SCHEDULE I

SECTION I

1. The provisions of this Section relate to officers holding permanent or pensionable commissions in the Royal Navy or Royal Marines who retire from the Active List on or after 1st April 1974. Subject to the provisions of the Forfeiture Act 1870, and the Admiralty Pensions Act 1921, they relate also to retired officers whose commissions are terminated or whose names are removed from the List of Retired Officers because of misconduct. Except as provided by sub-clause 13(b) of Schedule I they do not apply to:

- (i) Officers of Flag and General Rank of the Royal Navy and Royal Marines who retire from the Active List on or after 1st January 1974, and who, subject to the normal provisions, may be awarded retired pay at the rates specified in the Naval and Marine Pay and Pensions (Pensions) (Officers of Flag and General Rank) Order 1974;
- (ii) Officers holding temporary or short service commissions or officers on the Supplementary List who have not been granted permanent or pensionable commissions.

2. *Retirement for age or non-employment.* An officer retiring on or after attaining the age limit fixed for service in his rank and branch or, it having been decided that further employment is not available for him, retired compulsorily before attaining that age limit, may be granted retired pay, provided that, unless the special provisions set out in Clause 6 of this Schedule are relevant, he has completed at least 16 years' reckonable service as defined in Clauses 28 to 32 of this Schedule. In the event of eligibility for full pay continuing after formal retirement, the award will take effect from the day following that in respect of which full pay was last payable.

3. The rate of retired pay will be based on the officer's rank for retired pay purposes, as defined in Clauses 23 to 27, and on the length of his reckonable service calculated in accordance with Clause 32 of this Schedule.

4. Rates of Retired Pay. Subject to the provisions of this Section retired pay may be awarded as follows:

5. When an officer's reckonable service exceeds a given number of years (up to and including 33 years) by one or more complete days of a year, his retired pay will be increased by that number of days as a fraction of 365 of the difference between the rate for the number of years completed and the rate that would have been awarded had a further complete year been served.

6. *Late Entrants.*

(a) If an officer was appointed to a permanent commission before 1st April 1960, at an age later than that of the normal entrant and, in consequence of his late entry, has not completed 16 years' reckonable service at the time of compulsory retirement for age or non-employment, as provided in this Section, retired pay may nevertheless be granted at the discretion of the Secretary of State for Defence provided he has completed at least 15 years' qualifying service.

(b) Retired pay will be awarded at the rate appropriate to 16 years' reckonable service with one deduction at the appropriate rate shown below for each year, and proportionately by daily fractions of a year, by which his reckonable service is less than 16 years:

													£ a year	
Lieutenant	45
Lieutenant-Commander	71
Commander	83

7. *Voluntary Retirement.* An officer with at least 16 years' reckonable service who retires at his own request on or after reaching the age of 40 years and before reaching the age of 50 years, may be granted retired pay at the rates set out in Clauses 4 and 5 of this Schedule abated by 7½%. At other ages the retired pay will be as indicated in Clauses 4 and 5 of this Schedule.

An officer who has not served for at least 5 years after the grant of his permanent or pensionable commission will not be eligible for retired pay on voluntary retirement but may be awarded any service pension or gratuity for which he may be eligible by virtue of ratings' service.

8. *Service Invalidating Retired Pay.* Officers serving on permanent and pensionable commissions who are invalided on or after 1st April 1974, and have completed at least five years' service of which at least two years have been served from the age of 21, may be awarded Service Invalidating Retired Pay at the following rates:

9. *Service Attributable Retired Pay.* An officer, including an officer entered on a short service commission, who is invalided on or after 1st April 1974 due to an injury or disease which is accepted by the Department of Health and Social Security as being attributable to, or aggravated by, service and the degree of disability of which is assessed at 20 per cent. or more, may be awarded Service Attributable Retired Pay. No qualifying period of service is required for Service Attributable Retired Pay, and rank for the purpose will be as for Service Invaliding Retired Pay. The Department of Health and Social Security's disability pension together with other Department of Health and Social Security allowances as appropriate are payable in addition to Service Attributable Retired Pay. In the event of an increase in the degree of disability at any time, the rate of Attributable Retired Pay will be reviewed, and, in the event of a decrease in the degree of disability, only during the 12 months immediately following retirement unless the degree of disability falls below 20 per cent. when the Attributable Retired Pay will at any time be abated by the excess of the minimum rate over the appropriate rate of Service Invaliding Retired Pay. When the rate of Attributable Retired Pay is revised the new rate will be the rate, increased by relevant pension increase measures, appropriate to the revised degree of disability payable under the provision of the Order in Council under which the officer was invalided. Service Attributable Retired Pay will also be abated by the amount of any Unemployability Supplement put into payment by the Department of Health and Social Security within 12 months of the determination by them of attributability, subject to the abatement not exceeding the excess of the minimum rate over the rate of Service Invaliding Retired Pay appropriate to rank and length of service. For a short service commission officer or pensionable officer with less than 5 years' qualifying service the rate of Service Invaliding Retired Pay for the purposes of these calculations will be nil. The excess of the minimum rate over the appropriate rate of Service Invaliding Retired Pay is not commutable. An adjustment may also be made to the excess of the minimum rate over the appropriate rate of Service Invaliding Retired Pay where damages are recovered by an officer in respect of the injury which led to attributable invaliding. The rate of Service Attributable Retired Pay will be the rate of Service Invaliding Retired Pay according to rank and length of service unless it would be less than the appropriate minimum rate of Service Attributable Retired Pay according to rank and degree of disability in which case the latter will be payable. Where an officer is not eligible for Service Invaliding Retired Pay, the minimum rate will be payable.

(a) *Not within an officer's control.* An officer who is retired for incapacity, unsuitability or for inefficiency, not due to causes within his own control, and having at least 16 years' reckonable service, may be granted retired pay as for a compulsory retirement on account of non-employment.

(b) *Within an officer's control.* An officer who is retired for incapacity, unsuitability or inefficiency due to causes within his own control, but not amounting to misconduct, and having at least 16 years' reckonable service, may be granted an award of retired pay at such rate as the Secretary of State for Defence may determine, but not in any event exceeding the rate which would have been admissible had he retired voluntarily.

11. Retirement, etc. for Misconduct.

(a) An officer who is retired for misconduct with at least 16 years' reckonable service, may be granted retired pay at such rate as the Secretary of State for Defence may determine, but not in any event exceeding 90 per cent. of the rate of retired pay, which would have been admissible had he retired at his own request.

(b) *Dismissal etc.* An officer with at least 16 years' reckonable service who is dismissed the Service or dismissed with disgrace by sentence of Court Martial or whose name has been removed from the List of Officers or who has been allowed to resign his commission to avoid trial by Court Martial, may be granted a compassionate allowance at the discretion of the Secretary of State for Defence but not in any event exceeding 90 per cent. of the rate of retired pay which would have been admissible had he retired at his own request.

12. The Secretary of State for Defence may, in the exercise of his discretion under sub-Clause 10(b) and Clause 11 of this Schedule, grant a gratuity, or compassionate gratuity in place of retired pay or compassionate allowance.

13. Special Rules relating to officers promoted from the Lower Deck.

(a) *Permanent Commission.* An officer promoted to a permanent commission while serving on a normal regular engagement may on retirement be granted either:

- (i) Retired pay under the conditions set out in this Section, or
- (ii) Retired pay under the current rules for the award of ratings' pensions; whichever is more to his advantage.

(b) *Temporary Commission.* An officer promoted to a temporary commission on the Special Duties List may on retirement after completing 7 or more years of commissioned service be awarded retired pay under the conditions set out in this Section. An officer who retires at his own request may be awarded additions for commissioned service in accordance with Clause 12 of Schedule VI subject to the total award not exceeding the amount which would have been payable had the officer been on a permanent commission.

SECTION II

Terminal Grants in Addition to Service Retired Pay.

14. An officer retired from the Active List and awarded retired pay or invaliding retired pay under Section I of this Schedule may be awarded a terminal grant, in addition to his retired pay, under the following conditions:

- (a) The standard rate of grant will be three times the annual amount of the retired pay awarded under Section I of this Schedule.
- (b) Except as provided in Clause 6 of Schedule III, an officer can qualify only once for a grant.
- (c) The grant will be free of income tax.

15. A terminal grant under Clause 14 of this Schedule shall not be admissible in the case of an officer to whom Clause 11(b) of this Schedule applies, but a tax-free compassionate grant not exceeding three times the annual amount of the compassionate allowance may be awarded at the discretion of the Secretary of State for Defence.

16. In the event of eligibility for full pay continuing after formal retirement, payment of terminal grant will not be made before the day following that in respect of which full pay was last payable.

SECTION III

Service Gratuities for Permanent Officers (other than Officers on the Special Duties List) and for Officers Holding Pensionable Commissions on the Supplementary List.

17. Permanent officers, other than those on the Special Duties List, and Pensionable Supplementary List Officers may on retirement on or after 1st April 1974 be awarded a gratuity as follows (rates for women officers appear in parentheses):

(a) On compulsory retirement for age or non-employment or on retirement at own request, with at least 10 years' qualifying service:

For the first 10 years' qualifying service £2,420 (£2,251).
For each further year of qualifying service an addition of £485 (£451).

An officer who has not served for at least 5 years after the grant of his permanent or pensionable commission will not be eligible for a gratuity on voluntary retirement but may, if he had previous rating service, be awarded any gratuity for which he may be eligible under the conditions relating to the award of gratuities to ratings.

(b) If retired on account of incapacity, unsuitability or inefficiency not due to causes within the officer's control:

(i) If with 10 or more years' qualifying service, a gratuity at the discretion of the Secretary of State for Defence not exceeding the amount which would have been admissible under sub-Clause (a) above.

(ii) If with less than 10 but not less than 2 years' qualifying service, a gratuity at the discretion of the Secretary of State for Defence, not exceeding £195 (£181) for the first 2 years' qualifying service with additions at the rate of £195 (£181) for each additional complete year of qualifying service.

(c) If retired for incapacity, unsuitability or inefficiency or other cause within his own control, but not amounting to misconduct, with at least 10 years' qualifying service, a gratuity of such amount as the Secretary of State for Defence may determine, but not in any event exceeding the amount which would have been admissible under sub-Clause (a) above had the officer retired at his own request.

(d) If retired for misconduct, or on termination of commission for any of the reasons set out in Clause 11(b) of this Schedule, with at least 10 years' qualifying service, a gratuity, or a compassionate gratuity, if the Secretary of State for Defence so decides and of such amount as he may determine, but not in any event exceeding 90 per cent. of the award which would have been admissible had the officer retired at his own request.

18. An officer who originally retired at his own request with a gratuity only, may receive an additional gratuity of £365 (£339) for each completed year of re-employed service.

SECTION IV

Service Gratuities for Permanent Officers on the Special Duties List.

19. If permitted to retire at their own request, on or after 1st April 1974, with insufficient service to qualify for retired pay, officers on the Special Duties List may be granted gratuities on the following scale, subject to the completion of a minimum period of 12 years' actual service from the age of 18:

(a) Rating Service	£
For each year of qualifying service:	
In excess of 5 years up to 10 years	26
In excess of 10 years up to 14 years	68
In excess of 14 years up to 17 years	94
Over 17 years	109

(b) Officer Service

For each year of qualifying service:

As Commissioned Officer (Branch List), RN or RM, or Sub-Lieutenant (SD), RN, or Second-Lieutenant (SD), RM	202
As Senior Commissioned Officer (Branch List), RN or RM or Lieutenant (SD), RN or RM, or above	370

20. An officer with sufficient service to qualify for an award of retired pay, or for an award of pension on ratings' scales (with special increments for service as an officer), will not be eligible for an alternative award of gratuity on the foregoing scale.

21. If retired on or after 1st April 1974 for misconduct, or on termination of commission for any of the reasons set out in Clause 11(b) of this Schedule, with at least 12 years' actual service from age 18, a gratuity or a compassionate gratuity may be allowed at the discretion of the Secretary of State for Defence, but not in any event exceeding 90 per cent. of the award which would have been admissible under Clause 19 of this Schedule had the officer retired voluntarily.

22. An officer who has served on a rating's engagement, conferring eligibility for a rating's gratuity on completing at least 10 years' service after age 18, will have a reserved right to an award under Clauses 19 and 21 of this Schedule, on completion of 10 years' such service instead of 12 years'.

SECTION V

Rank for Retired Pay Purposes.

23. Subject to the following Clauses, the rank for retired pay purposes shall be the substantive rank held by the officer on his retirement, provided that, unless the officer is invalided, the rank had been held on the Active List for the following minimum periods:

(a) Admiral; General, Royal Marines	1 year
(b) All other officers	2 years

If the substantive rank has been held for less than the period specified, the rank for retired pay purposes shall be the highest substantive rank which (with periods spent on higher substantive rank) satisfies the condition.

24. Service as Acting Captain, Royal Navy, may be reckoned towards the requirement of 6 years' service as Captain irrespective of the date of substantive promotion.

Additions to Retired Pay for Service in Paid Acting Rank.

25. Subject to the general conditions in Clause 26 below, paid acting and temporary rank held by officers of the Royal Navy, Royal Marines, and Women's Royal Naval Service and members of Queen Alexandra's Royal Naval Nursing Service, may reckon for increase of retired pay as follows:

(a) For each complete year (subject to a maximum of 3) for which the paid acting or temporary rank was held, there may be added one third of the difference between the retired pay for which the officer is eligible and the retired pay for which he would have been eligible had his rank for retired pay been one rank above his substantive rank.

(b) Where an officer has failed to complete 2 years in a substantive rank required to qualify him for the retired pay of the rank, such service may reckon for retired pay as if it had been acting or temporary rank.

(c) Parts of a year in acting or temporary rank will be calculated proportionately, provided the acting or temporary rank has been held for a minimum period of 1 year.

26. General Conditions.

(a) Service from 3rd September 1939 will count.

(b) In no case shall service in an acting or temporary rank earn a rate of retired pay higher than would have been earned if the acting or temporary rank had been substantive.

(c) The "complete" years referred to in sub-Clause 25(a) of this Schedule need not be continuous in time but may be made up of broken periods.

27. The Secretary of State for Defence may fix a date after which periods in acting or temporary rank will no longer be reckonable for additions to retired pay.

Definitions of Service.

28. The following periods may be included in assessing qualifying and reckonable service for the purpose of the foregoing Clauses:

(a) Subject to Clause 30 of this Schedule, full pay service (including mobilised or embodied service or for the purpose of training) as an officer, rating or other rank of the Royal Navy, the Royal Marines, the Army or the Royal Air Force or of the Auxiliary and Reserve Forces, and of the former Armed Forces of India or Burma, or of the Armed Forces of the Commonwealth or a Colony, provided that where appropriate such service would be reckonable as qualifying service under Army or Royal Air Force regulations; except broken periods each of less than 6 months' duration.

(b) While a permanent regular officer, periods in appointments not remunerated from Navy Votes which the Secretary of State for Defence considers can reasonably be regarded as part of an officer's career as such. They shall be appointments to which the officer brings his naval knowledge and from which he acquires additional experience and which have been officially offered to him as part of his naval service.

(c) Periods before 1st August 1938, on unemployed pay, or on half pay not following the sentence of a Court Martial or the expiration of full pay sick leave, will reckon as service in full up to a maximum of 6 months in any one period or 2 years in all. Any such service not reckoning in full under the above rule will reckon as a third, subject to a maximum of 6 years' such service reckoning as two years.

29. Loss of seniority or time forfeited by sentence of Court Martial or Disciplinary Court will not involve loss of service for retired pay or gratuity.

30. Service preceding a five-year interval in service shall not be included unless specially allowed by the Secretary of State for Defence, and eligibility to reckon such previous service will normally be determined at the time of resumption of service. Where, during a break in service the officer has been a member of the Royal Naval Reserve, or other reserve of any of the Forces, undertaking or liable for periodical training, the period of such membership will not be considered an interval in service for the purpose of deciding whether the previous service is admissible.

Previous Service for which a Non-Effective Award has been received.

31. (a) In the case of previous service in respect of which the officer received a service gratuity, or in any case of previous service other than in the Royal Navy, the Royal Marines, the Army or the Royal Air Force, it may be stipulated as a condition for allowing such service to reckon for retired pay, that the officer shall make a payment to Naval Funds, either in a lump sum or otherwise. In default of such payment as may have been stipulated, the previous service will not be allowed.

(b) If an officer has continued to draw concurrently with full pay the retired pay or other analogous award payable in respect of previous service, the further service will normally not confer eligibility for improved benefits on final termination of employment.

Counting of Service.

32. (a) *Reckonable Service.* All service as defined above from the age of 21 will count in full as reckonable service.

(b) *Qualifying Service.* All service as defined above from the age of 18 will count in full as qualifying service.

SCHEDULE II**SECTION I****Gratuities****Gratuities for Short Service Medical and Dental Officers.**

1. An officer entering the Medical or Dental Branches of the Royal Navy on a short service commission of 3 or 5 years' duration on or after 1st May 1961 may if the full period of Active List service he has undertaken is satisfactorily completed, be awarded a gratuity at the rate of £500 for each of the first 3 years' service and at a rate of £750 a year thereafter. An officer entered on a 3 year commission who has applied before 1st September 1963, to extend his service by 2 years will be eligible for a gratuity of £3,000. Those applying for such extensions on or after 1st September 1963, irrespective of whether their original 3 year commission began before or after that date, will be eligible only for a gratuity of £2,500 on completion of 5 years' service. An officer entered on a 3 year commission who could, by a 2 year extension of service, qualify for a gratuity of either £3,000 or £2,500 may, if his further service beyond 3 years falls short of 2 years, be awarded an addition to his gratuity at the rate of £300 a year in respect of his further service. Officers permitted to extend their service beyond 5 years, and whose extension of service begins on or after 1st April 1968, will be eligible for an addition calculated at the rate of £400 a year for service in excess of 5 years. Otherwise the addition for further service beyond 5 years will be calculated at the rate of £300 a year.

2. Women Medical and Dental Officers leaving on marriage or for compassionate reasons where the Secretary of State for Defence is satisfied that such reasons necessitate retirement may be awarded a gratuity proportionate to the length of Active List service actually completed.

SECTION II**Gratuities for Supplementary List Aircrew and Electrical Officers other than those granted Permanent or Pensionable Commissions.**

3. Supplementary List Aircrew Officers may, on satisfactory completion of 12 years' service on the Active List on or after 1st April 1974, be granted a gratuity of £5,000 unless they have received the Aircrew Special Bounty as provided for in Order in Council of 29th October 1965, when they may be granted a gratuity of £4,000. Extension of service beyond 12 years will qualify for an addition at the rate of £500 a year.

Those who retire on or after 1st April 1974, on completion of 8 years' service will be eligible for a gratuity of £3,085. Helicopter Pilots retiring on or after 1st April 1974 on completion of 5 years' service will be eligible for a gratuity of £1,825.

4. Supplementary List Electrical Officers entered on or after 6th February 1964, who hold a degree, or degree equivalent, in electrical engineering (or in science with suitable engineering subjects) or are Graduate Members of the Institution of Electrical Engineers, or the Institution of Electronic and Radio Engineers, or who hold qualifications which approximate to, or which exempt them from Parts I and II of the Institution of Electrical Engineers' examination may, on satisfactory completion of 10 years' service on the Active List, be granted a gratuity of £3,500. Those who leave on completion of 5 years' service will be eligible for a gratuity of £1,825.

5. Electrical Officers entered before 6th February 1964 and retiring on or after 1st April 1974 will be eligible for a gratuity at the rate of £365 a year, except that officers holding the professional qualifications laid down in Clause 4 of this Schedule who, on 6th February 1964, had completed less than 5 years' service will be eligible for a gratuity of £3,500 on completion of 10 years' service.

SECTION III

Gratuities for Supplementary List Aircrew serving on Pensionable Commissions.

6. Supplementary List Aircrew serving on pensionable commissions to age 38, who leave at their optional breakpoints, will be eligible for gratuities calculated in accordance with Clause 3 of this Schedule. If they leave at any time other than at their optional breakpoints any award of retired pay or gratuity will be assessed in accordance with the provisions of Schedule I.

SECTION IV

Gratuities in respect of other Short Service Commissions.

7. An officer holding a Short Service Commission or a Commission on the Supplementary List in the Royal Navy under terms which provide for the payment of gratuity may, on satisfactory completion of the service on or after 1st April 1974 including any extension of service he has undertaken, be granted a gratuity at the following rates:

- (a) Air Traffic Control Officers £365 a year except that service below the rank of Acting Sub-Lieutenant will reckon only at the rate of £230 a year.
- (b) Other Officers including Helicopter Pilots, but excluding Pilots and Observers of fixed wing aircraft ... £365 a year.

SECTION V

General conditions attached to the award of Short Service Gratuities.

8. Should the officer fail to complete the full period of Active List service which he has undertaken, an award may nevertheless be made as follows:

(a) If his service is terminated on account of disability not due to causes within his own control, he will be granted a gratuity proportionate to the length of Active List service he has actually completed.

(b) If his service is terminated for non-employment, or for incapacity, unsuitability or inefficiency not due to causes within his own control, or if he is permitted voluntarily to terminate his service within 6 months of the completion of the full period of Active List service he has undertaken, he may be awarded either a gratuity proportionate to the length of Active List service he has actually completed or a reduced gratuity at such rate as the Secretary of State for Defence may determine.

(c) If he is permitted voluntarily to terminate his service more than 6 months before the conclusion of the period he has undertaken, no gratuity will be payable to a Pilot or Observer unless he has completed at least 18 months' satisfactory service and is in possession of the flying badge, nor to an officer of any other Branch unless he has completed at least 1 year's satisfactory service. Thereafter he may be allowed at the discretion of the Secretary of State for Defence such gratuity as may be determined, but not in any event exceeding three-quarters of the amount proportionate to the length of his actual service on the Active List.

(d) If his service is terminated owing to disability due to causes within his own control or to inefficiency or other cause within his own control but not amounting to misconduct, he may be allowed, at the discretion of the Secretary of State for Defence, such gratuity as may be determined, but not in any event exceeding the amount which would have been admissible had he been allowed to terminate his service voluntarily.

(e) If his service is terminated on account of misconduct, the special payment of a compassionate gratuity shall be within the discretion of the Secretary of State for Defence according to the circumstances of his case, but the award will not in any event exceed 90 per cent. of the gratuity which would have been admissible had he left voluntarily.

(f) In the case of aircrew officers proportionate gratuity will be calculated as follows:

(i) For service short of 8 years:

For the first 18 months' service at the rate of £270 a year.

For service beyond the first 18 months at the rate of £410 a year, subject to a maximum of £3,085.

(ii) For service between 8 and 12 years:

£3,085 in respect of the first 8 years and at the rate of £480 a year for the remaining period subject to a maximum of £5,000.

(g) In the case of Professionally Qualified Electrical Officers proportionate gratuity will be calculated as follows:

At the rate of £365 a year for the first 5 years and at £470 a year in respect of service between 5 and 10 years.

9. Where a short service commissioned officer dies in service leaving neither a widow nor dependent children, a lump sum payment may be made to his estate equal to twice the annual rate of full career pension for an officer of his rank or the amount of gratuity which would be payable had the officer been invalidated on the day he died, if this is greater.

10. If an officer serving on a short service commission continues on full pay beyond the period of Active List service which he had undertaken, payment of the gratuity will be deferred until the end of such further service.

11. A short service commission officer who was transferred to that commission from a pensionable commission solely because of failure to complete training due to causes outside his control including medical unfitness may, in addition to the gratuity in respect of his short service be awarded on final satisfactory completion of service a gratuity at the rate provided for in sub-Clause 17(b)(ii) of Schedule I in respect of his pensionable service.

12. A short service commission officer who is granted a permanent commission will not be eligible for any gratuity in respect of his service on a short service commission, but his service on that commission may count towards an ultimate award of retired pay or gratuity as a permanent officer. If, after receipt of a gratuity in respect of short service, an officer is granted a permanent commission, his previous service will not be reckonable towards an ultimate award of retired pay or gratuity as a permanent officer, unless satisfactory arrangements are made for the refund of the short service gratuity.

13. Service on a short service commission in the medical, dental, or education branches of the Royal Navy, may, in certain circumstances, be treated as contributory service under the National Health Service (Superannuation) Regulations or under the Teachers' (Superannuation) Act, as appropriate. Where service is so treated, both the employer's and the officer's contribution will be advanced by the Ministry of Defence and the total amount so advanced will be deducted from the gratuity for which the officer is eligible under the provisions of this Section. When contributions have been so advanced but as a result of being transferred to a permanent or pensionable commission the officer does not qualify for a gratuity under this Section, no refund of the employer's contributions will be required from the officer, but in order that his previous service may be reckonable towards an ultimate award of retired pay or gratuity as a permanent officer he will be required to refund the employee's contributions advanced on his behalf by the Ministry of Defence. Service which counts for service retired pay or gratuity may not also count as reckonable service for purposes of pension under the appropriate civil superannuation scheme.

14. (a) An Officer who is non-attributably invalided with less than 5 years' qualifying service, but with at least 2 years' may be awarded a gratuity at the rates shown below:

SCHEDULE III

SECTION I

Retired Officers of the Royal Navy and Royal Marines: Re-employment in Peace-time

1. Except as provided in Section II of this Schedule an officer who is on retired pay may, while re-employed for training or on any authorised naval duty for periods not exceeding 6 consecutive months or aggregating 6 months or less in any 12 months, continue to draw his retired pay concurrently with any pay to which he is entitled; but payment of retired pay may be suspended when there is doubt about the duration of the period of re-employment. No retired pay will be payable when the period of re-employment exceeds 6 months, and where the retired officer has commuted any part of the retired pay which would have been liable to suspension had he not commuted, a deduction equivalent to the amount commuted will be made from his pay.

2. An officer whose service retired pay has been suspended under Clause 1 of this Schedule and who, having been placed on the Retired List before 1st April 1974, is re-employed on or after that date without an actual break in service, will be eligible on reversion to the Retired List for awards of retired pay and terminal grant under the provisions in Section I of Schedule I as appropriate for officers retiring on or after 1st April 1974, assessed on the basis of former service added to re-employed service.

3. An officer whose service retired pay has been suspended under Clause 1 of this Schedule and who, having had a break in service, is in re-employment on or after 1st April 1974 may receive on reversion to the Retired List an award of retired pay assessed on the basis of former service added to re-employed service as follows:

(a) Under the provisions of Section I of Schedule I provided that

- (i) the period of re-employment is not less than 3 years; or
- (ii) the officer is invalidated from re-employment; or
- (iii) he originally retired on or after 1st April 1974.

(b) If the officer originally retired before 1st April 1974, and the period of his re-employment is less than 3 years and he is not invalidated, under the provisions of the Order in Council under which his retired pay was originally assessed.

4. If during re-employed service an officer has served in a rank higher than that held before original retirement and has received the pay and allowances appropriate to that rank, this service may be allowed to reckon for assessment of a revised rate of retired pay on a similar basis to that laid down in Clauses 25 and 26 of Schedule I.

5. If the officer had originally retired at his own request, re-assessed retired pay under sub-Clause 3(a) or sub-Clause 3(b) of this Schedule will be on the basis of voluntary retirement, unless he is invalidated from re-employment.

6. An officer whose retired pay has been suspended under Clause 1 of this Schedule may receive, on reversion to the Retired List on or after 1st April 1974, a terminal grant or additional terminal grant calculated as follows:

(a) If retired pay has been re-assessed under sub-Clauses 3(a)(i) or 3(a)(ii) of this Schedule, the award shall be, for each complete year of re-employed service, one-tenth of the difference between 3 times the annual amount of retired pay awarded on termination of re-employment and the terminal grant (if any) previously awarded.

(b) If retired pay has been re-assessed under sub-Clause 3(b) of this Schedule, and the officer originally retired before 1st January 1956, as in sub-Clause 6(a) above.

(c) If retired pay has been re-assessed under sub-Clause 3(a)(iii), or under sub-Clause 3(b) of this Schedule where the officer originally retired on or after 1st January 1956, the difference between the terminal grant previously awarded and 3 times the amount of retired pay awarded on termination of re-employment.

7. An officer who originally retired at his own request with a gratuity only, may receive an additional gratuity of £365 for each completed year of re-employed service.

8. An officer who re-enters the Service within 5 years of being discharged on redundancy will be required to refund a portion of the Special Capital Payment awarded to him as follows:

<i>Break in Service</i>	<i>Refund of Special Capital Payment</i>
1 year	4/5ths
2 years	3/5ths
3 years	2/5ths

SECTION II

Retired Officers of the Royal Navy and Royal Marines: Re-employment in Emergency

9. On recall for service at a time of imminent national danger or of great emergency, or when re-employed with the armed forces on general mobilisation, one-half of the retired pay of a retired officer will remain in issue concurrently with the pay and allowances appropriate to his rank on re-employment. Any portion of the retired pay that has been commuted will be recovered from the retired pay remaining in issue, or, when this is insufficient to meet the liability, from his pay to the extent of the deficiency.

10. For the purpose of applying the provisions of Clause 9 of this Schedule to a retired officer compulsorily recalled at a time of national emergency when general mobilisation has not been announced, the operative period will be determined by the Secretary of State for Defence in consultation with the Minister for the Civil Service.

SCHEDULE IV

2. The general conditions in Sections II, III, IV and VI of Schedule I, Section V of Schedule II and Sections I and II of Schedule III will also apply to officers except as provided in Clauses 4 to 6 following.

3. Retirement on marriage, or for compassionate reasons where the Secretary of State for Defence is satisfied that such reasons necessitate retirement or termination of service, on or after 1st April 1974 is to be treated as compulsory retirement for purposes of awards of retired pay.

4. *Gratuities for Third Officers, WRNS retired compulsorily after 7 years' service.* Third Officers, WRNS who are retired compulsorily for non-employment on completion of 7 years' service in the rank will be eligible for a gratuity of £2,376·15.

On optional withdrawal after satisfactorily completing 5 years' service on a short service commission, they will be eligible for a gratuity of £1,697·25.

(b) *Nursing Sisters.* Nursing Sisters entered for short service will, on satisfactorily completing the period of service undertaken, be eligible for a gratuity at the rate of £339 for each year of short service.

6. *Gratuities for permanent and short service officers leaving on marriage or for compassionate reasons.*

(a) Permanent officers who have completed at least 4 years' service as officers and who, being ineligible for retired pay or for gratuities under the provisions of the foregoing Clauses, are permitted to retire or are required to terminate their service on marriage, or for compassionate reasons where the Secretary of State for Defence is satisfied that such reasons necessitate retirement or termination of service, on or after 1st April 1974 may be awarded a gratuity of £225 for each complete year of qualifying service subject to a maximum of £2,251.

(b) Short service officers whose service is terminated for the reasons stated in the preceding sub-Clause will be eligible for a gratuity at the rate of £339 a year proportionate to the length of short service commission actually completed. The minimum of 1 year's service stipulated in sub-Clause 8(c) of Section V of Schedule II may be disregarded for purposes of award under this sub-Clause.

7. *Definitions of service of permanent officers.* Within the limits prescribed in Clause 32 of Schedule I, and except as provided in the modified regulations set out in Clause 6 above, all full-pay service as an officer of the WRNS or as a member of the QARNNS or QARNNS Reserve or service as a rating in the WRNS may be taken into account in assessing qualifying and reckonable service for the award of retired pay and gratuities, as may service that would be treated as qualifying or reckonable service under Army and Royal Air Force Regulations.

SCHEDULE V

1. The provisions of this Schedule shall apply only to officers serving under the terms and conditions laid down in Order in Council (No. 96/CE) of 23rd July 1931, and subsequent amending Orders in Council, who retire from the Active List at their own request before reaching the age of 45 in order to accept appointments in or under the Naval Ordnance Inspection Division of the Weapons Department of the Ministry of Defence (Navy Department) as members of the Works Group (Variant) Class of the Home Civil Service.

2. Such officers shall be eligible from the date of their retirement from the Active List for awards of retired pay and terminal grant at the rates and under the conditions in force at the time of their retirement for officers on the General Active List who are retired compulsorily for age or non-employment; but not for any increase that might otherwise be payable in respect of service in acting and temporary rank under Clauses 25 to 27 of Section V of Schedule I.

3. Any officer who, having retired from the Active List under the foregoing Clauses, voluntarily terminates his service in or under the Naval Ordnance Inspection Division within three years of taking up an appointment as a member of the Works Group (Variant) Class shall thereupon have his retired pay reduced to the rate that would have been payable, less any part commuted at the time of his retirement from the Active List had that retirement been treated as though it were that of an officer of the General Active List retired at his own request; and to refund to the Ministry of Defence:

(a) the difference between the higher and lower rates of retired pay in respect of the period during which the former was in payment; and

(b) the difference between terminal grants based on the higher and lower rates of retired pay.

Payment of retired pay shall be discontinued until arrangements satisfactory to the Ministry of Defence have been made for refund of the amounts due.

SCHEDULE VI

1. The provisions of this Schedule relate to ratings of the Royal Navy, other ranks of the Royal Marines, ratings of the Women's Royal Naval Service and Naval Nurses of Queen Alexandra's Royal Naval Nursing Service who give service on full pay on or after 31st March 1974. They do not apply to RN Locally Entered ratings other than Maltese. The rates of pension are effective from 1st April 1974. A rating who was serving on 31st March 1974, shall be eligible to receive, in place of the award admissible under the terms of this Schedule, the award for which he would have qualified under the regulations contained in Order in Council (No. 2) of 21st May 1974.

2. Except where otherwise stated, the term "ratings" in this Schedule should be read as including Fleet Chief Petty Officers, Chief Petty Officers, Petty Officers, Non-Commissioned Officers, ratings and other ranks of the Royal Navy, Royal Marines and the Women's Royal Naval Service, and Naval Nurses of Queen Alexandra's Royal Naval Nursing Service.

SECTION I

Service Pensions and Terminal Grants

Conditions of Award.

3. A service pension and terminal grant assessed as in Clauses 6 to 14 of this Schedule may be awarded to:

(a) A rating discharged otherwise than for misconduct or for inefficiency within his own control, provided he has completed at least 22 years' reckonable service.

(b) A rating who is invalidated after having undertaken an engagement or re-engagement which would normally enable him to qualify for pension under (a) above provided he has completed at least 5 years' reckonable service.

4. A rating whose services are terminated for misconduct or for inefficiency within his own control and who has completed at least 22 years' reckonable service may be granted such portions of the service pension and terminal grant assessed under Clauses 6 to 14 of this Schedule as the Secretary of State for Defence may determine, having regard to the circumstances of the case, but when the services are terminated for misconduct, the amount shall not in any event exceed 90 per cent. of the award which would have been admissible had the discharge been on other grounds.

5. A rating who is discharged not more than 3 months before completing 22 years' reckonable service so that he may enter civil employment which he has obtained but which cannot be held open for him, may be awarded a service pension and terminal grant calculated on the actual reckonable service he has rendered, provided that this is not less than 21 years and 9 months.

Assessment of Pension.

6. Except as provided in Clauses 7 to 9 of this Schedule, pension will be based on the length of reckonable service and on the highest paid rank, whether acting or confirmed, held for an aggregated period of 2 years or more during the 5 years' reckonable service preceding discharge to pension. Where during the 5 years preceding the termination of full pay service a rating has completed a total of at least one year, but less than 2 years in a higher rating, pension will be assessed initially on the highest paid rating held for 2 years or more to which one addition will be made for this service in the higher rating. The addition will be calculated by taking for the first year of service in the higher rate one third of the difference between the pension payable for the rating held for 2 or more years and the pension of the next higher rating plus a proportionate amount calculated by days for any period in a higher rating in excess of one year. For the purposes of this Clause paid service in a higher rank may, where it is to a rating's advantage, be treated as if it were in all respects service in a lower rating.

7. In the case of those invalided, pension may be based on the length of reckonable service and on the substantive rank held at the time of discharge provided the higher rate was a regular roster advancement if this is more favourable than the rule in Clause 6 of this Schedule.

8. Where a rating has completed a pensionable engagement but is permitted to remain in the Service in a lower rank, he may on final discharge be awarded the pension for which he would have been eligible had he been discharged on the date on which he reverted to the lower rank (but calculated at the rates current on the date on which he is actually discharged) but with an addition of the annual increments of pension appropriate to the lower rank for the period served in that rank.

9. Where a rating has been disrated for misconduct or reverted for inefficiency or unsuitability during 5 years preceding termination of full pay service and is eligible for a service pension under Clause 3 of this Schedule, the rank on which such pension is to be based will be determined by the Secretary of State for Defence having regard to the circumstances of the case.

10. Subject to Clause 13 of this Schedule, pensions may be awarded at the following rates to United Kingdom ratings discharged from service on or after 31st March 1974.

11. *Addition for Aircrew Service.* Ratings who have given or are giving service which under regulations in force prior to 1st April 1972, would give them title to an addition to pension in respect of aircrew service and who, on or before 1st June 1972,

engaged to serve for longer than 12 years will be eligible for an addition to their pension in respect of their total aircrew service at the time of discharge, subject to total pension not exceeding the following limits:

- (a) Pilots and Navigators £0·09 a week for each year of aircrew service.
Other Aircrew Categories £0·08 a week for each year of aircrew service.

(b) The £0·06 rate:

50 per cent. of the Band II rate of military salary plus Long Service Pay appropriate to the rate on which pension is based.

Where the rating is also eligible for additions in respect of commissioned service the limit on total pension will be the higher of the two applicable limits.

12. *Addition for Commissioned Service.* Where a rating had previous commissioned service and has been awarded a service pension under the provisions of Clauses 6 to 10 of this Schedule, an addition may be made to that pension at the rate of £18·00 a year for men and £16·74 a year for women subject to Clause 13 and to total pension not exceeding £1,796 and £1,670 a year respectively and to a maximum of 9 years' such service. These additions will not be payable to officers with previous rating service who retire as officers on pensionable commissions (as opposed to temporary commissions) and opt for a rating's pension.

13. *Maximum Rates of Pension.* Men who, on 1st April 1974, were serving on engagements that could take them beyond 37 years' reckonable service (i.e. those who entered under the terms of DCI(RN)1104/64) will receive an addition to the 37 year rate of pension equal to 1/37 of the appropriate 37 year rate of pension for each year of reckonable service beyond 37 years subject to a maximum of 5 years, i.e. 5/37 of the 37 year rate of pension.

14. *Terminal Grant.* A terminal grant in addition to service pension or service invaliding pension will be payable at a rate equal to 3 times the annual value of any pension awarded; a year for this purpose being regarded as 52 weeks. Where an addition in respect of a gallantry award is made to a pension under the provisions of Order in Council of 14th October 1947, such addition shall be omitted for the purpose of assessing the terminal grant.

15. *Previous Service as Maltese locally enlisted other rank or airman.* Previous service as a Maltese locally enlisted other rank or airman which is reckonable for pension purposes may be added to reckonable naval service for the award of a service pension and terminal grant. The pension and terminal grant will be assessed at the current rate appropriate for each period of service, but assessed for both periods at the rank determined under Clauses 6 to 9 of this Schedule.

16. The rates in this Section are for complete years of service. Rates for residual parts of a year will be calculated proportionately according to the number of days.

Reckonable Service.

17. Reckonable Service for the purpose of determining entitlement to service pension will, subject to Clauses 18 to 20 of this Schedule, be as follows:

(a) Unforfeited full pay service given, otherwise than as a commissioned officer, after attaining the age of 18 years, in the Royal Navy, the Royal Marines, the Army, Royal Air Force, or in the Armed Forces of the British Commonwealth or Colonies, or in the former Armed Forces of India or Burma.

(b) Service as a commissioned officer which would reckon under Clause 28 of Schedule I.

(c) Periods on full pay for the purposes of training while a member of the Auxiliary or Reserve Forces, except broken periods individually of less than six months' duration.

(d) Whilst a regular rating, periods in appointments not remunerated from Navy Funds which the Secretary of State for Defence may decide can reasonably be regarded as part of the rating's career as such. These will generally be appointments to which the rating brings his Naval knowledge and from which he acquires additional experience and which have been offered to him as part of his Naval service.

(e) In the case of women, full-time employment as a Naval Nurse with Queen Alexandra's Royal Naval Nursing Service or with the Navy, Army or Air Force as a member of a Voluntary Aid Detachment.

18. The following shall not be reckonable service:

(a) Periods of imprisonment or detention, whether awarded summarily or by sentence of court martial; or confinement in cells.

(b) Time forfeited through conviction by the Civil Power; or consequent upon an Order under the Probation of Offenders Act.

(c) Time spent in desertion and, unless restored by the Secretary of State for Defence, any service preceding desertion.

(d) Any service during which pension is drawn except as provided in Sections IV and V of this Schedule.

(e) Service rendered by any person who shall have re-entered after having been dismissed from Her Majesty's Service with disgrace or discharged with ignominy.

19. (a) In the case of previous service in respect of which the rating received a service gratuity (including a gratuity in respect of supplemental or extended service), it shall be a condition of allowing such service as reckonable service under Clause 17 of this Schedule that the gratuity shall be refunded either in a lump sum or otherwise.

(b) In any case of previous service other than in the Royal Navy, Royal Marines, Army or Royal Air Force, it may be stipulated as a condition for the allowing of such service towards pension or gratuity that the person makes a payment to Naval Funds, either in a lump sum or otherwise.

20. Service preceding a five-year interval in service will not be reckonable unless specially so allowed by the Secretary of State for Defence, and eligibility to reckon such service will normally be determined at the time of resumption of service. However, the following periods will not be regarded as intervals in service for the purpose:

(a) A period during which a man was a member of a Reserve Force undertaking, or liable for, periodical training.

(b) A period during which a man, although not a member of an organised reserve, remained liable for recall, provided his period of service included a period of war service. War service for this purpose is defined as full pay service between 3rd September 1939 and 15th August 1946.

21. *Service Invaliding Pension.* Ratings invalidated on or after 31st March 1974, and who have completed at least 5 years' service from age 18, may be awarded Service Invaliding Pension at the following rates:

22. *Service Attributable Pension.* Ratings irrespective of length of service who are invalidated on or after 31st March 1974 due to an injury or disease which is accepted by the Department of Health and Social Security as being attributable to, or

aggravated by, service and the degree of disability of which is assessed at 20 per cent. or more may be awarded Service Attributable Pension. Rank for Service Attributable Pension purposes will be the same as for Service Invaliding Pension. The Department of Health and Social Security's disability pension together with other Department of Health and Social Security allowances as appropriate will be payable in addition to Service Attributable Pension. The rate of Service Attributable Pension will be reviewed in the event of an increase in the degree of disability at any time, and, in the event of a decrease in the degree of disability, only during the 12 months immediately following discharge unless the degree of disability falls below 20 per cent. when the Attributable Pension will at any time be abated by the excess of the minimum rate over the appropriate rate of Service Invaliding Pension. When the rate of Service Attributable Pension is revised the new rate will be the rate, increased by relevant pension increase measures, appropriate to the revised degree of disability payable, at the rate provided for by the Order in Council under which the rating was invalided. Service Attributable Pension will also be abated by the amount of any Unemployability Supplement put into payment by the Department of Health and Social Security within 12 months of the determination by them of attributability, subject to the abatement not exceeding the excess of the minimum rate over the rate of Service Invaliding Pension appropriate to rank and length of service. In the case of a rating with less than 5 years' qualifying service the rate of Service Invaliding Pension for the purposes of these calculations will be nil. The excess of the minimum rate over the appropriate rate of Service Invaliding Pension is not commutable. An adjustment may also be made to the excess of the minimum rate over the appropriate rate of Service Invaliding Pension where damages are recovered by a rating in respect of the injury which led to attributable invaliding. The rate of Service Attributable Pension will be the rate of Service Invaliding Pension according to rank and length of service unless it would be less than the appropriate minimum rate of Service Attributable Pension according to rank and degree of disability in which case the latter will be payable. Where a rating has no eligibility for Service Invaliding Pension, the minimum rate will be payable.

SECTION II

Service Gratuities

23. The provisions of this Section relate to ratings who are transferred to the Reserve, discharged from regular engagements without entitlement to normal service pension, or discharged with Service Attributable Pension, or Service Invaliding Pension.

24. Reckonable service for the purposes of this Section will be as for service pensions in Clauses 17 to 20 of Section I of this Schedule. Where the total of reckonable service is not in complete years the residual period of less than a year will be reckonable in calculating the amount of the gratuity. The award for the residual part of a year will be calculated, according to the number of days, as a proportion of the increase for the next complete year at the appropriate point on the scale.

25. Ratings discharged without entitlement to service pension on or after 31st March 1974, provided they have completed not less than 12 years' reckonable service from the age of 18, or date of entry if later, may be awarded a Service gratuity on the following scale:

Years of reckonable service	Men		Women	
	£		£	
12	365		339	
13	445		414	
14	540		502	
15	650		605	
16	785		730	
17	910		846	
18	1,040		967	
19	1,185		1,102	
20	1,325		1,232	
21	1,495		1,390	

26. *Special Provision for Aircrew Categories.* Gratuities as follows may be paid to ratings of the Royal Navy who have rendered aircrew service and are discharged without entitlement to service pension:

Pilot or Navigator	£120 per year of reckonable aircrew service.
Other Air Categories	£105 per year of reckonable aircrew service.

These special gratuities are in lieu of the ordinary rates of gratuity under Clause 25 of this Schedule but are subject to the same conditions of award.

Ratings who have rendered both aircrew and other service may be awarded either a gratuity calculated at these special rates based on the limited period during which they have rendered aircrew service or a gratuity at the ordinary rates based on the whole of their reckonable service, whichever is the more favourable.

27. *Previous Service as Maltese locally enlisted other rank or airmen.* Previous service as a Maltese locally enlisted other rank or airman which is reckonable for gratuity purposes may be added to reckonable naval service for the award of a gratuity on discharge. The amount of gratuity payable is the sum of the amounts for each period of service, each amount being related to

the gratuity payable on the total reckonable time on the current scale for each Service in the proportion of reckonable time in that Service to total reckonable time.

28. Where a rating is discharged for misconduct or for inefficiency within his own control, the award of a service gratuity and its amount will be at the discretion of the Secretary of State for Defence; but where the discharge is for misconduct any gratuity awarded shall not exceed 90 per cent. of the award which would have been admissible had the discharge been on other grounds.

29. The Secretary of State for Defence may stipulate that the award of any gratuity under this Section shall be conditional on the rating undertaking further service in the Reserves or other Auxiliary Force, and if the person refuses to undertake such service, the gratuity, or such part of it as may be determined, shall not be payable.

30. A service gratuity will not be payable on re-engagement for further service, on appointment to a commission, or on discharge for the purpose of giving further full pay service in the Armed Forces.

31. Ratings who are non-attributably invalidated with less than 5 years' qualifying service but with not less than 2 years' may be awarded a gratuity at the rates shown below:

32. *Ratings' Attributable Gratuities.* A rating discharged from an attributable cause may be awarded

Either

(a) the terminal grant, if any, for which he would have been eligible on non-attributable invaliding

Or

(b) the gratuity which he would have received on non-attributable invaliding except that a rating with less than two years' service, including those with less than 20 per cent. disability, may receive not less than half the two-year rate of invaliding gratuity.

33. *Invaliding from causes within a rating's control.* When a rating is invalided from causes partly or wholly within his own control the award and amount of any service invaliding pension or service attributable pension or gratuity will be at the discretion of the Secretary of State for Defence.

SECTION III

34. *Service Pensioners re-employed in Peace-Time.* Ratings who were in re-employment on a pensionable basis on or after 1st April 1974 will qualify on discharge for re-assessed service pensions and terminal grants in accordance with the following conditions, provided that the interval in service, as defined in Clause 20 of this Schedule does not exceed 5 years.

35. Where the period of continuous pensionable re-employment is 3 years or more, or the rating is invalided from re-employment, the pension and terminal grant will be re-assessed on total pensionable service (including re-employed service) in accordance with Clauses 6 to 10 of this Schedule. The amount of terminal grant will be reduced by the amount of any terminal grant previously paid.

36. Where a pensioner who was re-employed in a lower rank than that held when he was originally discharged to pension has qualified for re-assessment of his pension under Clause 34 of this Schedule he may on final discharge, if more to his advantage, be awarded the pension to which he would have been entitled at the time when he was originally discharged to pension, but calculated in accordance with Clauses 6 to 10 of this Schedule, together with an addition based on his further service and rank as defined in Clauses 6 and 7 of this Schedule.

37. Where the period of continuous pensionable re-employment is less than 3 years and the rating is not invalided, the pension will be re-assessed on total pensionable service at the rates laid down in the Order in Council under which the previous pension was awarded. A terminal grant, if payable under this Order in Council, will be re-assessed on total pensionable service and reduced by the amount of the terminal grant previously paid.

38. Ratings who re-enter the Service within five years of being discharged on redundancy will be required to refund a portion of the Special Capital Payment awarded to them as follows:

<i>Break in Service</i>	<i>Refund of Special Capital Payment</i>
1 year	4/5ths
2 years	3/5ths
3 years	2/5ths
4 years	1/5th
5 years and over	— (nil)

In addition to the above a discount of a period equal to that by which service on redundancy was enhanced should be made from any subsequent service reckonable for terminal benefits.

39. *Pensioners re-employed after an interval of over 5 years.* Where a pensioner is re-employed on a pensionable basis after an interval in service of more than 5 years, as defined in Clause 20 of this Schedule, the pension previously awarded will not be re-assessed on final discharge and no terminal grant will be payable. Where the period of continuous pensionable re-employment is 3 years or more, or the rating is invalided from re-employment, the pension previously awarded will be increased by additions in respect of the re-employed service at the rates shown in Clause 10 of this Schedule. Where the period of re-employment is less than 3 years and the rating is not invalided, the additional service rendered will reckon for increase of the pension only at the rates laid down in the Order in Council under which the pension was awarded.

40. *Pensionable re-employment—Definition.* For the purpose of this Section re-employment on a pensionable basis shall be any period of re-employed naval service during which a long service pensioner has given up payment of his pension in order that such additional service may be reckonable for increase of pension on final discharge.

41. *Officers Re-employed as Ratings.* An officer who after being awarded retired pay is subsequently re-employed as an RN rating or Royal Marine other rank, may be dealt with under this Section as though his retired pay were a service pension.

42. *Commutation.* When a pensioner who has commuted a part of his pension re-enters the Royal Navy or the Royal Marines and ceases to draw pension he shall be required to refund the value of the commuted part for the periods of further service. He shall be given the option of refunding the money by:

- (a) deduction from his final pension, on discharge, for a period equal to the re-employed service of an amount equivalent to that commuted; or
- (b) deduction from any terminal grant payable on final discharge; or
- (c) further commutation of pension to provide a sum equal to the capital value of the commuted portion of the original pension for the period of re-employed service; or
- (d) deduction from Naval pay while serving.

A deduction equivalent to the amount of the original part of the pension commuted will be made from any revised award made on final discharge, but the commutation will be ignored in assessing the final terminal grant which will be based on the gross pension irrespective of commutation.

SECTION IV

Future Emergency Re-employment of Service Pensioners.

43. This Section relates to:

- (a) Service pensioners recalled for service during a period of general recall.
- (b) Other service pensioners who give further service (otherwise than on normal or non-continuous service engagements) during a period of general recall to service on account of an emergency, or who are specially re-employed on full pay in anticipation of an imminent general recall.

44. The provisions of this Section may be brought into operation for such pensioners on such occasions and for such periods as the Secretary of State for Defence may determine, in consultation with the Minister for the Civil Service.

45. A service pensioner will, during periods of further service to which these provisions apply, continue to receive his service pension subject to the conditions normally attached thereto.

46. On discharge or release from such service as a service pensioner, provided his service has been satisfactory and of at least 6 months' duration, he may receive an addition to his pension of half the difference between:

- (a) the pension for which his previous service qualified him, or would have qualified him under Clauses 6 to 10 of this Schedule, and
- (b) the pension for which he would be eligible under Clauses 6 to 10 of this Schedule if his further service were added to his previous service.

47. No terminal grant or additional terminal grant will be payable in respect of the re-employment.

48. An addition under Clause 46 of this Schedule may be granted although the existing pension was assessed under regulations in force before 1st April 1974.

49. If service pensioners are employed with the Armed Forces of the British Commonwealth or Colonies, the provisions of this Section may be applied to them at the discretion of the Secretary of State for Defence as if their further service had been with the Royal Navy, Royal Marines or Women's Royal Naval Service.

SECTION V

Ratings serving on regular engagements continuing in service during a Future Emergency.

50. The following Clause will be brought into operation on such occasions, being periods of general recall to service on account of emergency as the Secretary of State for Defence may determine, in consultation with the Minister for the Civil

Service and in respect of each such occasion may fix a date from which it will come into operation and after which it will cease to apply.

51. A rating serving on a normal regular engagement while this Clause is in operation, who completes 22 years' service reckonable for pension under Section I of this Schedule, may be allowed, with effect from the date of completion of 22 years' service, to receive an immediate award of service pension and terminal grant, calculated on 22 years' service. If he elects to receive pension while serving, he will thereafter be regarded for pension purposes as a re-employed pensioner under Section IV of this Schedule.

SCHEDULE VII

Abatement from Service Retired Pay and Service Pension in relation to Retirement Pension under the National Insurance Act.

1. The provisions of this Schedule relate to officers of the Royal Navy, Royal Marines, Women's Royal Naval Service and Queen Alexandra's Royal Naval Nursing Service; ratings of the Royal Navy and the Women's Royal Naval Service, other ranks of the Royal Marines and Naval Nurses of Queen Alexandra's Royal Naval Nursing Service who:

(a) enter the service on or after 1st July 1949; or

(b) re-enter the service, after a break in service, on or after 1st July 1949; except those who re-enter within 12 months of being invalided or those who have already been granted service retired pay or service pension before re-entry.

Any rating or other rank, the regular part of whose engagement terminated before 1st July 1949, but who continued to serve on the reserve portion of that regular engagement shall, if he rejoined the service on a regular engagement before the termination of the reserve portion of his previous regular engagement, be regarded as having continuous regular service for the purpose of this Clause.

2. The Secretary of State for Defence may exempt from the provisions of this Section any officer, rating or other rank, who entered or re-entered the Royal Navy after 30th June 1949, if satisfied that such entry or re-entry was in fulfilment of an undertaking or commitment entered into before 1st July 1949.

3. Except as provided in Clause 4 of this Schedule, service retired pay or service pension granted to a retired officer or pensioned rating or other rank shall be reduced by £0.01667 a week for each complete year of reckonable service subject to a maximum of £0.80 a week, on becoming eligible for a National Retirement Pension on attaining the age of 65, in the case of men, or on attaining the age of 60 in the case of women.

4. No abatement, however, shall be made in the case of a person permanently resident outside the United Kingdom, unless that person is receiving retirement pension under the National Insurance Act 1946, or a corresponding award payable under reciprocal arrangements with the country of domicile.
