#### DURHAM CITY COUNCIL

##### *Hett Conservation Area*

Notice is hereby given that on the 1st February 1977 at the meeting of its Development Services Committee, the Council of the City of Durham designated the above village as a Conservation Area pursuant to their powers under section 277 of the Town and Country Planning Act 1971.

The consequences of designation are fully described in the above Act, however, the major controls now operative are:

1. No building shall be demolished without prior consent and application must be made for such demolition (some minor exemptions). Specific consent will be required for demolition when planning permission is sought to redevelop the site of any building.
2. Anyone wishing to cut down, lop or damage a tree in a Conservation Area must give 6 weeks notice to the City Council. This enables the Local Authority to make a Tree Preservation Order if necessary.
3. Application for planning permission for development which would affect the character or appearance of this Conservation Area, or affect the setting of a Listed Building, must be advertised by the Local Authority before being determined.

The designation ensures that in considering the future development of the village particular attention is paid to its architectural character and it is the Local Planning Authority's responsibility after designation to prepare an enhancement plan for the village with the full participation of its residents.

Copies of the designation report and plan are available for inspection at the City Planning Office, Byland Lodge, Hawthorn Terrace, Durham City (Telephone 67131) during normal office hours.
