TOWN AND COUNTRY PLANNING ACT, 1971

##### *Nottingham City Council Designation of Conservation Area at Wollaton Park*

Notice is hereby given pursuant to section 277 of the Town and Country Planning Act 1971 (as amended), that the Nottingham City Council has designated Wollaton Park as a

Conservation Area, the character or appearance of which it is desirable to preserve or enhance.

The effects of designating an area as a Conservation Area are as follows:

1. Any building within a Conservation Area other than a listed building (except a building referred to in section 58 (2) of the Act, or a building excepted by the Secretary of State) must not be demolished without the consent of the City Council.
2. Advertisements in Conservation Areas may be controlled by the City Council to avoid detracting from the appearance of the areas.
3. Trees in Conservation Areas are protected by the Act against felling, topping, lopping, uprooting and wilful damage.

Plans of the Conservation Area may be seen at the office of the City Planning Officer, The Guildhall, North Church Street, Nottingham. The area which has been designated is as follows:

#### *Wollaton Park Conservation Area Boundary*

The southern boundary of Wollaton Park Conservation Area runs along the boundary fence at the rear gardens of Nos. 598-612 Adams Hill. At the north-west corner of the plot of No. 612 Adams Hill the boundary follows the western edge of the aforementioned plot until it reaches the northern boundary of Derby Road. At this point, the boundary extends westward and continues in this direction along the boundary wall on the northern side of Derby Road.

At the eastern boundary of "Beecholme" the Conservation Area Boundary turns and continues in a north-westerly direction following the boundary at the rear of Nos. 8-34 Wollaton Vale and 2-120 Parkside. At the rear of 120 Parkside the boundary runs north-west to include the playing field at the rear of Nos. 122-136 Parkside. The boundary includes an access to the playing field which runs between the house named "Blair" and 55 Bramcote Lane. The boundary continues in a north-easterly direction running at the rear of Nos. 55-27 Bramcote Lane.

At the junction of the southern and eastern boundaries of No. 27 Bramcote Lane, the boundary extends south-eastwards for a distance of approximately 65 metres where it then turns to run in a north-easterly direction to meet the south-western boundary of the Hirst Crescent Development. It continues along this south-western boundary and the south-eastern boundary of Hirst Crescent to Wollaton Road, thereafter extending along Wollaton Road in a north-easterly direction.

At the Police Station on Wollaton Road the boundary follows the western and southern boundaries of this site and then turns south-east to run along the rear of Nos. 2-24 Cambridge Road. Here the boundary turns eastwards along the southern boundary of No. 24 Cambridge Road and the rear of Nos. 195-107 Harrow Road where it then turns northwards for a short distance. It then follows the back edge of the pavement of Harrow Road between Nos. 107 and 87 before returning in a south-westerly direction along the boundary separating Wollaton Park from the Glenn Bott Secondary School playing field. The Conservation Area Boundary then follows the south-western boundary of the school site until it abuts Sutton Passeys Crescent.

Here the Park Boundary turns southwards and follows the south-western side of Sutton Passeys Crescent until it reaches the western boundary of No. 41 Sutton Passeys Crescent. The boundary then runs southwards before turning east to run at the rear of Nos. 41-1 Sutton Passeys Crescent. At the rear of No. 1 the boundary turns to include the width of Lime Tree Avenue before returning in a westerly direction along the rear of properties off Coombe Close, Lanark Close, Baildon Close and Oundle Drive. "The Thatch" situated off Baildon Close forms the western extent of this line. The line then turns and runs southwards following the rear of properties off Baildon Close and running along the boundary of No. 33 Oundle Close to join with the boundary first described.
