PRESENT

The QUEEN'S Most Excellent Majesty in Council

Whereas by section 3 of the Naval and Marine Pay and Pensions Act 1865 (c. 73), it is enacted, inter alia, that all pay, pensions, or other allowances in the nature thereof, payable in respect of services in Her Majesty's Naval or Marine Forces to a person being or having been an Officer, Seaman or Marine therein, shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council;

And whereas by section 3 of the Naval and Marine Pay and Pensions Act 1865, it is expedient to provide for the increase of certain pensions granted in respect of service in Her Majesty's Naval and Marine Forces to correspond, as nearly as may be, with the benefits provided, in the case of civil pensions, by the Pensions (Increase) Act 1971 (c. 56), as amended by the Superannuation Act 1972 (c. 11).

And whereas following the Agreement between the United Kingdom of Great Britain and Northern Ireland and the Government of Malta, which entered into force on 26th March 1972, it is expedient that Maltese Naval Locally Engaged Personnel of the Malta Port Division hereinafter referred to as " Maltese Naval Forces ", should receive the conditions and awards of service pension, terminal grants and gratuities, as awarded to Maltese Army and Air Force Locally Entered Personnel.

Now, therefore, Her Majesty, in exercise of the powers conferred on Her by the said Act and all other powers enabling Her in that behalf is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

1. This Order may be cited as the Naval and Marine Pay and Pensions (Maltese Locally Engaged Ratings' Service Pensions and Gratuities) Order 1975.

2. With effect from the dates stated therein, the rates of service pensions, terminal grants and service gratuities for Naval ratings locally engaged at Malta shall be as set out in the Schedules to this Order.

N. E. Leigh

(*b*) the circumstances of the family are such as to require it, and

(*c*) in the opinion of the Defence Council the type of education which the child is receiving or is to receive is suitable for the child.

9. *Parents.* (*a*) If the death of a Maltese Naval Forces rating is accepted as attributable to Service, his parent or parents may be granted an allowance subject to such conditions as the Defence Council may determine, provided that:

(1) he did not leave a widow or eligible child, and

(2) that the parent or parents are in pecuniary need by reason of having reached the age of not less than 65 years in the case of a man, or 60 years in the case of a woman, or infirmity or other adverse condition which is not merely of a temporary character. In determining whether an award shall be made, account will be taken of the extent to which the serviceman was supporting his parents at the time of his death, and the extent to which, if he had not died, he would have been likely, in the opinion of the Defence Council, to support them.

(*b*) The rate of allowance shall be at the discretion of the Defence Council but shall not exceed £0·92 a week where there are two parents and £0·67 a week in single parent cases.

Provided that, in exceptional cases, this rate may be increased by a sum not exceeding £0·41 a week where there are two parents and £0·25 a week in single parent cases.

(*c*) A grant shall not be transferable but, if an award has been made to the two parents, payment of the pension may be continued to the survivor at such rate as the Defence Council may determine.

(*d*) A grant shall cease on the remarriage of the grantee.

SECTION II

Conditions Governing the Award

10. *Pension cannot be claimed as a right.* (*a*) A pension cannot be claimed as a right, and will not be granted or continued when the applicant is shown to be living with a man as his wife, nor will it be granted if the service of the rating has not been such as in the opinion of the Defence Council to justify the award.

(*b*) If the death of a Maltese Naval Forces rating, or the wound, injury or disease which resulted in his death was due wholly or in part to his own negligence or misconduct or to any cause within his own control, any grant which might otherwise be made to his widow or other dependants may be withheld or reduced in amount at the discretion of the Defence Council.

(*c*) If the applicant is granted any other pension or allowance from public funds on account of the service of the deceased, any pension which might otherwise be granted under this Schedule may be withheld or reduced as the Defence Council may determine.

11. *Third Party Compensation.* If a Maltese Naval Forces rating is killed or dies in such circumstances that any grant is payable in respect of him under this Schedule and his widow, child or other dependant relative compensation from or on behalf of a third party for the act, omission or circumstances which cause the death, any such compensation may be taken into consideration in assessing any grant which might be made under this Schedule; and if the compensation is received after assessment, it may be taken into consideration and the assessment may be amended or cancelled.

12. *Effect of Separation on Widow's Pension.* Subject to any exception which the Defence Council may approve in a particular case, a pension will not be awarded to a widow who was separated from her husband at the time of his death. Should such an exception be approved the award will be at such a rate, and subject to such conditions, as the Defence Council may determine.

13. *Date of commencement of pension.* The date of commencement of pension will be determined according to the circumstances of the case and will normally, if application is not unduly delayed, be the date following the date of cessation of the husband's disablement pension.

14. *Belated claims.* If a widow dies before establishing her claim to pension, arrears of pension will not, save in exceptional circumstances, be allowed to her estate.

15. *Remarriage.* If a widow of a Maltese Naval Forces rating who has been granted a pension under this Schedule remarries, her pension will cease on the date of her remarriage, but at the discretion of the Defence Council, she may then be granted a gratuity equal to one year's pension in full discharge of all claims.

16. *Children.* (*a*) A " child " for the purposes of the award of a pension under this Schedule means:

(1) A legitimate child of a Maltese Naval Forces rating, or

(2) a step-child of the Maltese Naval Forces rating who was mainly dependent on him at the time of his death, or

(3) a child adopted by the Maltese Naval Forces rating, or

(4) an illegitimate child of the Maltese Naval Forces rating born before or within nine months after the date on which he sustained the wound or injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension was granted, and who was regularly maintained by the rating up to the date of his death, or who was the subject of an affiliation order which was in force at the date of his death.

(*b*) A child's pension will normally cease when the child attains the age of 16 years, but may be granted or continued after that age:

(1) if the child continues to receive full-time education, or is an apprentice not receiving more than nominal wages; or

(2) if, before attaining the age referred to above the child was, and continues to be afflicted by mental or bodily infirmity and is therefore incapable of earning his, or her, own living, provided the Defence Council considers that the pecuniary circumstances of the child and family are such as to justify the award.

(*c*) Children's pensions will be paid to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct as may be decided by the Defence Council.

DEPARTMENT OF TRADE

CORRIGENDUM

Notice is hereby given that pursuant to section 353(3) of the Companies Act, 1948, that Gwent Site Services Limited was inadvertently printed on GazList 5515 in the London Gazette dated 18th March 1976.

Notice is hereby given that the Secretary of State for Trade has made an Order under section 369 of the Merchant Shipping Act 1894 which will amend the Merchant Shipping (Fishing Boats) Order 1948 as follows:

(1) in Article 1 thereof (which exempts trawlers of 25 tons tonnage or upwards from the provisions of section 413 (1) of the Merchant Shipping Act 1894 (skippers and second hands to hold certificates of competency)) by substituting for the references to "tonnage" and "tons", references to "gross tonnage" and "gross tons"; and

(2) by applying to trawlers of 25 tons gross tonnage or upwards the provisions of section 413 (except where an exemption applies under Article 1 of the 1948 Order), section 414 (granting of certificate of competency) and section 416 (registers of certificated skippers and second hands).

The Department understands that there may have been some doubt regarding the application of the certificate requirements for personnel of fishing boats. The purpose of the Order is to make it clear that for certain sections of the 1894 Merchant Shipping Act and the Merchant Shipping (Fishing Boats) Order 1948 Act referring to certificated fishing personnel the words "tons" and "tonnage" shall always be construed as "gross tons" and "gross tonnage". It does not involve any change in the Department's practice or the general understanding of the position.

The Department of Trade announce that:

1. Mr. John Robert Pykett has been appointed as Assistant Official Receiver for the Bankruptcy Districts of the County Courts of Leeds, Harrogate and Wakefield and to be an Assistant Official Receiver for the purpose of proceedings in the Leeds District Registry of the High Court taken under the Companies Act 1948 with effect from 15th March 1976.

Notice is hereby given that the Warwickshire County Council propose to make an Order under sections 1 and 84D (1) of the Road Traffic Regulation Act 1967, as amended, the effect of which will be:

5. to prevent vehicles from entering the southern end of the lay-by situated on the north-east side of the Inner Relief road (adjacent to St. Francis R.C. School) and to prevent vehicles from entering the northern end of the lay-by situated on the opposite side of the road.
