YORK CITY COUNCIL

The City of York (Off Street Parking Places) Order 1978

Notice is hereby given that on the 3rd April 1978 the York City Council made an Order under Sections 31 and 84D of the Road Traffic Regulation Act 1967 as amended in respect of the City's public off street car parks. The main effects of the proposed Order which will come into force on 10th April, 1978 will be as follows:

1. *Tariffs*

(a) Long Stay: The year will be divided into two periods—the period 1st April - 30th September known as the summer period and the period 1st October - 31st March, known as the winter period. During the summer period the charge will be raised to 30p per stay except that coaches will pay a charge of £1 per stay and goods vehicles in excess of 30 cwts. unladen weight 50p per stay. However in order to assist commuters in the summer period the Season Ticket rate will remain unchanged and all Season Tickets will now be issued to expire on 30th September. Season Tickets will not be available for buses and lorries. During the winter period the charge will remain unchanged except that goods vehicles in excess of 30 cwts. unladen weight will pay a charge of 50p per stay.

(b) Short Stay: The present short stay tariff during the hours 8.30 a.m.—6.30 p.m. Monday-Saturday of 10 pence for the first two hours and 10 pence for each subsequent half hour or part of half an hour will be altered to the following:

Up to 2 hours	10p
Up to 3 hours	35p
Up to 4 hours	65p
Up to 5 hours	£1.00
More than 5 hours	£1.50

The fixed charge outside those hours will remain unchanged except at those short stay car parks which it is proposed to convert to the 'pay and display' system.

(c) Leeman Road Car Park: The present charge at this Car Park, which is intended primarily for visitors to the National Railway Museum, of 30 pence per stay will be increased to 50p during the summer period. During the winter period no charge will be made. On the Easter, Spring and Autumn Bank Holiday Mondays the Tanner Row Short Stay car park will act as an overflow for this Car Park on the same tariff basis.

2. *Pay and Display*

The operation of this system (whereby tickets must be purchased at the time of leaving a vehicle and displayed in a conspicuous position on it; an excess charge being incurred in respect of any period of waiting not paid for in advance at four of the City's Car Parks has proved both efficient and economical. The North Street (Short Stay) Bishophill, Trinity Lane, Union Terrace, Gillygate and Monk Bar (all long stay) Car Parks are now to be converted to this system. The present excess charge of £5 for coaches during the summer period will remain unchanged but the excess charge of £1 for other classes of vehicle throughout the year and coaches during the winter period will be increased to £2.

3. Paragon Street and Foss Bank Car Parks—the present system of restricting the Paragon Street car park during the period Spring-Autumn Bank Holidays to coaches only is altered to restricting its use during the months June and July to coaches and goods vehicles in excess of 30 cwts. unladen weight only. Outside those months it will be "all classes" car park. Goods vehicles in excess of 30 cwts. unladen weight are excluded from the Foss Bank Car Park but alternative parking will be available at the new Heworth Green Car Park when this is open.

4. St. John's Car Park—in order to assist commuters who use their cars during the day and have experienced difficulty in finding parking space during the summer months this car park will on the days Monday-Friday in the summer period be restricted to Season Ticket holders only with entry prohibited outside the hours 10 a.m. - 8 p.m.

5. Heworth Green—The Council have agreed to purchase land in the ownership of the Gas Board on the east side of the River Foss adjoining Heworth Green. When open this car park will be operated as a long stay car park for all classes of vehicle on the pay and display system.

6. Consolidation—For convenience all the existing Orders laying down the tarriffs and regulations in the City's public off street car parks will be revoked and subject to the amendments mentioned above will be consolidated in the proposed Order. The situation of; classes of vehicles to be allowed at the Car Parks etc. is set out below:
