CHRISTCHURCH BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT, 1971-1974

Sopley Conservation Area (Part Christchurch)

Notice is hereby given that the Christchurch Borough Council in pursuance of its powers under sections 277 and 277a of the Town and Country Planning Act, 1971, and after consultation with the Dorset County Council have determined that land to the south of Sopley Village on east and west side of Salisbury Road are areas of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance and have accordingly designated the said areas as a Conservation Area.

The effect of the designation of the Conservation Area is that when an application for Planning Permission for development of land in or adjacent to the Conservation Area is made to the Council and either the development would, in the opinion of the Council, affect the character or appearance of the Conservation Area or the development is of a kind specified by the Secretary of State for the Environment, the application will be subject to the special procedure in section 28 of the Town and Country Planning Act, 1971.

Further, with certain exceptions, no buildings in the Conservation Area may be demolished altered or extended without the Council's consent and neither may any tree, again with certain exceptions, be felled or lopped without giving 6 weeks' prior notice to the Council.

A plan showing the Sopley Conservation Area (Part Christchurch) may be viewed by the public during normal office hours at the Planning Office, Town Hall, Christchurch.
