### STATE SCHEME PREMIUMS—MARKET LEVEL INDICATORS

The new state pension scheme which started in April 1978, allows contracted-out occupational pension schemes in certain circumstances, to transfer the responsibility or part of the responsibility, for their members' guaranteed minimum pension rights to the state scheme by the payment of premiums.

The premiums concerned are limited revaluation premiums, accrued rights premiums and pensioners' rights premiums. Their amounts are, in part, related to stock market levels at the time they become due and DHSS each month notifies the average market level indicator to be used in their calculation under the State Scheme Premiums (Actuarial Tables) Regulations 1978 (S.I. 1978 No. 134).

For October 1978 the average market level indicator for accrued rights premiums and limited revaluation premiums is 73. The corresponding average market level indicator for pensioners' rights premiums is 75.

The average market level indicator for ARPs and LRP's shows a decrease of 1 since the previous month. The average market level indicator used for PRPs shows a decrease of 1 since the previous month.

### STAFFORDSHIRE COUNTY COUNCIL

#### TOWN AND COUNTRY PLANNING ACTS 1971 TO 1974

*Staffordshire County Council in conjunction with the neighbouring authority of Wyre Forest District Council, Conservation Area.*

Notice is hereby given that, in accordance with the provisions of section 277 of the Town and Country Planning Acts 1971 to 1974, which provides that every local planning authority shall from time to time determine which parts of their area are areas of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance, and shall designate such areas as "Conservation Areas", the Staffordshire County Council and the Wyre Forest District Council have designated the areas listed and defined below as Conservation Areas:

1. This Canal Conservation Area extends from Great Haywood to Coven Heath and from Castlecroft to Whittington; the boundaries include all that area shown between the black boundary lines on the Staffordshire County Council Designation Document No. 73 including land in the Parishes of Great Haywood, Tixall, Berkswich, Stafford Borough, Acton Trussell, Penkridge, Brewwood, Lower Penn, Wombourne, Swindon and Kinver. The aims and objectives of this designation are set out fully in a deposited written statement.

2. This Conservation Area is based on the 9 mile (14.5 kilometre) length of James Brindley's Staffordshire and Worcestershire Canal within the District of Wyre Forest. To the north this Conservation Area links with the Linear Canal Conservation Area of Staffordshire County Council, and to the south abuts the existing Stourport-on-Severn Conservation Area No. 2, designated by Wyre Forest District Council on 27th March 1976.

The specific objectives of this designation are:

- (a) the protection of the physical structure of the Canal and its associated elements (e.g. bridges, locks, sluices, weirs, cranes, warehouses, etc.) from neglect, decay, demolition and unnecessary or unsympathetic alteration or redevelopment;
- (b) the protection in urban areas of the essential historic character and setting of the Canal where this derives from buildings and other structures situated adjacent to the Canal;
- (c) the protection outside urban areas of the rural character and setting of the Canal where this derives from attractive landscape, established vegetation and/or woodland situated alongside the Canal;
- (d) the enhancement of the historic and/or rural character and setting of the Canal and its associated structures, in particular the improvement of views to and from the Canal and the removal of screening of eyesores;
- (e) the encouragement of organisations and individuals to take an active interest in the Canal and assist with enhancement schemes where the Canal passes through areas within their control.

The effect of these designations is to subject these areas to the provisions of sections 61A and 277A of the Town and Country Planning Acts 1971 to 1974, whereby, subject to certain exceptions, notice has to be given to the Local Planning Authority in respect of a proposal to cut down, top, lop, or up-root any tree in the designated areas, and consent is required for the demolition of all buildings, whether Listed or not, in the designated areas.

Any person wishing to demolish a building or a material part of a building within a Conservation Area must first apply for Listed Building Consent. Such an application may be made separately or as part of an application for redevelopment. Consent to demolish is granted as part of a Planning Permission only where the Permission specifically stated that such consent is included.

It is an offence for any person to cut down, top, or lop or wilfully destroy any trees in a Conservation Area without the consent of the Local Planning Authority or unless at least 6 weeks notice has been given to the Local Authority of the intention to carry out the work.

Copies of plans and a written statement delineating the above Conservation Areas, are available for inspection at the offices scheduled below:

County Clerk and Chief Executive, Staffordshire County Council, P.O. Box 11, County Buildings, Martin Street, Stafford;

Director of Planning and Architectural Services, Wyre Forest District Council, Land Oak House, Chester Road North, Kidderminster.

South Staffordshire District Council, Council Offices, Histons Hill, Codsall, Wolverhampton.
