The general effect of the Order is to make provisions as to the use of the parking places referred to, the classes of vehicles entitled to use them, the conditions on which they may be used, the charges therefor, and the removal therefrom of vehicles left in the said parking places in contravention of the Order.

1. The Order makes provision as to the days and times on which the parking places will be available as follows:—

The parking places will be open from 00.01 hours to 24.00 hours, in respect of the multi-storey car parks from Monday to Saturday and in respect of the surface area car parks from Sunday to Saturday (all days inclusive).

The maximum period for waiting will be a period not exceeding 23 hours in every period of 24 hours.

2. The Order makes provision as to the class of vehicle permitted to wait in a parking place and the scale of charges proposed, as shown in the First Schedule hereto. In the case of surface area car parks a 'pay and display' method of charging will be used and a charge of £5 will be payable if parking tickets to the value shown in the Fourth column of the First Schedule are not bought and displayed.

3. Season tickets are to be available for periods of one month, three months or one year at the fees shown in the Second Schedule.

4. The Order provides exemptions from charges for invalid carriages etc. in all parking places and for motor-cycles in motor-cycle spaces at the pike Mills/Batemans, Kidderminster and Load Street, Bewdley car parks.

5. The Order makes special provision as to the conditions on which the Park Butts parking place can be used by heavy goods vehicles, etc. In particular, bulk container vehicles must not carry dangerous substances and secondary generating motors must not be operated.
