WATER ACTS

SUNDERLAND AND SOUTH SHIELDS WATER
COMPANY

DROUGHT ACT 1976

Notice is hereby given that the Derwent Reservoir, which supplies a substantial proportion of the water requirements

of both the Sunderland and South Shields Water Company and the Wear Division of the Northumbrian Water Authority, last overflowed in March 1972. Since that time, the weather has been drier than average and the reservoir is now less than half full. This has increasingly serious implications for water supply prospects in 1977. A ban on the use of hosepipes for watering private gardens and washing private motorcars was imposed on 1st June 1976 and appeals for economy in the use of water have been made to domestic and industrial consumers. On 16th July 1976 the Company applied for an Order authorising them to reduce the quality of compensation water required to be discharged from the reservoir and the Secretary of State for the Environment has decided to make the Order. In view of the continuing deterioration of the water situation, there is an urgent need to take further steps to conserve the stocks of water in the reservoir.

Notice is hereby given that the Sunderland and South Shields Water Company has applied to the Secretary of State or the Environment for an Order under section 1 (3) (b) of the Drought Act 1976 authorising the Company to prohibit or limit during a period of six months the use of water within its area of supply for the following purposes:

- (a) the watering, by hosepipe, sprinkler or other apparatus, of parks, ornamental gardens, lawns, recreation grounds, sports grounds, playing fields, golf courses or race-courses, whether publicly or privately owned;
- (b) the filling, whether wholly or partially, of privately owned swimming pools and ornamental ponds other than fish ponds;
- (c) the operation of mechanical car washers, whether automatic or not;
- (d) the washing of road vehicles for any reason other than safety or hygiene;
- (e) the cleaning of the exterior of buildings;
- (f) the operation of ornamental fountains or cascades, including any where water is recycled;
- (g) the operation, in relation to any building or other premises, of any cistern which flushes automatically, during any period when the premises are wholly or substantially unoccupied.

A map showing the Company's area of supply may be inspected by any person at the offices of the Company, 29 John Street, Sunderland, during normal office hours.

Any objections or representations with reference to the proposed Order must be made, in writing (quoting reference WS/5542/215/2), to the Secretary of State for the Environment 2 Marsham Street, London, SW1P 3EB, within 7 days from the date hereof. Any person so objecting is requested to send a copy of his notice of objection to the undersigned secretary and accountant of the Company.

Dated 2nd September 1976.

R. White, Secretary and Accountant.

Sunderland and South Shields Water Company,
29 John Street, Sunderland, SR1 1JT.

DROUGHT ACT 1976

Northumbrian Water Authority

During the past four years rainfall on the gathering grounds in the Authority's Wear Division has been only 90 per cent. of the long term average. This has resulted in stocks of water being low for the time of year. A ban on the use of hosepipes for watering private gardens and washing private cars in Wear Division was imposed on 1st June 1976 and appeals for economy in the use of water have been made to domestic and industrial consumers. On 16th July 1976 the Authority applied to the Secretary of State for the Environment for an Order authorising them to reduce for a period of 6 months the quantity of compensation water required to be discharged from Burnhope Reservoir and Tunstall Reservoir.

A similar shortage of rain in upper Teesdale and in the Stokesley area of Cleveland and North Yorkshire has resulted

in a diminution of the flows from springs which are the source of public water supply in those areas. Accordingly the Authority is imposing a ban on the use of hosepipes in both areas from 30th August 1976.

To further conserve stocks of water:

Notice is hereby given that the Northumbrian Water Authority have applied to the Secretary of State for the Environment under section 1 (3) (b) of the Drought Act 1976 for an Order to prohibit or restrict for a period of 6 months the use of water for the following purposes:

- (a) the watering, by hosepipe, sprinkler or other apparatus, of parks, ornamental gardens, lawns, recreation grounds, sports grounds, playing fields, golf courses or racecourses, whether publicly or privately owned;
- (b) the filling, whether wholly or partially, of privately owned swimming pools and ornamental pools other than fish ponds;
- (c) the operation of mechanical car washers, whether automatic or not;
- (d) the washing of road vehicles for any reason other than safety or hygiene;
- (e) the cleaning of the exterior of buildings;
- (f) the operation of ornamental fountains or cascades, including any where water is recycled;
- (g) the operation, in relation to any building or other premises, of any cistern which flushes automatically, during any period when the premises are wholly or substantially unoccupied.

The areas to which the proposed Order relates are:

1. The area formerly supplied with water by the Durham County Water Board, comprising all or part of the local government districts of Chester-le-Street, Darlington, Durham, Derwentside, Easington, Gatshead, Hartlepool, Sedgfield, Stockton-on-Tees, Sunderland, Teesdale, Tynedale and Wear Valley.
2. The parishes of Eggleston, Forest and Frith Holwick, Hunderthwaite, Middleton-in-Teesdale and Newbiggin in the local government district of Teesdale.
3. The parishes of Carlton, Crathorne, Castlelevington, Easby, East Rounton, Faceby, Great and Little Broughton, Great Busby, Little Busby, High Worsall, Hutton Rudby, Ingleby Arncliffe, Ingleby Greenhow, Kildale, Kirkby, Kirklevington, Low Worsall, Picton, Potto, Rudby, Sexhow, Skutterskelfe and Whorlton in the local government districts of Stockton-on-Tees in the County of Cleveland and Hambleton in the County of North Yorkshire.

Maps showing the above areas may be inspected free of charge during normal office hours in the period of 7 days commencing with the date of publication or service of this notice at the Authority's Divisional offices at:

(Tees Division), Trenchard Avenue, Thornaby, Stockton, Cleveland (Tel.: Stockton 62216).

(Wear Division), Neville Court, Nevilles Cross, Durham (Tel.: Durham 3456).

Enquiries relating to the proposed Order should be directed to the Divisional General Manager at either of the above addresses.

Any objections or representations with reference to the proposed Order must be made in writing (quoting ref. WS 55282152) to the Secretary of State for the Environment, 2 Marsham Street, London, SW1P 3EB, within 7 days from the date of publication or service of this notice. Any person so objecting is requested to send a copy of his notice of objection to the undersigned.
