

The general effect of the proposals is to increase the authorised abstraction to 40,000 cubic metres per day (8,800,000 gallons per day) from the existing point of abstraction. Full details of the proposals, including a draft of the licence variation, together with any map deposited with them, will be open to inspection by the public at the following address, free of charge, at all reasonable hours during the period commencing on 14th March 1977 and ending on 15th April 1977.

Wye River Division,  
Welsh National Water Development Authority,  
4 St. John Street,  
Hereford, HR1 2NE.

Any person who wishes to make representations about the proposals should do so in writing to the Divisional Manager, Wye River Division, Welsh National Water Development Authority, 4 St. John Street, Hereford, HR1 2NE before the end of the said period.

After the expiry of that period, the Authority will be entitled to pass a resolution by virtue of which a licence authorising the proposals shall be deemed to be granted, unless the Minister, either in consequence of any representations made with respect to the proposals or otherwise, requires an application for a licence to be made to him.

Dated 7th March 1977.

(815) F. H. Jobson, Manager, Wye River Division.
