

Country Planning Act 1971. These Conservation Areas are:

- (1) an area in the village of Buriton at the southern end of South Lane to extend the existing Conservation Area;
- (2) an area to the east of the village of East Meon to include the hamlet of Frogmore to extend the existing Conservation Area;
- (3) an area in the village of East Tisted centred on the junction of Gosport Road and Station Road;
- (4) an area in the village of Lasham around the village pond;
- (5) an area in the village of Upper Froyle comprising the greater part of the main street, and centred upon St. Mary's Church;
- (6) an area at Rowlands Castle around The Green and Finchdean Road;
- (7) an area in the village of Sheet centred on the junction of Farnham Road and the Village Street and including Ashford Stream and Sheet Bridge Mill.

The effect of designation is that special attention shall be paid to the desirability of preserving or enhancing the character or appearance of the areas designated. In particular, controls are applied:

- (1) to require, except for certain specified exemptions, the prior consent of the District Planning Authority, or the Secretary of State for the Environment, to the whole or partial demolition of any buildings; and
- (2) to protect all trees within Conservation Areas from any act which would be prohibited by a Tree Preservation Order.

Penalties are applied for violation of these controls.

The designated Conservation Areas are defined on plans which may be inspected at the office of the Chief Planning Officer, Penns Place, Durford Road, Petersfield.

R. D. Wilshin, Secretary and Solicitor.

Penns Place,

Durford Road, Petersfield, Hampshire.

NORTH HERTFORDSHIRE DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACT, 1971

AS AMENDED BY THE

TOWN AND COUNTRY AMENITIES ACT, 1974

*North Hertfordshire District Council
Designation of Conservation Areas*

Notice is hereby given pursuant to section 277 of the Town and Country Planning Act 1971 (as amended by the Town and Country Amenities Act 1974) that the areas briefly described in the Schedule below being areas of special architectural or historic interest the character of which it is desirable to preserve or enhance were designated as extensions to the Baldock Conservation Area for purposes of section 277 of the said Act by North Hertfordshire District Council as Local Planning Authority on the 15th October 1975.

Within the designated area no building other than any such building as is referred to in the direction made by the Secretary of State for the Environment in paragraph 15 of Circular 174/74 may be demolished without the prior written consent of the Local Planning Authority, as though it were a building contained in the list of buildings of special architectural or historic interest prepared by the Secretary of State.

In addition trees within the Conservation Area may not be lopped, topped, felled, uprooted or wilfully damaged or destroyed unless notice of the proposed action has been given to the Local Planning Authority and written permission to proceed has been received, or the authority has failed to take any conclusive action regarding the notice within 6 weeks from the date of service. There are certain exceptions to this rule, in general terms, these cover trees subject to the exemption already contained in the Second Schedule to the Form of Tree Preservation Orders and trees not exceeding 75 millimetres (approximately 3 inches) in diameter (or 100 millimetres where the growth of other trees would be improved by forestry operations). Trees already included in Tree Preservation Orders are not subject to the above procedure but are subject instead to the more stringent requirements of the Order concerned.

Copies of the map showing the exact boundaries of the extension to the Baldock Conservation Area have been deposited at the District Council Planning Office, Gernon Road, Letchworth, Hertfordshire, and also at the County

Planning Office, County Hall, Hertford, Hertfordshire, and may be inspected without charge during normal office hours from Monday to Friday inclusive.

Baldock Conservation Area has been extended in three parts:

- (1) To the north, starting on the existing boundary in Pond Lane, some 45 metres west of Church Street it runs northwards following the rear boundaries of the properties fronting the west side of Church Street, to the north side of Icknield Way, turning eastwards along Icknield Way to a point 15 metres east of Church Street. It returns south running parallel with Church Street to the rear of 52 Church Street, turning east, encompassing the building to the rear of 50 Church Street, as far as the footpath linking Icknield Way with Meeting House Lane, which it follows south as far as Meeting House Lane. It turns eastwards along the lane for a distance of 25 metres then turns south-east to Orchard Road, following the west boundary of 5A Orchard Road, the northern edge of Orchard Road for a distance of 14 metres, and then turning southwards along the west boundary of 8 Orchard Road, up to the existing boundary of the Conservation Area.
- (2) To the east, starting on the existing boundary at the junction of The Tene and The Twitchell it follows the western boundary of The Twitchell running in a north-easterly and then north-westerly direction up to the existing boundary of the Conservation Area.
- (3) To the west, starting on the existing boundary to the rear of 58 High Street it follows the northern boundary of the Working Men's Club to the west side of Park Street turning north as far as the southern boundary of No. 11. Following this boundary, it then turns northwards along the western boundaries of the properties fronting Park Street, continuing along the western edge of the Park Street and following it round in a westerly direction for 20 metres where it crosses Park Street and meets the existing boundary of the Conservation Area to the rear of 30-31A Hitchin Street.

NEWPORT BOROUGH COUNCIL

NOTICE OF PUBLIC PATH ORDER

TOWN AND COUNTRY PLANNING ACT 1971—SECTION 210

Borough of Newport (Wellfield Road, Marshfield) Public Path Diversion Order 1976

Notice is hereby given that the above named Order, made on the 30th December 1976, is about to be submitted to the Secretary of State for Wales for confirmation, or to be confirmed, as an unopposed Order, by the Newport Borough Council.

The effect of the Order, if confirmed without modifications, will be to divert Gwent County Council public path No. 30, which commences on the north side of Wellfield Road some 40 metres to the west of the property "Oakdene", Wellfield Road proceeding generally in a north-west direction for some 615 metres until it joins the south side of St. Mellons Road being some 40 metres south-west of the property "Postgwyn", St. Mellons Road all in the community of Marshfield. The diversion will commence from a point some 15 metres to the west of the property "Oakdene", Wellfield Road and being on the north side of Wellfield Road thence to a point being some 40 metres north-east of the point of termination of the original footpath thence to the same terminal point of the original footpath.

A copy of the Order and the map contained in it has been deposited and may be inspected free of charge at the Chief Executive's Department, Civic Centre, Newport, Gwent during normal office hours (except Saturdays). Any representation or objection with respect to the Order may be sent in writing to the Chief Executive, at this address not later than the 14th day of February and should state the grounds on which it is made.

If you wish to have sent to you in due course, a notice to the effect that the Order has been confirmed, and a copy of the Order as confirmed, you should write to the Chief Executive, Newport Borough Council, giving your name and the address to which those documents may be sent.

If no representations or objections are duly made, or if any so made are withdrawn, the Newport Borough Council may instead of submitting the Order to the Secretary of State for Wales, themselves confirm the Order.
