The effect of the Order, which comes into operation on 4th April 1974, is to relax the prohibition of all vehicles except buses from proceeding from the trunk road into Meaford Old Road in the Rural District of Stone, so that it only applies to vehicles which exceed 3 tons unladen weight.

Any person who desires to question the validity of, or of any provision contained in, the Order, on the ground that it is not within the powers with respect to the Order conferred by the above Act, or on the ground that any requirement of, or of any instrument made under, any provision of that Act has not been complied with in relation to the Order, may within 6 weeks of the 27th March 1974 apply to the High Court for the suspension or quashing of the Order or of any provision contained therein.

## HIGHWAYS ACTS 1959 TO 1971

*The M63 Sale Eastern and Northenden By Pass Motorway and Connecting Roads (Side Roads) Variation Order No. 2 1974*

The Secretary of State for the Environment hereby gives notice that he proposes, in relation to the interchange between the M63 Motorway and Princess Parkway (A.5103) at Kenworthy in Manchester, to make a Variation Order under sections 13 and 286 of the Highways Act 1959, which will authorise him to vary the provisions of Schedule and Site Plan No. 5 to the M63 Motorway (Sale Eastern and Northenden By Pass and Connecting Roads Side Roads) Order 1970 (as amended by the M63 Sale Eastern and Northenden By Pass Motorway and Connecting Roads (Side Roads) Variation Order 1973) by:

- (a) providing two new highways (being roads), one to connect the northbound carriageway of Princess

- Parkway south of the interchange with the Willenhall Road extension, and the other to connect the Willenhall Road extension with the motorway slip road giving access to the northbound carriageway of Princess Parkway north of the interchange (thus permitting northbound buses at present using Princess Parkway to be re-routed around the perimeter of the interchange),
- (b) reducing the length of the separate highway (referred to as a cycle track in the 1970 Order) to be provided on the western perimeter of the interchange to take account of the provision of the new bus route, and
- (c) providing for certain highways referred to as cycle tracks in the 1970 Order to be designated roads.

Copies of the draft Order and of the accompanying plan may be inspected free of charge at all reasonable hours from 4th April 1974 to 18th May 1974 at the Department of the Environment, 2 Marsham Street, London S.W.1, at the offices of the North Western Road Construction Unit, Crystal House, Birley Street, Preston; the North Western Regional Controller, Department of the Environment, Sunley Buildings, Piccadilly Plaza, Manchester 1; the Greater Manchester County Council, New Deansgate House, 82-86 Deansgate, Manchester; the Manchester District Council, Town Hall, Manchester 2; at the Public Libraries, Church Road, Northenden, Manchester 22 and Rackhouse Road, Sale Circle, Northern Moor; and at Wythenshawe Central Library, The Forum, Manchester 22.

Any person may not later than 20th May 1974 object to the making of the Variation Order, by notice to the Secretary of State at his address at the North Western Road Construction Unit quoting the reference CNW 463/2/26/07 and stating the grounds of objection.

21st March 1974.

*D. V. Crowther*, Controller of Administration, Department of the Environment, North Western Road Construction Unit.

#### NOTE

In making the M63 Sale Eastern and Northenden By Pass Motorway and Connecting Roads (Side Roads) Variation Order 1973, the Secretary of State announced that he would publish a second Variation Order providing for the re-routing of northbound buses around the perimeter of the Princess Parkway Interchange, which would enable the bus stop to be re-positioned at a site which did not involve subway access. This is the Order now published in draft for public comment.

The Order provides for the construction as part of the new bus route of two new lengths of all purpose highway. The County Engineer of the Greater Manchester County Council has agreed that he will ask his Council to agree to seek powers to restrict the use of the main carriageways of these new lengths of highway to public transport omnibuses.

This Order also provides for certain highways around the perimeter of the interchange which were referred to as cycle tracks in the 1970 Side Roads Order to be designated as roads. This is necessary because the County Engineer of the Greater Manchester County Council proposes, prior to the opening of the motorway, to ask his Council to seek powers to prohibit certain classes of traffic from using Princess Parkway at the interchange. In this event the new highways around the perimeter of the interchange, in addition to catering for pedal cyclists and pedestrians, would provide an alternative route for those classes of traffic excluded from using Princess Parkway.
