PROPOSED IMPROVEMENT ON TRUNK ROAD A435 AT BECKFORD

The Department of the Environment is proposing to improve a section of the A435 trunk road at Beckford in the County of Hereford and Worcester. This improvement which will provide a new length of single carriageway is necessary for the safety of both through and local traffic as the existing trunk road is undulating and winding with poor visibility.

The Department would normally seek to publicise for comment by interested persons, details of a number of different ways of effecting an improvement of this nature but it is considered that, at this site, there is no genuine practicable alternative to the improvement proposed. The Department is not therefore in a position to put forward alternatives.

Fuller details of the proposal (together with a sketch plan) may be obtained upon application in writing to the Department's West Midland Regional Office (Roads and Transportation), Five Ways House, Islington Row Middleway, Birmingham, B15 1SR. Copies of the notice and a sketch plan may also be seen at the Hereford and Worcester County Council Offices, Shirehall, Worcester and the Evesham Branch Library, Market Place, Evesham.

Any person who wishes to comment upon the proposal or who considers that there is a feasible alternative which should be examined should make representations in writing to the Department at the address given above not later than 16th October 1975. If, as a result of such representations, the Secretary of State accepts that there are alternative ways of effecting this improvement fuller details of alternative schemes will be published for public comment before an Order, under the Highways Acts is published. Otherwise the Secretary of State will in due course publish Statutory Orders for the proposal, now under consideration, and a further period will then be allowed for statutory representations.

E. H. Winkle, a Principal in the Department of the Environment.

TOWN AND COUNTRY
PLANNING ACTS

LIVERPOOL CITY COUNCIL

TOWN AND COUNTRY PLANNING ACT, 1971

Liverpool Corporation Act, 1969

Notice is hereby given that a submission under the terms of Circular 80/71 (Development by the Crown) has been made for consideration by the City Council in respect of a new Courthouse for the Crown and County Court at Liverpool. This development is proposed on land within the Strand-Paradise Streets Comprehensive Development Area, lying between Strand Street and South Castle Street.

The site lies close to the Castle Street Conservation Area, and the City Council considers the general public should be aware of the proposals, and have an opportunity to comment on them. Additionally, the proposed development includes provision for City Walkways, and the Council is required to advertise this fact in accordance with the terms of the Liverpool Corporation Act, 1969. The walkways would form a section of a part ground and part high level pedestrian circulation system linking the waterfront, James Street Station, Canning Place and Paradise Street, and developments already completed in these locations.

The development also includes high buildings, and technically is a departure from the approved Development Plan.

This advertisement is for statutory purposes, and the general public will have an opportunity to comment on the proposals early in October when a public exhibition of plans, drawings, and a model will be held.

Copies of the submission will be on view from Thursday, 4th September 1975 to Thursday, 2nd October 1975 between 9 a.m. and 4.30 p.m. (Mondays to Fridays) at the City Planning Department, Wilberforce House, 25 The Strand, Liverpool, L2 7QA, and in Room 203, City Solicitor's Department, Municipal Offices, Dale Street, Liverpool.
