Objections to the proposals should be sent to me in writing by 23th November 1976, and should specify the grounds on which they are made.

### HILLINGDON LONDON BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

#### Conservation Areas

Notice is hereby given that the London Borough of Hillingdon, in pursuance of their powers under section 277 of the Town and Country Planning Act 1971, have designated as an extension to a conservation area that part

of the Borough as described below. Plans showing the boundary of the area described are available for inspection at the locations specified for a period of 1 month from the date of publication of this notice. During this period and thereafter the plans may be inspected also at the Town Hall, Wood End Green Road, Hayes, and at the Council Offices, Belmont House, Market Square, Uxbridge, between the hours of 9 a.m. and 5 p.m. Mondays to Fridays inclusive.

*Hillingdon Hill/Village Existing Conservation Area*

Hillingdon Hill/Village lies in the centre of the Borough and is grouped around the Parish Church of St. John the Baptist. The existing Conservation Area is enclosed within the following boundary.

Taking as origin the point where the rear boundary of No. 79 Uxbridge Road meets the western side of The Crossway, from this point the boundary goes in a southerly direction for approximately 450 feet, when it turns eastwards for 150 feet along the southern flank boundary of "The Cottage", Royal Lane, then, on meeting the rear boundary of "Evenlode" it takes up a southerly direction for 100 feet before turning eastwards again along The Chantry and crossing Royal Lane. From this point the Conservation Area boundary traces the boundary between Coney Green and the Bishopshalt School Grounds until it meets the rear of properties on the western side of Harlington Road, thence heading northwards along that line, until the development ends. It then runs along the Harlington Road frontage as far as its junction with Uxbridge Road, which it transgresses opposite "The Firs". From here the boundary takes up a south-eastern line until reaching the eastern boundary of Wilton Lodge, whence it reverts to a northward direction for some 460 yards. At this point the boundary meets the rear of properties in Weald Road, and turns west along the line of gardens until it hits the end of Little Close. Here it turns south again along the rear of properties in Cedars Drive, on reaching the end of the development it returns westwards along the boundary of open space and passes between Cedars Court and 16 Vine Lane, where it crosses Vine Lane before continuing south of the western side of the same. The Boundary then turns due west along the southern side of No. 1 Vine Lane to rejoin its origin in The Crossway.

*Proposed Extension to Hillingdon Hill/Village Conservation Area*

From the existing junction of the Conservation Area boundary with The Chantry south along the rear boundary of St. John's Church Hall for 150 feet. Thence west along the rear boundary of the gardens of 1, 3 and 5 The Chantry. Thence south along the rear garden boundary of properties in The Chantry until the footpath. Thence north-east along the footpath to Royal Lane thence south along the centre of Royal Lane for 350 feet. Thence east for 60 feet. Thence north-east following the entrance drive round to the junction of that part of Bishopshalt School which is statutorily listed as a building of architectural or historic interest with more modern work. Thence through the building and south along the eastern face of the building 110 feet until the hedge dividing the ornamental garden from the School Playing Field. Thence east along the hedge to join the existing Conservation Area Boundary.

Place of temporary inspection: Oak Farm Library, Long Lane, Hillingdon, Middlesex.
