published in the *London Gazette*, and that copies thereof be affixed on the doors of the Churches or Chapels of, or on some conspicuous places within, the Parish affected by such Representation one month before the said 17th day of December.
