The QUEEN'S Most Excellent Majesty in Council

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by section 3 of the Naval and Marine Pay and Pensions Act 1865(1865 c. 73), and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

#### Citation and revocation

#### Interpretation

2. The Interpretation Act 1889(1889 c. 63), shall apply for the interpretation of this Order as it applies for the interpretation of an Act of Parliament.

#### General

3. Except as otherwise indicated, the Schedule to this Order shall have effect from 1st April 1974.

4. The revised rates and conditions of award of widows' and childrens' pensions in respect of the service of deceased Officers, Petty Officers, Non-Commissioned Officers and Men of the Royal Navy and Royal Marines shall be as specified in the Schedule annexed hereto.

SCHEDULE

N. E. Leigh

SECTION I

#### The Forces Family Pensions Scheme

1. The family pensions and other awards provided for in this Schedule are those payable in respect of the service of deceased Officers, Fleet Chief Petty Officers, Chief Petty Officers, Petty Officers, Non-Commissioned Officers, and Men of the Royal Navy and the Royal Marines, and awards which are payable in respect of deaths which are attributable to service.

2. Except where otherwise stated, the term "Officers" in this Schedule should be read as including Commissioned Officers of the Royal Navy and of the Royal Marines, and "RN ratings and RM other ranks" should be read as including Fleet Chief Petty Officers, Chief Petty Officers, Petty Officers and other ratings of the Royal Navy and Non-Commissioned Officers and other ranks of the Royal Marines.

3. Subject to the detailed regulations set out below family pensions may be paid to eligible members of the families of deceased Officers, RN ratings and RM other ranks who were entitled by service to half pay, retired pay or service pension, or, where death occurred during service, would have been so entitled had they been invalided on the day they died.

SECTION II

Family Pensions

4. The provisions of this section are effective from 1st January 1974 where applicable to the widows and children of Officers of Flag and General Rank, and of Chaplains of the Fleet; and are effective from 1st April 1974 where applicable to the widows and children of other Officers, RN ratings and RM other ranks; provided in all cases that the Officer, rating or other rank was granted, or was entitled to, half pay, service retired pay or pension, or if death occurred whilst serving would have been so entitled had he been invalided on the date of death; provided also in the case of RN ratings and RM other ranks (excepting Regimental Sergeant Majors, Royal Marines) that service reckonable for pension was given after 31st August 1950, and that, where death occurred before 4th November 1958, the following periods of reckonable service had been completed:

	<i>Years of reckonable service</i>
Fleet Chief Petty Officer ... ..	} 22
Regimental Sergeant Major RM	
Quartermaster Sergeant RM	
Chief Petty Officer	
Colour Sergeant RM	} 27
Petty Officer	
Sergeant RM	
Leading Rating and below	} 32
Corporal RM and below ... ..	

5. Widows' Pensions

The rate of widows' pensions will be:

(a) One third of the proportion of the husband's rate of half-pay, retired pay or pension, as defined in Clause 5(c), earned by service on or after that date, unless as provided for under current instructions the Officer, seaman or marine has elected to purchase an entitlement for his widow to a one-half rate pension in respect of service before 1st April 1973. Where the pension is calculated by reference to the husband's service invaliding retired pay or pension, the element in the husband's award which is the result of the special enhancement for invaliding will attract a half-rate pension. The enhancement is the difference between the rate of invaliding retired pay or pension and a rate calculated at 3 per cent. for officers or 2.75 per cent. for ratings and other ranks of the maximum rate of retired pay or pension for his rank for each year of service.

(b) Where the cause of death of a man who has been invalided with an award of service attributable retired pay or pension is regarded as not attributable to his service the rate of family pension, if any, will be based on the service invaliding retired pay or pension for which he may have been eligible and not on the higher level of attributable retired pay or pension which he received.

(c) For the purpose of Clause 5(a) above, the rate of half-pay, retired pay or pension will be the basic rate, ignoring, subject to the exception in Section V Clause 26, any commutation that may have been made, plus all the pensions increases appropriate to the basic rate whether or not the husband qualified for these increases by virtue of age or health.

6. Children

(a) If the Officer, RN rating or RM other rank gave service on or after 31st March 1973 the rate of children's pension may be one quarter of the rate of the father's half pay, retired pay or pension for each of two children where there is a widow, and one third of the rate of the father's half pay, retired pay or pension for each of three motherless children.

(b) Where the Officer, RN rating or RM other rank was retired or discharged before 31st March 1973, each child may receive one third or, if motherless, two thirds of the rate of widow's pension appropriate to the rank and service of the Officer, rating or other rank.

(c) For the purposes of Clause 6(a) where eligible children are not being maintained by their mother, or where there are more eligible children than the maximum provided for in Clause 6(a) and they are living in separate households, the award of the children's pension may be allocated at the discretion of the Secretary of State for Defence.

7. Minimum Rates of Family Pensions

If the rates of pension calculated in accordance with Clause 5 would be less than those set out below, the latter may be payable from 1st December 1974 to all widows other than those under forty years of age without at least one dependant:

**16. Family Pension Where an Attributable Pension is Paid**

Widows of Officers, RN ratings and RM other ranks who were retired or discharged before 31st March 1973, and whose death is due to service may receive a family pension as provided for in Order in Council (19\*/NPP) of 14th November 1974 if the family is awarded an attributable pension.

17. The family pension will be abated by an amount calculated on the following basis if a widow is receiving a Department of Health and Social Security attributable pension as the widow of an Officer:

(a) The family pension will be abated by the amount of the rank element included in the war pension if the widow is receiving a war widow's pension from the Department of Health and Social Security as the widow of an Officer. This will be the difference between the war widow's pension for the widow of a Fleet Chief Petty Officer and the actual amount of war widow's pension.

(b) Children's pensions will not be subject to such reductions.

**SECTION V****Conditions Governing the Award of Family Pensions****18. Pensions Cannot be Claimed as a Right**

(a) A pension cannot be claimed as a right and will not be granted or continued when the applicant is shown to be living with a man as his wife, nor will it be granted if the service of the Officer, RN rating or RM other rank has not been such as, in the opinion of the Secretary of State for Defence, to justify the award.

(b) If the death of an Officer or rating or marine, or the wound, injury or disease which resulted in his death, was due wholly or in part to his own negligence or misconduct or to any cause within his control, any grant which might otherwise be made to his widow or children may be withheld or reduced in amount at the discretion of the Secretary of State for Defence.

(c) If an Officer retired, dismissed the Service, or called upon to retire for misconduct or inefficiency, or a RN rating or RM other rank discharged for misconduct or inefficiency, was not granted any retired pay or pension in respect of his service, no award will be made to the family. If reduced retired pay or service pension was awarded, the family pension will be at such a rate as the Secretary of State for Defence may determine.

(d) If the applicant is granted any other pension or allowance from public funds on account of the service of the deceased, any pension which might otherwise be granted under this Schedule may be withheld or reduced as the Secretary of State for Defence may determine.

**19. Conditions Relating to Marriage**

(a) To be eligible for a pension, a widow must have been married to the Officer, RN rating or RM other rank before his retirement or discharge; or, if he subsequently gave further service in circumstances rendering him eligible for reassessment of retired pay or pension, before the termination of such further service.

(b) If the death of the Officer, RN rating or RM other rank occurred within a year of his marriage, the Secretary of State for Defence, in the light of the circumstances of the case, may withhold or reduce the award otherwise admissible.

**20. Effect of Separation on Widow's Pension and Gratuity**

Subject to any exception which the Secretary of State for Defence may approve in a particular case, an award will not be made to a widow who was separated from her husband at the time of his death. Should such an exception be approved, the award will be at such a rate, and subject to such conditions, as the Secretary of State for Defence may determine.

**21. Withholding or Diversion of Pension**

In exceptional circumstances the Secretary of State for Defence may withhold the whole or any part of a pension granted under this Schedule and may divert the whole or part for the benefit of persons dependent on the pensioner.

**22. Date of Commencement of Pension**

The date of commencement of pension will be determined according to the circumstances of the case and will normally, if application is not unduly delayed, be the date following the husband's death; or, if death occurred during service, the date following the termination of allowances issuable after death.

**23. Belated Claims**

If a widow dies before establishing her claim to pension, arrears of pension will not, save in exceptional circumstances, be allowed to her estate.

**24. Re-marriage**

The pension of a widow who re-marries will be suspended, but if she again becomes a widow her pension may be restored in whole or part at the discretion of the Secretary of State for Defence if her pecuniary circumstances justify such restoration.

**25. Children**

(a) A "child" for the purposes of the award of a pension under this Schedule means:

(i) A legitimate child of the Officer, RN rating or RM other rank provided that the child's mother fulfilled the conditions relating to marriage contained in Clause 19 of this Schedule, or

(ii) a step-child of the Officer, RN rating or RM other rank who was mainly dependent on him at the time of his death, provided that the child's mother fulfilled the conditions relating to marriage contained in Clause 19 of this Schedule; or

(iii) a child adopted by the Officer, RN rating or RM other rank, or by his wife, before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for a re-assessment of retired pay or service pension, before the termination of such further service), who was mainly dependent upon him at the time of his death, and provided that the child's mother, by adoption fulfilled the conditions relating to marriage contained in Clause 19 of this Schedule; or

(iv) a child mainly dependent upon the Officer, RN rating or RM other rank before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for re-assessment of retired pay or service pension, before the termination of such further service), who was adopted by the Officer, RN rating or RM other rank, or by his wife after his retirement or discharge (or after the termination of further service) provided that the Secretary of State for Defence is satisfied that the Officer, RN rating or RM other rank had formed the intention of adopting the child before retirement or discharge (or before the termination of further service) and that the child was mainly dependent upon him at the time of his death, and provided that the child's mother by adoption fulfilled the conditions relating to marriage contained in Clause 19 of this Schedule; or

(v) an illegitimate child of the Officer, RN rating or RM other rank, or of his wife, born before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for re-assessment of retired pay or service pension, before the termination of such further service), who was mainly dependent upon him at the time of his death, and provided that, where the child is the illegitimate child of the wife, the wife fulfilled the conditions relating to marriage contained in Clause 19 of this Schedule.

(b) A child's pension will normally cease when the child attains the age of 16 years, except where an Officer, Fleet Chief Petty Officer or Regimental Sergeant Major Royal Marines was retired or discharged before 31 of March 1973 when payment of a child's pension will normally cease at the age of 18 years.

However, it may be granted or continued after these ages:

(i) if the child continues to receive full-time education, or is an apprentice not receiving more than nominal wages; or

(ii) if, before attaining the age referred to above the child was, and continues, to be afflicted by mental or bodily infirmity and is therefore incapable of earning his or her own living, provided the Secretary of State for Defence considers that the pecuniary circumstances of the child and family are such as to justify the award.

(c) Children's pensions will be paid to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct as may be decided by the Secretary of State for Defence.

(d) Pensions of children of Officers and of Fleet Chief Petty Officers and Regimental Sergeants Majors, Royal Marines, may be issued quarterly in advance.

26. *Commutation of Retired Pay.*

The widow and children of an Officer who commuted a portion of his retired pay under the Pensions Commutation Acts of 1871 to 1882, or of a RN rating, or RM other rank who has commuted part of his pension, shall not thereby be deprived of entitlement to pension under this Schedule, but the award to the widow of an Officer whose marriage took place after commutation, a legitimate or illegitimate child born after commutation, a step-child eligible by virtue of a marriage after commutation, or a child adopted after commutation, shall be reduced by a proportion corresponding to the proportion of retired pay commuted.

SECTION VI

*Gratuities to Widows and Children on the Death of Serving Officers, RN Ratings and RM Other Ranks*

27. (a) The provisions of this Section apply to the widows and children of Officers of Flag and General Rank, and of Chaplains of the Fleet, who die while serving on full pay on or after 1st January 1974, and to the widows and children of Officers, RN ratings and RM other ranks who die while serving on full pay on or after 31st March 1974.

(b) All awards under this Section will be governed by the general conditions set out in Section V as applicable.

28. Where an Officer, including a short service Officer, RN rating or RM other rank dies while serving on full pay on the Active List, his widow may be granted a gratuity equal to the terminal grant or gratuity for which the husband would have been eligible had he been invalided on the day of his death; or if this is greater, a gratuity equal to twice the rate of retired pay or pension of her husband's rank for invaliding purposes appropriate to 34 years of service for an Officer, or 37 years of service for a RN rating or RM other rank.

29. Where an Officer of Flag or General Rank, or a Chaplain of the Fleet, who on or after 1st January 1974 has retired with retired pay or has been invalided with invaliding retired pay dies within one year of retirement or discharge his widow may be awarded a gratuity equal to the difference between the gratuity which would have been payable if he had died in service on the day of retirement and the amount of terminal grant and any sum raised by commutation which he received. Where an Officer, RN rating or RM other rank who on or after 31st March 1974 has retired with retired pay or been discharged to pension or has been invalided with invaliding retired pay or pension or with invaliding gratuity dies within one year of retirement or discharge his widow may be awarded a gratuity equal to the difference between the gratuity which would have been payable if he had died in service on the day of retirement or discharge and the amount of terminal grant or gratuity and any sum raised by commutation which he received.

30. Where an Officer, RN rating or RM other rank dies in service from causes accepted by the Department of Health and Social Security as being attributable to service, an additional gratuity may be paid to his widow at the following rates:

Husband's Rank (for invaliding purposes)	Gratuity
	£
Able Rating/Marine and below	520
Leading Rating/Corporal RM	629
Petty Officer/Sergeant RM	700
Chief Petty Officer/Colour Sergeant RM	774
Quartermaster Sergeant RM	800
Fleet Chief Petty Officer/Regimental Sergeant Major RM	871
Lieutenant RN and RM and below	945
Lieutenant-Commander RN/Captain RM/Chaplain with under 20 years' service	1,136
Commander RN/Major RM	1,417
Chaplain with 20 or more years' service	1,578
Principal Chaplain	1,631
Captain RN with under 6 years' service/Lieutenant-Colonel RM	1,685
Captain RN with 6 or more years' service/Colonel RM	1,830
Chaplain of the Fleet	1,939
Rear-Admiral/Major-General RM	2,266
Vice-Admiral/Lieutenant-General RM	2,751
Admiral/General RM	3,600
Admiral of the Fleet	4,087

31. Where, had the Officer or seaman or marine been invalided, an adjustment would have been made to his award in respect of a gratuity or other non-effective payment previously received by him, an abatement may be made on that account in assessing the gratuity payable under Clauses 28 or 29.

32. Where the Officer or seaman or marine did not leave a widow eligible for an award under this Section but a child or children (as defined in Clause 25, and fulfilling the conditions of that Clause), the Secretary of State for Defence may award a gratuity to the child or children. The total award shall equal that which would have been payable to a widow eligible for an award under this Section and shall be apportioned among them at the discretion of the Secretary of State for Defence.

33. Where the Officer or seaman or marine leaves a widow and in addition a child or children (as defined in Clause 25 and fulfilling the conditions of that Clause) who are not living with or supported by her, the Secretary of State for Defence may divert part of the gratuity which would normally be payable to the widow for the benefit of all or any such children.

34. Where a woman member dies in circumstances in which the child of a male member would have been granted a gratuity under Clause 32 above and leaves a child or children (as defined in Clause 25 and fulfilling the conditions of that Clause), the Secretary of State for Defence may award a gratuity for the benefit of the child or children of such amount as he may determine.

35. Gratuities in respect of children may be issued to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct as may be decided. They may where appropriate be issued in instalments or withheld for later payment.

36. Where death occurs in service and neither an eligible widow nor motherless child or children are left, a sum equal to the gratuity otherwise payable under Clause 28 to the widow may be payable to the estate of the deceased. This applies also to women officers and ratings.

37. Gratuities payable under Clause 36 may be abated in respect of any public or Service debt.

38. When the Officer or seaman or marine has elected to purchase an entitlement for his widow to a one-half rate pension instead of a one-third rate pension in respect of service before 1st April 1973, any outstanding balance required to settle the total amount due for such entitlement shall be deducted from the gratuity payable under Clause 28.

39. Other than any abatement which may be due under Clauses 31, 37 or 38, gratuities under this Section shall not be subject to abatement in respect of any public or Service debt due from the deceased Officer or seaman or marine.

At the Court at Buckingham Palace, the 14th day of May 1975
