PRIVY COUNCIL OFFICE

At the Court at

Buckingham Palace the 14th day of March 1979

Present,

The QUEEN's Most Excellent Majesty in Council

Whereas by section 3 of the Naval and Marine Pay and Pensions Act 1865 (1865 c. 73), it is enacted, inter alia that all pay, pensions or other allowances in the nature thereof, payable in respect of service in Her Majesty's Naval or Marine Force to a person being or having been a Seaman or Marine therein, shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

And whereas the reduction of the Malta Port Division in the years 1968 and 1972 and the final disbandment by 31st March 1979 having resulted in a declared redundancy for locally engaged ratings of the Royal Navy it is expedient to sanction compensation terms for those declared redundant:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by the said Act and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

Citation

1. This Order may be cited as the Naval and Marine Pay and Pensions (Royal Navy Locally Engaged Maltese Ratings' Redundancy) Order 1979.

Interpretation

2. The Interpretation Act 1978 (1978 c. 30) shall apply for the interpretation of this Order as it applies for the interpretation of an Act of Parliament.

General

3. The provisions contained in the Schedule to this Order apply to Royal Navy locally engaged ratings (hereinafter referred to as "ratings") of the Maltese Port Division (hereinafter referred to as "the Division") made redundant on or after 1st April 1968.

N. E. Leigh

SCHEDULE 1

For the purposes of compensation and because the formal engagement structure is a series of 5 years' non-continuous service engagements, ratings are deemed to be on engagements corresponding to their normal expectation of 22 years' reckonable service from the age of 18 years, unless there is evidence that the rating would not have sought or would have been refused re-engagement to complete such time, even had there been no run down of the Division.

RATINGS SPECIALLY AND PREMATURELY DISCHARGED FROM 1ST APRIL 1968

RATINGS WITH TEN OR MORE YEARS' RECKONABLE SERVICE

Ratings specially and prematurely discharged who have 10 or more years' reckonable service, provided that ther is no evidence that they would not have applied for, nor have been granted, re-engagement to enable them to complete time for pension are eligible for Special Capital Payments as specified below.

Special Capital Payments

TABLE 1

(*a*) Ratings with 16 or more years' reckonable service:

Uncompleted Period of Service	*Special Capital Payment*
5 years of more	12 months' pay
4 years	10 months' pay
3 years	10 months' pay
2 years	7 months' pay
1 year	4 months' pay

TABLE 2

(*b*) Ratings with at least 10 and less than 16 years' reckonable service:

Years Completed Service	*Special Capital Payment*
10 years	9 months' pay
11 years	9 months' pay
12 years	10 months' pay
13 years	10 months' pay
14 years	11 months' pay
15 years	11 months' pay

The tables shown above are for whole years of complete service or uncompleted service. In addition any further calendar month of complete service or uncompleted service will attract a payment of 1/12th of any extra compensation for a further whole year of service, or uncompleted service subject to a maximum of 12 months' basic pay.

(*c*) Special Capital Payments will be assessed as follows:

(1) A month's pay will be calculated by multiplying the basic daily rate by 365 and dividing by 12.

(2) Basic Pay will be the daily rate in issue for the paid rank held on conclusion of the last active employment before discharge including pay in respect of length of service but excluding all other forms of additional pay and allowances.

INVALIDING TERMS

A rating with not less than 10 years' reckonable service who is eligible for a Special Capital Payment under Tables 1 and 2 above, will receive a pension and terminal grant assessed as thought he has been invalided.

Pensions and Terminal Grants

For the assessment of pension and terminal grant a credit of service to count as reckonable service in addition to the reckonable service completed will be awarded as follows:

4 years or sufficient service required to complete 22 years (or current engagement if longer) whichever is the less.

Pensions for the credit portion of service will, in all cases, be assessed at the rate for the first 22 years.

RATINGS WITH LESS THAN TEN YEARS' SERVICE

Ratings specially and prematurely discharged who have less than 10 years' service (or who have 10 or more years' reckonable service where there is evidence that they would not have applied for, or have been granted, re-enagement to enable them to complete time for pension) will be eligible for a gratuity assessed at 2 months' basic pay for each complete year of service. In addition, each further calendar month of service will attract a payment of 1/12th of the amount payable for a complete year.

General Provisions

Where a rating who has received a Special Capital Payment is again employed on full pay in Her Majesty's Forces in peace-time, or within 2 years of his premature discharge obtains an established civilian post under the Crown under special schemes for reserving vacancies for ex-members of Her Majesty's Forces, he may be required to refund the whole or such part as may be determined of any Special Capital Payment he may have received under the provisions of this scheme.

Where a rating who is selected for premature discharge is permitted to be discharged at a date earlier than that which would have applied otherwise, the Special Capital Payment to him may be as specially decided by the Defence Council.

SCHEDULE 2

RATINGS SPECIALLY AND PREMATURELY DISCHARGED FROM 26TH MARCH 1972

1. The discontinuance of the old basic pay from 1st January 1971 as a consequence of the introduction of Maltese military salary necessitated a change in the method of calculation of the Special Capital Payment as set out in Tables 1 and 2 above. This special tax free capital sum has hitherto been related to basic pay excluding marriage and ration allowance, but now that these allowances are included in the consolidated salary it has been necessary to adjust Maltese military salary for redundancy purposes by taking a percentage of the daily rate of military salary, including length of service pay in issue and to calculate compensation by a percentage according to rank as follows:

	Percentage
Chief Petty Officer	74
Able rating	59
Leading rating	67
Petty Officer	71

At the Court at
Buckingham Palace the 14th day of March 1979

Present,

The QUEEN'S Most Excellent Majesty in Council

Whereas by section 3 of the Naval and Marine Pay and Pensions Act 1865 (1865 c. 73), it is enacted, *inter alia*, that all pay, pensions or other allowances in the nature thereof, payable in respect of service in Her Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman or Marine therein, shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

And whereas the reduction of the Hong Kong Division (hereinafter referred to as "the Division") in the years 1969, 1971 and 1976 having resulted in a declared redundancy for locally engaged ratings of the Royal Navy it is expedient to sanction compensation terms for those declared redundant:

No, therefore, Her Majesty, in exercise of the powers conferred upon Her by the said Act and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

1. This Order may be cited as the Naval and Marine Pay and Pensions (Royal Navy Locally Engaged Hong Kong Ratings' Redundancy) Order 1979.

Interpretation

2. The Interpretation Act 1978 (1978 c. 30) shall apply for the interpretation of this Order as it applies for the interpretation of an Act of Parliament.

General

3. The provisions contained in the Schedule to this Order apply to locally engaged raitings (hereinafter referred to as "ratings") of the Division made redundant on or after 1st July 1969.

N. E. Leigh

SCHEDULE

1. *Expectations of Service*

For the purposes of compensation and because the formal engagement structure is a series of three-year non-continuous service engagements, ratings are deemed to be on engagements corresponding to their normal expectation of service. This is taken as 22 years' reckonable service from the age of 18 years or to the end of the engagement in which their 50th birthday falls, whichever is the greater, unless there is

evidence that the rating would not have sought, or would have been refused, re-engagement to complete such time, even had there been no run-down of the Division.

2. *Uncompleted Service*

Where the amount of payment relates to the period of uncompleted service, such service is measured from the last day on full pay to the expiry date of the engagement to which a rating is committed, or, under Clause 1 of this Schedule, deemed to have been committed.

3. *Reckonable Service*

Reckonable Service is defined as for normal pension and gratuity purposes, as being full pay service from the age of 18 years. In this Schedule the term "years of completed reckonable service" refers to full pay service up to and including the last day on full pay.

4. *Invaliding Terms*

In this Schedule the phrase "as though he had been invalided" refers to the method of awarding pension. Such pension will not carry with it any privileges attaching to pensions awarded on actual invaliding. The advantage of assessment under the invaliding rules is that the pension can be awarded at the rate appropriate to the substantive rank held on discharge, irrespective of the length of time the rank has been held.

5. (*a*) RATINGS DISCHARGED ON REDUNDANCY BEFORE 1ST JANUARY 1976

RATINGS DEEMED TO BE ON PENSIONABLE ENGAGEMENTS WHO HAVE GIVEN AT LEAST 10 YEARS' RECKONABLE SERVICE

A rating in this category with at least 10 years' reckonable service on being discharged becomes eligible for a service pension and a special gratuity as detailed in sub-clauses (i) and (ii) below unless in the case of those not formally on pensionable engagements there is evidence that they would not have sought, or would have been refused, re-engagement to complete time for pension even had there been no rundown of the Division. Where there is such evidence the provisions of Clause 7 of this Schedule shall apply.

(i) PENSION

This is calculated as though the rating had been invalided. In addition the rating receives a credit of service to count as reckonable service, in the assessment of pension and calculated as follows:—

4 years, or sufficient service to complete the engagement the rating is on or deemed to be on, whichever is the less, and assessed at the pension rate for the first 22 years in all cases. Normal commutation provisions will apply.

(ii) SPECIAL GRATUITY

The amount of this special gratuity payment will depend on the number of years of completed reckonable service and the period of uncompleted service if the latter is less than 5 years. The scales of special gratuity are contained in Tables 1 and 2.

The payments shown in the Tables above are for whole years or service or uncompleted service. Where the period of Service completed or remaining uncompleted at the time of discharge is not a whole year or a whole number of years an adjustment is made in respect of each further complete calendar month of complete or uncompleted service of 1/12th of the difference between the payment for the whole year or years, of completed or uncompleted service and the payment for the next higher whole year or years in the Tables.

(*b*) RATINGS DISCHARGED ON REDUNDANCY AFTER 31ST DECEMBER 1975 AND COMPENSATION FOR PENSIONABLE ENGAGEMENTS IN ALIGNMENT WITH UNITED KINGDOM REDUNDANCY POLICY

RATINGS DEEMED TO BE ON PENSIONABLE ENGAGEMENTS WHO HAVE GIVEN AT LEAST 12 YEARS' RECKONABLE SERVICE

A rating in this category with at least 12 years' reckonable service on being discharged becomes eligible for a service pension, terminal grant and a special gratuity as detailed in sub-clauses (i) and (ii) below unless in the case of those not formally on pensionable engagements there is evidence that they would not have sought, or would have been refused, re-engagement to complete time for pension even had there been no run-down of the Division.

Where there is such evidence the provisions of Clause 7 of this Schedule shall apply.

(i) PENSION

This is calculated as though the rating had been invalided. In addition the rating receives a credit of service to count as reckonable service, in the assessment of pension and calculated as follows:

4 years, or sufficient service to complete the engagement the rating is on or deemed to be on, whichever is the less, and assessed at the pension rate for the first 22 years in all cases.

(ii) TERMINAL GRANT

The amount of Terminal Grant will be three times the annual rate of pension awarded.

Normal commutation will apply.

(iii) SPECIAL CAPITAL PAYMENT

The amount of this Special Capital payment will depend on the number of years of completed reckonable service and the period of uncompleted service if the latter is less than five years. The scales of Special Capital Payment are contained in Tables 1 and 2.

Basic Pay

This is the daily rate in issue for the paid rank held on conclusion of the last active employment before discharge, including pay in respect of length of service (including badge pay) charge pay and, for cooks and stewards, an amount equal to 85% of the full sea-going allowance but:

(*a*) for those discharged on or after 1st July 1969 but before 1st July 1971 to exclude all other forms of additional pay and allowances, or the daily rate (calculated on the same basis) in issue on the last day of full pay Service, whichever is the greater.

(b) for those discharged on or after 1st July 1971 and following the introduction of military salary, redundancy payments for ratings are required to be aligned to UK redundancy policy, requiring allowances, such as ration allowance, to be deducted from basic pay before commencing calculations, For such ratings a deduction of 5 Hong Kong dollars should be made as a substitution for the unstable ration allowance.

A month's pay will be calculated by multiplying the daily rate by 365 and dividing by 12.

6. RATINGS WITH RE-ENGAGEMENT EXPECTATIONS DISCHARGED ON REDUNDANCY BEFORE 1ST JANUARY 1976 WHO HAVE GIVEN LESS THAN 10 YEARS' RECKONABLE SERVICE, AND THOSE DISCHARGED ON REDUNDANCY AFTER 31ST DECEMBER 1975 WHO HAVE GIVEN LESS THAN 12 YEARS' RECKONABLE SERVICE

This Clause applies to ratings with less than 10 years' reckonable service up to and including 31st December 1975 and, from 1st January 1976, those with less than 12 years' reckonable service on being discharged, unless there is evidence that they would not have sought or would have been refused further re-engagement, even had there been no run-down of the Division. Where there is such evidence, the provisions of Clause 7 of this Schedule shall apply. A rating in this category becomes eligible for a special gratuity assessed at 1/6th of a month's basic pay for each month of completed reckonable service.

7. RATINGS WITHOUT RE-ENGAGEMENT EXPECTATIONS

This Clause applies to ratings not formally on pensionable engagements, where there is evidence that they would not have sought or would have been refused, re-engagement, even had there been no run-down of the Division. Ratings under this category become eligible for a single lump sum payment made up of two elements:

(i) the gratuity to which the rating would have been entitled under normal conditions and on the normal scale for those with more than 12 years' service. For those with less than 12 years' service the gratuity will be calculated on the invaliding scale

plus (ii) a special gratuity assessed as whichever is the lesser of

(*a*) one month's basic pay for each year of reckonable service

(*b*) one month's basic pay for each complete year by which service is foreshortened, plus one month's basic pay.

In calculating, adjustment at the rate of 1/12th of a month's basic pay will be made for each calendar month of service or foreshortening of service in addition to complete years.

At the Court at
Buckingham Palace the 14th day of March 1979
Present,
The QUEEN's Most Excellent Majesty in Council

Whereas by section 3 of the Naval and Marine Pay and Pensions Act 1865 (1865 c. 73), it is enacted, inter alia, that all pay, pensions, or other allowances in the nature thereof, payable in respect of service in Her Majesty's Naval or Marine Forces to a person being or having been a Seaman or Marine therein, shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

And whereas by Order in Council dated the 30th day of March 1977 rates denominated in Hong Kong dollars and conditions of awards of service pensions, terminal grants and service gratuities were laid down for Naval ratings locally entered at Hong Kong:

And whereas it is expedient to introduce a Service Gratuities Scheme for locally engaged ratings of the Hong Kong Division:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by the said Act and all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

1. This Order may be cited as the Naval and Marine Pay and Pensions (Royal Navy Hong Kong Locally Engaged Ratings' Service Gratuities) Order 1979.

2. With effect from 1st January 1978 the rates of service gratuities payable to Locally Engaged Ratings (hereinafter referred to as "ratings") of the Hong Kong Division (hereinafter referred to as "the Division") shall be as set out in the Schedule hereto.

N. E. Leigh

SCHEDULE

1. Ratings of the Division, provided they entered the Service before 1st January 1978, may, until 4th July 1979 opt to receive either:

(*a*) a gratuity under this Schedule appropriate to length of service and method of discharge;

(*b*) a pension or gratuity under the provisions contained in Order in Council 57 NPP of 14th March 1978, with full commutation facility.

Ratings who entered the Service on or after 1st January 1978 will not have this option but will receive gratuities as detailed under this Schedule.

2. PAY

For the purposes of calculation of the gratuities specified in Clauses 3 and 5, a month's pay shall be the rate of pay in issue, plus the current rate of Length of Service Increment, provided the Length of Service Increment has been in payment for at least one full year. Where Length of Service Increment has been in payment for less than one full year the previous rate of Length of Service Increment will be used. Basic Pay plus Length of Service Increment for the purpose of calculation of gratuities under this Schedule will hereinafter be referred to as Pay.

3. RATINGS DISCHARGED AT THE END OF AN ENGAGEMENT

(*a*) This Clause applies to ratings who have served for at least 12 years and leave voluntarily, or are discharged at the end of their engagement. The gratuity payable will be:

TABLE 1

Number of completed years' reckonable service	*Number of months' pay for each year of service*
12	1¼
15	1¼
18	1⅛
21	2

(*b*) Ratings who entered prior to 1st January 1978 and who serve to complete 22 years reckonable service will, in addition to the two months pay per year of reckonable service as above, be eligible for a lump sum payment equivalent to 5⅛ months pay.

4. RATINGS DISCHARGED VOLUNTARILY BEFORE THE END OF AN ENGAGEMENT

A rating who, having signed for a new engagement, leaves voluntarily before the end of that engagement, will receive a gratuity calculated as if he had left voluntarily at the end of his previous engagement, but based on current rates of pay; e.g. re-engagement at 12 years and release at 14 years will realise a gratuity based on the 12 year point (1¼ months) times 12 years.

A rating discharged voluntarily before he has completed at least 12 years' reckonable service will not be eligible for a gratuity.

5. ATTRIBUTABLE OR NON-ATTRIBUTABLE DEATH OR INJURY

(*a*) This Clause applies to ratings who die or who are invalided from the Service. A rating who dies in service or who is invalided will, provided he has completed at least 12 years' reckonable service, be eligible for a gratuity as detailed in Clause 3, except that the appropriate gratuity factor will be multiplied by his actual number of completed years of reckonable service; e.g. death or invaliding at 17 years' reckonable service will realise a gratuity based on the 15 year factor (1¼ months) times 17 years. Should he die in service or be invalided before he has completed 12 years' reckonable service either the rating, or his estate (on death), will receive a gratuity at the rate of:

TABLE 2

After 3 years' reckonable service — ⅜ months pay per year of service
After 6 years' reckonable service — 1 months pay per year of service

(*b*) In the event of attributable death or injury, the rating, or his estate, will receive the gratuity to which he would have been entitled if the death or injury had not been attributable.

6. RATINGS DISCHARGED ON REDUNDANCY

(*a*) Where a rating has completed less than 12 years' reckonable service he will receive a gratuity calculated on the 12 year gratuity factor (1¼ months) as detailed in Clause 3 multiplied by the actual length of service, enhanced by the amount of uncompleted service to the end of his current engagement; e.g. a rating declared redundant at the 4 year service point would receive 6 times 1¼ months pay.

(*b*) A rating who has completed 12 years' reckonable service or more will receive a credit of service for the

number of uncompleted years to the end of his current engagement. He will receive a gratuity based on the gratuity factor, as detailed in Clause 3, appropriate to his years of completed and uncompleted service to the end of his current engagement; e.g. redundancy at the 18 year point would realise a gratuity of 21 times 2 months pay.

(*c*) Ratings who enlisted before 1st January 1978 will be entitled to the gratuity specified in sub-clause (*b*) of this Clause and, in addition, a pro-rata bonus gratuity based on their original expectation of 5½ months pay at the 22 year point; e.g. a rating declared redundant on the 18 year point will receive a gratuity of 21 times 2 months pay and, in addition, a gratuity of 18/22 times 5½ months pay.

7. DISCHARGE FOR DISCIPLINARY REASONS

A rating discharged for disciplinary reasons will receive no gratuity if he has served for less than 12 years. Payment of a gratuity to ratings discharged for disciplinary reasons and with at least 12 years' reckonable service, will be at the discretion of the Secretary of State for Defence, who may award such proportion of the gratuity as seems appropriate to the cirmumstances of the case.

2. Ratings with not less than 10 years' reckonable service will receive a pension and terminal grant assessed as though they had been invalided, provided that there is no evidence that they would not have applied for, nor have been granted, re-engagement to enable them to complete time for pension. For the assessment of pension and terminal grant a credit of service to count as reckonable service, in addition to the reckonable service completed, will be awarded as follows:

4 years or sufficient service required to complete 22 years (or current engagement if longer) whichever is the less.

In all cases the credit of service will be assessed at the rate for the first 22 years. The terminal grant which is tax free will be three times the annual rate of pension awarded, including the credit of service portion.

3. Ratings who satisfy the conditions as to engagement in Clause 2 above will also be eligible for the award as a Special Capital Payment as follows:

TABLE 3

RATINGS WITH AT LEAST 10 AND LESS THAN 16 YEARS' RECKONABLE SERVICE

Uncompleted period of Service	*Special capital payment months of adjusted pay*

4 years	10
3 years	10

1 year	4
None	None

The payments shown in the Tables above are for whole years of service or uncompleted service, as the case may be. Where the period of service completed or remaining uncompleted is not a whole year or a whole number of years, an adjustment will be made in respect of each further calendar month of completed or uncompleted service of one-twelfth of the difference between the payment for the whole year or years of completed or uncompleted service and the payment for the next higher whole year or years in the Table.

A month's pay will be calculated by multiplying the adjusted rate by 365 and dividing by 12.

RATINGS WITH LESS THAN TEN YEARS' SERVICE

4. Redundant ratings who have less than 10 years' service (or who have 10 or more years' reckonable service where there is evidence that they would not have applied for, or have been granted, re-engagement to enable them to complete time for pension) will receive a Special Capital Payment assessed at two months' adjusted pay for each complete year of service. In addition, each further calendar month of service will attract a payment of 1/12th of the amount payable for a complete year.

SCHEDULE 3

The compensation terms set out below apply to ratings who are discharged redundant as part of the withdrawal of British Forces from Malta from 1st April 1977.

Reckonable Service

1. For the purposes of compensation for redundancy, reckonable service will, subject to the one exception mentioned in Clause 4 below, be defined as for normal pension and gratuity purposes.

Invaliding Terms

2. The use of the phrase "as though he had been invalided" refers to the method of awarding pensions—that the pension will be calculated on the rating's rank on discharge regardless of the time that he has held such rank.

Premature retirement during the rundown from 1st April 1977

3. Having been given notice of redundancy, a rating may, at his own request, be discharged up to 6 months earlier than the date on which he would otherwise have been discharged redundant, in order, for example, to take up alternative employment. In such cases the ratings Special Capital Payment calculated as in Clauses 7 (*c*) (i) and (ii) and 8 below (and on pay rates current on his last day of service) will be further reduced by 10%.

4. A rating with at least 16 but less than 22 years' reckonable service who is allowed to be discharged on redundancy earlier than anticipated will also have his Special Capital Payment reduced by 10% (and not increased as a result of shorter reckonable service). Reckonable service for calculating the Special Capital Payment of such ratings will be measured to the date on which they would have been made redundant if permission had not been granted for them to be discharged earlier. For all other purposes reckonable service will be calculated as in Clause 1 above.

5. The interests of the Service will take priority over all other considerations in determining whether a rating may be made redundant earlier than the date notified to him.

Pay

6. The following percentages of the rating's military salary plus length of service increment at the time of his discharge on redundancy are to be used in calculating "pay" for Special Capital Payment:

Able Rating and below	59%
Leading Rating	67%
Petty Officer	71%
Chief Petty Officer	74%

RATINGS WHO HAVE GIVEN AT LEAST 10 YEARS' SERVICE

7. Ratings who have given at least 10 years' reckonable service will receive:

(*a*) A pension assessed as though he had been invalided. Such a pension shall be assessed as if he had rendered sufficient further reckonable service to complete his current 22-year engagement or to 31st March 1979—whichever is the earlier.

(*b*) A terminal grant of three times the annual rate of pension.

(*c*) A Special Capital Payment assessed as follows:

(i) Ratings with at least 16 but less than 22 years' reckonable service:

Reckonable Service	*Special Capital Payment*
16 years	12 months pay (See Clause
17 years	12 months pay 6 above)
18 years	10 months pay ,,
19 years	10 months pay ,,
20 years	7 months pay ,,
21 years	4 months pay ,,

The payments shown are for whole years of reckonable service. Any further calendar month of reckonable service will involve a reduction of one-twelfth of the difference between the Special Capital Payment for the one completed year and the next (for example 19 years 3 months reckonable service will result in a Special Capital Payment of 9¼ months pay (that is 10 months pay minus ¾ months pay)).

The total amount of the Special Capital Payment is then to be reduced by 20%.

(ii) Ratings with at least 10 but less than 16 years' reckonable service

Reckonable Service	*Special Capital Payment*	
10 years	9 months pay	(See Clause
11 years	9 months pay	6 above)
12 years	10 months pay	„
13 years	10 months pay	„
14 years	11 months pay	„
15 years	11 months pay	„

The payments shown are for whole years of reckonable service. In addition, each further calendar month of service will attract a payment of one-twelfth of any extra compensation for a further complete year.

The total amount of the Special Capital Payment is then to be reduced by 20%.

RATINGS WHO HAVE GIVEN LESS THAN 10 YEARS' SERVICE

8. Ratings who have given less than 10 years' reckonable service will receive a Special Capital Payment of two months pay (calculated as in Clause 6 above) for each complete year of service. Each additional calendar month of service will attract 1/6th of a month's pay (calculated as in Clause 6 above).

The total amount of the Special Capital Payment is then to be reduced by 20%.

At the Court at
Buckingham Palace the 14th day of March 1979
Present,
The QUEEN'S Most Excellent Majesty in Council

Whereas by Order in Council (1 NPP) of 9th February 1978, rates and conditions of the award of service disablement gratuities and pensions were laid down for specified locally engaged ratings of the Royal Navy:

STATE SCHEME PREMIUMS—MARKET LEVEL INDICATORS

The new state pension scheme which started in April 1978, allows contracted-out occupational pension schemes in certain circumstances, to transfer the responsibility or part of the responsibility, for their members' guaranteed minimum pension rights to the state scheme by the payment of premiums.
