City of Salford (Worsley) Smoke Control Order No. 15, 1976

Notice is hereby given that the Council of the City of Salford in exercise of the powers conferred upon them by section 11 of the above-mentioned Act, on the 19th May 1976, made an Order entitled "City of Salford (Worsley) Smoke Control Order No. 15, 1976", declaring the area described in the Schedule hereto to be a smoke control area, which Order is about to be submitted to the Secretary of State for the Environment for confirmation.

Subject to the exemption provided by the Order, and by virtue of section 11(4) of the Act, if on any day after the Order has come into operation, smoke is emitted from a chimney of any building within the smoke control area, the occupier of that building shall be guilty of an offence and liable to a fine not exceeding £20, unless he proves that the emission of smoke was not caused by the use of any fuel other than authorised fuel.

The authorised fuels include anthracite, coke and other carbonised fuels, gas and electricity.

If confirmed, the Order will not come into operation before the 1st June 1977, or such later date determined by the Secretary of State for the Environment.
