

*Wien, November 1. N. S.* The Duke Regent of Wirtemberg having been a very great Sufferer during this present War, and particularly by reason of the Troubles in Bavaria, General Pfull, his Envoy at this Court, has lately made very pressing Instances to procure some Indemnification for his Master from his Imperial Majesty. He makes the Damages sustained to amount to above fifteen Millions. At his Request the Ministers of the Queen of Great Britain, and of the States-General of the United Provinces, lately presented a Memorial, recommending the Interests of that Prince, who has given signal Proofs of his Zeal, and unshaken Adherence to the Common Cause. Before Count Sinzendorf left this Place, in order to return to the Hague, the Emperor, to show how well he was satisfied with his Conduct in his late Negotiations, granted to him and his Heirs, the Town of Scharding in Bavaria, which is an Estate valued at Five thousand Pounds Sterling a Year. His Imperial Majesty likewise made him a Present of a Ring worth Two thousand Pounds. A Conference was lately held here, to settle the Repartition of the Winter Quarters for the Troops in Lombardy. The Regiment of Dragoons of Vau-bonne, and a Body of Hussars, which are intended to be sent forthwith to Spain, have been ordered to be quartered in the Fiefs that lye on the Frontiers of the Republick of Genoa; that they may be near the Coast, and in a readines to embark. The Recruits for the Imperial Troops which are in her Britannick Majesty's Pay in Spain, are directed to be taken out of the first Recruits that are furnished by the Hereditary Provinces, that they may be in a readines to be transported as soon as possible. Lieutenant-General Count Konigseck, who is named by this Court to be the Imperial Commissary at the Conferences intended to be held at Milan, for adjusting the Disputes with the Duke of Savoy, and who was sent for from Mantua for that purpose, is arrived here, in order to receive his Instructions for that Commission.

*Hamburg, November 11. N. S.* The Baron de Goertz, Minister of the House of Holstein-Gottorp, has desired the Ministers of the Guarantees of the Treaty of Travendahl, to move the Court of Denmark to renew the Conferences for composing the Differences remaining between those Princes; which it is hoped his Danish Majesty will consent to, upon the Instances that have been lately made. The Administrator of Holstein has sent the Count Van der Natt as Envoy-Extraordinary to the King of Denmark. The Minister residing here from the King of Prussia, has declared to the Imperial Commission, his Master's Resolution to withdraw half the Troops he has in this Town very suddenly. The Minister of Hanover has likewise declared, that the Elector, his Master, has resolved to recall his whole Battalion; so that we are in great expectation here, that most part of the Foreign Troops will March out in a short time, and that the Guard of the Town will soon be left to a Garrison of our own. Monsieur Pincier, Brother-in-Law to old Monsieur Wedderkop, who was some time since put in Prison at Tonningen, by Order of the Court of Holstein, is come hither with the Son of Monsieur Wedderkop, to solicit for his Enlargement; and Monsieur Alefeld, Vice-Stattholder for the King of Denmark in this Country, is likewise suddenly expected.
