TOWN AND COUNTRY PLANNING ACT, 1947

HYNDBURN BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

TOWN AND COUNTRY AMENITIES ACT 1974

Designation of Conservation Areas in Hyndburn

Notice is hereby given that on 27th January 1976 the Hyndburn Borough Council as the District Planning Authority designated parts of their area as Conservation Areas, pursuant to Section 277 of the Town and Country Planning Act 1971 as amended by Section 1 of the Town and Country Amenities Act 1974.

In areas designated as Conservation Areas special attention is paid to the desirability of preserving or enhancing their character or appearance and Local Planning Authorities are empowered to take effective measures to improve the environment.

The Town and Country Amenities Act of 1974 brings the demolition of buildings in Conservation Areas under Local Authority control by applying with modifications the Listed Building control provsions of the Town and Country Planning Act (1971). No building in a Conservation Area shall be demolished without the consent of the Local Planning Authority. An application for consent to demolish can however be made to the District Council either separately or as part of a planning application. In the light of the Local Authority's policy for the area listed building consent to demolish may or may not be given.

The Act also extends the control over trees in Conservation Areas. Any person wishing to cut down, top, lop, uproot, wilfully damage or wilfully destroy any tree in a Conservation Area must give the District Council six weeks notice of his intention of so doing. The purpose of this provision is to give the Local Planning Authority a final opportunity to make a Tree Preservation Order before the work proposed is carried out. If the work is begun without due notice the person concerned is liable to penalties.

Copies of the plans showing the extent of the Conservation Areas are available for inspection during normal office hours at the Department of Planning and Estate Management, Union Street, Accrington.
