NOTICE UNDER TOWN AND COUNTRY PLANNING ACT 1971 AND TOWN AND COUNTRY AMENITIES ACT 1974

Lytham Conservation Area

Notice is hereby given that the Fylde Borough Council as District Planning Authority having previously designated (in May 1975) a large part of Lytham as a Conservation Area pursuant to section 277 of the Town and Country Planning Act 1971, as amended by the Town and Country Amenities Act 1974, have now also designated an extension thereof. The revised area of the Conservation Area is as follows:

The Town Centre, bounded by Lowther Terrace on the west, just beyond St. John's Street on the east, part of the Promenade and part of Lytham Green on the south, parts of Agnew Street, Cecil Street, East Cecil Street and Upper Westby Street, and part of Clifton Street to just beyond its junction with Station Road; the area being now extended to include an additional part of Pleasant Street, part of Westby

Street (south side), the whole of South Westby Street and of North Clifton Street and of George Street, to form the irregularly-shaped northern boundary; as shown on Plan No. 9/2/77.

Plans indicating precisely the boundary of the Conservation Area may be inspected during normal office hours at the Town Hall, St. Annes, the Planning Office, 288 Clifton Drive South, St. Annes, and the Council Offices, Wesham. Further information about Conservation Areas can be obtained at these various offices.

In areas designated as Conservation Areas, special attention is paid to the desirability of preserving or enhancing their character or appearance, and local planning authorities are empowered to take effective measures to improve the environment.

The Town and Country Amenities Act 1974, brings the demolition of most buildings in Conservation Areas under local authority control by applying with modifications the "listed building" control powers under the Town and Country Planning Act 1971. In particular, a building in a Conservation Area shall not be demolished without the consent of the local planning authority, and an application for such consent may be made thereto either separately or as part of a planning application to re-develop the site. The 1974 Act also extends the controls over trees in Conservation Areas; subject to certain exemptions, any person wishing to fell, top, lop etc. trees in such areas should give the Borough Council 6 weeks' notice of intention to do so. Penalties apply in the event of violations of these controls.

8th September 1977.

R. A. Cork, Chief Executive Officer.

Town Hall,
Lytham St. Annes.
