Notice is hereby given that the above-named Order, made on 22nd July 1976 is about to be submitted to the Secretary of State for the Environment for confirmation, or to be confirmed, as an unopposed order, by the County Council of Durham.

The effect of the Order, if confirmed without modifications, will be to extinguish the public right of way known as footpath No. 2 in the parish of Tow Law, for a distance of approximately 27 metres being that section of the said footpath which crosses the disused Bishop Auckland and Consett Branch Railway at a point approximately 100 metres south-east of the Tow Law Reservoir.

If no representations or objections are duly made, or if any so made are withdrawn, the Durham County Council may, instead of submitting the Order to the Secretary of State for the Environment, themselves confirm the Order. If the Order is submitted to the Secretary of State any representations and objections which have been duly made and not withdrawn will be transmitted with the Order.—Dated 23rd July 1976.
