SCHEDULE

ONSTON CONSERVATION AREA

Brief Description of the Area

Onston is a small hamlet one mile to the east of Crowton Village, comprising mainly of farmhouses and associated buildings. Some of these face directly onto the lane and together with the boundary walls, high hedges and adjacent trees combine to give a definite sense of enclosure, in contrast to the more open countryside beyond. There are interesting glimpses of cobbled farmyards and farm buildings, and the rural character is reinforced further in places by orchards.

The farmhouses, dating from the 18th and 19th centuries, all appear to be of historic interest, and warrant further investigation. Onston Hall is an early 19th century grade 3 building set in well treed grounds; making an important contribution to the character of the area.

Boundary

Starting at the north of the area, the boundary runs south-east first along Onston Lane then continuing along

a farm track for some 100 metres before turning south-south-west and running parallel just to the east of the footpath. The boundary then includes Ivy Cottage and Hollies Farm and crosses Onston Lane some 50 metres south of Onston Old Hall, continues west for nearly 200 metres before turning north to include the grounds of Onston Hall, and east again to include the Hall and Yewtree Farm before re-joining Onston Lane to the north.
