#### DISEASES OF ANIMALS ACT 1950

Notice is hereby given in pursuance of Section 85 (3) of the Diseases of Animals Act 1950 that the Minister of Agriculture, Fisheries and Food and the Secretary of State for Scotland, acting jointly, have made the following Order:

#### STATUTORY INSTRUMENTS 1973 No. 1936

#### *The Diseases of Animals (Waste Food) Order 1973* (made 16th November 1973)

This Order revokes and re-enacts, with amendments, the Diseases of Animals (Waste Foods) Order 1957.

The definition of waste food is extended to comprise—

- meat, or any part of the carcase of any livestock or poultry, or any product derived therefrom or hatchery waste, eggs or egg shells, or
- broken or waste foodstuffs which contain or have been in contact with meat or any other part of the carcase of any livestock or poultry.

Meal manufactured from protein originating from livestock or poultry is, however, excluded from the definition of waste food.

The principal requirements of the Order are—

(1) A prohibition on the possession of waste food which has not been processed as required by the Order on any premises for the purpose of feeding to livestock or poultry on those premises, unless a licence granted under article 7

of the Order is held, or the feeding of livestock or poultry of waste food, or any feedingstuffs which have been in contact with waste food, unless such waste food or such feedingstuffs have first been processed by means of plant and equipment operated under a licence granted under article 7. (Article 3.)

(These prohibitions do not, however, apply to the possession by any person of waste food originating from his own household or to the use of such waste food provided it has first been processed as required by the Order.)

(2) A complete prohibition is imposed upon the feeding to any animal, poultry or other birds of any waste food brought into Great Britain as part of the stores on a ship, aircraft, etc. or of any other waste food which has been in contact with such imported stores. (Article 4.)

(3) Restrictions are placed upon the movement of unprocessed waste food intended for livestock or poultry except onto premises in respect of which a licence is held under article 7 or article 8 (except in the case of waste food intended for manufacture into meal) and upon access to or contact with unprocessed waste food. (Articles 5 and 6.)

Restrictions are also imposed in respect of movement of waste food by road, and as to the distribution of processed waste food. (Articles 9 and 10.)

The Schedules to the Order set out specifications for premises on which processing of waste food is licensed or on which unprocessed waste food may be collected for further distribution, and also operating conditions required at premises of both types.

## NEW TOWNS ACT 1965

Notice is hereby given that the Redditch Development Corporation in pursuance of their powers under Section 7 (1) (a and b) of the New Towns Act 1965 on the 10th December 1973 made an Order which has been submitted for confirmation by the Secretary of State for the Environment authorising them to purchase compulsorily for the purposes of constructing a road junction and roundabout the lands described in the Schedule hereto, and directing that the provisions of the New Towns Act 1965 relating to expedited completion of purchase shall apply to the Order as respects the land comprised therein.

A copy of the proposed Order and a map showing the roads to which the proposed Order relates may be inspected at the office of the undersigned and at the offices of the City Engineer, Surveyor and Planning Officer, Highways and Transportation Division, 3rd Floor, Baskerville House, Birmingham during normal office hours.

Any person wishing to object to the proposed Order should write to the undersigned stating the grounds for objection by the 8th January 1974.—Dated 17th December 1973.

*W. Wood, Town Clerk*

The Council House,  
Birmingham B1 1BB.

(485)

A copy of the Order, and of the map referred to therein, have been deposited at the offices of the said Corporation at Holmwood, Plymouth Road, Redditch and will be open for inspection without payment of fee during normal office hours.

Where the Secretary of State confirms the Order, he may, if he is satisfied that it is requisite so to do, confirm the Order with a direction that the provisions of the New Towns Act 1965, relating to expedited completion of purchase, shall apply to the said land.

Where the confirmed Order contains such a direction the following provisions will operate:

(a) The Compulsory Purchase Act 1965 and the Land Compensation Act 1973 will have effect as if a notice to treat, as is mentioned in Section 5 of the Compulsory Purchase Act 1965, had been served on every person on whom the Corporation could, under the terms of that Section, have served such a notice, namely all persons interested in the said lands, all persons enabled to sell and convey or release any of the said lands, or such of the above persons as would after diligent enquiry be known to the Corporation; and the date on which such notice to treat will be deemed to have been served will be the date on which the Order is registered in the Registrar of Local Charges kept in respect of the area in which the lands are situated. Such notice to treat will not be deemed to have been served on any person in respect of an interest which is a tenancy for a year, or from year to year, or a less interest.

(b) The Redditch Development Corporation may at any time after the expiration of two months from the date of the first publication of the notice of confirmation of the Order and subject to the said tenancies execute a Declaration:

(i) of their intention to enter on the whole or part of the lands to which the Order relates and take possession thereof at the expiration of a period specified in such declaration, not being less than fourteen days from the completion of the service of a notice to that effect on occupiers, and on persons entitled to claim compensation who have given information to the Corporation of the nature of the land in respect of which they are entitled to claim compensation and of their interest therein, and

(ii) that the lands will vest in the Corporation at the expiration of the period specified in such declaration.

Any objection to the Order must be made in writing stating the grounds of the objection, and addressed to the Secretary of State for the Environment, Whitehall, London SW1 before the 19th January 1974.

The Secretary of State is not, in all cases, required to arrange for objections to be heard by a person appointed by him for that purpose. It is important therefore that an objection should include a full statement in writing of the grounds on which the objection is made as the objector may have no further opportunity to make such a statement.

Any owner or occupier of land to which the Order relates may send to the Redditch Development Corporation at the address below, a request in writing to serve him with a notice that the Order has been confirmed, and naming a place where a copy of the Order and of the map and of any descriptive matter annexed thereto may be seen. Such request should contain a statement of the name, postal address and the interest in the land of the owner or occupier, and particulars sufficient to enable the extent and boundaries of the land to be identified.—Dated 14th December 1973.
