WELSH OFFICE

Y SWYDDFA GYMREIG

The Trunk Road (Northern Avenue (otherwise known in part as Ash Grove and in part as Manor Way) Cardiff) (Bus Stops) (Clearway) Order 1975.

Notice is hereby given that the Secretary of State intends to make an Order under section 1 of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968.

The purpose of the Order is to prohibit vehicles, other than buses, from waiting between 7 a.m. and 7 p.m. on any day at any bus stop in the length of road specified below where the carriageway at that stop is marked (a) as a bus stop, and (b) with a broad yellow line adjacent to the edge of the carriageway ("the authorised markings").

Although the Order will include every bus stop in the length of road specified below, it should be noted that the provisions of the Order which prohibit waiting will only apply to those bus stops which the Secretary of State has marked with the authorised markings.

While the Order remains in force it will enable the Secretary of State at any time to lay or remove the authorised markings at or from any bus stop in the specified length of road or to adjust the position in that length of road of the authorised markings, as traffic conditions may require.

Other vehicles will be permitted to wait at the bus stops with authorised markings where necessary for:

1. the removal of an obstruction to traffic;
2. the maintenance of the road and in exercise of statutory powers with permission of the local authority; and
3. reasons of emergency.

Copies of the proposed Order, together with a plan and a Statement of Reasons for making the Order, are available for inspection during normal office hours at the offices of the County Solicitor, South Glamorgan County Council, County Headquarters (9th Floor), Newport Road, Cardiff.

Objections to the proposed Order should be sent to the Secretary of State, Welsh Office, Roads Division (Y Swyddfa Gymreig, Adran Ffyrdd), Graham Buildings, 139 Newport Road, Cardiff, by 6th May 1975, quoting reference number WR 15/7/29 and stating the grounds of objection.

Dated 14th March 1975.

L. Prŷchard, An Assistant Secretary, Welsh Office.

Any person who wishes to make representations about the application should do so in writing to the Divisional Manager of the Anglian Rivers Division at Rivers House, 129 Springfield Road, Chelmsford, Essex, before the end of the said period.

Date: 16th April 1975.

NOTICE OF APPLICATIONS FOR A LICENCE TO ABSTRACT WATER AND FOR THE VARIATION OF LICENCES TO ABSTRACT WATER

Notice is hereby given that the South West Water Authority have in accordance with the Water Act 1973, the Water Resources Act 1963 and the Water Resources (Licences) Regulations 1965 drafted a Licence to abstract water and variations of Licences to abstract water, as follows:

A draft Licence to abstract from the River Bray at Leeham Ford Bridge at National Grid Reference SS 677399 in the Parish of Bratton Fleming in the area of the North Devon District Council, 2,273 cubic metres (approximately 500,000 gallons) per day for a period ending on 31st October 1975.

Further details of the proposal are that the Licence will provide for temporary abstraction pending the completion of intake works already authorised at Leeham Ford Bridge. When the intake works are completed the Authority are authorised to abstract 7,500,000 gallons (approximately 34,095.68 cubic metres) per day from the River Bray at National Grid Reference SS 677399 on cessation of the abstraction from the Challacombe Reservoir and associated streams. The draft Licence provides for a residual flow of 13,547 cubic metres (approximately 2,980,000 gallons) in the River Bray at the point of abstraction at any time.

A draft variation of Licence No. 14/50/07/0158/01/00 which presently authorises the abstraction of 500,000 gallons (approximately 2,273.05 cubic metres) of water per day, with a total of 24,000,000 gallons (approximately 109,106.16 cubic metres) per annum from the River Yeo at Newhaven Bridge at National Grid Reference SS 393221 in the Parish of Parkham, in the area of the Torridge District Council, to provide that the quantity authorised per annum be increased to 340,960 cubic metres (approximately 75,000,000 gallons). The expiration date of the Licence shall be shown as 31st December 1976 or the date when the trunk mains from the Meldon Reservoir are completed, whichever is the later, the only variation being the substitution of the word "later" for the word "earlier".

Further details of the proposal are that the variation will not affect the daily authorised abstraction nor the restriction that the abstraction shall not take place when the flow in the river at the point of abstraction is less than 500,000 gallons (approximately 2,273.05 cubic metres) per day.

A draft variation of Licence No. 14/50/07/0141/09/00 which presently authorises the abstraction of 500,000 gallons (approximately 2,273.05 cubic metres) of water per day, with a total of 120,000,000 gallons (approximately 545,530.80 cubic metres) per annum from the Melbury Reservoir at National Grid Reference SS 387202 in the Parish of Parkham in the area of the Torridge District Council, to provide that the quantity authorised per annum be increased for a period beginning on 30th May 1975 to 704,600 cubic metres (approximately 155,000,000 gallons).

Further details of the proposal are that the variation will not affect the daily authorised abstraction nor the provision that compensation water shall be discharged into the Melbury Stream at a point not exceeding 100 yards downstream of the Dam at a rate of not less than 67,500 gallons (approximately 306.86 cubic metres) per day. The variation is required to meet increased demands for supply whilst the trunk mains from the Meldon Reservoir are being extended to the area.

Copies of the draft Licence and variations of Licences, and of any relevant plans, may be inspected free of charge at the offices of the Authority at 3-5 Barnfield Road, Exeter, Devon, at Devonshire House, North Tawton, Devon, and at Grenville House, Boutport Street, Barnstaple, Devon, during normal office hours during the period beginning on 15th April 1975 and ending on 15th May 1975.

Any person who wishes to make representations about any one of the proposals set out above should do so in writing to the Director of Administration, South West Water Authority, at 3-5 Barnfield Road, Exeter, EX1 1RE, before the end of the said period.

After the expiry of the period set for the inspection of the documents and the submission of representations the Authority will be entitled to pass resolutions by virtue of which a Licence or variations of Licences authorising the proposals shall be deemed to be granted, unless the Secretary of State for the Environment, either in consequence of any representations made in respect of the proposals or otherwise, requires application in respect of any or all of the proposals to be made to him.

There are certain minor exemptions to these requirements.

Anyone contemplating works affecting a building or tree in the conservation area is advised to seek advice from the City Architect and Planning Officer beforehand.
