THE FAIRS ACT 1873
[36 and 37 Vict. cap. 37]
PINNER FAIR

Whereas representation has been made to me by the Council of the London Borough of Harrow that a Fair, known as Pinner Fair, has been held annually in the London Borough of Harrow on the Wednesday next following the last Monday in May and that it would be for the convenience and advantage of the public that this Fair should in future be held annually on the Wednesday next following either the last Monday in May or any other day appointed under the Banking and Financial Dealings Act 1971 to be a Bank Holiday in its stead:

And whereas notice of the said representation and of the

time when the same would be taken into consideration by me has been duly published in pursuance of the Fairs Act 1873:

And whereas it appears to me after considering the said representation that it would be for the convenience and advantage of the public if the day on which the said Fair is used to be held were altered.

Now therefore I, the Right Honourable Merlyn Rees, M.P., one of Her Majesty's Principal Secretaries of State, in exercise of the power conferred upon me by Section 6 of the Fair Act 1873 do hereby order that the said Fair shall be held annually on the Wednesday next following the last Monday in May or any other day appointed under the Banking and Financial Dealings Act 1971 to be a Bank Holiday in its stead.

FORESTRY COMMISSION

The Forestry Commissioners hereby give notice that they have made an Order under the Plant Health Act 1967 entitled The Importation of Wood and Bark (Prohibition) (Great Britain) Order 1977.

This Order revokes the Importation of Wood (Prohibition) (Great Britain) Order 1974 and re-enacts its provisions with modifications imposing new conditions for the permitted landing of wood of the genera *Castanea*, *Quercus* and *Picea* and of the coniferous genera. These conditions differ according to the genus and the country or territory in which the wood is grown or from which it is imported. The provisions of this Order relating to isolated bark (defined in Article 2 (1)) are new.

The Order prohibits the importation into Great Britain of wood (as defined in Article 2 (1)) of the descriptions specified in the second column of Schedule 1 from the countries referred to in that column unless the relevant conditions laid down in the third column have been fulfilled, and of isolated bark of the descriptions specified in Schedule 2 from the countries mentioned in that Schedule (except isolated bark of trees of the genera *Castanea*, *Quercus* and *Picea* grown in Northern Ireland, the Republic of Ireland, the Isle of Man or the Channel Islands which is exported directly to Great Britain), unless the Forestry Commissioners or an inspector authorised for the purposes of the Order have or has granted a licence allowing the importation of the wood or isolated bark.

This Order provides that an inspector authorised by the Commissioners may examine and take samples of wood or isolated bark imported or about to be imported, and that wood or isolated bark landed in contravention of the Order shall be destroyed by the importer, unless it is immediately re-exported or disposed of under licence.

The Order also provides that any wood appearing to the Commissioners or an inspector not to have been free at the time of landing from the pests and diseases mentioned in the Schedule, or not to have conformed with any statement in an accompanying certificate, shall be destroyed or disposed of under licence.

In addition, the Order lays down penalties for its contravention, and provides for the furnishing of information regarding imported wood and isolated bark.

The Order will come into operation on 11th July 1977 and has been published as Statutory Instrument No. 901.

The Merton (Bus Lanes) (No. 1) Traffic Order 1977

The Merton (Waiting and Loading Restriction) (Amendment No. 1) Order 1977

Notice is hereby given that the Greater London Council on 20th May 1977 made the above-mentioned Orders under Sections 6 and 84D of the Road Traffic Regulation Act 1967, as amended by the Transport Act 1968 and the Road Traffic Act 1974, so as to continue in force indefinitely the provisions of the Merton (Bus Lanes) (No. 1) Experimental Traffic Order 1975.

2 The general effect of the Merton (Bus Lanes) (No. 1) Traffic Order 1977 will be to prohibit all vehicles from entering or proceeding in any area of the carriageway (to be known as a "bus lane") lying within or adjacent to the lengths of London Road, Mitcham specified in Schedule 1 to this Notice and between the eastern and south-eastern kerb-lines of that road and a longitudinal single white line (which will be broken by gaps opposite adjoining roads and at traffic signs which are light signals for controlling the movement of vehicular traffic or of pedestrians) marked on the carriageway of that road between 4 pm and 7 pm on Mondays to Fridays inclusive.

The prohibition will not apply to:

- (a) a stage carriage, a scheduled express carriage, a school bus or a works bus;
- (b) a cab licensed under Section 6 of the Metropolitan Public Carriage Act 1869, Section 37 of the Town Police Clauses Act 1847 or any similar local enactment;

- (d) a vehicle being used for fire brigade, ambulance or police purposes if it is reasonably necessary for that vehicle to enter or proceed in a bus lane;
- (e) any vehicle being used in connection with the removal of any obstruction in a bus lane;

(f) a vehicle being used for purposes in connection with the statutory powers or duties of a local authority or the supply of gas, water or electricity or in connection with any building operation, demolition or excavation in or adjacent to a bus lane, provided that in all the circumstances it is reasonably necessary for the vehicle to enter that bus lane;

(g) any vehicle which enters a bus lane for the sole purpose of waiting for a period not exceeding two minutes to enable a person suffering from any disability on injury (including blindness) which seriously impairs his ability to walk to board or alight from that vehicle;

(h) Any vehicle which enters or proceeds in a bus lane—

(i) from any road if that vehicle forthwith leaves that bus lane through the gap in the longitudinal single white line situated opposite and adjacent to the junction of that road with that bus lane; or

(ii) from any part of London Road, Mitcham which does not comprise a bus lane through any gap in the longitudinal single white line if that vehicle forthwith enters the road which lies opposite that gap; or

(iii) from any vehicular accessway or carriage crossing over the footway adjoining that bus lane if that vehicle forthwith leaves that bus lane at a point opposite that vehicular accessway or carriage crossing; or

(iv) from any part of London Road, Mitcham which does not comprise a bus lane at a point opposite any vehicular accessway or carriage crossing over the footway adjoining that bus lane if that vehicle forthwith enters that vehicular accessway or carriage crossing;

(i) any vehicle if the driver thereof is obliged to enter or proceed in a bus lane in order to avoid an accident and forthwith causes that vehicle to leave that bus lane;

(j) any vehicle if the driver thereof is required by law to stop and as soon as reasonably practicable thereafter causes that vehicle to leave that bus lane;

(k) anything done with the permission or at the direction of a police constable in uniform.

3 The general effect of the Merton (Waiting and Loading Restriction) (Amendment No. 1) Order 1977 will be to amend the Merton (Waiting and Loading Restriction) Order 1977, so that the hours during which the existing prohibition applies—

(a) on waiting by vehicles (including waiting for the purpose of delivering or collecting goods or loading or unloading a vehicle for a period of more than 20 minutes in the same place) will be changed so that such prohibition will apply between

4 A copy of each of the Orders, which will come into operation on 1st June 1977, and of the Merton (Waiting and Loading Restriction) Order 1977 can be inspected during normal office hours on Mondays to Fridays inclusive until the end of 6 weeks from the date of which the Orders were made in Room B.21, The County Hall, London SE1 7PB.

5 Copies of the Orders may be purchased from the Information Centre, Greater London Council, The County Hall, London SE1 7PB.

6 Any person desiring to question the validity of either of the Orders or of any provision contained therein on the ground that it is not within the powers of the relevant sections of the Road Traffic Regulation Act 1967 or on the ground that any requirement of those sections of the Act or of Section 84A, 84B or 84C of the Act or of any regulations made under the said Section 84C has not been complied with in relation to either of the Orders may, within 6 weeks of the date on which the Order was made, make application for the purpose to the High Court.—Dated 23rd May 1977.
