The effect of the Order, which comes into operation on 19th November 1973 is to create bus stops clearways on the entire length of each trunk road within the City boundaries. The roads affected are as follows:

- A 15—London Road, Bridge Street (part), Bourges Boulevard.

- A 47—Thorpe Road, Cowgate, Church Street, Long Causeway, Midgate, New Road, Eastfield Road and Eye Road.

All vehicles except buses are prohibited from waiting between the hours of 7 a.m. and 7 p.m. in any area in that length which is marked as a "Bus Stop" and bounded by a yellow line adjacent to the edge of the carriageway or, in the case of a lay-by, adjacent to the kerbline. Only that part of a lay-by required for the bus stop will be so marked.

HIGHWAYS ACTS 1959 to 1971

The M63 Sale Eastern and Northenden By Pass Motorway and Connecting Roads (Side Roads) Variation Order 1973

The Secretary of State for the Environment hereby gives notice that, in relation to the part of the M63 Motorway

works in the vicinity of Princess Parkway (A5103), at Kenworthy in Manchester, he has made a Variation Order under section 13 of the Highways Act 1959, the effect of which is to authorise him:

- (i) to amend the alignment of the system of approach footpaths providing access to the proposed new footbridge crossing of Princess Parkway at Yewtree Lane; and
- (ii) to amend the alignment of part of the new cycle track and footpath to be provided on the west side of Princess Parkway north of Yewtree Lane, so as to permit the re-routing of northbound buses around the perimeter of the interchange and the associated re-positioning of the northbound bus stop.

Copies of the Order and of the relevant plan have been deposited at the Department of the Environment, 2 Marsham Street, London S.W.1, and at the offices of the North Western Road Construction Unit, Crystal House, Birley Street, Preston; the North Western Regional Controller, Department of the Environment, Sunley Building, Piccadilly Plaza, Manchester, M1 4BE; the Manchester C.B.C., Town Hall, Manchester 2; the Public Libraries, Church Road, Northenden, Manchester 22; Rackhouse Road, Sale Circle, Northern Moor; and Wythenshawe Central Library, The Forum, Manchester 22, where they are open to inspection free of charge at all reasonable hours.

Copies of the Order, the title of which is "The M63 Sale Eastern and Northenden By Pass Motorway and Connecting Roads (Side Roads) Variation Order 1973" can be obtained from the Director, North Western Road Construction Unit.

Any person aggrieved by the Order and desiring to question the validity thereof, or of any provision contained therein, on the ground that it is not within the powers of the Highways Act 1959 or the Highways Act 1971 or on the ground that any requirement of either of those Acts, or of regulations made thereunder, has not been complied with in relation to the Order, may within six weeks from 20th November 1973 apply to the High Court for the suspension or quashing of the Order or of any provision contained therein.

D. V. Crowther, Controller of Administration, North Western Road Construction Unit, Department of the Environment.

November 1973.

NOTE:

The effect of this Variation Order is firstly to change the layout of the approaches to the footbridge across Princess Parkway at Yewtree Lane by providing for less severe gradients than originally proposed and introducing level resting places on the ramped approaches, and secondly, to adjust the alignment of part of the cycle track and footpath running northwards from Yewtree Lane on the west side of Princess Parkway.

At the time this Order was published in draft the Secretary of State's intention in adjusting the alignment of this cycle track and footpath was to facilitate the construction of a route for northbound buses around the Princess Parkway Interchange if this should be decided upon at some future date.

Objections were made to this aspect of the Order on the grounds that a route for northbound buses around the interchange rather than along Princess Parkway should be provided from the outset. This would enable the northbound bus stop to be resited and remove the need for pedestrians to use a subway to gain access to the stop. The view was expressed that the use of this subway as the only access to the bus stop would create unacceptable social conditions.

After carefully considering these objections the Secretary of State has accepted the objectors' view. In the near future he will publish a second Variation Order providing for the re-routing of the northbound buses and the re-positioning of the bus stop to a site closer to the Yewtree Lane footbridge which does not involve subway access. It is intended however that the already built subway should remain open as a means of access to the lay-by at the originally proposed site of the bus stop which could be used to accommodate vehicles with abnormal loads routed along Princess Parkway. The Secretary of State has made the present Variation Order with two minor modifications the first of which provides for a slight further realignment of the cycle track and footpath so as to permit the provision at the proposed new bus stop position of a waiting area for bus passengers clear of the cycle track. A flight

of steps has been added to give direct access to the re-positioned bus stop from the access ramps leading to the Yewtree Lane footbridge. The second modification is a re-positioning of the steps leading to the Yewtree Lane footbridge on the east side of Princess Parkway.

NORTHAMPTON COUNTY BOROUGH COUNCIL

ROAD TRAFFIC ACT 1960

ROAD TRAFFIC REGULATION ACT 1967

TRANSPORT ACT 1968

The County Borough of Northampton (Bridge Street Locality and Black Lion Hill) (Traffic Regulation) Order 1973.

Notice is hereby given that the Mayor Aldermen and Burgesses of the County Borough of Northampton acting by the Council in pursuance of their powers under section 1 (1), (2) and (3) of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968 intend to make an Order to give effect to a one way circulatory system in the area adjoining the junction of St. Peters Way with Bridge Street. The proposals are as follows:

1. Bridge Street from St. Peters Way to St. John's Street would become one way northbound.

2. Bridge Street from Gold Street to St. John's Street would remain one way southbound with the northbound exemption for vehicles being amended to include only emergency vehicles and stage and express carriages.

3. St. John's Street from Bridge Street to the new extension with Victoria Gardens would become one way eastbound.

4. Victoria Gardens from St. John's Street to its western junction with Victoria Promenade would become one way southbound.

5. Victoria Gardens from its eastern junction with Victoria Promenade northwards and westwards for a distance of 360 feet (i.e. to the junction with the length of Victoria Gardens which is southbound) would become one way northbound and westbound.

6. Navigation Row would be prohibited to all vehicles over three tons except those requiring access to premises adjoining the road.

7. There will be no right turn from Bridge Street into Victoria Promenade. Vehicles coming from South Bridge and wishing to proceed along Victoria Promenade would continue along Bridge Street and round the new circulatory system of St. John's Street and Victoria Gardens.

To give effect to these proposals no waiting restrictions would be imposed along both sides of St. John's Street, from Bridge Street to the northern extension of Victoria Gardens, along both sides of that length of Victoria Gardens which is one way southbound, and along both sides of Victoria Gardens from its junction with Victoria Gardens (southbound) eastwards for a distance of 50 feet. Vehicles picking up or setting down passengers or goods

and vehicles waiting in connection with any building operation would not be affected by these no waiting restrictions.

Finally there would be no left turn from St. Peters Way into Black Lion Hill (i.e. at the traffic lights) since vehicles proceeding from St. Peters Way towards West Bridge now use the left hand filter road.
