PROPOSALS FOR THE DIVERSION OF THE TRUNK ROAD A.435 AT SEDGEBERROW

The Department of the Environment is proposing to re-align a section of the A.435 trunk road at Sedgberrow in the County of Hereford and Worcester. The purpose of the proposal is to overcome the dangerous conditions which exist at present for both through and local traffic.

The Department would normally seek to publicise for comment by interested persons, details of a number of different ways of effecting an improvement of this nature but it is considered that, at this site, there is no genuine alternative to the diversion proposed. The Department is not, therefore, in a position to put forward alternatives.

Fuller details of the proposals (together with a sketch plan) may be obtained upon application in writing to the Department's West Midlands Regional Office (Roads and Transportation), Five Ways House, Islington Row Middleway, Birmingham, B15 1SR. Copies of the notice and sketch plan may also be seen at the offices of the Hereford and Worcester County Council, Record Office, Shirehall, Worcester; the Surveyor's Department, Wychavon District Council, Lansdowne, Evesham, and at the Evesham Branch Library, Market Place, Evesham.

Any person who wishes to comment upon the proposals or who considers that there is a feasible alternative which should be examined should make representations in writing to the Department at the address given above not later than 18th September 1975. If, as a result of such representations, the Secretary of State accepts that there are alternative ways of effecting these improvements fuller details of alternative schemes will be published for public comment before Orders under the Highway Acts are published. Otherwise the Secretary of State will in due course publish statutory Orders for the proposal, now under consideration, and a further period would then be allowed for representations.

E. H. Winkle, A Principal in the Department of the Environment.

CAMBRIDGESHIRE COUNTY COUNCIL

The County of Cambridgeshire (Gidding Road, Sawtry) (Prohibition of Right-Hand Turn) (Revocation) Order, 1975.

Notice is hereby given that on the 4th August 1975, the Cambridgeshire County Council made an Order under section 1 of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968, Schedule 19 to the Local Government Act 1972 and Schedule 6 to the Road Traffic Act 1974, the effect of which is to revoke the County of Cambridgeshire (Gidding Road, Sawtry) (Prohibition of Right-Hand Turn) Order 1974. This Order was necessary because of the dangerous buildings and restricted visibility at the road junction. The buildings had now been removed and new building erected away from the highway thus giving full visibility along Green End Road. The prohibition of the right-hand turn was, therefore, no longer necessary.

The Order will come into operation on the 1st September 1975, and a copy thereof and a map showing the roads to which it relates may be inspected at the office of the undersigned and at the office of the Secretary, Huntingdon District Council, County Buildings, Huntingdon during normal office hours.
