OFFICE OF FAIR TRADING

FAIR TRADING ACT 1973

REFERENCE TO THE MONOPOLIES AND MERGERS COMMISSION

The Wholesale Supply of Petrol

The Director General of Fair Trading, in exercise of his powers under sections 10 (3) and (4), 47 (1) and (2), 49 (1) and 50 (1) of the Fair Trading Act 1973 hereby refers to the Monopolies and Mergers Commission the matter of the existence or the possible existence of a monopoly situation in relation to the supply of petrol in the United Kingdom by wholesale.

The Commission shall investigate and report on the questions whether a monopoly situation exists by virtue of section 6 (1) (c) of the said Act in relation to such supply and, if so:

- (a) in favour of what persons that monopoly situation exists;
- (b) whether any steps (by way of uncompetitive practices or otherwise) are being taken by those persons for the purpose of exploiting or maintaining the monopoly situation and, if so, by what uncompetitive practices or in what other way;
- (c) whether any action or omission on the part of those persons is attributable to the existence of the monopoly situation and, if so, what action or omission and in what way it is so attributable; and
- (d) whether any facts found by the Commission in pursuance of their investigations operate, or may be expected to operate, against the public interest.

The Commission shall, in investigating and reporting upon this reference, limit consideration to the three following practices, namely:

- (i) discriminating between retailers in relation to the price at which, or the terms on which petrol is offered or supplied to them;
- (ii) promoting schemes involving the selling or giving of other goods or the giving of trading stamps to persons buying petrol by retail or the giving to such persons of opportunities to enter competitions;
- (iii) securing exclusive retail outlets by acquiring proprietary interests in petrol filling stations (or establishing such stations on land in which a proprietary interest has been acquired) and doing one or, at different times, both of the following things at any station in which such an interest has been acquired or which has been so established, namely:
 - (a) selling petrol directly by retail; or
 - (b) permitting another person to sell petrol there by retail for limited periods as a tenant or licensee

subject to restrictions as to the petrol to be acquired or sold by him.

In this reference "proprietary interests" does not include an interest by way of security for indebtedness; and "discriminating" does not include the refusal of credit on ordinary commercial considerations.

The Commission shall report upon this reference within a period of two years from the date hereof.

Director General of Fair Trading.

2nd February 1976.
