CITY OF WESTMINSTER

Victoria Controlled Parking Zone—Extension

Notice is hereby given that the Westminster City Council is applying to the Greater London Council under the provisions of the Road Traffic Regulation Act, 1967, as amended by Part IX of the Transport Act, 1968, for Orders to be entitled:

- (a) The City of Westminster (Parking Places) (No.) Order, 197 under sections 35, 36, 37, 40 and 84D; and
- (b) The City of Westminster (Waiting and Loading Restrictions) (Amendment No.) Order 197 under sections 6 and 84D.

The general effect of the proposed Orders would be to revoke the designation of certain existing charged-for parking places in a controlled parking zone and to extend a controlled parking zone to include the streets and parts of streets listed in Schedule 1 to this notice, wherein charged-for metered and residents parking places will be designated. Existing waiting and loading restrictions in these streets will remain unchanged with one exception, namely, a cycle parking area in Cannon Row will be revoked.

The proposed Parking Places Order would:

- (a) revoke the designation by the Parking Places (St. Marylebone and Westminster) Order, 1965, or by other Orders to which the provisions of that Order have been applied, of the parking places on the streets and certain parking places on parts of the streets specified in Schedule 2 to this notice;
- (b) designate 2-hour, 4-hour and residents' parking places in the highways specified in Schedules 3, 4 and 5 respectively to this notice;
- (c) provide that a parking card will be issued by the City Council on application being made by any person residing in the streets listed in Schedule 1 to this notice who is the owner of a passenger vehicle (12 seats or less), a goods carrying vehicle the overall height of which does not exceed eight feet, a motor cycle or an invalid carriage;
- (d) provide that a parking card issued in respect of the residents parking places designated by proposed Order or by the City of Westminster (Parking Places) (No. 5) Order, 1974, will be valid for use in connection with the leaving of a vehicle in a residents' parking place designated by either of those Orders;

(e) to apply to the proposed parking places the provisions of the City of Westminster (Parking Places) (No. 5) Order, 1974, so that, in particular:

(i) the parking places are to be in operation between the hours of 8.30 a.m. and 6.30 p.m. on Mondays to Fridays inclusive and between 8.30 a.m. and 1.30 p.m. on Saturdays (Christmas Day, Good Friday and Bank Holidays excepted);

(ii) in respect of Schedules 3 and 4 parking places, passenger vehicles (12 seats or less), goods carrying vehicles, motor cycles or invalid carriages may be left;

(iii) in respect of Schedule 5 parking places vehicles displaying a valid parking card issued by the City Council may be left;

(iv) in the Schedule 3 parking places, the initial charge would be at the rate of 2½ new pence per 30 minutes (maximum 2 hours);

(v) in the Schedule 4 parking places, the initial charge would be at the rate of 5 new pence per hour (maximum 4 hours);

(vi) in the Schedule 5 parking places, the charge would be 12½ new pence for any period during any one day. The payment of this charge is by the purchase of a parking token from the City Council and by the affixing of that token to the calendar combined with a valid permit (heretofore referred to as a parking card) within the space thereon appropriate to the date on which the vehicle is left in the parking place and the parking card must be displayed on the vehicle. If the vehicle displays a valid permit combined with a valid season ticket (also heretofore referred to as a parking card) no such charge is payable;

(vii) the charge for season tickets is £5 or £18 for tickets expiring at the end of 3 months and 12 months respectively running from the beginning of the month in which they are issued;

(viii) in respect of the Schedule 3 and Schedule 4 parking places the excess charge—payable to the City Council—is £1; the excess charge period is 1 hour; the period during which vehicles may not return to a parking place is 1 hour; and the unexpired time shown on the parking meter may be used free of charge.

(ix) certain vehicles may wait free of charge in certain circumstances, e.g. to allow persons to board or alight (maximum 2 minutes), to load or unload (maximum 20 minutes) and vehicles left by specified disabled persons (no time limit).

The proposed waiting and loading Restriction Order would revoke the designation by the City of Westminster (Waiting and Loading Restrictions) Order, 1972, of the cycle parking area No. 46 (b) in Cannon Row.

A copy of each of the proposed Orders, of each of the Parking Places (St. Marylebone and Westminster) Order, 1965, the City of Westminster (Parking Places) (No. 5) Order, 1974, and the City of Westminster (Waiting and Loading Restriction) Order, 1972 (and of the Orders which have either amended any of those Orders or to which the provisions of any of those Orders have been applied) of the maps which indicate each length of highway to which the proposed Orders relate and of the City Council's statement of reasons for applying for the Orders may be inspected during the period of 21 days from 18th April 1975, in Room 3.21, Westminster City Hall, Victoria Street, London S.W.1, on Mondays to Fridays between 9.30 a.m. and 4.30 p.m.

Any person wishing to object to these proposals may do so by sending to the Director of Planning and Transportation (PT/TD/PO/R), Greater London Council, County Hall, London SE1 7PB, notice in writing of his objection, stating the grounds thereof, within the above-mentioned period of 21 days.
