### PRIVY COUNCIL OFFICE

At the Court at Buckingham Palace the 24th day of October 1978

PRESENT,

The QUEEN'S Most Excellent Majesty in Council

Whereas the Secretary of State for the Environment, after giving to the Incumbent and Churchwardens of the Parish of Eldon, in the County of Durham, ten days' previous notice of his intention in that behalf, has, under the provisions of the Burial Act 1853 as amended by subsequent enactments, made a Representation to Her Majesty in Council that burials should be discontinued forthwith in the old part of St. Mark's Churchyard, in the said Parish, shown hatched on the plan annexed hereto.

## ROYAL WARRANT

### THE POLAR MEDAL

ELIZABETH THE SECOND, by the Grace of God, of the United Kingdom of Great Britain and Northern Ireland and of Her other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith, to all to whom these Presents shall come, Greeting!

Whereas a Medal for Arctic Discoveries was instituted by our Royal predecessor, Her Majesty Queen Victoria, in 1857 and granted for service in specified expeditions in the period 1818 to 1855; and whereas Her Majesty subsequently instituted in 1876 a further Medal for arctic exploration in the years 1875 and 1876; and whereas Polar Medals in silver and bronze were instituted by Our Royal Great-Grandfather, His Majesty King Edward VII, in 1904.

And Whereas conditions for the award of the Polar Medal in silver only, were established by a Warrant under Our Sign Manual dated 22nd day of January 1954.

And Whereas We deem it expedient that Our said Warrant shall be amended;

Now Therefore We do hereby declare that the rules and ordinances contained in Our said Warrant dated 22nd day of January 1954 shall be abrogated cancelled and annulled and We are pleased to make, ordain and establish the following rules and ordinances in substitution for the same which shall henceforth be inviolably observed and kept:

Firstly: Style. It is ordained that the Medal shall be styled and designated "The Polar Medal".

Secondly: Description. The Medal shall be in silver and octagonal in shape, bearing on the obverse the effigy of The Sovereign and on the reverse a representation of the ship Discovery in winter quarters with, in the foreground, a sledging party on skis.

Thirdly: Riband. The Medal shall be worn on the left breast suspended from a white riband one inch and a quarter in width.

Fourthly: Eligibility. The Medal shall be conferred on those who have personally made notable contribution to the exploration and, or, knowledge of the Polar Regions and who, in so doing, have undergone the hazards and rigours imposed by the polar environment to life and movement, whether by land, sea or air. Only those who have participated in an expedition

which has been either the responsibility of one or more Governments of Member countries of the Commonwealth, or have been recognised by one or more of such Governments shall be eligible. The award may be conferred in recognition of individual service of outstanding quality in the fields of exploration, scientific research or general service on Polar expeditions. Due account will be taken of the difficulties overcome in performing this service. The award may exceptionally be conferred on all members of a team when all have contributed to the achievement which it is desired to commend. The term "exploration" shall ordinarily be understood as including travel, but an outstanding acquisition of knowledge by means which do not depend upon travelling will merit consideration. Exceptionally, an award may be made for a Polar achievement which did not include exploration or result in the advancement of knowledge; eligibility then being restricted to those who took an active part in the achievement and who also fulfilled the other qualifying conditions set out in this Our Warrant.

Fifthly: Service required. The period of service living working in arduous conditions of a Polar climate requisite to qualify anyone to be considered for the Medal shall normally total not less than twelve months, exception being made to this rule in special circumstances.

Sixthly: Clasps. Every Polar Medal to be awarded shall be accompanied by a Clasp to be worn on the riband of the Medal and bearing the date appropriate to the achievement for which the medal is awarded. When further service has been rendered by a holder of the Polar Medal, which under the terms of this Our Warrant would otherwise merit recognition by the award of the Medal, a second Clasp shall be awarded, and a further Clasp shall be granted in respect of each such additional service.

Sevently: Posthumous awards. Awards of the Medal with Clasp or, as appropriate, of the Clasp alone, may be made posthumously.

Eighthly: Withholding of award. The Medal or Clasp shall not be awarded when service which would otherwise be qualifying service has been marred by misconduct or neglect of duty.

Ninthly: Recommendations. Awards shall be made only on a recommendation to Us by Our Secretary of State for Defence or the appropriate Minister of State of a Commonwealth Country.

**Tenthly:** Foreign nationals. The Award of the Medal with Clasp or, as appropriate, of the Clasp alone, may be made irrespective of nationality to a member of a Commonwealth expedition, or to a member of the Commonwealth part of a larger expedition organised jointly by two or more nations, provided that the other qualifying conditions set out in this Our Warrant are fulfilled. A recommendation of a foreign person under this provision shall be made to Us, by Our Secretary of State for Defence, or in the case of any oversea Member country of the Commonwealth the Government whereof shall desire to recommend a foreign person on a recommendation by the appropriate Minister of State for the said country.

**Eleventhly:** Registration. The names of those upon whom We may be pleased to confer the Medal and Clasp, or the Clasp, on the recommendation of Our Secretary of State for Defence, not being foreign subjects, shall be published in the *London Gazette* and a register thereof kept in Our Ministry of Defence. The publication and registration of awards to citizens of other Member countries of the Commonwealth shall be carried out by the Government concerned but the Ministry of Defence shall be informed.

**Twelfthly:** Names of recipients. The name of a recipient shall be engraved or stamped on the rim of the Medal.

**Thirteenthly:** Order of Wear. In the official list showing the order in which Orders, Decorations and Medals shall be worn, the Polar Medal shall be placed after War Medals and before the Royal Victorian Medal.

**Fourteenthly:** Miniatures. Reproductions of the Medal and Clasp in miniature, which may be worn on certain occasions by those upon whom the Medal and Clasp have been conferred, shall be half the size of the Polar Medal and Clasp respectively, and a sealed pattern of the said miniature Medal and Clasp shall be deposited and kept in the Central Chancery of Our Orders of Knighthood.

**Fifteenthly:** Date of application. The terms of this Our Warrant shall apply to all recommendations made after the date of approval of this Warrant.

**Sixteenthly:** Forfeiture and Restoration. It is ordained that it shall be competent for Us, Our Heirs and Successors, by an Order under Our Sign Manual and on a recommendation to that effect by Our Secretary of State for Defence, or in the case of any oversea Member country of Our Commonwealth, the Government whereof shall desire to submit such a recommendation, by the appropriate Minister of State for the said country, to cancel and annul the award to any person of the Medal and Clasp or Clasps, and that thereupon the name of such person in the Register shall be erased: provided that it shall be competent for Us, Our Heirs and Successors to restore the Medal so forfeited when such recommendation has been withdrawn.

**Seventeenthly:** Regulations. It is ordained that the Medal and Clasp or Clasps shall be conferred under such regulations as to grant, forfeiture, restoration, and other matters, in amplification of this Our Warrant as may, with Our approval signified through Our Secretary of State for Defence be issued from time to time by Our Defence Council or as may with Our approval be issued by the appropriate Minister of State in any oversea Member country of the Commonwealth Our Government whereof shall so desire.

**Lastly:** We reserve to Ourselves, Our Heirs and Successors full power of annulling abrogating, augmenting, interpreting or dispensing with these rules and ordinances, or any part thereof, by a notification under Our Sign Manual.

Given at Our Court at St. James's this fifth day of February one thousand nine hundred and seventy in the eighteenth year of Our Reign.

By Her Majesty's Command.

DENIS HEALEY.

#### THE POLAR MEDAL REGULATIONS

Made under the terms of the Royal Warrant by the Secretary of State for Defence with the concurrence of the Governments of other Member countries of the Common-

A 2

wealth, which desire to be in a position to make recommendations, and approved by The QUEEN.

#### (i) Eligibility:

(a) On land. The individual who explores or acquires notable knowledge is eligible, provided that in doing so he has undergone the hazards of the Polar environment. The award may only be made to all members of a party if the achievement of that party has been exceptional and it follows that when a well established site is manned for routine observations the award may only be conferred on those whose contribution is outstanding.

(b) At sea and in the air. The same principles will apply to crews and others aboard ships and aircraft.

(ii) The conditions of a Polar climate can normally be considered to exist within the geographical limits shown below:

Antarctic. South of Latitude 60 deg. S.

Arctic. North of Latitude 67 deg. N. (exclusive of land inhabited by Europeans) with, in addition, the east coast of Greenland and the Baffin Island area.

In amplification of the Fourth and Ninth Clauses of the Royal Warrant it may be stated that when an expedition has not been the responsibility of one or more Governments of Member countries of the Commonwealth, it would be appropriate for recommendations to the appropriate Commonwealth Government to be made by learned Societies or distinguished individuals who have examined the results, or have first-hand knowledge of the expedition's labours. A description of the expedition's achievements should be given together with citations for those persons who are recommended for award.

In relation to expeditions for which the United Kingdom Government are responsible, recommendations are put before the Ministry of Defence, that is to say, the Department making submissions to the Sovereign, by and only by, the United Kingdom Government Department responsible for the expedition.

When the recommendations are made the names of persons otherwise qualified who, on account of misconduct or neglect of duty, are considered to merit disqualification, should be listed separately and the reasons given.

STATE SCHEME PREMIUMS

*Market Level Indicators*

The new state pension scheme which started in April 1978, allows contracted-out occupational pension schemes in certain circumstances, to transfer the responsibility or part of the responsibility, for their members' guaranteed minimum pension rights to the state scheme by the payment of premiums.

The premiums concerned are limited revaluation premiums, accrued rights premiums and pensioners' rights premiums. Their amounts are, in part, related to stock market levels at the time they become due and DHSS each month notifies the average market level indicator to be used in their calculation under the State Scheme Premiums (Actuarial Tables) Regulations 1978 (S.I., 1978, No. 134).

For November 1978 the average market level indicator for accrued rights premiums and limited revaluation premiums is 70. The corresponding average market level indicator for pensions' rights premiums is 74.

The average market level indicator for ARPs and LRP's shows a decrease of 3 since the previous month. The average market level indicator used for PRPs shows a decrease of 1 since the previous month.
