PRIVY COUNCIL OFFICE

At the Court at  
Buckingham Palace the 14th day of March 1979  
Present,  
The QUEEN's Most Excellent Majesty in Council

Whereas by Order in Council (13 NPP) of the 1st day of March 1978 new awards in respect of attributable death were introduced for widows and dependants of Hong Kong naval locally engaged ratings expressed in sterling for conversion into Hong Kong dollars, and increased rates for non-attributable death, expressed in Hong Kong dollars, were notified, and it is now expedient that the rates for attributable death should be increased with effect from the 15th day of November 1978 and continue to be expressed in sterling for conversion as aforesaid, and that the rates expressed in Hong Kong dollars for non-attributable death effective from the 1st day of January 1977 specified in Order in Council (63 NPP) of 30th day of March 1977, should be re-enacted without increase:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by the Naval and Marine Pay and Pensions Act 1865 (c. 73) and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

- 1. This Order may be cited as the Naval and Marine Pay and Pensions (Hong Kong Locally Engaged Ratings' Attributable and Non-attributable Death Awards) Order 1979.
- 2. The rates and conditions of award shall be as set out in the Schedule to this Order.

N. E. Leigh

SCHEDULE

Conditions Governing the Award

A pension cannot be claimed as a right, and will not be granted or continued when the applicant is shown to be living with a man as his wife, nor will it be granted if the service of the rating has not been such as, in the opinion of the Defence Council, to justify the award.

If the death of a rating, or the wound, injury or disease which resulted in his death was due wholly or in part to his own negligence or misconduct or to any cause within his own control, any grant which might otherwise be made to his widow or other dependants may be withheld or reduced as the Defence Council may determine.

Subject to any exception which the Defence Council may approve in a particular case, a pension will not be awarded to a widow who was separated from her husband at the time of his death. Should such an exception be approved the award will be at such a rate, and subject to such conditions, as the Defence Council may determine.

PART I

Where death is attributable to service or where the member was receiving any rate of constant attendance allowance when he died (or would have been receiving it but for the fact that he was in a hospital or other institution).

Provided the conditions regarding relationship and age are satisfied, widows and dependants of Hong Kong naval locally engaged ratings may be awarded weekly pensions and allowances as follows:

- (b) the circumstances of the family are such as to require it; and
- (c) the Ministry of Defence is satisfied that the type of education which the child is receiving, or is to receive, is suitable for the child.

The amount of any allowance under this Clause shall be determined by the Ministry of Defence but the total payments made in respect of any period of twelve months shall not exceed £60.00 in respect of any one child.

##### *Allowances for constant attendance*

5. Where a member of the naval forces is in receipt of a pension under Clause 1 of this Schedule in respect of disablement the degree of which is not less than 80 per cent, and it is shown to the satisfaction of the Ministry of Defence that constant attendance on the member is necessary on account of the disablement, he may be awarded an allowance at a rate not exceeding £6.35 per week.

##### *Exceptionally severe disablement allowance*

6. Where the disablement of a member of the naval forces is, and in the opinion of the Ministry of Defence is likely permanently to remain, such that he is, or if he were not in a hospital or other institution, would be in receipt of an allowance for constant attendance under the proviso to Clause 5 of this Schedule, he may be awarded an allowance other than injury benefit or sickness benefit at the rate of £6.35 per week.

##### *Allowances for wear and tear of clothing*

##### *Allowances for lowered standard of occupation*

8. A member of the naval forces who is in receipt of a pension under Clause 1 of this Schedule in respect of disablement the degree of which is less than 100 per cent who has been compelled, by reasons of his disability, to adopt an occupation not equivalent to that regularly followed by him for a reasonable period before that date may be granted at Ministry of Defence discretion a special allowance at a rate not exceeding £6.38 per week, so that the aggregate rate of his pension under Clause 1 of this Schedule together with the allowance under this Clause shall not exceed the rate of award which would have been appropriate in his case under Clause 1 if the degree of his disablement had been 100 per cent.

At the Court at

Present,

The QUEEN's Most Excellent Majesty in Council

Whereas by Orders in Council dated 7th November 1924 and 25th June 1925, as amended by subsequent Orders, regulations were approved for the payment of pensions and allowances by the Ministry of Defence to widows, children and parents of members of the naval forces who die as a result of peace-time service before 3rd September 1939 at similar rates and subject to similar

conditions as awards payable by the Department of Health and Social Security in respect of deaths attributable to service during the 1914 World War or after 2nd September 1939:

And whereas the Department of Health and Social Security have made further provision concerning pensions and allowances payable to dependants of members of the naval forces:

And whereas it is expedient that corresponding improvements should be made in the awards payable by the Ministry of Defence:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by section 11 of the Naval and Marine Pay and Pensions Act 1865(c. 73), and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered as follows:

(1) This Order may be cited as the Naval and Marine Pay and Pensions (Widows' Attributable Pensions) Order 1979.

(2) The revised rates and conditions of award of pensions and allowances to widows and children in respect of the death of Officers and men of the Royal Navy and Royal Marines where death is attributable to their service as specified in the Schedule annexed hereto shall take effect from 13th November 1978 for widows and children of Officers and 15th November 1978 for other widows and children.

##### Definition of Rank

2. (a) Officers

- (1) For the purpose of assessing pensions of Officers' widows the rank of the Officer shall be, except as hereinafter provided, the highest substantive rank held by the Officer on the Active List or while re-employed in a service capacity during war or emergency.
- (2) Brevet or honorary rank shall not count, except where otherwise specially stated, but the rank of Commodore 1st or 2nd Class shall be regarded as substantive rank. Brevet rank held on the Active List prior to 25th June 1925 shall also be regarded as a substantive rank.
- (3) If an Officer accepts a temporary rank lower than his substantive rank and dies in circumstances rendering his widow eligible for an attributable pension, his widow shall not receive a pension greater than the rate appropriate to her husband's temporary rank unless eligible for a higher Service pension appropriate to his substantive rank.
- (4) A Chaplain shall be treated as holding such rank as is, in the opinion of the Defence Council, appropriate in his case having regard to his length of service. In the case of a Chaplain on the Retired List seniority for this purpose shall be taken as seniority at date of original retirement increased by the amount of actual service (if any) after retirement during war or emergency.

(b) RN Ratings and RM Other Ranks

For the purpose of assessing pensions of the widows of ratings and other ranks, the rank shall be that held by the deceased rating or other rank prior to the termination of his full pay service.

**Rent Allowance**

3. A widow who is in receipt of a pension for herself and has a child in her care may be granted a rent allowance at a weekly rate not exceeding £9·60 as the Defence Council may consider appropriate, having regard to her weekly rent and rates. For the purpose of this clause:

- "child" means a child who is eligible for an allowance under clause 16 and any other child who, in the opinion of the Defence Council, having regard to the child's relationship to or connection with the deceased member and the other circumstances of the case, should be treated as covered by this provision;
- "weekly rent and rates" means such sum as the Defence Council may, after taking into account all relevant factors and making all necessary apportionments, consider to be the weekly amount in respect of rent, or the equivalent thereof, and rates, which the widow is paying or providing either directly or indirectly for accommodation for the benefit of herself and the child;
- "accommodation" means living accommodation without any service or benefit not ordinarily provided by the landlord to the tenant of an unfurnished dwelling house, but may include accommodation reasonably required for the storage of furniture.

Where an allowance under this clause would cease by reason of the death of a child, the allowance may be continued for the period of 13 weeks from the date of the child's death.

**Allowance to Elderly Widows**

4. A widow who receives a pension under clause 1 may be awarded an allowance as follows:

6. Allowances for eligible illegitimate children may be granted at the discretion of the Defence Council at rates not exceeding those shown in Clause 5.

7. An allowance may be made in respect of a motherless child who, having attained the age of 18 years, is incapable of self-support by reason of infirmity which arose before the normal age limit for pension purposes, at the rate or:

**Education Allowance**

8. In addition to an allowance under Clauses 5, 6 or 7 an allowance not exceeding £120·00 a year may be granted for the purpose of the child's education, provided that:

- the child has reached the age of 5 years, but where the child begins school before the age of 5 years an allowance may be granted from the beginning of the school term in the course of which the child attains the age of 5 years;
- the circumstances of the family are such as to require it; and
- in the opinion of the Defence Council the type of education which the child is receiving or is to receive is suitable for the child.

**Parents**

9. (a) If the death of an Officer, rating or marine is accepted as attributable to service, his parent or parents may be granted an allowance subject to such conditions as the Defence Council may determine, provided that:

- he did not leave a widow or eligible child, and
- that the parent or parents are in pecuniary need by reason of having reached the age of not less than 65 years in the case of a man, or 60 years in the case of a woman, or infirmity or other adverse condition which is not merely of a temporary character. In determining whether an award shall be made, account will be taken of the extent to which the serviceman was supporting his parents at the time of his death, and the extent to which, if he had not died, he would have been likely, in the opinion of the Defence Council, to support them.

(b) The rate of allowance shall be at the discretion of the Defence Council but shall not exceed:

In the case of Officers the greater of either:

- the ordinary rate of widow's pension under the regulations in force on 25th September 1949, or
- (i) where there are two parents £100·00 a year for Commissioned Officers (including Senior Commissioned Officers (Branch List)), or £85·00 a year for Commissioned Officers (Branch List) other than Senior Commissioned Officers, or
- (ii) in single parent cases, the maximum rates are £75·00 and £60·00 a year.

Provided that in exceptional cases the rate of the pension may be increased in excess of the rates given in sub-clause (b)(2)(i) and (ii) above by a sum not exceeding £20·00 a year.

In the case of ratings and marines the rate shall not exceed £1·38 a week where there are two parents and £1·00 a week in single parent cases.

Provided that, in exceptional cases, this rate may be increased by a sum not exceeding £0·62 a week where there are two parents and £0·38 a week in single parent cases.

(c) A grant shall not be transferable, but, if an award has been made to the two parents, payment of the pension may be continued to the survivor at such rate as the Defence Council may determine.

(d) A grant shall cease on the remarriage of the grantee.

## SECTION II

### *Conditions Governing the Award*

#### *Pension cannot be claimed as a right*

10. (a) A pension cannot be claimed as a right, and will not be granted or continued when the applicant is shown to be living with a man as his wife, nor will it be granted if the service of the Officer, rating or marine has not been such as in the opinion of the Defence Council to justify the award.

(b) If the death of an Officer, rating or marine, or the wound, injury or disease which resulted in his death was due wholly or in part to his own negligence or misconduct or to any cause within his own control, any grant which might otherwise be made to his widow or other dependants may be withheld or reduced in amount at the discretion of the Defence Council.

(c) If the applicant is granted any other pension or allowance from public funds on account of the service of the deceased, any pension which might otherwise be granted under this Schedule may be withheld or reduced as the Defence Council may determine.

#### *Third Party Compensation*

11. If an Officer, rating or marine is killed or dies in such circumstances that any grant is payable in respect of him under this Schedule and his widow, child or other dependent relative received compensation from or on behalf of a third party for the act, omission or circumstances which cause the death, any such compensation may be taken into consideration in assessing any grant which might be made under this Schedule; and if the compensation is received after assessment it may be taken into consideration and the assessment may be amended or cancelled.

#### *Effect of Separation on Widow's Pension*

12. Subject to any exception which the Defence Council may approve in a particular case, a pension will not be awarded to a widow who was separated from her husband at the time of his death. Should such an exception be approved the award will be at such a rate, and subject to such conditions, as the Defence Council may determine.

#### *Date of commencement of pension*

13. The date of commencement of pension will be determined according to the circumstances of the case and will normally, if application is not unduly delayed be the date following the date of cessation of the husband's disablement pension.

#### *Related claims*

14. If a widow dies before establishing her claim to pension, arrears of pension will not, save in exceptional circumstances, be allowed to her estate.

#### *Remarriage*

15. If a widow of a rating or marine who has been granted a pension under this Schedule remarries, her pension will cease on the date of her remarriage, but at the discretion of the Defence Council, she may then be granted a gratuity equal to one year's pension in full discharge of all claims.

The pension of an Officer's widow who remarries shall be suspended from the date following that of her remarriage, but in the event of her again becoming a widow her pension may be restored in whole or in part at the discretion of the Defence Council for such time as she remains a widow, provided that she is otherwise qualified and that her pecuniary circumstances are such as in the opinion of the Defence Council to justify the award. Should she become eligible by remarriage for a pension at a different rate, she may be awarded that which is more to her advantage.

#### *Children*

16. (a) A "child" for the purposes of the award of a pension under this Schedule means:

- (1) a legitimate child of the Officer, RN rating or RM other rank; or
- (2) a step-child of the Officer, RN rating or RM other rank who was mainly dependent on him at the time of his death; or
- (3) a child adopted by the Officer, RN rating or RM other rank; or
- (4) an illegitimate child of the Officer, RN rating or RM other rank, born before or within nine months after the date on which he sustained the wound or injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension was granted, and who was regularly maintained by the Officer, rating or other rank up to the date of his death, or who was the subject of an affiliation order which was in force at the date of his death.

(b) A child's pension will normally cease when the child attains the age of 16 years in the case of all Officers, ratings and other ranks, but may be granted or continued after that age:

- (1) if the child continues to receive full-time education, or is an apprentice not receiving more than nominal wages; or
- (2) if, before attaining the age referred to above the child was, and continues to be afflicted by mental or bodily infirmity and is therefore incapable of earning his, or her own living, provided the Defence Council considers that the pecuniary circumstances of the child and family are such as to justify the award.

(c) Children's pension will be paid to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct as may be decided by the Defence Council.

(d) Pensions of children of Officers and of Regimental Sergeant-Majors, Royal Marines, may be issued quarterly in advance.

(e) Children's allowances will not be payable for any period during which the children are maintained in the Royal Navy, the Army or the Royal Air Force.

  - (2) that the parent or parents are in pecuniary need by reason of having reached the age of not less than 65 years in the case of a man, or 60 years in the case of a woman, or infirmity or other adverse condition which is not merely of a temporary character. In determining whether an award shall be made, account will be taken of the extent to which the member was supporting his parents at the time of his death, and the extent to which, if he had not died, he would have been likely, in the opinion of the Defence Council, to support them.
- (b) The rate of allowance shall be at the discretion of the Defence Council but shall not exceed £0·91 a week where there are two parents and £0·66 a week in single parent cases. Provided that, in exceptional cases, this rate may be increased by a sum not exceeding £0·41 a week where there are two parents and £0·25 a week in single parent cases.
- (c) A grant shall not be transferable but, if an award has been made to the two parents, payment of the pension may be continued to the survivor at such rate as the Defence Council may determine.
- (d) A grant shall cease on the re-marriage of the grantee.

## SECTION II

*Conditions Governing the Award**Pension cannot be claimed as a right*

- 10. (a) A pension cannot be claimed as a right, and will not be granted or continued when the applicant is shown to be living with a man as his wife, nor will it be granted if the service of the member has not been such as in the opinion of the Defence Council to justify the award.
- (b) If the death of a member of the Maltese Naval Forces, or the wound, injury or disease which resulted in his death was due wholly or in part to his own negligence or misconduct or to any cause within his own control, any grant which might otherwise be made to his widow or other dependants may be withheld or reduced in amount at the discretion of the Defence Council.
- (c) If the applicant is granted any other pension or allowance from public funds on account of the service of the deceased, any pension which might otherwise be granted under this Schedule may be withheld or reduced as the Defence Council may determine.

*Third Party Compensation*

11. If a member of the Maltese Naval Forces is killed or dies in such circumstances that any grant is payable in respect of him under this Schedule and his widow, child or other dependent relative received compensation from or on behalf of a third party for the act, omission or circumstances which caused the death, any such compensation may be taken into consideration in assessing any grant which might be made under this Schedule; and if the compensation is received after assessment, it may be taken into consideration and the assessment may be amended or cancelled.

*Effect of Separation on Widow's Pension*

12. Subject to any exception which the Defence Council may approve in a particular case, a pension will not be awarded to a widow who was separated from her husband at the time of his death. Should such an exception be approved the award will be at such a rate, and subject to such conditions, as the Defence Council may determine.

*Date of Commencement of Pension*

13. The date of commencement of pension will be determined according to the circumstances of the case and will normally, if application is not unduly delayed, be the date following the date of cessation of the husband's disablement pension.

*Belated claims*

14. If a widow dies before establishing her claim to pension, arrears of pension will not, save in exceptional circumstances, be allowed to her estate.

*Re-marriage*

15. If a widow of a member of the Maltese Naval Forces who has been granted a pension under this Schedule re-marries, her pension will cease on the date of her re-marriage, but at the discretion of the Defence Council, she may then be granted a gratuity equal to one year's pension in full discharge of all claims.

*Children*

- 16. (a) A "child" for the purposes of the award of a pension under this Schedule means:
  - (1) A legitimate child of a member of the Maltese Naval Forces; or
  - (2) a step-child of the member who was mainly dependent on him at the time of his death; or
  - (3) a child adopted by the member; or
  - (4) an illegitimate child of the member born before or within nine months after the date on which he sustained the wound or injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension was granted, and who was regularly maintained by the member up to the date of his death, or who was the subject of an affiliation order which was in force at the date of his death.
- (b) A child's pension will normally cease when the child attains the age of 16 years, but may be granted or continued after that age:
  - (1) if the child continues to receive full-time education, or is an apprentice not receiving more than nominal wages; or
  - (2) if, before attaining the age referred to above, the child was, and continues to be, afflicted by mental or bodily infirmity and is therefore incapable of earning his, or her, own living, provided the Defence Council considers that the pecuniary circumstances of the child and family are such as to justify the award.
- (c) A child's pension will be paid to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct, as may be decided by the Defence Council.

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by the Naval and Marine Pay and Pensions Act 1865 (c. 73) and all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

3. The rates and conditions of award shall take effect from the 15th November 1978.

4. The date of commencement of pension shall be determined according to the circumstances of the case but payment shall not normally be made in respect of any period preceding the date of application or appeal as a result of which the claim to the award of the pension or, as the case may be, to the continuance or resumption of the payment of the pension, is accepted.

(b) The special conditions governing the grant of these family allowances shall be as follows:

(1) For a wife—if she is living apart from her husband, family element shall not be allowable in respect of her unless—

- (f) a legally adopted child of the member;
- (g) a foster child, that is to say a child who:

- (ii) had been brought up and wholly or mainly maintained by the member for not less than six months (or such less period as the Ministry of Defence may determine in the exceptional circumstances of any case) prior to the date on which the member's service terminated, and
- (iii) has been so maintained by the member up to the date of any award or renewal of his disablement pension.

(c) The expressions "removed from duty" or "removal from duty" shall be interpreted with reference to the date of the first removal from duty on account of the disease upon which the claim in respect of disablement is based, provided that if, as the result of service subsequent to the date of receipt of the wound or injury or of removal from duty, not being service before the 1st April 1972, the member suffered material aggravation of his disability, the date of removal from duty shall be that of the latter removal on account of the disability: or, if there was no such removal, the date of termination of full pay service of the member.

(d) No award of family addition to disablement pension of a child shall be made, continued or shall continue to have effect in respect of a child who has attained the age of 16 years unless he is undergoing full time education and is under the age of 19 years.

(e) For the purposes of item (2) of the Table at Clause 3(a), the expression "first child" means the eldest child of the member after disregarding any child in respect of whom, by virtue of the last preceding paragraph, no award of an allowance under this Article may be made, continued or continue to have effect.

(f) No award of an allowance under Clause 4 or 9(c)(4), nor under Clause 14(e) (education, unemployability and treatment allowances in respect of a child of a member) shall be made, continued or shall continue to have effect in respect of a child who is over the age of 16 years unless he is—

(a) a student or an apprentice; or

(b) is incapable of self-support by reason of an infirmity which arose before he attained the age of 16 years; and

(c) in either case the circumstances are, in the opinion of the Secretary of State, such as to justify the award or its continuance.

(g) For the purposes of Clause 4, 9(c)(4) and 14(e), an award continuance and amount for any allowance under those articles in respect of a child who is living apart from the member shall be at the discretion of the Secretary of State for Defence.

(h) Family additions to disablement pension in respect of an individual may be withheld if in the opinion of the Ministry of Defence the circumstances are not such as to justify a grant.

(j) Where an individual in respect of whom family addition to disablement pension is admissible is not residing with the member, the addition may, at the discretion of the Ministry of Defence, be granted independently, for the benefit of that individual, to some person other than the member.

#### 4. *Education Allowances*

A member of the Maltese Naval Forces who is in receipt of a pension under Clause 1 of this Schedule may be awarded an allowance in respect of a child (including a child who is a child of the member or by virtue of Clause 9(c)(4) is treated as a child of the member) for the purpose of the education of that child if—

(a) the child has attained the age of 5 years; and

(b) the circumstances of the family are such as to require it; and

(c) the Ministry of Defence is satisfied that the type of education which the child is receiving, or is to receive, is suitable for the child.

The amount of any allowance under this Clause shall be determined by the Ministry of Defence but the total payments made in respect of any period of twelve months shall not exceed £80 in respect of any one child.

#### 5. *Allowance for Constant Attendance*

Where a member of the Maltese Naval Forces is in receipt of a pension under Clause 1 of this Schedule in respect of disablement the degree of which is not less than 80 per cent, and it is shown to the satisfaction of the Ministry of Defence that constant attendance on the member is necessary on account of the disablement, he may be awarded an allowance at a rate not exceeding £8.38 per week.

Provided that in an exceptional case of very severe disablement the allowance may, subject to such conditions, as the Ministry of Defence may determine, be increased to a rate not exceeding £16.76 per week.

#### 6. *Exceptionally Severe Disablement Allowance*

Where the disablement of a member of the Maltese Naval Forces is, and in the opinion of the Ministry of Defence is likely permanently to remain, such that he is, or if he were not in a hospital or other institution, would be in receipt of an allowance for constant attendance at a rate increased under the proviso to Clause 5 of this Schedule, he may be awarded an allowance other than injury benefit or sickness benefit at the rate of £8.38 per week.

#### 7. *Severe Disablement Occupational Allowance*

Where a member of the Maltese Naval Forces is in receipt of an allowance for constant attendance at a rate increased under the proviso to Clause 5 of this Schedule, or would be in receipt of such an allowance if he were not in a hospital or other institution, he may for any period during which he is, in the opinion of the Ministry of Defence, ordinarily employed in a gainful occupation, be awarded an allowance at the rate of £4.19 per week.

Provided that no allowance shall be payable under this Clause to a member for any period in respect of which he is eligible for an award under Clause 9(b) of this Schedule.

#### 8. *Allowances for Wear and Tear of Clothing*

(a) Where a member of the Maltese Naval Forces who is in receipt of a pension under Clause 1 of this Schedule in respect of an amputation regularly wears an artificial limb, he may be awarded an allowance in respect of wear and tear of clothing at whichever of the following rates is applicable:

(1) Where he wears a single artificial limb (other than a tilting table limb), £17.82 per year.

(2) Where he wears a tilting table limb or more than one artificial limb, £28.38 per year.

(b) In any other case in which the Ministry of Defence is satisfied that as a result of the pensioned disablement there is exceptional wear and tear of the member's clothing, an allowance not exceeding £28.38 per year may be awarded.

#### 9. *Allowances for Unemployable Pensioners*

##### (a) *Eligibility*

Where a member of the Maltese Naval Forces is in receipt of a pension under Clause 1 of this Schedule in respect of disablement so serious as to make him unemployable, he may be awarded allowances in accordance with such of the provisions of this Clause as may be appropriate in his case:

Provided that—

(1) Such a member may be deemed to be unemployable although in receipt of earnings which are in the opinion of the Ministry of Defence, and from 15th November 1978 unlikely to exceed £377.52 per year.

(2) Such a member shall not be eligible for an award under this Clause if he is in receipt of a retirement pension (not being the contributory old age pension) or age addition.

##### (b) *Supplementation of pension*

A member receiving a pension under sub-clause (a) of this Clause may be awarded an allowance by way of supplement to his pension, at the rate of £13.70 per week.

##### (c) *Additional allowances for dependants*

Where a member is awarded an allowance in accordance with sub-clause (b) of this Clause, he may also be awarded additional allowances in accordance with the following provisions of this sub-clause;

(1) Where an allowance has been awarded under Clause 3 of this Schedule in respect of a wife and children, the allowances will as from 1st October 1973 be paid at the rate appropriate to the assessment of the basic disablement pension. If at 1st October 1973 a wife is aged 60 years or over she will retain the 100 per cent disablement rate as long as she continues to be eligible for the allowance and, if on that date she is under age 60 years and is working, she will retain the 100 per cent rate until she ceases to work. If she again resumes work after that date she will receive the allowance at the appropriate assessment rate.

- (2) Where an allowance has been awarded under Clause 3 of this Schedule in respect of a wife or where an allowance for such person has been increased or awarded under paragraph (1) of this sub-clause the rate of the allowance may be increased by an amount not exceeding £7.72 per week, if the Ministry of Defence thinks fit having regard to the financial circumstances of the person in respect of whom the allowance has been granted.
- (3) Where the member is not in receipt of an allowance under Clause 3 of this Schedule in respect of a wife, an allowance may be awarded in respect of an adult dependant at the rate not exceeding £7.72 per week, if the Ministry of Defence thinks fit having regard to the financial circumstances of the person in respect of whom an allowance is claimed; provided that the member shall not be awarded an allowance in respect of more than one adult dependant.
- (4) An allowance may be awarded in respect of any child, not being an eligible member of the family, who should, in the opinion of the Ministry of Defence, be treated as such having regard to the child's relationship to, or connection with, the pensioner and other circumstances of the case, provided that any such allowance shall be at the rate and subject to the conditions which would be appropriate under Clause 3 of this Schedule if the child were an eligible member of the family.
- (5) Where an allowance has been awarded under Clause 3 of this Schedule or paragraph 4 of this sub-clause in respect of a child or children, the rate thereof is to be as follows:

|                            | <i>Weekly Rate</i> |
|----------------------------|--------------------|
|                            | £                  |
| Each eligible child ... .. | 4.19               |

In the case of existing awards, transitional provisions provide for the aggregate rate of these allowances to be maintained if, exceptionally, it would be reduced by the application of the new rates.

- (6) Adjustment of allowances in respect of benefit payable out of public funds abroad.  
Where a person to or in respect of whom an allowance or increase may be or has been awarded under the foregoing provisions of this Clause is eligible for benefit payable out of public funds under the law of any place outside the United Kingdom being benefit which, in the opinion of the Ministry of Defence, is analogous to a benefit under the National Insurance Acts 1965 to 1971, the Ministry of Defence may take the benefit into account against the allowance or increase in such manner and to such extent as may be thought appropriate having regard to any adjustment which would be made if the person were eligible for the analogous benefit under the said Acts.

#### 10. *Invalidity Allowance*

(a) Where a member of the Maltese Naval Forces is awarded an allowance under Clause 9(b) of this Schedule in respect of unemployability and has not on the relevant date (whether before or after the 15th November 1978) attained the age of 60 years or, in the case of a woman member, the age of 55 years, he may be awarded an additional allowance as follows:

| <i>Age on Qualifying Date</i>                        | <i>Weekly Rate</i> |
|------------------------------------------------------|--------------------|
|                                                      | £                  |
| Under 35 years ... ..                                | 2.74               |
| Under 45 but not under 35 years ... ..               | 1.72               |
| 45 but under 60 years (man), 55 years (woman) ... .. | 0.86               |

(b) Subject to the following provisions of this Clause the relevant date for the purposes of sub-clause (a) of this Clause shall be the commencing date of the period in respect of which an allowance under Clause 9(b) of this Schedule is awarded and, if there have been two or more such periods, the commencing date of the latter or last of them.

(c) For the purposes of sub-clause (b) of this Clause where a break between two periods in respect of which an allowance under Clause 9(b) of this Schedule has been awarded does not exceed 13 weeks those periods shall not be treated as separate periods.

(d) Notwithstanding anything in the foregoing provisions of this Clause, the relevant date may be such other date as the Ministry of Defence may determine if in its opinion the circumstances of any particular case so require.

(e) This Clause shall not apply if on the date on which it comes into operation the member is a man over the age of 65 years or a woman over the age of 60 years.

(f) The provisions of paragraph 6 of Clause 9(c) of this Schedule, in so far as they provide for taking into account any benefit payable out of public funds under the law of any place outside the United Kingdom, shall apply to an allowance awarded under this Clause as they apply to a personal allowance awarded under that Clause.

#### 11. *Allowances for Comforts*

(a) A member of the Maltese Naval Forces who is in receipt of a pension under Clause 1 of this Schedule may be awarded an allowance for the provision of comforts:

- (1) At the rate of £3.56 per week where the member is in receipt of an allowance under Clause 5 of this Schedule and is—

- (a) in receipt of an allowance under Clause 9 of this Schedule; or
- (b) in receipt of pension in respect of disablement the degree of which is 100 per cent and which has been awarded in respect of multiple injuries which, in the opinion of the Ministry of Defence, render his disablement so severe as to justify the award of an allowance.

- (2) At the rate of £1.78 per week if he does not qualify for an award under paragraph (1) of this sub-clause but is in receipt of an allowance under Clause 5 or Clause 9 of this Schedule.

(b) For the purposes of this Clause, a member who would be in receipt of an allowance under Clause 5 of this Schedule if he were not in a hospital or other institution shall be deemed to be in receipt of an allowance under that Clause.

#### 12. *Allowances for Lowered Standard of Occupation*

A member of the Maltese Naval Forces who is in receipt of pension under Clause 1 of this Schedule, the degree of which is less than 100 per cent, who has been compelled after 1st April 1972, by reason of his disability, to adopt an occupation not equivalent to that regularly followed by him for a reasonable period before that date may be granted at Ministry of Defence discretion a special allowance at a rate not exceeding £8.47 per week so that the aggregate rate of his pension under Clause 1 of this Schedule together with the allowance under this Clause shall not exceed the rate of award which would have been appropriate in his case under the said Clause 1 if the degree of his disablement had been 100 per cent.

An allowance under this Clause shall not be payable to a member for any period in respect of which an allowance under Clause 9 of this Schedule is payable to him.

#### 13. *Age Allowance*

Where a member of the Maltese Naval Forces who is in receipt of pension under Clause 1 of this Schedule, in respect of disablement the degree of which is 40 per cent, or over, has attained the age of 65 years he may be awarded an allowance in accordance with the following Table:

| <i>Degree of Pensioned Disablement</i>       | <i>Rate of Allowance</i><br>(Weekly Rate) |
|----------------------------------------------|-------------------------------------------|
|                                              | £                                         |
| 40 to 50 per cent ... ..                     | 1.45                                      |

*Treatment***14. Treatment Allowances**

"Treatment" for the purpose of an award under this Clause and Clauses 15 and 16 of this Schedule means a course of medical, surgical or rehabilitative treatment which the Ministry of Defence is satisfied that a member of the Maltese Naval Forces should receive in consequence of any disablement in respect of which an award under this Order in Council or any previous Order in Council may be or has been made, but does not include any treatment which involves no, or only occasional, interruptions of the member's normal employment.

- (a) A member of the Maltese Naval Forces may be awarded in respect of any period during which he received approved treatment, a treatment allowance consisting of a personal allowance in respect of himself and any additional allowance which may be appropriate in his case in accordance with the following provisions of this Clause:

Provided that—

- (1) A treatment allowance shall be subject to such deductions or adjustments as the Ministry of Defence may think fit having regard to all the circumstances of the case.
  - (2) Where a member is in receipt of a treatment allowance under this Clause in respect of any period no payment shall be made in respect of that period of any other award under this Schedule except an award under Clauses 4, 6, 8, 9(b), 10 or 11, or in the case of treatment, other than treatment in a hospital or similar institution the whole or part of the cost of which is paid out of public funds, an award under Clause 5 or under Clause 7 subject to the provisions of sub-clause (b) of the proviso to that Clause.
- (b) The personal allowance in respect of the member shall be awarded at the rate of pension which would be appropriate under this Order in Council if the degree of that member's disablement were 100 per cent.
- (c) Where the member has attained the age of 65 years he may be awarded an increase of the allowance under sub-clause (b) of this Clause:
- (1) at a rate equal to that of the allowance which he would be receiving under Clause 13 of this Schedule but for proviso (2) to sub-clause (a) of this Clause or at such higher rate as the Ministry of Defence may determine having regard to the circumstances of the case; or
  - (2) at such rate as the Ministry of Defence may determine if of the opinion that an award should be made to a person who is not eligible for an award under the preceding paragraph.
- Provided that the rate of any increase under this paragraph shall not exceed £4.49 per week.
- (d) An additional allowance may be awarded in respect of an eligible dependant at the rate and subject to the conditions which would be appropriate under Clause 3 of this Schedule if that dependant were an eligible member of the family and the degree of the member's disablement were 100 per cent:
- Provided that where that eligible dependant is a wife (whether married to the member before or after the material date) the rate of the additional allowance in respect of that person may be increased by the rate of £6.44 per week as the Ministry of Defence may think fit having regard to the financial circumstances of that person.
- In the case of existing awards, transitional provisions provide for the aggregate rate of these allowances to be maintained if, exceptionally, it would be reduced by the application of the new rates.
- (e) Where a member of the Maltese Naval Forces is not in receipt of an allowance under sub-clause (d) of this Clause in respect of a wife an additional allowance may be awarded in respect of an adult dependant at the rate of £6.44 per week as the Ministry of Defence may think fit having regard to the financial circumstances of that adult dependant. Provided that the member shall not be awarded an additional allowance in respect of more than one adult dependant.

**15. Allowances where Abstention from Work is necessary following treatment in a hospital or similar institution**

(a) Where it is certified that a member of the Maltese Naval Forces should on completion of a course of treatment in a hospital or similar institution abstain from work in consequence of the condition which necessitated that treatment, he may be treated as if he were eligible for a treatment allowance under Clause 14 of this Schedule.

(b) This Clause shall not apply to a member of the Maltese Naval Forces who is in receipt of an allowance under Clause 9(b) of this Schedule.

**16. Allowance for Part-time Treatment**

Where a member of the Maltese Naval Forces receives treatment which would be treatment as defined in Clause 14 of this Schedule, but for the fact that it involves only occasional interruptions of the member's normal employment a treatment allowance may be awarded to the member at such rate, not exceeding £7.10 per day from 15th November 1978 and £8.18 per day from 24th January 1979 as the Ministry of Defence may think appropriate having regard to any loss of remunerative time by the member as a result of those interruptions, and provided that the rate of a treatment allowance awarded to a member under this Clause in respect of any period of a week or less shall not exceed the amount by which the weekly value of the member's existing award under this Schedule (excluding any award under Clauses 4, 5, 6, 7, 8, 9(b), 10, 11 or 13) falls short of the weekly value of the award which would have been appropriate in the case of that member under Clause 14 of this Schedule (excluding any award under sub-clause (c) of that Clause) had he been eligible for an award under that Clause.

**17. Medical Expenses**

Any necessary expenses in respect of the medical, surgical or rehabilitative treatment of a member of the Maltese Naval Forces not otherwise provided for may be defrayed by the Ministry of Defence under such conditions and up to such amount as the Ministry of Defence may determine.

The QUEEN'S Most Excellent Majesty in Council

Whereas by Order in Council dated 9th February 1978 and previous Orders in Council authority was given for the payment of awards to members of the naval forces in respect of disablement attributable to peace-time service before 3rd September 1939 at similar rates and subject to similar conditions as awards payable by the Department of Health and Social Security in respect of disablement attributable to service during the 1914 World War or after 2nd September 1939:

And whereas the Department of Health and Social Security have made further provision concerning disability retired pay, pensions and other grants payable to members of the naval forces:

And whereas it is expedient that corresponding improvements should be made in the disablement awards payable by the Ministry of Defence to members of the naval forces:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by section 11 of the Naval and Marine Pay and Pensions Act 1865 (c. 73), and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

1. This Order may be cited as the Naval and Marine Pay and Pensions (Disablement Awards) Order 1979.

2. Awards as set out in the Schedules to this Order shall be payable to Officers and men of the Royal Navy and Royal Marines in respect of disablement which on retirement or discharge or subsequently is certified to be attributable to service before the 1914 World War or during the period 1st October 1921 to 2nd September 1939 inclusive.

3. The rates and conditions of award shall take effect from 13th November 1978 for Officers and from 15th November 1978 for ratings and other ranks.

4. The date of commencement of pension shall be determined according to the circumstances of the case but payment shall not normally be made in respect of any period preceding the date of application or appeal as a result of which the claim to the award of the pension, or, as the case may be, to the continuance or resumption of the payment of the pension, is accepted.

(b) The special conditions governing the grant of these family allowances shall be as follows:

- (1) For a wife—if she is living apart from her husband, family element shall not be allowable in respect of her unless—  
 (a) she was being regularly maintained in whole or in part by her husband up to the date of any award or renewal of his disablement pension; and/or  
 (b) she is entitled to support under a separation or maintenance order; or  
 (c) the separation was caused by the husband's mental instability due to the disability in respect of which he is granted his disablement pension.

(2) "Child" in relation to a member of the naval forces means:

- (a) a legitimate child of the member;  
 (b) a legitimated child of the member;  
 (c) an illegitimate child of the member, who did not become legitimated upon the marriage of the member to the child's mother;  
 (d) an illegitimate child of the member to whom sub-paragraphs (c) and (g) of this paragraph do not apply, who was born before or within nine months after the date on which the member sustained the wound or injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension is granted; and who has been regularly maintained in whole or in part by the member up to the date of any award or renewal of his disablement pension, or is subject to an affiliation order in force against the member;  
 (e) a step-child of the member who is being regularly maintained in whole or part by him;  
 (f) a legally adopted child of the member;  
 (g) a foster child, that is to say a child who—  
 (i) was being brought up and wholly or mainly maintained by the member on the date on which he sustained the wound or injury, or was removed from duty on account of the disease, in respect of which his disablement award was granted, and  
 (ii) had been brought up and wholly or mainly maintained by the member for not less than six months (or such less period as the Ministry of Defence may determine in the exceptional circumstances of any case) prior to the date on which the member's service terminated, and  
 (iii) has been so maintained by the member up to the date of any award or renewal of his disablement pension.

(c) The expressions "removed from duty" or "removal from duty" shall be interpreted with reference to the date of the first removal from duty on account of the disease upon which the claim in respect of disablement is based, provided that if, as the result of service subsequent to the date of receipt of the wound or injury or of removal from duty, not being service after 2nd September 1939, the member suffered material aggravation of his disability, the date of removal from duty shall be that of the later removal on account of the disability; or, if there was no such removal, the date of termination of full pay service of the member.

(d) No award of family addition to disablement pension of a child shall be made, continued, or shall continue to have effect in respect of a child who has attained the child's age limit unless he is undergoing full time education and is under the age of 19 years.

(e) For the purposes of item (2) of the Table at Clause 3(a), the expression "first child" means the eldest child of the member after disregarding any child in respect of whom, by virtue of the last preceding paragraph, no award of an allowance under this article may be made, continued or continue to have effect.

(f) No award of an allowance under Clause 4 or 9(c)(4) or under Clause 14(e) (education, unemployability and treatment allowances in respect of a child of a member) shall be made, continued or shall continue to have effect in respect of a child who is over the child's age limit (16), unless he is—

- (a) a student or an apprentice; or  
 (b) incapable of self-support by reason of an infirmity which arose before he attained the child's age limit; and  
 (c) in either case the circumstances are, in the opinion of the Secretary of State, such as to justify the award or its continuance.

For the purposes of Clauses 4, 9(c)(4) and Clause 14(e), an award, continuance and amount of any allowance under those articles in respect of a child who is living apart from the member shall be at the discretion of the Secretary of State for Defence.

(g) Family additions to disablement pension in respect of an individual may be withheld if in the opinion of the Ministry of Defence the circumstances are not such as to justify a grant.

(h) Where an individual in respect of whom family addition to disablement pension is admissible is not residing with the member, the addition may, at the discretion of the Ministry of Defence, be granted independently, for the benefit of that individual, to some person other than the member.

#### Education Allowances

4. A member of the naval forces who is in receipt of retired pay or a pension under Clause 1 may be awarded an allowance in respect of a child (including a child who is a child of the member or by virtue of Clause 9(c)(4) is treated as a child of the member), for the purpose of the education of that child if:

- (a) the child has attained the age of 5 years; and  
 (b) the circumstances of the family are such as to require it; and  
 (c) the Ministry of Defence is satisfied that the type of education which the child is receiving, or is to receive, is suitable for the child.

The amount of any allowance under this Clause shall be determined by the Ministry of Defence but the total payments made in respect of any period of twelve months should not exceed £120.00 in respect of any one child.

#### *Allowance for Constant Attendance*

5. Where a member of the naval forces is in receipt of retired pay or a pension under Clause 1 in respect of disablement the degree of which is not less than 80 per cent, and it is shown to the satisfaction of the Ministry of Defence that constant attendance on the member is necessary on account of the disablement, he may be awarded an allowance at a rate not exceeding:

| <i>Officers<br/>(per year)</i> | <i>Ratings<br/>(per week)</i> |
|--------------------------------|-------------------------------|
| £662.20                        | £12.70                        |

Provided that in an exceptional case of very severe disablement the allowance may, subject to such conditions, as the Ministry of Defence may determine, be increased to a rate not exceeding:

| <i>Officers<br/>(per year)</i> | <i>Ratings<br/>(per week)</i> |
|--------------------------------|-------------------------------|
| £1,324.40                      | £25.40                        |

#### *Exceptionally Severe Disablement Allowance*

6. Where the disablement of a member of the naval forces is, and in the opinion of the Ministry of Defence is likely permanently to remain, such that he is, or if he were not in a hospital or other institution would be, in receipt of an allowance for constant attendance at a rate increased under the proviso to Clause 5, he may be awarded an allowance other than injury benefit or sickness benefit at the rate of:

| <i>Officers<br/>(per year)</i> | <i>Ratings<br/>(per week)</i> |
|--------------------------------|-------------------------------|
| £662.20                        | £12.70                        |

#### *Severe Disablement Occupational Allowance*

7. Where a member of the naval forces is in receipt of an allowance for constant attendance at a rate increased under the proviso to Clause 5, or would be in receipt of such an allowance if he were not in a hospital or other institution, he may for any period during which he is, in the opinion of the Ministry of Defence, ordinarily employed in a gainful occupation, be awarded an allowance at the rate of:

| <i>Officers<br/>(per year)</i> | <i>Ratings<br/>(per week)</i> |
|--------------------------------|-------------------------------|
| £331.10                        | £6.35                         |

Provided that no allowance shall be payable under this Clause to a member for any period in respect of which he is—

(b) in receipt of any such benefit as is mentioned in Clause 14(g) or a treatment allowance increased under Clause 14(d).

#### *Allowances for Wear and Tear of Clothing*

(1) where he wears a single artificial limb (other than a tilting table limb): £27.00 a year

(2) where he wears a tilting table limb or more than one artificial limb: £43.00 a year.

(b) In any other case in which the Ministry of Defence is satisfied that as a result of the pensioned disablement there is exceptional wear and tear of the member's clothing, an allowance not exceeding £43.00 a year may be awarded.

#### *Allowances for Unemployable Pensioners*

##### *9. (a) Eligibility*

Where a member of the naval forces is in receipt of retired pay or a pension under Clause 1 in respect of disablement so serious as to make him unemployable, he may be awarded allowances in accordance with such of the provisions of this Clause as may be appropriate in his case:

Provided that:

(1) such a member may be deemed to be unemployable although in receipt of earnings which are, in the opinion of the Ministry of Defence, and from 13th November 1978, unlikely to exceed £572 per year;

(2) such a member shall not be eligible for any award under this Clause if he is in receipt of a retirement pension (not being contributory old age pension) or age addition or graduated retirement benefit under the National Insurance Acts 1965 to 1971 or under any legislation in Northern Ireland corresponding to those Acts.

(b) Supplementation of retired pay or pension

A member coming within sub-clause (a) of this Clause may be awarded an allowance by way of supplement to his retired pay or pension, at the rate of:

| <i>Officers<br/>(per year)</i> | <i>Ratings<br/>(per week)</i> |
|--------------------------------|-------------------------------|
| £1,081.90                      | £20.75                        |

Provided that, in computing the said rates, account shall be taken, to such extent as the Ministry of Defence may think fit, of a contributory old age pension under the National Insurance Act 1946, or under any legislation in Northern Ireland corresponding to that Act for which the member may be eligible.

(c) Additional allowances for dependants

Where a member is awarded an allowance in accordance with sub-clause (b) of this Clause, he may also be awarded additional allowances in accordance with the following provisions of this sub-clause:

(1) Where an allowance has been awarded under Clause 3 in respect of a wife and children, the allowances will as from 1st October 1973 be paid at the rate appropriate to the assessment of the basic disablement pension. If at 1st October 1973 a wife is aged 60 years or over she will retain the 100 per cent disablement rate as long as she continues to be eligible for the allowance and, if on that date she is aged under 60 years and is working, she will retain the 100 per cent rate until she ceases to work. If she again resumes work after that date she will receive the allowance at the appropriate assessment rate.

(2) Where an allowance has been awarded under Clause 3 in respect of a wife or where an allowance for such person has been increased or awarded under paragraph (1) of this sub-clause the rate of the allowance may be increased by an amount not exceeding:

*Officers*  
(*per year*)  
£610·00

*Ratings*  
(*per week*)  
£11·70

if the Ministry of Defence thinks fit having regard to the financial circumstances of the person in respect of whom the allowance has been granted.

- (3) Where the member is not in receipt of an allowance under Clause 3 in respect of a wife, an allowance may be awarded in respect of an adult dependant at the rate not exceeding:

*Officers*  
(*per year*)  
£610·00

*Ratings*  
(*per week*)  
£11·70

if the Ministry of Defence thinks fit having regard to the financial circumstances of the person in respect of whom an allowance is claimed; provided that the member shall not be awarded an allowance in respect of more than one adult dependant.

- (4) An allowance may be awarded in respect of any child, not being an eligible member of the family, who should, in the opinion of the Ministry of Defence, be treated as such having regard to the child's relationship to, or connection with, the member, and other circumstances of the case, provided that any such allowance shall be at the rate subject to the conditions which would be appropriate under Clause 3 if the child were an eligible member of the family.
- (5) Where an allowance has been awarded under Clause 3 or paragraph (4) of this sub-clause in respect of a child or children, the rate thereof is to be as follows:

|                            | <i>Officers</i><br>( <i>yearly rate</i> )<br>£ | <i>Ratings</i><br>( <i>weekly rate</i> )<br>£ |
|----------------------------|------------------------------------------------|-----------------------------------------------|
| Each eligible child ... .. | 331·10                                         | 6·35                                          |

In the case of existing awards transitional provisions provide for the aggregate rate of these allowances to be maintained if, exceptionally, it would be reduced by the application of the new rates.

- (6) Adjustment of allowances in respect of benefit payable out of public funds abroad:

Where a person to or in respect of whom an allowance or increase may be or has been awarded under the foregoing provisions of this Clause is eligible for benefit payable out of public funds under the law of any place outside the United Kingdom being benefit which, in the opinion of the Ministry of Defence is analogous to a benefit under the National Insurance Acts 1965 to 1971, the Ministry of Defence may take the benefit into account against the allowance or increase in such manner and to such extent as may be thought appropriate having regard to any adjustment which would be made if the person were eligible for the analogous benefit under the said Acts.

#### *Invalidity Allowance*

10. (a) Where a member of the naval forces is awarded an allowance under Clause 9(b) in respect of unemployability and has not on the relevant date (whether before or after the coming into operation of this Clause) attained the age of 60 years or, in the case of a woman member, the age of 55 years, he may be awarded an additional allowance as follows:

| <i>Age on qualifying date</i>            | <i>Officers</i><br>( <i>per year</i> )<br>£ | <i>Ratings</i><br>( <i>per week</i> )<br>£ |
|------------------------------------------|---------------------------------------------|--------------------------------------------|
| Under 35 ... ..                          | 216·40                                      | 4·15                                       |
| Under 45 but not under 35 ... ..         | 135·60                                      | 2·60                                       |
| 45 but under 60 (men), 55 (women) ... .. | 67·80                                       | 1·30                                       |

(b) Subject to the following provisions of this Clause the relevant date for the purposes of sub-clause (a) of this Clause shall be the commencing date of the period in respect of which an allowance under Clause 9(b) is awarded and, if there have been two or more such periods, the commencing date of the latter or last of them.

(c) For the purposes of sub-clause (b) of this Clause where a break between two periods in respect of which an allowance under Clause 9(b) has been awarded does not exceed 13 weeks those periods shall not be treated as separate periods.

(d) If the unemployability in respect of which an allowance is awarded forms part of a period of interruption of employment for the purposes of the National Insurance Acts 1965 to 1971 which has continued without a break from a date earlier than the date fixed under sub-clauses (b) and (c) of this Clause, the relevant date shall be the first day of incapacity for work for those purposes in that period.

(e) Notwithstanding anything in the foregoing provisions of this Clause, the relevant date may be such other date as the Ministry of Defence may determine if in its opinion the circumstances of any particular case so require.

(f) This Clause shall not apply if on the date on which it comes into operation the member is a man over the age of 65 years or a woman over the age of 60 years.

(g) The provisions of paragraph 6 of Clause 9(c), in so far as they provide for taking into account any benefit payable out of public funds under the law of any place outside the United Kingdom, shall apply to an allowance awarded under this Clause as they apply to a personal allowance awarded under that Clause.

#### *Allowances for Comforts*

11. (a) A member of the naval forces who is in receipt of retired pay or pension under Clause 1 may be awarded an allowance for the provision of comforts:

- (1) at the rate of:

*Officers*  
(*per year*)  
£281·60

*Ratings*  
(*per week*)  
£5·40

where the member is in receipt of an allowance under Clause 5 and is:

(a) in receipt of an allowance under Clause 9; or

(b) in receipt of retired pay or pension in respect of disablement the degree of which is 100 per cent and which has been awarded in respect of multiple injuries which, in the opinion of the Ministry of Defence, render his disablement so severe as to justify the award of an allowance.

- (2) at the rate of:

*Officers*  
(*per year*)  
£140·80

*Ratings*  
(*per week*)  
£2·70

if he does not qualify for an award under paragraph (1) of this sub-clause but is in receipt of an allowance under Clause 5 or under Clause 9.

(b) For the purposes of this Clause, a member who would be in receipt of an allowance under Clause 5 if he were not in a hospital or other institution shall be deemed to be in receipt of an allowance under that Clause.

*Allowances for Lowered Standard of Occupation*

12. A member of the naval forces who is in receipt of retired pay or pension under Clause 1, the degree of which is less than 100 per cent who has been compelled after 1st July 1945, by reason of his disability, to adopt an occupation not equivalent to that regularly followed by him for a reasonable period before that date may be granted at Ministry of Defence discretion a special allowance at a rate not exceeding:

| <i>Officers<br/>(per year)</i> | <i>Ratings<br/>(per week)</i> |
|--------------------------------|-------------------------------|
| £665.30                        | £12.76                        |

so that the aggregate rate of his retired pay or pension under Clause 1 together with the allowance under this Clause shall not exceed the rate of award which would have been appropriate in his case under Clause 1 if the degree of his disablement had been 100 per cent.

An allowance under this Clause shall not be payable to a member for any period in respect of which an allowance under Clause 9 is payable to him.

*Age Allowances*

13. Where a member of the naval forces who is in receipt of retired pay or pension under Clause 1, in respect of disablement the degree of which is 40 per cent or over, has attained the age of 65 years he may be awarded an allowance in accordance with the following Table:

| <i>Degree of pensioned disablement</i>       | <i>Rate of Allowance</i>          |                                  |

|                                              | £                                 | £                                |
| 40 to 50 per cent ... ..                     | 114.70                            | 2.20                             |
| Over 50 but not exceeding 70 per cent ... .. | 177.30                            | 3.40                             |
| Over 70 but not exceeding 90 per cent ... .. | 250.30                            | 4.80                             |
| Over 90 per cent ... ..                      | 354.60                            | 6.80                             |

*Treatment**Treatment Allowances*

14. "Treatment" for the purposes of an award under this Clause and Clauses 15 and 16 means a course of medical, surgical or rehabilitative treatment which the Ministry of Defence is satisfied that a member of the naval forces should receive in consequence of any disablement in respect of which an award under this Order in Council or any previous Order in Council may be or has been made, but does not include any treatment which involves no, or only occasional, interruptions of the member's normal employment.

- (a) A member of the naval forces may be awarded in respect of any period during which he receives approved treatment, a treatment allowance consisting of a personal allowance in respect of himself and any additional allowance which may be appropriate in his case in accordance with the following provisions of this Clause:

Provided that—

- (1) a treatment allowance shall be subject to such deductions or adjustment as the Ministry of Defence may think fit having regard to all the circumstances of the case;
- (2) where a member is in receipt of a treatment allowance under this Clause in respect of any period no payment shall be made in respect of that period of any other award under this Schedule except an award under Clauses 4, 6, 8, 9(b), 10 or 11 or, in the case of treatment, other than treatment in a hospital or similar institution the whole or part of the cost of which is paid out of public funds, an award under Clause 5, or under Clause 7 subject to the provisions of sub-clause (b) of the proviso to that Clause.
- (b) The personal allowance in respect of the member shall be awarded at the rate of retired pay or pension which would be appropriate under this Order in Council if the degree of that member's disablement were 100 per cent.
- (c) Where the member has attained the age of 65 years he may be awarded an increase of the allowance under sub-clause (a) of this Clause:
  - (1) at a rate equal to that of the allowance which he would be receiving under Clause 13 but for proviso (2) to sub-clause (a) of this Clause or at such higher rate as the Ministry of Defence may determine having regard to the circumstances of the case, or
  - (2) at such rate as the Ministry of Defence may determine if of the opinion that an award should be made to a person who is not eligible for an award under the preceding paragraph.

Provided that the rate of any increase under this paragraph shall not exceed—

| <i>Officers<br/>(per year)</i> | <i>Ratings<br/>(per week)</i> |
|--------------------------------|-------------------------------|
| £354.60                        | £6.80                         |

- (d) Except where a member is in receipt of an allowance under Clause 9(b) or is receiving treatment in a hospital or similar institution and is not entitled to an additional allowance in respect of a dependant under the following provisions of this Clause, he may be awarded an increase of his personal allowance:

- (1) if he is not eligible for any such benefit as mentioned in sub-clause (g) of this Clause at the following rate:

| <i>Officers<br/>(per year)</i> | <i>Ratings<br/>(per week)</i> |
|--------------------------------|-------------------------------|
| £1,016.70                      | £19.50                        |

- (2) if he is eligible for such benefit at a rate lower than the appropriate rate specified in sub-paragraph 1 above at a rate equal to the difference between the lower rate and the rate so specified;
- (3) if he is not eligible for invalidity pension and allowance solely by reason of his failure to satisfy the contribution conditions of the National Insurance Acts 1965 to 1971, at the following rate:

| <i>Officers<br/>(per year)</i> | <i>Ratings<br/>(per week)</i> |
|--------------------------------|-------------------------------|
| £67.80                         | £1.30                         |

if sub-paragraph 1 above does not apply and on the relevant date the member was a man under the age of 60 years

- (e) An additional allowance may be awarded in respect of an eligible dependant (not being a child) at the rate and subject to the conditions which would be appropriate under Clause 3 if that dependant were an eligible member of the family and the degree of the member's disablement were 100 per cent;

Provided that:

- (1) where that eligible dependant is a wife (whether married to the member before or after the material date) the rate of the additional allowance in respect of that person may be increased by the rate of:

| <i>Officers<br/>(per year)</i> | <i>Ratings<br/>(per week)</i> |
|--------------------------------|-------------------------------|
| £508.40                        | £9.75                         |

as the Ministry of Defence may think fit having regard to the financial circumstances of that person;

- (2) Subject to the provisions of Clause 3(f) an additional allowance may also be awarded in respect of any child who is an eligible dependant at the rate of:

| <i>Officers<br/>(per year)</i> | <i>Ratings<br/>(per week)</i> |
|--------------------------------|-------------------------------|
| £96.50                         | £1.85                         |

- (3) The rate of an additional allowance awarded under sub-clause (e) of this Clause in respect of a child or children of a member may be further increased to the appropriate rate below if the member:

- (a) is in receipt of an increase of his personal allowance under sub-paragraph (c) of this paragraph or but for his age on the relevant date would be in receipt of such an increase, or  
(b) is in receipt of an allowance under Clause 9(b) or  
(c) having reached the age of 65 years (man) or 60 years (woman) is not eligible for retirement pension under the National Insurance Acts 1965 to 1971 or any benefit similar thereto as is referred to in paragraph 14(g) of this Clause, solely by reason of his failure to satisfy contribution conditions.

| <i>Officers<br/>(per year)<br/>each eligible child</i> | <i>Ratings<br/>(per week)<br/>each eligible child</i> |
|--------------------------------------------------------|-------------------------------------------------------|
| £331.10                                                | £6.35                                                 |

In the case of existing awards, transitional provisions provide for the aggregate rate of these allowances to be maintained if, exceptionally, it would be reduced by the application of the new rates.

- (d) Where a member of the naval forces is not in receipt of an allowance under sub-clause (e) of this Clause in respect of a wife an additional allowance may be awarded in respect of an adult dependant at the rate of:

| <i>Officers<br/>(per year)</i> | <i>Ratings<br/>(per week)</i> |
|--------------------------------|-------------------------------|
| £508.40                        | £9.75                         |

as the Ministry of Defence may think fit having regard to the financial circumstances of that adult dependant, provided that the member of the naval forces shall not be awarded an additional allowance in respect of more than one adult dependant.

- (e) The benefit referred to in sub-clause (d) of this Clause is personal benefit under the National Insurance (Industrial Injuries) Acts 1965 to 1971, sickness benefit, retirement pension, invalidity pension and allowance or contributory old age pension under the National Insurance Acts 1965 to 1971, or any benefit similar to the aforesaid benefits under any legislation in Northern Ireland corresponding to those Acts, or under the law of any place outside the United Kingdom which in the opinion of the Ministry of Defence is analogous to those Acts.

*Allowances where Abstinence from Work is necessary following treatment in a hospital or similar institution*

15. (a) Where it is certified that a member of the naval forces should, on completion of a course of treatment in a hospital or similar institution abstain from work in consequence of the condition which necessitated that treatment, he may be treated as if he were eligible for a treatment allowance under Clause 14.

(b) This Clause shall not apply to a member of the naval forces who is in receipt of an allowance under Clause 9(b).

*Allowances for Part-time Treatment*

16. Where a member of the naval forces receives treatment which would be treatment as defined in Clause 14, but for the fact that it involves only occasional interruptions of the member's normal employment, a treatment allowance may be awarded to the members at such rate, not exceeding £10.75 a day from 13th November 1978 and £12.40 a day from 22nd January 1979, as the Ministry of Defence may think appropriate having regard to any loss of remunerative time by the member as a result of those interruptions, and provided that the rate of a treatment allowance awarded to a member under this Clause in respect of any period of a week or less shall not exceed the amount by which the weekly value of the member's existing award under this Schedule (excluding any award under Clauses 4, 5, 6, 7, 8, 9(b), 10, 11 or 13) falls short of the weekly value of the award which would have been appropriate in the case of that member under Clause 14 (excluding any award under sub-clause (c) of that Clause) if he had been eligible for an award under that clause.

*Medical Expenses*

17. Any necessary expenses in respect of the medical, surgical or rehabilitative treatment of a member of the naval forces not otherwise provided for may be defrayed by the Ministry of Defence under such conditions and up to such amount as the Ministry of Defence may determine.

The Inspector will hear representations from any persons who have objected to the Order and, at his discretion, will hear representations from any other persons who may desire to appear and be heard.

The Order, which has been prepared by the Secretary of State under the above mentioned Act, is—

The Trunk Road (Various Roads, Bedford) (A428 and A6) (Prohibition and Restriction of Waiting, Loading and Unloading) Order 197, notice of which was first published on 1st September 1978 and, due to an industrial dispute involving publication of the *London Gazette*, on 9th February 1979.

The Order has been proposed to provide remedies for the following problems:

- With the prohibition of entry from Cauldwell Street into Cardington Road and the withdrawal of traffic signals at St. Mary's Street/Cauldwell Street Junction, there has been an increase in traffic along St. John's Street. The impending closure of Kingsway Link will give rise to a further increase in traffic volumes and will also result in a considerable increase in weaving manoeuvres undertaken by vehicles approaching Wilmers Corner Roundabout. Consequently the existing limited parking on the western side of the road will cause congestion and danger.
- The existing waiting restrictions in Tavistock Street cause congestion and danger on this very busy section of road. Double parking occurs at times when delivery vehicles cannot obtain access to the carriageway edge, thus leaving only enough width for one line of traffic. (There is sufficient space for both on and off street parking in the immediate vicinity of Tavistock Street. The safety of pedestrians has been increased by the installation of a Pelican Crossing.)
- The Bromham Road/St. Loyes Street/Dame Alice Street section of trunk road carries considerable traffic and the parking of vehicles on this road causes congestion. (Facilities are available in the vicinity for on and off street parking within a short walking distance along the whole road.)

Copies of the above mentioned draft Order and plans referred to therein have been deposited and may be seen at all reasonable hours free of charge at the Departments of the Environment and Transport, 2 Marsham Street, London S.W.1, and at the offices of the Regional Controller (Roads and Transportation), Eastern Region, Heron House, 49-51 Goldington Road, Bedford MK40 3LL; Bedfordshire County Council, County Hall, Bedford; North Bedfordshire Borough Council, Town Hall, Bedford.

*D. J. Harwood*, Chief Administration Officer to the Regional Controller (Roads and Transportation), Eastern Region, Department of Transport.

#### ROAD TRAFFIC REGULATION ACT 1967— SECTION 12 (1)

*The Trunk Road (St. Neots Road, Madingley) (A45) (Temporary Prohibition of Traffic) Order 197*

Notice is hereby given that the Secretary of State for Transport has made an Order, the effect of which is to close to traffic that length of the Felixstowe to Weedon Trunk Road (A45) known as St. Neots Road, Madingley in the County of Cambridgeshire.

The Order which has been made to enable work to be carried out at the junction of the south-western link of the Madingley Interchange with the A45, takes effect from 09.00 hours on Sunday, 22nd April 1979 until such time as the said works have been completed.

The alternative route for westbound traffic will be via the south-eastern link of Madingley Interchange with the A45, along Cambridge Northern Bypass to the Scotland Road Interchange of Hardwick Bypass.

Eastbound traffic should use the same route in the opposite direction.

*W. G. Martin*, a Higher Executive Officer in the Department of Transport.

#### ROAD TRAFFIC REGULATION ACT 1967— SECTION 12 (4)

*The Trunk Road (Northampton Street, Cambridge) (A45) (Prohibition of Left Turn) (Temporary Suspension) Order 1979.*

Notice is hereby given that the Secretary of State for Transport has made an Order, the effect of which is to suspend the provisions of the Trunk Road (Cambridge) (Prohibition of Left Turn) Order 1978 so as to allow, temporarily, left turns from Northampton Street into Castle Street.

The Order, which has been made to facilitate diversions of traffic made necessary by the laying of sewers, will take effect from 22nd April 1979. It is expected that the suspension of the left turn ban will be in operation for approximately 15 months.

The suspension of the left turn ban is necessary due to the laying of new sewers in roads adjacent to the Trunk Road namely Lady Margaret Road, Mount Pleasant, Shelley Row and Albion Row. As a consequence these roads have been closed to northbound traffic. The only alternative for this traffic is Storeys Way which is not suited to carry the volume of traffic diverted. Accordingly the Secretary of State has agreed to the suspension of the ban on Left Turns from Northampton Street into Castle Street.

*W. G. Martin*, a Higher Executive Officer in the Department of Transport.
