Also a consistent policy will be carried out by the Council to improve and conserve the amenities ofthe area. Trees in conservation areas are protected in similar fashion as if they were covered by a tree preservation order. This has the effect of prohibiting except with the consent of the Local Planning Authority, the cutting down, topping, lopping or wilful destruction of any tree.

There are also special provisions relating to the demolition of buildings in a conservation area, it is provided that they shall not be demolished without the consent of the Local Planning Authority and cannot be merely included under a general permission without special consent.
