SCHEDULE 1

SECTION 1

Service Retired Pay

1. The provisions of this Schedule relate to officers holding permanent or pensionable commissions in the Royal Navy, Royal Marines, Queen Alexandra's Royal Naval Nursing Service and the Women's Royal Naval Service who retire from the Active List on or after 1st April 1977. Subject to the provisions of the Forfeiture Act 1870 c. 23 and the Admiralty Pensions Act 1921 c. 39, they relate also to retired officers whose commissions are terminated or whose names are removed from the List of Retired Officers because of misconduct. Except where otherwise indicated they do not apply to officers holding temporary or short service commissions or officers on the Supplementary List who have not been granted permanent or pensionable commissions. In respect of Flag Officers serving on or after 1st January 1977, and other officers serving on or after 1st April 1977, eligibility to receive an award for which they would have qualified under earlier regulations is hereby extinguished.

Retirement for age or non-employment

2. An officer on or after attaining the age limit fixed for service in his rank and branch, or, it having been decided that further employment is not available for him, retiring compulsorily before attaining that age limit, may be granted retired pay, provided that he has completed at least 16 years' reckonable service as defined in Clauses 18 to 22 of this Schedule. In the event of eligibility for full pay continuing after formal retirement, the award will take effect from the day following that in respect of which full pay was last payable.

3. A member of the Queen Alexandra's Royal Naval Nursing Service or an officer of the Women's Royal Naval Service who is permitted to retire on marriage, or for compassionate reasons where the Secretary of State for Defence is satisfied that such reasons necessitate retirement or termination of service, is to be treated as retiring compulsorily for retired pay purposes.

4. The rate of retired pay will be based on the officer's rank for retired pay purposes, as defined in Clauses 13 to 17 and on the length of his reckonable service calculated in accordance with Clause 22 of this Schedule.

Rates of Retired Pay

5. Subject to the provision of this section, service retired pay may be awarded at the following rates:

Voluntary Retirement

7. An officer with at least 16 years' reckonable service who retires at his own request on or after reaching the age of 40 years and before reaching the age of 50 years, may be granted retired pay at the rates set out in Clauses 5 and 6 of this Schedule abated by 7½ per cent. Retired pay will be re-assessed at age 60 in accordance with Clause 2 of Schedule VIII. At other ages the retired pay will be as indicated in Clauses 5 and 6 of this Schedule.

An officer who has not served for at least 5 years after the grant of his permanent or pensionable commission will not be eligible for retired pay on voluntary retirement but may be awarded either a preserved pension in accordance with Schedule VII or any service pension or gratuity for which he may be eligible by virtue of service as a rating.

Service Invaliding Retired Pay

8. Officers serving on permanent and pensionable commissions who are non-attributably invalided on or after 1st April 1977 and who have completed at least five years' service of which at least two years have been served from the age of 21 years, may be awarded Service Invaliding Retired Pay at the following rates:

Service Attributable Retired Pay

9. Irrespective of their length of service all officers including those on short service commissions who are invalided with a degree of disability assessed at 20 per cent. or more may be awarded Service Attributable Retired Pay provided such injury shall be accepted by the Department of Health and Social Security as being attributable to or aggravated by their period of service. The rank on which the award is based will be determined in the same way as for Service Invaliding Retired Pay. In addition, any disability pension or other Department of Health and Social Security allowances may be paid concurrently with this award but Service Attributable Retired Pay will be abated by the amount of any Unemployability Supplement put into payment by the Department of Health and Social Security within 12 months of their determination of attributability provided the amount abated shall not exceed the excess of the minimum rate set out below over the appropriate rate of Service Invaliding Retired Pay.

Should the degree of disability increase at any time, the rate of Service Attributable Retired Pay will be reviewed. If the degree of disability decreases, however, attributable retired pay will only be reviewed during the 12 months immediately following retirement unless the degree of disability falls below 20 per cent. when it will be abated at any time by the difference between the minimum attributable rate and the appropriate rate of Service Invaliding Retired Pay. Where the rate of Service Attributable Retired Pay is reviewed the revised rate will be that appropriate to the revised degree of disability, enhanced where applicable by relevant pension increase measures, promulgated in the Order in Council in the year in which the officer was invalided. In the case of a short service officer or pensionable officer with less than 5 years qualifying service the rate of Service Invaliding Retired Pay for the purpose of these calculations will be nil. An adjustment to the excess of the minimum rate over the appro-

priate rate of Service Attributable Retired Pay may be made in cases where an officer successfully recovers damages for the injury which led to the attributable invaliding. The excess of the minimum rate over the appropriate rate of Service Invalidng Retired Pay is not commutable. In all cases where an award of the appropriate rate of Service Invaliding Retired Pay would be less favourable than the minimum rates set out below (including cases where an officer is not eligible for such an invaliding award) the latter will apply.

Minimum Rates of Service Attributable Retired Pay on or after 1st April 1977:

SECTION II

Terminal Grants in Addition to Service Retired Pay

10. An officer retired from the Active List and awarded retired pay or invaliding retired pay under Section I of this Schedule, may be awarded a terminal grant, in addition to his retired pay, under the following conditions:

(*a*) The standard rate of grant will be three times the annual amount of the retired pay awarded under Section I of this Schedule.

(*b*) Except as provided in Clause 6 of Schedule III an officer can qualify only once for a grant.

(*c*) The grant will be free of income tax.

11. A terminal grant under Clause 10 of this Schedule shall not be admissible in the case of an officer to whom Clause 25(*b*) of this Schedule applies, but a tax-free compassionate grant not exceeding three times the annual amount of the compassionate allowance may be awarded at the discretion of the Secretary of State for Defence.

12. In the event of eligibility for full pay continuing after formal retirement, payment of terminal grant will not be made before the day following that in respect of which full pay was last payable.

SECTION III

Rank for Retired Pay Purposes

13. Subject to the following Clauses, the rank for retired pay purposes shall be the substantive rank held by the officer on his retirement, provided that, unless the officer is invalided, the rank had been held on the Active List for the following minimum periods:

(*a*) Admiral; General, Royal Marines ... ... 1 year

(*b*) All other officers ... ... 2 years

If the substantive rank has been held for less than the period specified, the rank for retired pay purposes shall be the highest substantive rank which (with periods spent on higher substantive rank) satisfies the condition.

14. Service as Acting Captain, Royal Navy may be reckoned towards the requirement of 6 years' service as Captain irrespective of the date of substantive promotion.

Additions to Retired Pay for Service in Paid Acting Rank

15. Subject to the general conditions in Clause 16 of this Schedule, paid acting and temporary rank held by officers of the Royal Navy, Royal Marines, and Women's Royal Naval Service and members of Queen Alexandra's Royal Naval Nursing Service, may reckon for increase of retired pay as follows:

(*a*) For each complete year (subject to a maximum of 3) for which the paid acting or temporary rank was held, there may be added one-third of the difference between the retired pay for which the officer is eligible and the retired pay for which he would have been eligible had his rank for retired pay been one rank above his substantive rank.

(*b*) Where an officer has failed to complete 2 years in a substantive rank required to qualify him for the retired pay of the rank, such service may reckon for retired pay as if it had been acting or temporary rank.

(*c*) Parts of a year in acting or temporary rank will be calculated proportionately, provided the acting or temporary rank has been held for a minimum period of 1 year.

General Conditions

16. (*a*) Only paid acting or temporary rank held on or after 3rd September 1939 will count.

(*b*) In no case shall service in an acting or temporary rank earn a rate of retired pay higher than would have been earned if the acting or temporary rank had been substantive.

(*c*) The " complete " years referred to in Clause 15(*a*) of this Schedule need not be continuous in time but may be made up of broken periods.

17. The Secretary of State for Defence may fix a date after which periods in acting or temporary rank will no longer be reckonable for additions to retired pay.

Definitions of Service

18. The following periods may be included in assessing qualifying and reckonable service for the purpose of the foregoing Clauses:

(*a*) Subject to Clause 21 of this Schedule, full pay service (including mobilised or embodied service or for the purpose of training) as an officer, rating or other rank of the Royal Navy, Royal Marines, Women's Royal Naval Service, Queen Alexandra's Royal Naval Nursing Service, the Army or the Royal Air Force or of the Auxiliary and Reserve Forces, and of the former Armed Forces of India or Burma, or of the Armed Forces of the British Commonwealth or Colonies, provided that where appropriate such service would be reckonable as qualifying service under Army or Royal Air Force regulations; except broken periods each of less than 6 months' duration.

(*b*) While a permanent regular officer, periods in appointments not remunerated from Navy Votes which the Secretary of State for Defence considers can reasonably be regarded as part of an officer's career as such. These shall be appointments to which the officer brings his Naval knowledge and from which he acquires additional experience and which have been officially offered to him as part of his Naval service.

(*c*) Periods before 1st August 1938, on unemployed pay, or on half pay not following the sentence of a Court Martial or the expiration of full pay sick leave, will reckon as service in full up to a maximum of 6 months in any one period or 2 years in all. Any such service not reckoning in full under the above rule will reckon as a third, subject to a maximum of 6 years such service reckoning as two years.

19. Loss of seniority or time forfeited by sentence of Court Martial or Disciplinary Court will not involve loss of service for retired pay or gratuity.

20. Service preceding a five-year interval in service shall not be included unless specially allowed by the Secretary of State for Defence, and eligibility to reckon such previous service will normally be determined at the time of resumption of service. Where, during a break in service, the officer has been a member of the Royal Naval Reserve, or other reserve of any of the Forces, undertaking or liable for periodical training, the period of such membership will not be considered an interval in service for the purpose of deciding whether the previous service is admissible.

Previous Service for which a Non-Effective Award has been received

21. (*a*) In the case of previous service in respect of which the officer received a service gratuity, or in any case of previous service other than in the Royal Navy, the Royal Marines, the Army, or the Royal Air Force, it may be stipulated as a condition for allowing such service to reckon for retired pay, that the officer shall make a payment to Navy Funds, either in a lump sum or otherwise. In default of such payment as may have been stipulated the previous service will not be reckonable for the purposes of a non-effective award.

(*b*) If an officer has continued to draw concurrently with full pay the retired pay or other analogous award payable in respect of previous service, the further service will normally not confer eligibility for improved benefits on final termination of employment.

Counting of Service

22. (*a*) *Reckonable Service.* All service as defined above from the age of 21 years will count in full as reckonable service.

(*b*) *Qualifying Service.* All service as defined above from the age of 18 years will count in full as qualifying service.

(*c*) " Completed years of service ", " years of qualifying service " and " years of reckonable service " mean full pay service up to and including the last day on full pay.

Special Rules relating to officers promoted from the Ranks

23. (*a*) *Permanent Commission.* A rating promoted to a permanent commission while serving on a normal regular engagement may on retirement be granted either:

(i) Retired pay under the conditions set out in this Schedule, or

(ii) Retired pay under the current rules for the award of ratings' pensions; whichever is more to his advantage.

(*b*) *Temporary Commission.* A rating promoted to a temporary commission on the Special Duties List may on retirement after completing 7 or more years of commissioned service be awarded retired pay under the conditions set out in this Section, where this is more favourable. An officer who retires at his own request may be awarded additions for commissioned service in accordance with Clause 12 of Schedule V subject to the total award not exceeding the amount which would have been payable had the officer been on a permanent commission.

Retirement for Incapacity, Unsuitability or Inefficiency

24. (*a*) *Not within an officer's control.* An officer who is retired for incapacity, unsuitability or inefficiency not due to causes within his own control, and having at least 16 years' reckonable service, may be granted retired pay as for a compulsory retirement on account of non-employment.

(*b*) *Within an officer's control.* An officer who is retired for incapacity for inefficiency due to causes within his own control, but not amounting to misconduct, and having at least 16 years' reckonable service, may be granted an award of retired pay at such rate as the Secretary of State for Defence may determine, but not in any event exceeding the rate which would have been admissible had he retired voluntarily.

Retirement, etc. for Misconduct

25. (*a*) An officer who is retired for misconduct with at least 16 years' reckonable service, may be granted retired pay at such rate as the Secretary of State for Defence may determine, but not in any event exceeding the rate of retired pay which would have been admissible had he retired at his own request.

(*b*) *Dismissal etc.* An officer with at least 16 years' reckonable service who is dismissed the Service or dismissed with disgrace by sentence of a Court Martial or whose name has been removed from the List of Officers or who has been allowed to resign

his commission to avoid trial by Court Martial may be granted a compassionate allowance at the discretion of the Secretary of State for Defence but not in any event exceeding the rate of retired pay which would have been admissible had he retired at his own request.

Reduced awards made under the provisions of this Clause may be restored at age 60 in accordance with Clause 1 of Schedule VIII.

26. The Secretary of State for Defence may, in the exercise of his discretion under Clause 24(*b*) and Clause 25 of this Schedule, grant a gratuity or compassionate gratuity in place of retired pay or compassionate allowance.

27. The award and amount of any Service Invaliding Retired Pay or Service Attributable Retired Pay shall, notwithstanding the provisions of this Schedule, be at the discretion of the Secretary of State for Defence.

SCHEDULE II

Service Gratuities

For the purposes of this Schedule when an officer's qualifying service (for gratuity purposes) exceeds a given number of years by one or more complete days of a year, his award of gratuity will be increased by that number of days as a fraction of 365 of the difference between the rate for the number of years completed and the rate that would have been awarded had a further complete year been served.

SECTION I

1. (*a*) Permanent officers (other than those on the Special Duties List) and Pensionable Supplementary List Officers who, but for the introduction of the preserved pension scheme, would be eligible for a gratuity, may, if they leave the Service before 6th April 1978, opt to receive a gratuity in accordance with the following regulations in lieu of any entitlement to preserved benefits (see Schedule VII) and resettlement grant they might have under Section V of Schedule X:

(*b*) If retired on account of incapacity, unsuitability or inefficiency not due to causes within the officer's control:

(i) If with 10 or more years' qualifying service, a gratuity at the discretion of the Secretary of State for Defence not exceeding the amount which would have been admissible under sub-Clause (*a*) of this Clause.

(ii) If with less than 10 but not less than 2 years' qualifying service, a gratuity at the discretion of the Secretary of State for Detence, not exceeding £275 (£263 for female officers) for the first 2 years' qualifying service with additions at the rate of £275 (£263 for female officers) for each additional complete year of qualifying service.

(*c*) If retired for incapacity, unsuitability or inefficiency or other cause within his own control, but not amounting to misconduct, with at least 10 years' qualifying service, 5 years of which shall have been served since the grant of a permanent or pensionable commission, a gratuity of such amount as the Secretary of State for Defence may determine but not in any event exceeding the amount admissible under sub-Clause (*a*)(ii) of this Clause.

(*d*) If retired for misconduct, or on termination of commission for any of the reasons set out in Clause 25 of Schedule I, with at least 10 years' qualifying service, 5 of which shall have been served since the grant of a permanent or pensionable commission, a gratuity, or a compassionate gratuity if the Secretary of State for Defence so decides and of such amount as he may determine, but not in any event exceeding 90 per cent of the award which would have been admissible had the officer retired at his own request.

2. An officer who originally retired at his own request with a gratuity only, may receive an additional proportionate gratuity of £515 (£492 for female officers) for each year of re-employed service.

Gratuities for Supplementary List Aircrew serving on Pensionable Commissions

3. Supplementary List Aircrew serving on pensionable commissions to the age of 38 years, who leave at their optional breakpoints, will be eligible for gratuities calculated in accordance with Section II of Schedule X. If they leave at any time other than at their optional breakpoints any award of retired pay or gratuity will be assessed in accordance with the provisions of Schedules I, II and VII.

Service Gratuities for Permanent Officers on the Special Duties List

4. If permitted to retire at their own request before 6th April 1978 with insufficient service to qualify for retired pay, officers on the Special Duties List may be granted gratuities on the following scale, in place of preserved benefits, subject to the completion of a minimum period of 12 years' actual service from the age of 18 years:

6. If retired on or after 1st April 1977 for misconduct, or on termination of commission for any of the reasons set out in Clause 25 of Schedule I, with at least 12 years' actual service from the age of 18 years, a gratuity or a compassionate gratuity may be allowed at the discretion of the Secretary of State for Defence, but not in any event exceeding 90 per cent. of the award which would have been admissible under Clause 4 of this Schedule had the officer retired voluntarily.

7. An officer who has served on a rating's engagement, conferring eligibility for a rating's gratuity on completing at least 10 years' service after the age of 18 years will have a reserved right to an award under Clauses 4 and 6 of this Schedule, on completion of 10 years' such service instead of 12 years'.

Gratuities for members of the QARNNS and officers of the WRNS leaving on marriage or for compassionate reasons

8. Permanent officers who have completed at least 4 years' service as officers and are permitted to retire or are required to terminate their service on marriage or for compassionate reasons where the Secretary of State for Defence is satisfied that such reasons necessitate retirement or termination of service, and who but for the introduction of the preserved pension scheme would be eligible for a gratuity, may, if they leave the Service before 6th April 1978, be awarded a gratuity of £324 for each year of qualifying service subject to a maximum of £3,237.

SECTION II

SCHEDULE III

SECTION I

Retired Officers of the Royal Navy and Royal Marines: Re-employment in Peace-time

1. Except as provided in Section III of this Schedule an officer who is on retired pay may, while re-employed for training or any authorised naval duty for periods not exceeding 6 consecutive months or aggregating 6 months or less in any 12 months, continue to draw his retired pay concurrently with any pay to which he is entitled; but payment of retired pay may be suspended when there is doubt about the duration of the period of re-employment. No retired pay will be payable when the period of re-employment exceeds 6 months, and where the retired officer has commuted any part of the retired pay which would have been liable to suspension had he not commuted, a deduction equivalent to the amount commuted will be made from his pay.

2. An officer whose service retired pay has been suspended under Clause 1 of this Schedule and who, having been placed on the Retired List before 1st April 1977, is re-employed on or after that date without an actual break in service, will be eligible on reversion to the Retired List for awards of retired pay and terminal grant under the provisions of Schedule I as appropriate for officers retiring on or after 1st April 1977, assessed on the basis of former service added to re-employed service.

3. An officer whose service retired pay has been suspended under Clause 1 of this Schedule and who having had a break in service, is in re-employment on or after 1st April 1977 may receive on reversion to the Retired List an award of retired pay assessed on the basis of former service added to re-employed service as follows:

(*a*) Under the provisions of Schedule I provided that

(i) the period of re-employment is not less than 3 years; or

(ii) the officer is invalided from re-employment; or

(iii) he originally retired on or after 1st April 1977.

(*b*) If the officer originally retired before 1st April 1977, and the period of his re-employment is less than 3 years and he is not invalided, under the provisions of the Order in Council under which his retired pay was originally assessed.

4. If during re-employed service an officer has served in a rank higher than that held before original retirement and has received the pay and allowances appropriate to that rank, this service may be allowed to reckon for assessment of a revised rate of retired pay on a similar basis to that laid down in Clauses 15 to 17 of Schedule I.

5. If the officer had originally retired at his own request, re-assessed retired pay under sub-Clause (*a*) or (*b*) of Clause 3 of this Schedule will be on the basis of voluntary retirement, unless he is invalided from re-employment.

6. An officer whose retired pay has been suspended under Clause 1 of this Schedule may receive, on reversion to the Retired List on or after 1st April 1977 a terminal grant or additional terminal grant calculated as follows:

(*a*) If retired pay has been re-assessed under paragraph (i) or (ii) of Clause 3(*a*) of this Schedule, the award shall be, for each complete year of re-employed service, one-tenth of the difference between three times the annual amount of retired pay awarded on termination of re-employment and the terminal grant (if any) previously awarded.

(*b*) If retired pay has been re-assessed under Clause 3(*b*) of this Schedule, and the officer originally retired before 1st January 1956, as in sub-Clause (*a*) of this Clause.

(*c*) If retired pay has been re-assessed under paragraph (iii) of Clause 3(*a*), or under Clause 3(*b*) of this Schedule where the officer originally retired on or after 1st January 1956, the difference between the terminal grant previously awarded and three times the amount of retired pay awarded on termination of re-employment.

7. An officer who originally retired at his own request with a gratuity only, may receive an additional proportionate gratuity of £515 for each year of re-employed service.

8. An officer who re-enters the Service within 5 years of being discharged on redundancy will be required to refund a portion of the Special Capital Payment awarded to him. The refund will be calculated as follows:

$$\frac{a-b}{a} \times \text{The Special Capital Payment}$$

(" a " representing 5 years, or the uncompleted period of service on redundancy, whichever is the less, and " b " the break in service. In cases of " b " being greater than " a " there is no refund.)

SECTION II

Retired Officers of the Royal Navy and Royal Marines employed by the Ministry of Defence

9. Where a retired officer in receipt of retired pay is employed by the Ministry of Defence as a Principal Retired Officer or Retired Officer Grade I, II or III his retired pay shall be abated in accordance with the provisions of the Naval and Marine Pay and Pensions (Retired Officers' Abatement) Order 1975.

10. An officer taking up a Retired Officer post within two years of redundancy may be required to refund a portion of the Special Capital Payment awarded to him, in accordance with Section I of Schedule IX.

SECTION III

Retired Officers of the Royal Navy and Royal Marines: Re-employment in Emergency

11. On recall for service at a time of imminent national danger or of great emergency, or when re-employed with the Armed Forces on general mobilisation, one-half of the retired pay of a retired officer will remain in issue concurrently with the pay

and allowances appropriate to his rank on re-employment. Any portion of the retired pay that has been commuted will be recovered from his pay to the extent of the deficiency.

12. For the purpose of applying the provisions of Clause 11 of this Schedule to a retired officer compulsorily recalled at a time of national emergency when general mobilisation has not been announced, the operative period will be determined by the Secretary of State for Defence in consultation with the Minister for the Civil Service.

SCHEDULE IV

1. The provisions of this Schedule shall apply only to officers serving under the terms and conditions laid down in Order in Council (No. 96/CE) of 23rd July 1931, and subsequent amending Orders in Council, who retire from the Active List at their own request before reaching the age of 45 years in order to accept appointments in or under the Naval Ordnance Inspection Division of the Weapons Department of the Ministry of Defence (Navy Department) as members of the Works Group (Variant) Class of the Home Civil Service.

2. Such officers shall be eligible from the date of their retirement from the Active List for awards of retired pay and terminal grant at the rates and under the conditions in force at the time of their retirement for officers on the General Active List who are retired compulsorily for age or non-employment; but not for any increase that might otherwise be payable in respect of service in acting and temporary rank under Clauses 15 to 17 of Schedule I.

3. Any officer who, having retired from the Active List under the foregoing Clauses, voluntarily terminates his service in or under the Naval Ordnance Inspection Division within three years of taking up an appointment as a member of the Works Group (Variant) Class shall thereupon have his retired pay reduced to the rate that would have been payable, less any part commuted at the time of his retirement from the Active List had that retirement been treated as though it were that of an officer of the General Active List retired at his own request; and to refund to the Ministry of Defence:

(*a*) the difference between the higher and lower rates of retired pay in respect of the period during which the former was in payment; and

(*b*) the difference between terminal grants based on the higher and lower rates of retired pay.

Payment of retired pay shall be discontinued until arrangements satisfactory to the Ministry of Defence have been made for refund of the amounts due.

SCHEDULE V

1. The provisions of this Schedule relate to ratings of the Royal Navy, other ranks of the Royal Marines, Naval Nurses of Queen Alexandra's Royal Naval Nursing Service and Ratings of the Women's Royal Naval Service who give service on full pay on or after 31st March 1977. Eligibility to receive an award for which they would have qualified under earlier regulations is hereby extinguished. They do not apply to RN locally entered ratings. The rates of pension are effective from 1st April 1977.

2. Except where otherwise stated, the term " ratings " in this Schedule should be read as including Non-Commissioned Officers, Fleet Chief Petty Officers, Chief Petty Officers, Petty Officers, ratings and other ranks of the Royal Navy, Royal Marines and the Women's Royal Naval Service, and Naval Nurses of Queen Alexandra's Royal Naval Nursing Service.

SECTION 1

Service Pensions and Terminal Grants

Conditions of Award

3. A service pension and terminal grant assessed as in Clauses 6 to 16 of this Schedule may be awarded to:

(*a*) A rating discharged otherwise than for misconduct or for inefficiency, within his own control provided he has completed at least 22 years' reckonable service.

(*b*) A rating who is invalided after having undertaken an engagement or re-engagement which would normally enable him to qualify for pension under sub-clause (*a*) above provided he has completed at least 5 years' reckonable service.

4. A rating whose services are terminated for misconduct or for inefficiency within his own control and who has completed at least 22 years' reckonable service may be granted such portions of the service pension and terminal grant assessed under Clauses 6 to 18 of this Schedule as the Secretary of State for Defence may determine, having regard to the circumstances of the case, but when the services are terminated for misconduct, the amount shall not in any event exceed 90 per cent. of the award which would have been admissible had the discharge been on other grounds. A reduced award may be restored at the age of 60 years in accordance with Clause 1 of Schedule VIII.

5. A rating who is discharged not more than 91 days before completing 22 years' reckonable service so that he may enter civil employment which he has obtained but which cannot be held open for him beyond that period, may be awarded a service pension and terminal grant calculated on the actual reckonable service he has rendered, provided that this is not less than 21 years and 274 days.

Assessment of Pension

6. Except as provided in Clauses 7 to 9 of this Schedule, pension will be based on the length of reckonable service and on the highest paid rank, whether acting or confirmed, held for an aggregate period of 2 years or more during the 5 years' reckonable service preceding discharge to pension. Where during his final 5 years of service a rating has completed less than 2 years but at least one year in his highest paid rank his pension will be assessed on the paid rank which he has held for an aggregate period of 2 years or more with an addition of one-third of the difference between the rate for that rank and the rate for the next higher rank for each year (subject to a maximum of 2 years) served in a rank or ranks higher than that on which pension is based. Where more than two ranks have been held during the last 5 years of service and the required 2 years has not been served in any one rank, paid service in a higher rank may, where it is to a rating's advantage, be treated as if it were in all respects service in a lower rank. The addition to pension will be calculated by reference to years and days of service rather than to completed years.

7. In the case of those invalided, pension may be based on the length of reckonable service and on the acting or confirmed rank held at the time of discharge provided the higher rank was a regular roster advancement if this is more favourable than the rule in Clause 6 of this Schedule.

8. Where a rating has completed a pensionable engagement but is permitted to remain in the Service in a lower rank, he may on final discharge be awarded the pension for which he would have been eligible had he been discharged on the date on which he reverted to the lower rank (but calculated at the rates current on the date on which he is actually discharged). He will also be eligible to receive a yearly increment in respect of the period of additional service (calculated in accordance with the rates current at the time of his final discharge), equal to the difference between the rate of pension for the lower rank payable for a period equal to his total period of service and that payable for a period equal to that served in the higher rank. Should the rating be re-employed after a break in service of less than 5 years as defined in Clause 28 of this Schedule, and should his period of re-employed service be 3 years or more then the increment shall be calculated in accordance with the rates of pension current at the time of his final discharge. Should the period of re-employed service be less than 3 years, the increment will be calculated in accordance with the rates of pension promulgated at the time of his original discharge.

9. Where a rating has been disrated for misconduct or reverted for inefficiency or unsuitability during the 5 years preceding termination of full pay service and is eligible for a service pension under Clause 3 of this Schedule, the rank on which such pension is to be based will be determined by the Secretary of State for Defence having regard to the circumstances of the case.

10. Subject to Clause 13 of this Schedule, pensions may be awarded at the following rates to United Kingdom ratings discharged from service on or after 31st March 1977.

Addition for Aircrew Service.

11. Ratings who have given or are giving service which under regulations in force prior to 1st April 1972, would give them title to an addition to pension in respect of aircrew service and who, on or before 1st June 1972, engaged to serve for longer than 12 years will be eligible for an addition to their pension shown below in respect of their total aircrew service at the time of discharge at the rates applicable on 31st March 1972 subject to the total pension not exceeding the following limits:

Pension Addition

(*a*) Pilots and Navigators ... ... £0·09 a week for each year of aircrew service.
Other Aircrew Categories ... ... £0·08 a week for each year of aircrew service.

Pension Limit

50 per cent. of the Band VII rate of military salary plus Long Service Pay appropriate to the rank on which the pension is assessed.

Pension Addition

(*b*) Air Quartermasters ... ... £0·06 a week for each year of aircrew service.

Pension Limit

50 per cent. of the Band VI rate of military salary plus Long Service Pay appropriate to the rank on which the pension is assessed.

Where the rating is also eligible for additions in respect of commissioned service the limit on total pension will be the higher of the two applicable limits.

Addition for Commissioned Service

12. Where a rating had previous commissioned service and has been awarded a service pension under the provisions of Clauses 6 to 10 of this Schedule, an addition may be made to that pension at the rate of £24·86 a year for men and £23·74 a year for women subject to Clause 13 and to total pension not exceeding £2,527 and £2,414 a year respectively and to a maximum of 9 years' such service. These additions will not be payable to officers with previous rating service who retire as officers on pensionable commissions (as opposed to temporary commissions) and opt for a rating's pension.

Maximum Rates of Pension

13. Ratings who, on 1st April 1977, were serving on engagements that could take them beyond 37 years' reckonable service (i.e. those who entered under the terms of DCI(RN)1104/64) will receive an addition to the 37 year rate of pension equal to 1/37 of the appropriate 37 year rate of pension for each year of reckonable service beyond 37 years subject to a maximum of 5 years, i.e. 5/37 of the 37 year rate of pension.

Terminal Grant

14. A terminal grant in addition to service pension or service invaliding pension will be payable at a rate equal to three times the annual value of any pension awarded. Where an addition in respect of a gallantry award is made to a pension under the provisions of Order in Council of 14th October 1947, such addition shall be omitted for the purpose of assessing the terminal grant.

Previous service as a Maltese locally enlisted other rank or airman

15. Previous service as a Maltese locally enlisted other rank or airman which is otherwise reckonable for pension purposes may be added to reckonable naval service for the award of a service pension and terminal grant. The pension and terminal grant will be assessed at the current rate appropriate for each period of service, but assessed for both periods at the rank determined under Clauses 6 to 9 of this Schedule.

16. The rates in this Section are for complete years of service. Rates for residual parts of a year will be calculated proportionately according to the number of days.

Reckonable Service

17. Reckonable service for the purpose of determining entitlement to service pension will, subject to Clauses 18 to 20 of this Schedule, be as follows:

(*a*) Unforfeited full pay service given, otherwise than as a commissioned officer, after attaining the age of 18 years, in the Royal Navy, the Royal Marines, the Army, the Royal Air Force, or in the Armed Forces of the British Commonwealth or Colonies, or in the former Armed Forces of India or Burma.

(*b*) Service as a commissioned officer which would reckon under Clauses 18 to 20 of Schedule I.

(*c*) Periods on full pay for the purposes of training while a member of the Auxiliary or Reserve Forces, except broken periods individually of less than six months' duration.

(*d*) Whilst a regular rating, periods in appointments not remunerated from Navy Funds which the Secretary of State for Defence may decide can reasonably be regarded as part of the rating's career as such. These will generally be appointments to which the rating brings his Naval knowledge and from which he acquires additional experience and which have been offered to him as part of his Naval service.

(*e*) In the case of women, full-time employment as a Naval Nurse in Queen Alexandra's Royal Naval Nursing Service or with the Navy, Army or Air Force as a member of a Voluntary Aid Detachment.

18. The following shall not be reckonable service:

(*a*) Periods of imprisonment or detention, whether awarded summarily or by sentence of a Court Martial; or confinement in cells.

(*b*) Time forfeited through conviction by the Civil Power; or consequent upon an Order made under any Act relating to the Probation of Offenders.

(*c*) Time spent in desertion and, unless restored by the Secretary of State for Defence, any service preceding desertion.

(*d*) Any service during which pension is drawn except as provided in Sections IV and V of this Schedule.

(*e*) Service rendered by any person who shall have re-entered after having been dismissed from Her Majesty's Service with disgrace or discharged with ignominy.

19. (*a*) In the case of previous service in respect of which the rating received a service gratuity (including a gratuity in respect of supplemental or extended service), it shall be a condition of allowing such service as reckonable service under Clause 17 of this Schedule that the gratuity shall be refunded either in a lump sum or otherwise.

(*b*) In any case of previous service other than in the Royal Navy, Royal Marines, Army or Royal Air Force, it may be stipulated as a condition for the allowing of such service towards pension or gratuity that the person makes a payment in respect of previous excess remuneration received to Navy Funds, either in a lump sum or otherwise of such amount as the Secretary of State for Defence may determine.

20. Service preceding a five-year interval in service will not be reckonable unless specially so allowed by the Secretary of State for Defence, and eligibility to reckon such service will normally be determined at the time of resumption of service. However, the following periods will not be regarded as intervals in service for the purpose:

(*a*) A period during which a man was a member of a Reserve Force undertaking, or liable for, periodical training.

(*b*) A period during which a man, although not a member of an organised reserve, remained liable for recall, provided his period of service included a period of war service. War service for this purpose is defined as full pay service between 3rd September 1939 and 15th August 1946.

Service Invaliding Pension

21. Ratings invalided on or after 31st March 1977, and who have completed at least 5 years' service from the age of 18 years may be awarded Service Invaliding Pension at the following rates:

Service Attributable Pension

22. Irrespective of their length of service all ratings who are invalided with a degree of disability assessed as 20 per cent. or more may be awarded Service Attributable Pension provided such injury is accepted by the Department of Health and Social Security as being attributable to or aggravated by service. The rank upon which the award is based will be determined in the same way as for Service Invaliding Pension. In addition any disability pension or other Department of Health and Social Security allowances may be paid concurrently with this award but Service Attributable Pension will be abated by the amount of any Unemployability Supplement put into payment by the Department of Health and Social Security within 12 months of their determination of attributability provided the amount abated shall not exceed the excess of the minimum rate set out below over the appropriate rate of Service Invaliding Pension. Should the degree of disability increase at any time the rate of Attributable Pension will be reviewed. If the degree of disability decreases however, Attributable Pension will only be reviewed during the 12 months immediately following discharge unless the degree of disability falls below 20 per cent. when it will be abated at any time by the difference between the minimum attributable rate and the appropriate rate of Service Invaliding Pension. Where the rate of Attributable Pension is reviewed the revised rate will be that appropriate to the revised degree of disability, enhanced where applicable by relevant pension increase measures promulgated in the Order in Council under which the rating was invalided. In the case of a rating with less than 5 years' qualifying service the rate of Service Invaliding Pension for the purpose of these calculations will be nil. An adjustment to the excess of the minimum rate over the appropriate rate of Service Attributable Pension may be made in cases where a rating successfully recovers damages for the injury which led to the attributable invaliding. The excess of the minimum rate over the appropriate rate of Service Invaliding Pension is not commutable. In all cases where an award of the appropriate rate of Service Invaliding Pension would be less favourable than the minimum rates set out below (including cases where a rating is not eligible for such invaliding award) the latter will apply.

23. The provisions of this Section relate to ratings/RM other ranks who are invalided from the Service whether or not in receipt of Service Invaliding Pension or Service Attributable Pension.

24. Reckonable service for the purposes of this Section will be as for service pension in Clauses 17 to 20 of this Schedule. Where the total of reckonable service is not in complete years the residual period of less than a year will be reckonable in calculating the amount of the gratuity. The award for the residual part of a year will be calculated, according to the number of days, as a proportion of the increase for the next complete year at the appropriate point on the scale.

25. Ratings who are non-attributably invalided, on or after 31st March 1977, with less than 5 years' qualifying service but with not less than 2 years' may be awarded a gratuity at the rates shown below:

SECTION III

Service Pensioners re-employed in peacetime

28. (*a*) *Pensioners re-employed after an interval of more than 5 years*

Where a pensioner is re-employed on a pensionable basis on or after 1st April 1977 after an interval in service of more than 5 years as defined in Clause 20 of this Schedule, any pension previously awarded will not be re-assessed and no revised terminal grant will be payable.

(*b*) *Pensioners re-employed after an interval of less than 5 years*

Where a pensioner is re-employed on a pensionable basis after 1st April 1977 after an interval in service of less than 5 years as defined in Clause 20 of this Schedule, he will cease to draw his pension for the duration of re-employed service but will be eligible to have his pension re-assessed on final discharge as follows:

(i) *Where the period of continuous pensionable re-employment is 3 years or more or the rating is invalided from re-employment*

The pension and terminal grant previously awarded will be re-assessed at the current rates of pension shown in this order. Total service for this purpose will be the aggregate of former and re-employed service. Any re-assessed terminal grant so paid will however be reduced by the amount of any terminal grant received by the pensioner when first discharged.

(ii) *Where the period of continuous pensionable re-employment is less than 3 years and the rating is not invalided*

The pension previously awarded will be re-assessed in accordance with the conditions specified in sub-Clause (*b*)(i) of this Clause but only on the basis of the rates of pension and terminal grant contained in the Order in Council under which the pension was originally awarded.

29. Where a pensioner who was re-employed in a lower rank than that held when he was originally discharged to pension has qualified for re-assessment of his pension under Clause 28(*b*) of this Schedule he may on final discharge, if more to his advantage, be awarded the pension to which he would have been entitled at the time when he was originally discharged to pension, calculated in accordance either with Clauses 6 to 10 of this Schedule, should his period of re-employed service be 3 years or more, or in accordance with the relevant provisions in the Order in Council under which the pension was originally granted, if his period of re-employed service is less than 3 years, together with an addition based on his further service and rank as appropriate as defined in Clause 8 of this Schedule.

30. Ratings who re-enter the service within 5 years of being discharged on redundancy will be required to refund a portion of the Special Capital Payment awarded to them. The refund will be calculated as follows:

$$\frac{a - b}{a} \times \text{the Special Capital Payment}$$

("a" representing 5 years, or the uncompleted period of service on redundancy, whichever is the less, and "b" the break in service. In cases of "b" being greater than "a" there is no refund). In addition a discount of a period equal to that by which service on redundancy was enhanced will be made from any subsequent service reckonable for terminal benefits.

Pensionable Re-employment—Definition

31. For the purpose of this Section re-employment on a pensionable basis shall be any period of re-employed Naval service during which a long service pensioner has given up payment of his pension in order that such additional service may be reckonable for increase of pension on final discharge.

Officers Re-employed as Ratings

32. An officer who after being awarded retired pay is subsequently re-employed as an RN rating or Royal Marine other rank, may be dealt with under this Section as though his retired pay were a service pension.

Commutation

33. When a pensioner who has commuted a part of his pension re-enters the Royal Navy or the Royal Marines and ceases to draw pension he shall be required to refund the value of the commuted part for the period of further service. He shall be given the option of refunding the money by:

(*a*) deduction from his final pension, on discharge, for a period equal to the re-employed service of an amount equivalent to that commuted; or

(*b*) deduction from any terminal grant payable on final discharge; or

(*c*) further commutation of the pension awarded on final discharge to provide a sum equal to the total of weekly or monthly deductions in respect of commutation of the original pension which would have been deducted from that pension for the period of re-employed service had payment of that pension not been in abeyance; or

(*d*) deduction from Naval pay while serving.

A deduction equivalent to the amount of the original part of the pension commuted will be made from any revised award made on final discharge, but the commutation will be ignored in assessing the final terminal grant which will be based on the gross pension irrespective of commutation.

SECTION IV

Future Emergency Re-employment of Service Pensioners

34. This Section relates to:

(*a*) service pensioners recalled for service during a period of general recall;

(*b*) other service pensioners who give further service (otherwise than on normal or non-continuous service engagements) during a period of general recall to service on account of an emergency, or who are specially re-employed on full pay in anticipation of an imminent general recall.

35. The provisions of this Section may be brought into operation for such pensioners on such occasions and for such periods as the Secretary of State for Defence may determine, in consultation with the Minister for the Civil Service.

36. A service pensioner will, during periods of further service to which these provisions apply, continue to receive his service pension subject to the conditions normally attached thereto.

37. On discharge or release from such service a service pensioner, provided his service has been satisfactory and of at least 6 months' duration, may receive an addition to his pension of half the difference between:

(*a*) the pension for which his previous service qualified him, or would have qualified him under Clauses 6 to 10 of this Schedule, and

(*b*) the pension for which he would be eligible under Clauses 6 to 10 of this Schedule if his further service were added to his previous service.

38. No terminal grant or additional terminal grant will be payable in respect of the re-employment.

39. An addition under Clause 37 of this Schedule may be granted although the existing pension was assessed under regulations in force before 1st April 1977.

40. If service pensioners are employed with the Armed Forces of the British Commonwealth or Colonies, the provisions of this Section may be applied to them at the discretion of the Secretary of State for Defence as if their further service had been with the Royal Navy, Royal Marines or Women's Royal Naval Service.

SECTION V

Ratings serving on regular engagements continuing in service during a Future Emergency

41. The following Clause will be brought into operation on such occasions, being periods of general recall to service on account of emergency as the Secretary of State for Defence may determine, in consultation with the Minister for the Civil Service. In respect of each such occasion the Secretary of State for Defence may fix a date from which it will come into operation and after which it will cease to apply.

42. A rating serving on a normal regular engagement while this Clause is in operation, who completes 22 years' service reckonable for pension under Section I of this Schedule, may be allowed, with effect from the date of completion of 22 years' service, to receive an immediate award of service pension and terminal grant, calculated on 22 years' service. If he elects to receive pension while serving, he will thereafter be regarded for pension purposes as a re-employed pensioner under Section IV of this Schedule.

SCHEDULE VI

Abatement from Service Retired Pay and Service Pension in relation to Retirement Pension under the National Insurance Act 1946 (c. 67).

1. The provisions of this Schedule relate to officers of the Royal Navy, Royal Marines, Queen Alexandra's Royal Naval Nursing Service and the Women's Royal Naval Service; ratings of the Royal Navy and other ranks of the Royal Marines and Naval Nurses of Queen Alexandra's Royal Naval Nursing Service, and ratings of the Women's Royal Naval Service who:

(*a*) entered the service on or after 1st July 1949; or

(*b*) re-entered the service, after a break in service, on or after 1st July 1949; except those who re-entered within 12 months of being invalided or those who had already been granted service retired pay or service pension before re-entry.

Any rating or other rank, the regular part of whose engagement terminated before 1st July 1949, but who continued to serve on the reserve portion of that regular engagement shall, if he rejoined the service on a regular engagement before the termination of the reserve portion of his previous regular engagement, be regarded as having continuous regular service for the purpose of this Clause.

2. The Secretary of State for Defence may exempt from the provisions of this Section any officer, rating or other rank, who entered or re-entered the Royal Navy after 30th June 1949, if satisfied that such entry or re-entry was in fulfilment of an undertaking or commitment entered into before 1st July 1949.

3. Except as provided in Clause 4 of this Schedule, service retired pay or service pension granted to a retired officer or pensioned rating or other rank shall be reduced by £0·01667 a week for each complete year of reckonable service subject to a maximum of £0·80 a week, on becoming eligible for a National Retirement Pension on attaining the age of 65 years, in the case of men, or on attaining the age of 60 years, in the case of women.

4. No abatement, however, shall be made in the case of a person permanently resident outside the United Kingdom, unless that person is receiving retirement pension under the National Insurance Act 1946, or a corresponding award payable under reciprocal arrangements with the country of domicile.

SCHEDULE VII

SECTION I

Preserved Pensions and Terminal Grants

1. The provisions of this Schedule relate to officers of the Royal Navy, Royal Marines, Queen Alexandra's Royal Naval Nursing Service and Women's Royal Naval Service; ratings of the Royal Navy, other ranks of the Royal Marines, Naval Nurses of Queen Alexandra's Royal Naval Nursing Service and ratings of the Women's Royal Naval Service who give service on or after 31st March 1977 and who leave the Service before qualifying for immediate service retired pay or service pension. Provided they have reached the age of 26 years and have given a minimum period of 5 years' reckonable service they may be awarded a preserved pension at the rates shown in Clause 2 below. These provisions do not apply to officers serving on gratuity earning short service engagements.

2. The rate of preserved pension will be:

(*a*) Officers—except Chaplains. For each year of reckonable service (from the age of 21 years) 3 per cent. of the 34 year rate of service retired pay appropriate to the rank or ranks for service retired pay purposes.

(*b*) Chaplains

(i) with less than 10 years' reckonable service. For each year of reckonable service 3 per cent. of the 34 year rate of the service retired pay of a Lieutenant RN.

(ii) with 10 or more years' reckonable service. For each year of reckonable service 3 per cent. of the 34 year rate of the service retired pay of a Lieutenant-Commander RN.

(*c*) Ratings RN and Other Ranks RM. For each year of reckonable service (from the age of 18 years), 2·75 per cent. of the 37 year rate of service pension appropriate to the rank or ranks for service pension purposes.

Preserved terminal grant at three times the value of preserved pension will also be paid.

3. The preserved pension and terminal grant will normally be paid when the officer, rating or other rank attains the age of 60 years though payment may be made earlier if the pensioner becomes permanently incapable of working through physical or mental infirmity. The preserved pension when paid will be adjusted in accordance with such pensions increase measures as are applicable at the time of payment and the preserved terminal grant will be similarly adjusted.

4. Any award of a preserved pension and terminal grant payable at age 60 is in lieu of any gratuities previously payable to ratings or other ranks who leave the Service before qualifying for an immediate award of service pension and terminal grant. However, officers serving on pensionable commissions on or after 31st March 1977 who may be eligible for the payment of a gratuity (see Schedule II) may, if they leave the Service before 6th April 1978, opt to receive a gratuity as presently authorised in place of preserved benefits, and resettlement grant (see Section V of Schedule X) if any.

5. The Secretary of State for Defence may make, forfeit or abate a preserved pension for life. Such permanent forfeiture or abatement will normally be made only if an officer or rating or other rank commits a grave offence against the State or a serious offence against military discipline. For lesser offences or for unsatisfactory service no abatement will be made and a preserved pension and terminal grant will normally be paid in full at the age of 60 years.

6. A preserved pension will not be commutable in any circumstances.

Former Service

7. Where a preserved pension and terminal grant have been awarded for former service and the officer, rating or other rank re-enters within 5 years of release, the preserved pension and terminal grant will be cancelled. On final retirement former service added to re-employed service will be assessed under the provisions of the Order in Council current at the time of final release.

SCHEDULE VIII

Restoration of Forfeited or Abated Retired Pay and Pensions

Retired Pay and Pensions abated or forfeited for Misconduct

1. Any abatement or forfeiture of retired pay or pensions made under Clause 25 of Schedule I or Clause 4 of Schedule V may be restored, within the limits laid down in Clause 2 of Schedule VII at the age of 60 years, but where forfeiture or abatement has been made for a grave offence against the State or a serious offence against military discipline such forfeiture or abatement may only be lifted or restored either wholly or in part at the discretion of the Secretary of State for Defence. In these latter circumstances the Secretary of State for Defence may authorise such an adjustment of retired pay or pension at the age of 60 years, or at any time thereafter up to the age of 65 years. Any restoration of retired pay or pension will attract pension increases and a corresponding re-assessment and payment of terminal grant amounting to three times the sum of the restored element of retired pay and pension as adjusted by the appropriate pension increase measures.

Premature Voluntary Retirement

2. Officers who retire prematurely at their own request on or after 1st April 1977 and who suffer an abatement of their immediate retired pay will, on attaining the age of 60 years and where it is to their advantage, have their retired pay and terminal grant re-assessed using the accrual rates set out in Clause 2 of Schedule VII. Pension increases will be applied to any such re-assessment.

3. No abatement for premature voluntary retirement will be taken into account when assessing an award of preserved retired pay, and terminal grant.

SCHEDULE IX

SECTION 1

1. The provisions of this Schedule shall apply to regular officers and ratings or other ranks of the Royal Navy and Royal Marines (including officers and ratings of the Women's Royal Naval Service and Queen Alexandra's Royal Naval Nursing Service) who are retired compulsorily for redundancy on or after 1st April 1977.

2. (*a*) Where an officer or rating who has received compensation under the provisions of this Schedule is within five years of redundancy re-employed in peacetime in any one of the Armed Forces, he shall be required to refund a proportion of any special capital payment paid to him, in accordance with the provisions of Clause 8 of Schedule III or Clause 30 of Schedule V as appropriate.

(*b*) Where an officer, rating or other rank who has received compensation under the terms of this Schedule takes up a retired officer or similar post in the Ministry of Defence or other Government department or obtains an established appointment in the Home Civil Service or Foreign Service under special schemes which reserve vacancies for former members of the Forces, he shall, if taking up the appointment within 2 years of his premature retirement, discharge or transfer to the reserve, be required to refund such part of the special capital payment as the Secretary of State for Defence may determine.

SECTION IV

Special Capital Payments to Ratings

10. A rating in receipt of career rate pay who is discharged by reason of redundancy may, provided there is no evidence that he would not have engaged for, or would have been refused, an extension of service to complete pensionable service, be awarded a tax-free Special Capital payment in accordance with the provisions in Clause 12 of this Schedule.

11. For the purposes of Clauses 10, 13 and 15 of this Schedule the term " rating " shall include ratings of the Royal Navy, other ranks Royal Marines, ratings of the Women's Royal Naval Service and Naval Nurses of Queen Alexandra's Royal Naval Nursing Service who are serving on or after 1st April 1978.

10. Short service officers whose service is terminated on marriage or for compassionate reasons where the Secretary of State for Defence is satisfied that such reasons necessitate retirement or termination of service will be eligible for a gratuity at the rate of £492 a year proportionate to the length of short service commission actually completed. The minimum of 1 year's service stipulated in Clause 12(*c*) of this Schedule may be disregarded for purposes of award under this sub-clause.

SECTION IV

General Conditions attached to the award of Short Service Gratuities

11. When an officer's qualifying service (for gratuity purposes) exceeds a given number of years by one or more complete days of a year, his award of gratuity will be increased by that number of days as a fraction of 365 of the difference between the rate for the number of years completed and the rate that would have been awarded had a further complete year been served.

12. Should the officer fail to complete the full period of Active List service which he had undertaken, an award may nevertheless be made as follows:

(*a*) If his service is terminated on account of disability not due to causes within his own control, he will be granted a gratuity proportionate to the length of Active List service he has actually completed.

(*b*) If his service is terminated for non-employment, or for incapacity, unsuitability or inefficiency not due to causes within his own control, or if he is permitted voluntarily to terminate his service within 6 months of the completion of the full period of Active List service he has undertaken, he may be awarded either a gratuity proportionate to the length of Active List service he has actually completed or a reduced gratuity at such rate as the Secretary of State for Defence may determine.

(*c*) If he is permitted voluntarily to terminate his service more than 6 months before the conclusion of the period he has undertaken, no gratuity will be payable to a Pilot or Observer unless he has completed at least 18 months' satisfactory service and is in possession of the flying badge, nor to an officer of any other Branch unless he has completed at least 1 year's satisfactory service. Thereafter he may be allowed at the discretion of the Secretary of State for Defence, such gratuity as may be determined, but not in any event exceeding three-quarters of the amount proportionate to the length of his actual service on the Active List.

(*d*) If his service is terminated owing to disability due to causes within his own control or to inefficiency or other cause within his own control but not amounting to misconduct, he may be allowed, at the discretion of the Secretary of State for Defence, such gratuity as may be determined, but not in any event exceeding the amount which would have been admissible had he been allowed to terminate his service voluntarily.

(*e*) If his service is terminated on account of misconduct, the special payment of a compassionate gratuity shall be within the discretion of the Secretary of State for Defence according to the circumstances of his case, but the award will not in any event exceed 90 per cent. of the gratuity which would have been admissible had he left voluntarily.

13. Where a short service commissioned officer dies in service leaving neither a widow nor dependent children, a lump sum payment may be made to his estate equal to twice the annual rate of full career pension for an officer of his rank or the amount of gratuity which would be payable had the officer been invalided on the day he died, if this is greater.

14 If an officer serving on a short service commission continues on full pay beyond the period of Active List service which he had undertaken, payment of the gratuity will be deferred until the end of such further service.

15 A short service commissioned officer who was transferred to that commission from a pensionable commission solely because of failure to complete training due to causes outside his control including medical unfitness may, in addition to the gratuity in respect of his short service be awarded on final satisfactory completion of service a gratuity at the rate provided for in Clause 1(*b*)(ii) of Schedule II in respect of his pensionable service provided he leaves the Service prior to 6th April 1978.

16 A short service commissioned officer who is granted a permanent commission will not be eligible for any gratuity in respect of his service on a short service commission, but his service on that commission may count towards an ultimate award of retired pay or gratuity as a permanent officer. If, after receipt of a gratuity in respect of short service, an officer is granted a permanent commission his previous service will not be reckonable towards an ultimate award of retired pay or gratuity as a perm nent officer, unless satisfactory arrangements are made for the refund of the short service gratuity.

17. Service on a short service commission in the medical, dental or education branches of the Royal Navy, may, in certain circumstances, be treated as contributory service under the National Health Service (Superannuation) Regulations or under the Teachers' (Superannuation) Regulations 1976 as appropriate. Where service is so treated, both the employer's and the officer's contribution will be advanced by the Ministry of Defence and the total amount so advanced will be deducted from the gratuity for which the officer is eligible under the provisions of this Section. When contributions have been so advanced but as a result of being transferred to a permanent or pensionable commission the officer does not qualify for a gratuity under this Section, no refund of the employer's contributions will be required from the officer, but in order that his previous service may be reckonable towards an ultimate award of retired pay or gratuity as a permanent officer he will be required to refund the employee's contributions advanced on his behalf by the Ministry of Defence. Service which counts for service retired pay may not also count as reckonable service for purposes of pension under the appropriate civil superannuation scheme.

20. Any resettlement grant awarded on release may be subject to partial refund on re-entry to the Service. The amount repayable will depend on the length of the break in service.
