HILLINGDON LONDON BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

Conservation Areas

Notice is hereby given, that the London Borough of Hillingdon, in pursuance of their powers under section 277 of the Town and Country Planning Act 1971, have designated a Conservation Area those parts of the Borough as described below. Plans showing the boundaries of the area described are available for inspection at the locations specified for a period of one month from the date of this notice. During this period and thereafter the plans may be inspected also at the Town Hall, Wood End Green Road, Hayes and at Council Offices, Belmont House, Market Square, Uxbridge, Middlesex, between the hours of 8.45 a.m. and 5.15 p.m. Mondays to Fridays inclusive.

Area

Cowley Lock lies on the Grand Union Canal in the west of the Borough close to the boundary with Buckinghamshire.

Taking as origin a point on the south side of Iver Lane at the west side of the property of No. 45 Iver Lane, the boundary of the Conservation Area proceeds south along the eastern boundary wall and garage court of a flat development, adjacent to No. 45 Iver Lane, until reaching the boundary with the Cowley Hall Recreation Ground. The boundary then travels in a straight line in a south-easterly direction across the park, including the treed area in the centre, until meeting the eastern corner of the rear garden of No. 35 Dagnall Crescent.

It then proceeds South-west along the rear garden boundaries of No. 13 to 35 Dagnall Crescent and of Nos. 34 and 36 Benbow Way, forming the south-eastern boundary of the area, to the junction with Benbow Way.

The boundary includes Benbow Bridge and the canal banks to a distance of 8 metres south of the bridge. It then follows a westerly route from the west end of Benbow Bridge approximately 200 ft. along a track to the southern boundary of the Mill stream overflow, and then to the confluence of the stream with the Frays River.

The line now crosses the River Frays and Old Mill Lane to the north-eastern bank of the River Colne and thence follows the centre of the river along the Borough boundary in a northerly direction until its meeting with Iver Lane. The line includes the road bridge to a distance of 8 metres to the north and then turns east on the southerly side of Iver Lane to a point 100 metres from the crown on the canal bridge. WEST SUSSEX COUNTY COUNCIL TOWN AND COUNTRY PLANNING ACT 1971 SECTION 277

AS AMENDED BY THE

TOWN AND COUNTRY AMENITIES ACT 1974

Notice of Designation of Arundel Conservation Area

Notice is hereby given that the West Sussex County Council in pursuance of section 277 of the Town and Country Planning Act 1971 has designated the undermentioned Conservation Area:

Arundel—The centre of the town and Arundel Castle and grounds as far as the Entrenchment to the north and Mill Road to the east. The river forms the southern boundary except for a short length of Queen Street and the new north/south link road constitutes the western boundary.

The precise boundaries are defined on drawing A/1851/2 which may be seen during normal office hours at the Planning Department, Technical Block, Tower Street, Chichester; the Arun District Council Offices at Littlehampton and Bognor Regis; and the Public Library, Malt-ravers Street, Arundel.

In general terms, the designation of Arundel as a Conservation Area will increase the degree of planning control which can be exercised by the local planning authority. For example, the 1974 Act referred to above means that the local planning authority has to formulate and publish proposals for the preservation and enhancement of the Conservation Area, the demolition of any building therein requires permission from the local planning authority, protection of trees is extended, and the basis of compensation for compulsory acquisition in connection with preservation is altered.
