12. A Forces Family Pension under Clause 5 will not be payable in addition.
13. Rank for the purpose of the award of attributable family pension shall be according to rank for invaliding purposes.
14. Where an award of attributable family pension is made the payment of a short term family pension under Clauses 8 and 9 may not exceed 91 days.
15. The date of commencement of an attributable family pension shall normally be the day after the end of the payment of the short term pension under Clauses 8 and 9 unless the Secretary of State for Defence considers there are circumstances justifying special consideration.
16. *Family Pension where an Attributable Pension is paid.* Widows of Officers, RN ratings and RM other ranks who were retired or discharged before 31st March 1973, and whose death is due to service may receive a family pension as provided for in Order in Council (45\*/NPP) of 4th February 1972 if the family is awarded an attributable pension.
17. The family pension will be abated by an amount calculated on the following basis if a widow is receiving Department of Health and Social Security attributable pension as the widow of an officer:
  - (a) The family pension will be abated by the amount of the rank element included in the war pension if the widow is receiving a war widow's pension from the Department of Health and Social Security as the widow of an Officer. This will be the difference between the war widow's pension for the widow of a Fleet Chief Petty Officer and the actual amount of war widow's pension.
  - (b) Children's pensions will not be subject to such reductions.

#### SECTION V

##### *Conditions Governing the Award of Family Pensions*

18. *Pensions Cannot be Claimed as a Right*
  - (a) A pension cannot be claimed as a right and will not be granted or continued when the applicant is shown to be living with a man as his wife, nor will it be granted if the service of the Officer, RN rating or RM other rank has not been such as, in the opinion of the Secretary of State for Defence, to justify the award.
  - (b) If the death of an Officer, RN rating or RM other rank, or the wound, injury or disease which resulted in his death, was due wholly or in part to his own negligence or misconduct or to any cause within his control, any grant which might otherwise be made to his widow or children may be withheld or reduced in amount at the discretion of the Secretary of State for Defence.
  - (c) If an Officer retired, dismissed the Service, or called upon to retire for misconduct or inefficiency, or a RN rating or RM other rank discharged for misconduct or inefficiency, was not granted any retired pay or pension in respect of his service, no award will be made to the family. If reduced retired pay or service pension was awarded, the family pension will be at such rate as the Secretary of State for Defence may determine.
  - (d) If the applicant is granted any other pension or allowance from public funds on account of the service of the deceased, any pension which might otherwise be granted under this Schedule may be withheld or reduced as the Secretary of State for Defence may determine.
19. *Conditions relating to Marriage*
  - (a) To be eligible for a pension, a widow must have been married to the Officer, RN rating or RM other rank before his retirement or discharge; or, if he subsequently gave further service in circumstances rendering him eligible for reassessment of retired pay or pension, before the termination of such further service.
  - (b) If the death of the Officer, RN rating or RM other rank occurred within a year of his marriage, the Secretary of State for Defence, in the light of the circumstances of the case, may withhold or reduce the award otherwise admissible.
20. *Effect of Separation on Widow's Pension and Gratuity.* Subject to any exception which the Secretary of State for Defence may approve in a particular case, an award will not be made to a widow who was separated from her husband at the time of his death. Should such an exception be approved, the award will be at such a rate, and subject to such conditions, as the Secretary of State for Defence may determine.
21. *Withholding or Diversion of Pension.* In exceptional circumstances the Secretary of State for Defence may withhold the whole or any part of a pension granted under this Schedule and may divert the whole or part for the benefit of persons dependent on the pensioner.
22. *Date of Commencement of Pension.* The date of commencement of pension will be determined according to the circumstances of the case and will normally, if application is not unduly delayed, be the date following the husband's death; or, if death occurred during service, the date following the termination of allowances issuable after death.
23. *Belated Claims.* If a widow dies before establishing her claim to pension, arrears of pension will not, save in exceptional circumstances, be allowed to her estate.
24. *Remarriage.* The pension of a widow who remarries will be suspended, but if she again becomes a widow her pension may be restored in whole or part at the discretion of the Secretary of State for Defence if her pecuniary circumstances justify such restoration.
25. *Children*
  - (a) A "child" for the purposes of the award of a pension under this Schedule means:
    - (i) A legitimate child of the Officer, RN rating or RM other rank provided that the child's mother fulfilled the conditions relating to marriage contained in Clause 19 of this Schedule, or
    - (ii) a step-child of the Officer, RN rating or RM other rank who was mainly dependent on him at the time of his death, provided that the child's mother fulfilled the conditions relating to marriage contained in Clause 19 of this Schedule; or
    - (iii) a child adopted by the Officer, RN rating or RM other rank, or by his wife, before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for a re-assessment of retired pay or service pension, before the termination of such further service), who was mainly dependent upon him at the time of his death, and provided that the child's mother by adoption fulfilled the conditions relating to marriage contained in Clause 19 of this Schedule; or
    - (iv) a child mainly dependent upon the Officer, RN rating or RM other rank before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for re-assessment of retired pay or service pension, before the termination of such further service), who was adopted by the Officer, RN rating or RM other rank, or by his wife after his retirement or discharge (or after the termination of such further service), provided that the Secretary of State for Defence is satisfied that the Officer, RN rating or RM other rank had formed the intention of adopting the child before retirement or discharge (or before the termination of such further service) and that the child was mainly dependent upon him at the time of his death, and provided that the child's mother by adoption fulfilled the conditions relating to marriage contained in Clause 19 of this Schedule; or
    - (v) an illegitimate child of the Officer, RN rating or RM other rank, or of his wife, born before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for re-assessment of retired pay or service pension, before the termination of such further service), who was mainly dependent upon him at the time of his death, and provided that, where the child is the illegitimate child of the wife, the wife fulfilled the conditions relating to marriage contained in Clause 19 of this Schedule.

(b) A child's pension will normally cease when the child attains the age of 16 years, except where an Officer, Fleet Chief Petty Officer or Regimental Sergeant Major, Royal Marines was retired or discharged before 31st March 1973 when payment of a child's pension will normally cease at the age of 18 years.

However, it may be granted or continued after these ages:

(i) if the child continues to receive full-time education, or is an apprentice not receiving more than nominal wages; or

(ii) if, before attaining the age referred to above the child was, and continues to be afflicted by mental or bodily infirmity and is therefore incapable of earning his or her own living, provided the Secretary of State for Defence considers that the pecuniary circumstances of the child and family are such as to justify the award.

(c) Children's pensions will be paid to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct as may be decided by the Secretary of State for Defence.

(d) Pensions of children of Officers and of Fleet Chief Petty Officers and Regimental Sergeant Majors, Royal Marines, may be issued quarterly in advance.

26. *Commutation of Retired Pay.* The widow and children of an Officer who commuted a portion of his retired pay under the Pensions Commutation Acts 1871 to 1882, or of a RN rating, or RM other rank who has commuted part of his pension, shall not thereby be deprived of entitlement to pension under this Schedule, but the award to the widow of an Officer whose marriage took place after commutation, a legitimate or illegitimate child born after commutation, a step-child eligible by virtue of a marriage after commutation, or a child adopted after commutation, shall be reduced by a proportion corresponding to the proportion of retired pay commuted.

## SECTION VI

### *Gratuities to Widows and Children on the Death of Serving Officers, RN Ratings and RM Other Ranks*

27. (a) The provisions of this Section apply to the widows and children of Officers, RN ratings and RM other ranks who die while serving on full pay on or after 31st March 1973.

(b) All awards under this Section will be governed by the general conditions set out in Section V as applicable.

28. Where an Officer, including a short service Officer, RN rating or RM other rank dies while serving on full pay on the Active List, his widow may be granted a gratuity equal to the terminal grant or gratuity for which the husband would have been eligible had he been invalided on the day of his death; or, if this is greater, a gratuity equal to twice the rate of retired pay or pension of her husband's rank for invaliding purposes appropriate to 34 years of service for an Officer, or 37 years of service for a RN rating or RM other rank.

29. Where an Officer, RN rating or RM other rank who on or after 1st April 1973 has retired with retired pay or been discharged to pension or has been invalided with invaliding retired pay or pension or with invaliding gratuity dies within one year of retirement or discharge his widow may be awarded a gratuity equal to the difference between the gratuity which would have been payable if he had died in service on the day of retirement or discharge and the amount of terminal grant or gratuity and any sum raised by commutation which he received.

30. Where an Officer, RN rating or RM other rank dies in service from causes accepted by the Department of Health and Social Security as being attributable to service, an additional gratuity may be paid to his widow at the following rates:

<i>Husband's Rank (for invaliding purposes)</i>	<i>Gratuity £</i>
Able Rating/Marine and below ... ..	464

Rear Admiral/Major-General RM ... ..	2,182
Vice-Admiral/Lieutenant-General RM ... ..	2,667
Admiral/General RM ... ..	3,516
Admiral of the Fleet ... ..	4,000

31. Where, had the Officer, RN rating or RM other rank been invalided, an adjustment would have been made to his award in respect of a gratuity or other non-effective payment previously received by him, an abatement may be made on that account in assessing the gratuity payable under Clauses 28 or 29.

32. Where the Officer, RN rating or RM other rank did not leave a widow eligible for an award under this section but a child or children (as defined in Clause 25, and fulfilling the conditions of that Clause), the Secretary of State for Defence may award a gratuity to the child or children. The total award shall equal that which would have been payable to a widow eligible for an award under this section and shall be apportioned among them at the discretion of the Secretary of State for Defence.

33. Where the Officer, RN rating or RM other rank leaves a widow and in addition a child or children (as defined in Clause 25 and fulfilling the conditions of that Clause) who are not living with or supported by her, the Secretary of State for Defence may divert part of the gratuity which would normally be payable to the widow for the benefit of all or any such children.

34. Where a woman member dies in circumstances in which the child of a male member would have been granted a gratuity under Clause 32 above and leaves a child or children (as defined in Clause 25 and fulfilling the conditions of that Clause), the Secretary of State for Defence may award a gratuity for the benefit of the child or children of such amount as he may determine.

35. Gratuities in respect of children may be issued to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct as may be decided. They may where appropriate be issued in instalments or withheld for later payment.

36. Where death occurs in service and neither an eligible widow nor motherless child or children are left, a sum equal to the gratuity otherwise payable under Clause 28 to the widow may be payable to the estate of the deceased. This applies also to women Officers and ratings.

37. Gratuities under this Section shall not be subject to abatement in respect of any Naval debt due from the deceased Officer, RN rating or RM other rank, other than any abatement due under Clause 31.
