DEPARTMENT OF THE ENVIRONMENT

DEPARTMENT OF THE ENVIRONMENT, WELSH OFFICE AND MINISTRY OF AGRICULTURE, FISHERIES AND FOOD

WATER ACT 1973

At the request of the North West Water Authority and the Welsh National Water Development Authority, the Secretaries of State for the Environment and for Wales and the Minister of Agriculture, Fisheries and Food hereby give notice that they propose to make an Order under section 2 of the above Act altering both the general boundary and the boundary for the purposes of sewerage and sewage disposal between those Authorities in the counties of Merseyside and Cheshire, and the district of North Shropshire.

Alteration of the General Boundary: Effects

The general boundary between the two Authorities defines the limits of their respective areas for the functions of river management, water conservation and land drainage. The intention behind the Water Act 1973 was that general boundaries should conform precisely to watershed boundaries. The provisions of the order will make the Authorities' general boundary so conform. The reason that it does not do so at present is that the Constitution Orders of 1974 for the most part defined the general boundaries of water authorities in general terms based on historical precedent, and this has led to marginal topographical anomalies. The order will define and clarify the boundary for land drainage, water conservation and licensed abstraction purposes.

A 2

The general effect of the order will be that on a date to be appointed by the order ("the day of transfer") some parts of the existing general area of the North West Water Authority will be transferred to the Welsh National Water Development Authority, and vice versa. Any licensed abstractors in a transferred area will thereafter obtain their licences from, and pay the relevant charges to, the Authority receiving the transferred area.

Alteration of the Sewerage and Sewage Disposal Boundary: Effects

The existing sewerage and sewage disposal boundary between the Authorities is the same as their general boundary (and therefore deemed to follow the watershed). In practice, the operational areas of the Authorities for sewerage and sewage disposal often cross this boundary because areas at their perimeter drain into sewers which traverse the general boundary and lead, in turn, to treatment works situated beyond it. The new boundary established by the order will not change the ownership of those parts of the sewerage network which cross the existing boundary, because they are already owned by the Authority into whose area they drain. But the new boundary will more accurately represent the operational boundary.

The general effect of the order will be that on the day of transfer certain areas currently within the sewerage and sewage disposal boundary of the North West Water Authority but in practice draining into the area of the Welsh National Water Development Authority, will be transferred to the latter Authority. The main areas will be:

Willaston (western part)
Upton (eastern part)
Littleton (eastern part)
Huxley and Hargrave
Newton by Tattenhall
Burwardsley (eastern part)

Approximately 590 hereditaments in these and other areas will be transferred to the Welsh National Water Development Authority.

Similarly, certain areas currently within the sewerage and sewage disposal boundary of the Welsh National Water Development Authority, but in practice draining into the area of the North West Water Authority, will be transferred to the latter Authority. The main areas will be:

West Kirby (western part)
Caldy (western part)
Rowton Village
Waverton
Coomb Dale (Bickerton)

Approximately 3,600 hereditaments in these and other areas will be transferred to the North West Water Authority.

The changes made by the order in the sewerage and sewage disposal boundary will ensure that, where either of the Authorities bills its consumers direct for the sewerage charge (as the North West Water Authority proposes to do in the districts of Wirral, Ellesmere Port and Neston, and Crewe and Nantwich from 1 April 1978), consumers will be billed with the appropriate charge—that is to say, the charge levied by the authority owning the sewers and treatment works which actually serve their properties. Further details of the charging arrangements of the two Authorities, covering their environmental services charges as well as their sewerage charges, are given in the note at the end of this notice.

Supplementary Provisions

The order will make transitional, supplementary and consequential provision for the effect of existing licences to abstract water and the collection of sewerage and environmental services charges.

It will not involve any transfer of property or staff, nor will there be any changes in the water supply boundary between the two Authorities.

The day of transfer is expected to be 1 April 1978.

Public Inspection

Copies of the draft order and of the maps referred to in it may be inspected free of charge at all reasonable times from 6 January 1978 at the Offices of Cheshire County Council, County Hall, Chester; Merseyside County Council, Metropolitan House, Old Hall Street, Liverpool; Salop County Council, the Shirehall, Abbey Foregate, Shrewsbury; Clwyd County Council, Shire Hall, Mold; Crewe and Nantwich Borough Council, Delamere House, Delamere Street, Crewe; Ellesmere Port and Neston Borough Council, Whitby Hall, Ellesmere Port; North Shropshire District Council, Council Offices, New Street, Wem, Shrewsbury; Wirral Borough Council, Town Hall, Brighton Street, Wallasey; Chester City

Council, Town Hall, Chester; and at the Department of the Environment, Room C6/17, 2 Marsham Street, London SW1.

Any person may, not later than 3 February 1978, object to the making of the order, by notice in writing to the Secretary of State for the Environment at 2 Marsham Street, London SW1, or to the Secretary of State for Wales at Pearl Assurance House, Greyfriars Road, Cardiff CF1 3RT, or to the Minister of Agriculture, Fisheries and Food at Great Westminster House, Horseferry Road, London SW1.

Mrs L. A. Thomas, A Principal in the Department of the Environment

21 December 1977

NOTE, SUPPLEMENTING THE ABOVE NOTICE, ON CHARGING ARRANGEMENTS IN THE AREAS AFFECTED BY THE PROPOSED ORDER (SEWERAGE AND ENVIRONMENTAL SERVICES CHARGES)

The changes in the sewerage and sewage disposal boundary and the general boundary between the North West Water Authority and the Welsh National Water Development Authority to be made by the proposed order will occur in the areas of five district councils, namely, Wirral; Ellesmere Port and Neston; Chester; Crewe and Nantwich; and North Shropshire.

Present Arrangements (1977-78)

Of these five districts, only one—North Shropshire—is currently subject to direct billing arrangements by the appropriate water authority (in this case, the Severn-Trent Water Authority, in whose area most of the area of North Shropshire District Council lies; the remaining parts of it lie within either the North West Water Authority (NWWA) or the Welsh National Water Development Authority (WNWDA)). The respective charges (in poundages, that is to say, pence per pound of rateable value) in this district in the current year (1977-78) are:

| | Sewerage £ | Environ- mental Services £ | Total £ |
|--------------------------|---------------|-------------------------------------|------------|
| <i>North Shropshire</i> | | | |
| NWWA part | 13.0 | 0.30 | 13.30 |
| Severn-Trent part | 13.0 | 0.30 | 13.30 |
| WNWDA part | 16.4 | 0.60 | 17.00 |

In the other four districts there is at present no direct billing and collection is made through the district council; the provisions of the Water Authorities (Collection of Charges) Order 1977 currently apply, and the following poundages have applied in 1977-78:

| | Sewerage £ | Environ- mental Services £ | Total £ |
|----------------------------------|---------------|-------------------------------------|------------|
| <i>Wirral MBC</i> | 7.87 | 0.23 | 8.10 |
| <i>Ellesmere Port and Neston</i> | | | |
| BC | 8.76 | 0.27 | 9.03 |
| Chester CC | 16.07 | 0.54 | 16.61 |
| Crewe and Nantwich DC... .. | 12.80 | 0.30 | 13.10 |

Proposed Arrangements for 1978-79

In 1978-79, the North West Water Authority plans to introduce direct billing of sewerage and environmental services charges in Wirral, Ellesmere Port and Neston, and Crewe and Nantwich. In Chester, the present arrangements will continue, and sewerage and environmental services charges in Chester will therefore continue to be a uniform charge.

In Wirral and in Ellesmere Port and Neston the poundages of sewerage and environmental services charges in 1978-79 are considered likely to be as follows:

| | Sewerage p | Environ- mental Services p | Total p |
|----------------------------------|---------------|-------------------------------------|------------|
| <i>Wirral MBC.</i> | | | |
| NWWA part | 9.50 | 0.30 | 9.80 |
| WNWDA part | 17.40 | 0.60 | 18.00 |
| <i>Ellesmere Port and Neston</i> | | | |
| BC | | | |
| NWWA part | 10.50 | 0.30 | 10.80 |
| WNWDA part | 17.40 | 0.60 | 18.00 |

In Crewe and Nantwich, charges are considered unlikely to be higher than those levied in the current year.

General

The figures given above are provisional only, because the two Authorities will not be taking final decision on charges for 1978-79 until January. They are provided as a guide.

Abstraction Charges

Information on water abstraction charges in either water authority area, for the year 1978-79, may be obtained direct from the Authorities themselves.
