#### NORTHUMBRIAN WATER AUTHORITY SUNDERLAND & SOUTH SHIELDS WATER COMPANY

DROUGHT ACT 1976

Notice is hereby given that the Northumbrian Water Authority (Prescribed Uses) (Drought) Order 1976 and the Sunderland and South Shields Water Company (Prescribed Uses) (Drought) Order 1976 were made by the Secretary of State for the Environment on 23rd September 1976 and came into operation on 24th September 1976.

The effect of the Orders is to grant powers to prohibit or limit during a period of six months the use of water for specified purposes, within the areas of supply of the Company and of the Authority's Wear Division (formerly the Durham County Water Board); also in part of upper Teesdale and in the area around Stokesley in North Yorkshire.

Copies of these Orders and maps of the areas concerned may be inspected at the offices of the Northumbrian Water Authority, Neville Court, Nevilles Cross, Durham and Trenchard Avenue, Thornaby, Stockton on Tees, and of the Sunderland and South Shields Water Company at 29 John Street, Sunderland.

In view of recent rainfall and public co-operation in economising in the use of water, the Authority and the Company are deferring implementation of these Orders for the time being, but the prohibition in the above areas of the use of hosepipes for washing private cars and watering private gardens remains in force.

All consumers—domestic, commercial and industrial—are urged to maintain their efforts to economise in the use of water, and eliminate waste. Increased consumption, with further dry weather, may compel the Authority and the Company to use their powers under the above Orders.
