The Leeds-York Trunk Road A64, Copmanthorpe Bridge

As announced on 8th July 1977, the Department of Transport is considering proposals for a flyover to carry a short length of new road over the Leeds-York Trunk Road (A64) at Copmanthorpe in North Yorkshire.

The new bridge will make possible a direct link between Askham Bryan and Copmanthorpe by connecting Askham Fields and Manor Heath Lane. Appropriate connections to the A64 will be provided and completion of the scheme will make it possible for 5 gaps in the central reservation of the A64 to be closed eliminating the hazards caused by traffic crossing and/or making right and U turning movements.

Further details of the Department's proposal are available for inspection during normal business hours at the offices of the Regional Controller (Roads and Transportation), 8th Floor, City House, Leeds; The Post Office, Main Street, Copmanthorpe; The Post Office and Store Askham Bryan, York.

The period for examining and commenting on this proposal, originally due to end on 19th August, has been extended to 1st October 1977 for the benefit of members of the public and interested bodies wishing to comment or suggest any alternative solution. Correspondence should be addressed to the Regional Controller (Roads and Transportation), Yorkshire and Humberside Region, 8th Floor, City House, Leeds, quoting reference DYH 5069/09/TR69/14.

GUILDFORD BOROUGH COUNCIL

The Guildford (Off Street Parking Places) (No. 2) Order 1977

Notice is hereby given that Guildford Borough Council propose to make an Order under section 31 (1) of the Road Traffic Regulation Act 1967 as amended by Part IX of the Transport Act 1968, Schedule 19 to the Local Government Act 1972 and Schedule 6 to the Local Government Act 1974 the effect of which will be:

(a) to prohibit the parking of motor cycles in "Pay and Display" car parks, namely Bright Hill, High Street and Millbrook.

It is extremely difficult for motor cyclists to attach the pay and display tickets to their machines in such a way that they cannot be removed or dislodged. Covered parking is available in all multi-storey car parks in the town at half the normal parking charge.

(b) the standard charge payable for failing to display a valid ticket in "Pay and Display" car parks, namely Bright Hill, High Street, Millbrook and Station Parade, East Horsley or for parking incorrectly therein will be increased from £2 to £5.

The increase in the standard charge is being made to maintain the deterrent effect of this charge which contributes towards the control of "Pay and Display" car parks and reduces the cost of their administration.

Full details of these proposals are contained in the draft Order which can be seen at Millmead House, Mondays to Fridays, between 9 a.m. and 4.30 p.m.

Objections to the making of the Order to go with the grounds on which they are made must be submitted to me in writing not later than 5th September 1977.
