SECTION I

Service Retired Pay

1. The provisions of this section relate to officers holding permanent or pensionable commissions in the Royal Navy, Royal Marines, Queen Alexandra's Royal Naval Nursing Service and the Women's Royal Naval Service who retire from the Active List on or after the date specified in Clause 1 (b) of Schedule IX. Subject to the provisions of the Forfeiture Act 1870, the Admiralty Pensions Act 1921 and Schedule III below, they relate also to retired officers whose commissions are terminated or whose names are removed from the List of Retired Officers because of misconduct. Except in the case of attributable invaliding they do not apply to officers holding temporary or short service commissions or officers on the Supplementary List who have not been granted permanent or pensionable commissions. There is no eligibility to receive an award under earlier regulations.

2. An officer who is permitted to cease employment on attaining the age limit fixed for service in his rank and branch or is retired compulsorily, it having been decided that further employment is not available for him, may be granted retired pay provided that he has completed at least 16 years' reckonable Service as defined in Clauses 22 to 26 of this Schedule. In the event of eligibility for full pay continuing after formal retirement the award will take effect from the day following that in respect of which full pay was last payable, except as specified in Clauses 32 to 34 below.

Retirement for marriage

3. A member of the Queen Alexandra's Royal Naval Nursing Service or an officer of the Women's Royal Naval Service who is permitted to retire on marriage or for compassionate reasons where the Secretary of State is satisfied that such reasons necessitate retirement or termination of service is to be treated as retiring compulsorily for retired pay purposes. Permanent officers who have completed at least 4 years' service as officers and are permitted to retire or are required to terminate their service on marriage or for compassionate reasons where the Secretary of State for Defence is satisfied that such reasons necessitate retirement or termination of service and who are not eligible for the award of a preserved pension may be awarded a gratuity in respect of service given up to and including 5th April 1978 at the rates shown in Clause 3 of Schedule IX.

4. The rate of retired pay will be based on the officer's rank for retired pay purposes as defined in Clauses 17 to 21 and on the length of his reckonable service calculated in accordance with Clause 26 of this Schedule.

In this Schedule the term retired pay should be read as including Service Retired Pay, Service Invaliding Retired Pay, and Service Attributable Retired Pay.

Voluntary Retirement

5. An officer with at least 16 years' reckonable service who retires at his own request before reaching the normal retirement age for his rank and branch on or after reaching the age of 40 years and before reaching the age of 50 years may be granted retired pay at the rates set out in Clause 3 of Schedule IX abated by 7½ per cent. Retired pay will be re-assessed at age 60 in accordance with Clause 8 of Schedule III. At other ages the retired pay will be as indicated in Clause 3 of Schedule IX.

An officer who serves for less than 5 years after the grant of his permanent and pensionable commission will not be eligible for retired pay on voluntary retirement but may be awarded either a preserved pension in accordance with Schedule III or any service pension or gratuity for which he may be eligible by virtue of service as a rating.

A2

Service Invaliding Retired Pay

6. Officers serving on permanent and pensionable commissions who are non-attributably invalided on or after the date specified in Clause 1 (b) of Schedule IX and who have completed at least 5 years' service of which at least 2 years have been served from the age of 21 years may be awarded Service Invaliding Retired Pay at the rates shown in Clause 4 of Schedule IX.

7. Where, however, an officer is invalided in his last year of service or where in the view of the Discretionary Awards Panel the circumstances of the case justify it, a lesser award may be made than that shown in Schedule IX Clause 4.

8. Where it would be more favourable to the officer, Service Invaliding Retired Pay will be re-assessed at the age of 60 years under the terms for preserved pensions in Schedule III. In such a case a preserved terminal grant will also be awarded at the age of 60 years, the amount of which will be three times the difference between the original award of invaliding retired pay and the original rate of preserved pension, uplifted by the appropriate pensions increase measures in force before the officer's 60th birthday.

9. An officer who is non-attributably invalided with less than 5 years' qualifying service but with at least 2 years' qualifying service may be awarded a gratuity at the rates shown in Clause 6 of Schedule IX. These rates do not apply to officers serving on short service commissions and non-pensionable commissions.

10. Where an officer has more than 4 years' qualifying service but less than 5 years' qualifying service he may be awarded a gratuity proportionate to the number of days by which his service exceeds 4 years.

Service Attributable Retired Pay

11. Irrespective of their length of service all officers, including those on short service commissions who are invalided with a degree of disability assessed at 20 per cent. or more may be awarded Service Attributable Retired Pay provided such disability shall be accepted by the Department of Health and Social Security as being attributable to or aggravated by their period of service. The rank on which the award is based will be determined in the same way as for Service Invaliding Retired Pay. The award of Service Attributable Retired Pay will be at the appropriate rate of Service Invaliding Retired Pay unless this be less favourable than the minimum rate as shown in Clause 5 of Schedule IX (including cases where an officer is not eligible for such an invaliding award) in which case the latter will apply. In either case the award will be tax-free.

12. Eligibility to receive an award of Service Attributable Retired Pay shall extend in time of general mobilisation or imminent national danger or emergency to officers of the Royal Naval Reserve, the Royal Marines Reserve, Queen Alexandra's Royal Naval Nursing Service Reserve and the Women's Royal Naval Reserve; also to members of University RN units who join as Honorary Midshipmen RNR but not to combined Cadet Forces officers or to Sea Cadet Corps officers other than those who are members of a reserve force specified above.

13. This award may be paid concurrently with any disablement pension or other Department of Health and Social Security allowances except that Service Attributable Retired Pay will be abated by the amount of any Unemployability Supplement put into payment by the Department of Health and Social Security within 12 months of their determination of attributability provided the amount abated shall not exceed the excess of the minimum rate set out in Clause 5 of Schedule IX over the appropriate rate of Service Invaliding Retired Pay.

14. Should the degree of disability increase at any time, the rate of Service Attributable Retired Pay will be reviewed. If the degree of disability decreases, however, attributable retired pay will only be reviewed during the 12 months immediately following retirement unless the degree of disability falls below 20 per cent in which case it will be abated whenever that occurs by the difference between the minimum attributable rate and the appropriate rate of Service Invaliding Retired Pay.

15. Where the rate of Service Attributable Retired Pay is reviewed the revised rate will be that appropriate to the revised degree of disability, enhanced where applicable by relevant pensions increase measures promulgated in the Order in Council which applies to the year in which the officer was invalided.

16. An adjustment to the excess of the minimum rate over the appropriate rate of Service Invaliding Retired Pay may be made in cases where an officer recovers damages for the injury which led to the attributable invaliding.

17. The excess of the minimum rate over the appropriate rate of Service Invaliding Retired Pay is not commutable.

18. In addition to any award of attributable retired pay under Clause 11 of this Schedule any officer invalidated from attributable causes may be awarded either:

- (i) the terminal grant, if any, for which he would have been eligible on non-attributable invaliding plus an additional attributable gratuity if his degree of disability is 20 per cent or more at the rate shown in Clause 7 of Schedule IX or,
- (ii) the gratuity which he would have received on non-attributable invaliding except that an officer with less than 2 years' qualifying service, including an officer with less than 20 per cent disability may receive not less than half the 2 year rate of invaliding gratuity, plus an additional attributable gratuity if his degree of disability is 20 per cent or more at the rate shown in Clause 7 of Schedule IX.

Terminal Grants in Addition to Retired Pay

19. An officer retired from the Active List and awarded Service Retired Pay or Service Invaliding Retired Pay under this Schedule may be awarded a terminal grant in addition to his retired pay, under the following conditions:

- (a) The standard rate of grant will be three times the annual amount of the retired pay awarded under this Schedule.
- (b) Except as provided in Clause 6 of Schedule IV and in the case of an invaliding award being exceeded by preserved benefits an officer can qualify only once for a grant.
- (c) The grant will be free of income tax.

20. In the event of eligibility for full pay continuing after formal retirement payment of terminal grant will not be made before the day following that in respect of which full pay was last payable.

Rank for Retired Pay Purposes

21. Subject to the following Clauses, the rank for retired pay purposes shall be the substantive rank held by the officer on his retirement, provided that, unless the officer is invalidated, the rank had been held on the Active List for the following minimum periods:

- (a) Admiral ; General, Royal Marines ... 1 year
- (b) All other officers 2 years

If the substantive rank has been held for less than the period specified, the rank for retired pay purposes shall be the highest substantive rank which (with periods spent on higher substantive rank) satisfies the condition.

22. Service as Acting Captain, Royal Navy may be reckoned towards the requirement of 6 years' service as Captain irrespective of the date of substantive promotion.

Additions to Retired Pay for Service in Paid Acting Rank

23. Subject to the general conditions in Clause 20 of this Schedule, paid acting and temporary rank held by officers of the Royal Navy, Royal Marines, and Women's Royal Naval Service and members of Queen Alexandra's Royal Naval Nursing Service, may reckon for increase of retired pay as follows:

- (a) For each complete year (subject to a maximum of 3) for which the paid acting or temporary rank was held, there may be added one-third of the difference between the retired pay for which the officer is eligible and the retired pay for which he would have been eligible had his rank for retired pay been one rank above his substantive rank.
- (b) Where an officer has previous service in a higher substantive rank which does not qualify him for the retired pay of that rank such service may reckon for retired pay as if it had been acting or temporary rank.
- (c) Parts of a year in acting or temporary rank will be calculated proportionately provided the acting or temporary rank has been held for a minimum period of 1 year.

General Conditions

24. (a) Only paid acting or temporary rank held on or after 3rd September 1939 will count.

(b) In no case shall service in an acting or temporary rank earn a rate of retired pay higher than would have been earned if the acting or temporary rank had been substantive.

(c) The "complete" years referred to in Clause 23 (a) of this Schedule need not be continuous in time but may be made up of broken periods.

25. The Secretary of State for Defence may fix a date after which periods in acting or temporary rank will no longer be reckonable for additions to retired pay.

Definitions of Service

26. The following periods may be included in assessing qualifying and reckonable service for the purpose of this Schedule:

- (a) Subject to Clause 29 of this Schedule, full pay service (including mobilised or embodied service or for the purpose of training) as an officer, rating or other rank of the Royal Navy, Royal Marines, Women's Royal Naval Service, Queen Alexandra's Royal Naval Nursing Service, the Army or the Royal Air Force or of the Auxiliary and Reserve Forces, and of the former Armed Forces of India or Burma, or of the Armed Forces of the British Commonwealth or Colonies, provided that where appropriate such service would be reckonable as qualifying service under Army or Royal Air Force regulations; except broken periods each of less than 6 months' duration.
- (b) While a permanent regular officer, periods in appointments not remunerated from Navy Votes which the Secretary of State for Defence considers can reasonably be regarded as part of an officer's career as such. These shall be appointments to which the officer brings his Naval knowledge and from which he acquires additional experience and which have been officially offered to him as part of his naval service.
- (c) Periods before 1st August 1938, on unemployed pay, or on half pay not following the sentence of a Court Martial or the expiration of full pay sick leave, will reckon as service in full up to a maximum of 6 months in any one period or 2 years in all. Any such service not reckoning in full under the above rule will reckon as a third, subject to a maximum of 6 years such service reckoning as 2 years.

27. Loss of seniority or time forfeited by sentence of Court Martial or Disciplinary Court will not involve loss of service for retired pay or gratuity.

28. Except where an officer in receipt of retired pay is re-employed, service preceding a five-year interval in service shall not be included unless specially allowed by the Secretary of State for Defence, and eligibility to reckon such previous service will normally be determined at the time of resumption of service. Where, during a break in service, the officer has been a member of the Royal Naval Reserve, or other reserve of any of the Forces, undertaking or liable for periodical training, the period of such membership will not be considered an interval in service for the purpose of deciding whether the previous service is admissible.

Previous Service for which a Non-Effective Award has been received

29. (a) In the case of previous service in respect of which the officer received a service gratuity, or in any case of previous service other than in the Royal Navy, the Royal Marines, the Army, or the Royal Air Force, it may be stipulated as a condition for allowing such service to reckon for retired pay, that the officer shall make a payment to Navy Funds, either in a lump sum or otherwise. In default of such payment as may have been stipulated the previous service will not be reckonable for the purposes of a non-effective award.

(b) If an officer has continued to draw concurrently with full pay the retired pay or other analogous award payable in respect of previous service, the further service will normally not confer eligibility for improved benefits in final termination of employment.

Counting the Service

30. (a) *Reckonable Service.* All service as defined above from the age of 21 years will count in full as reckonable service.

(b) *Qualifying Service.* All service as defined above from the age of 18 years will count in full as qualifying service.

(c) "Completed years of service" "years of qualifying service" and "years of reckonable service" mean full pay service up to and including the last day on full pay.

Special Rules relating to officers promoted from the Ranks

31. (a) *Permanent Commission.* A rating promoted to a permanent commission while serving on a normal regular engagement may on retirement be granted either:

- (i) Retired pay under the conditions set out in this Schedule, or
- (ii) Retired pay under the current rules for the award of ratings' pensions; whichever is more to his advantage.

(b) *Temporary Commission.* A rating promoted to a temporary commission on the Special Duties List may on retirement after completing 7 or more years of commissioned service be awarded retired pay under the conditions set out in this Section, where this is more favourable. An officer who retires at his own request may be awarded additions for commissioned service in accordance with Clause 13 of Schedule II subject to the total award not exceeding the amount which would have been payable had the officer been on a permanent commission.

Retirement for Incapacity, Unsuitability or Inefficiency

32. (a) *Not within an officer's control.* An officer who is retired for incapacity, unsuitability or for inefficiency not due to causes within his own control, and having at least 16 years' reckonable service, may be granted retired pay as for a compulsory retirement on account of non-employment.

(b) *Within an officer's control.* An officer who is retired for incapacity or inefficiency due to causes within his own control, but not amounting to misconduct, and having at least 16 years' reckonable service, may be granted an award of retired pay at such rate as the Secretary of State for Defence may determine, but not in any event exceeding the rate which would have been admissible had he retired voluntarily.

SECTION II

Half Pay and Terminal Grants for Admirals of the Fleet

33. An Admiral of the Fleet will be eligible, during periods for which he does not receive full pay, for half pay as specified in Clause 3 of Schedule IX.

34. An Admiral of the Fleet on completion of active service may, an being placed on half pay, be awarded a tax-free terminal grant three times the rate of that half pay. He shall not, however, be eligible for any further terminal grant on the conclusion of any subsequent period of full pay service.

SECTION III

Optional Service Gratuities for Permanent officers (other than officers on the Special Duties List) and for officers holding Pensionable Commissions on the Supplementary List.

35. (a) Permanent officers (other than those on the Special Duties List) and Pensionable Supplementary List officers who, but for the introduction of the preserved pension scheme, would be eligible for a gratuity, may, if they left the Service before 6th April 1978 opt to receive a gratuity in accordance with the following regulations in lieu of any entitlement to preserved benefits (see Schedule III) and Resettlement Grant they might have under section V of Schedule X:

- (i) On compulsory retirement for age or non-employment with at least 10 years' qualifying service:

	Male Rates £	Female Rates £
For the first 10 years' qualifying service	4,375	4,178
For each further year of qualifying service—an addition of ...	870	831

- (ii) On voluntary retirement with at least 10 years' qualifying service, 5 years of which shall have been served since the grant of a permanent or pensionable commission:

	Male Rates £	Female Rates £
For the first 10 years' qualifying service	4,375	4,178
For each further year of qualifying service—an addition of ...	870	831

(b) If retired on account of incapacity, unsuitability or inefficiency not due to causes within the officer's control:

- (i) If with 10 or more years' qualifying service, a gratuity at the discretion of the Secretary of State for Defence

A3

not exceeding the amount which would have been admissible under sub-Clause (a) of this Clause.

- (ii) If with less than 10 but not less than 2 years' qualifying service a gratuity at the discretion of the Secretary of State for Defence, not exceeding £335 (£320 for female officers) for the first two years' qualifying service with additions at the rate of £335 (£320 for female officers) for each additional complete year of qualifying service.

(c) If retired for incapacity, unsuitability of inefficiency or other cause within his own control, but not amounting to misconduct, with at least 10 years' qualifying service, 5 years of which shall have been served since the grant of a permanent or pensionable commission, a gratuity of such amount as the Secretary of State for Defence may determine but not in any event exceeding the amount admissible under sub-Clause (a) (ii) of this Clause.

(d) If retired for misconduct, or on termination of commission for any of the reasons set out in Clauses 7 and 9 of Schedule III, with at least 10 years' qualifying service, 5 of which shall have been served since the grant of a permanent or pensionable commission, a gratuity or a compassionate gratuity if the Secretary of State for Defence so decides and of such amount as he may determine, but not in any event exceeding 90 per cent. of the award which would have been admissible had the officer retired at his own request.

36. An officer who originally retired at his own request with a gratuity only, may receive an additional proportionate gratuity of £650 (£621 for female officers) for each year of re-employed service.

Gratuities for Supplementary List Aircrew Service on Pensionable Commissions

37. (a) Supplementary List Aircrew serving on Type B 16/38 pensionable commissions who exercise their options to leave the Service at their 8 or 12 year breakpoints which occur before 6th April 1978 will be eligible for a tax-free gratuity as follows:

- (i) On completion of 8 years' satisfactory service on the Active List £4,320.
- (ii) On completion of 12 years' satisfactory service on the Active List £5,000.

(b) Officers serving on Type B 16/38 pensionable commissions who exercise their options to leave the service at their 8 or 12 year breakpoints which occur on or after 6th April 1978 will be entitled to either:

- (i) a preserved pension and tax free preserved terminal grant based on reckonable service from 6th April 1978 plus an immediate tax-free gratuity as specified in Clause 3 of Schedule IX,
- or,
- (ii) a preserved pension and tax-free preserved terminal grant payable at the age of 60 years based on all reckonable service from the age of 21 years. In addition those officers who have completed at least 9 years' reckonable service may be awarded an immediate tax-free resettlement grant.

38. Officers who leave at any time other than at their optional breakpoints will have any award of retired pay or preserved benefits assessed in accordance with section I of this Schedule and with Schedule III.

SCHEDULE II

SECTION I

1. The provisions of this Schedule relate to ratings of the Royal Navy, other ranks of the Royal Marines, Naval Nurses of Queen Alexandra's Royal Naval Nursing Service and ratings of the Women's Royal Naval Service who give service on full pay on or after the date specified in Clause 1 (b) of Schedule IX. They do not apply to RN locally entered ratings. Eligibility to receive an award under earlier regulations is hereby extinguished.

2. Except where otherwise stated, the term 'ratings' in this Schedule should be read as including Non-Commissioned Officers, Fleet Chief Petty Officers, Chief Petty Officers, Petty Officers, ratings and other ranks of the Royal Navy, Royal Marines and the Women's Royal Naval Service and Naval Nurses of Queen Alexandra's Royal Naval Nursing Service.

Conditions of Award

3. A service pension and terminal grant assessed as in Clauses 11 to 16 of this Schedule may be awarded to:

- (a) A rating who is discharged having completed at least 22 years' reckonable service.
- (b) A rating who is invalided provided he has completed at least 5 years' reckonable service.

4. A rating who is discharged not more than 91 days before completing 22 years' reckonable service so that he may enter civil employment which he has obtained but which cannot be held open for him beyond that period, may be awarded a service pension and terminal grant calculated on the actual reckonable service he has rendered, provided that this is not less than 21 years and 274 days.

5. Subject to Clause 16 of this Schedule pensions may be awarded at the rates set out in Clause 8 of Schedule IX to United Kingdom ratings discharged from service on or after the date specified in Clause 1(b) of Schedule IX.

Terminal Grant

6. A terminal grant in addition to service pension or service invaliding pension will be payable at a rate equal to three times the annual value of any pension awarded. Where an addition in respect of a gallantry award is made to a pension under the provisions of Order in Council of 14th October 1947, such addition shall be omitted for the purpose of assessing the terminal grant.

Reckonable Service

7. Reckonable service for the purpose of determining entitlement to service pension will, subject to Clauses 8 to 10 of this Schedule, be as follows:

- (a) Unforfeited full pay service given, otherwise than as a commissioned officer, after attaining the age of 18 years, in the Royal Navy, the Royal Marines, the Army, the Royal Air Force, or in the Armed Forces of the British Commonwealth or Colonies, or in the former Armed Forces of India or Burma.
- (b) Service as a commissioned officer which would reckon under Clauses 4 to 6 of Schedule I.
- (c) Periods on full pay for the purposes of training while a member of the Auxiliary or Reserve Forces, except broken periods individually of less than six months' duration.
- (d) Whilst a regular rating, periods in appointments not remunerated from Navy Funds which the Secretary of State for Defence may decide can reasonably be regarded as part of the rating's career as such. These will generally be appointments to which the rating brings his Naval knowledge and from which he acquires additional experience and which have been offered to him as part of his Naval service.
- (e) In the case of women, full-time employment as a Naval Nurse in Queen Alexandra's Royal Naval Nursing Service or with the Navy, Army or Air Force as a member of a Voluntary Aid Detachment.

8. The following shall not be reckonable service:

- (a) Periods of imprisonment or detention, whether awarded summarily or by sentence of a Court Martial; or confinement in cells.
- (b) Time forfeited through conviction by the Civil Power; or consequent upon an Order made under any Act relating to the Probation of Offenders.
- (c) Time spent in desertion and, unless restored by the Secretary of State for Defence, any service preceding desertion.
- (d) Any service during which pension is drawn except as provided in sections IV and V of this Schedule.
- (e) Service rendered by any person who shall have, re-entered after having been dismissed from Her Majesty's Service with disgrace or discharged with ignominy.

9. (a) In the case of previous service in respect of which the rating received a service gratuity (including a gratuity in respect of supplemental or extended service), it shall be a condition of allowing such service as reckonable service under Clause 7 of this Schedule that the gratuity shall be refunded either in a lump sum or otherwise.

(b) In any case of previous service other than in the Royal Navy, Royal Marines, Army or Royal Air Force, it may be stipulated as a condition for the allowing of such service towards pension or gratuity that the person makes a payment in respect of previous excess remuneration received to Navy Funds, either in a lump sum or otherwise of such amount as the Secretary of State for Defence may determine.

10. Service preceding a five-year interval in service will not be reckonable unless specially so allowed by the Secretary of State for Defence, and eligibility to reckon such service will normally be determined at the time of resumption of service. However, the following periods will not be regarded as intervals in service for the purpose:

- (a) A period during which a man was a member of a Reserve Force undertaking, or liable for, periodical training.
- (b) A period during which a man, although not a member of an organised reserve, remained liable for recall, provided his period of service included a period of war service. War service for this purpose is defined as full pay service between 3rd September 1939 and 15th August 1946.

Assessment of Pension

11. Except as provided in Clauses 17 and 21 of this Schedule, and Clause 2 of Schedule VI pension will be based on the length of reckonable service and on the highest paid rank, whether acting or confirmed, held for an aggregate period of 2 years or more during the 5 years' reckonable service preceding discharge to pension. Where during his final 5 years of service a rating has completed less than 2 years but at least one year in his highest paid rank his pension will be assessed on the paid rank which he has held for an aggregate period of 2 years or more with an addition of one-third of the difference between the rate for that rank and the rate for the next higher rank for each year (subject to a maximum of 2 years) served in a rank or ranks higher than that on which pension is based. Where more than two ranks have been held during the last 5 years of service and the required 2 years has not been served in any one rank, paid service in a higher rank may, where it is to a rating's advantage, be treated as if it were in all respects service in a lower rank. The addition to pension will be calculated by reference to years and days of service rather than to completed years.

Addition for Aircrew Service

12. Ratings who have given or are giving service which under regulations in force prior to 1st April 1972, would give them title to an addition to pension in respect of aircrew service and who, on or before 1st June 1972, engaged to serve for longer than 12 years will be eligible for an addition to their pension shown below in respect of their total aircrew service at the time of discharge at the rates applicable on 31st March 1972 subject to the total pension not exceeding the following limits:

Pension Addition

- | | |
|---------------------------|--|
| (a) Pilots and Navigators | £0'09 a week for each year of aircrew service. |
| Other Aircrew Categories | £0'08 a week for each year of aircrew service. |

Pension Limit

50 per cent. of the Band VII rate of military salary plus Long Service Pay appropriate to the rank on which the pension is assessed.

Pension Addition

- | | |
|------------------------|--|
| (b) Air Quartermasters | £0'06 a week for each year of aircrew service. |
|------------------------|--|

Pension Limit

50 per cent. of the Band VI rate of military salary plus Long Service Pay appropriate to the rank on which the pension is assessed. Where the rating is also eligible for additions in respect of commissioned service the limit on total pension will be the higher of the two applicable limits.

Addition for Commissioned Service

13. Where a rating had previous commissioned service and has been awarded a service pension under the provisions of Clauses 11, 17 and 21 of this Schedule, an addition may be made to that pension as specified in Clause 8 of Schedule IX subject to Clause 16 and to a maximum of 9 years' such service. These additions will not be payable to officers with previous rating service who retire as officers on pensionable commissions (as opposed to temporary commissions) and opt for a rating's pension.

Previous service as a Maltese locally enlisted other rank or airman

14. Previous service as a Maltese locally enlisted other rank or airman which is otherwise reckonable for pension

purposes may be added to reckonable naval service for the award of a service pension and terminal grant. The pension and terminal grant will be assessed at the current rate appropriate for each period of service, but assessed for both periods at the rank determined under Clauses 11, 17 and 21 of this Schedule.

15. The rates in this Section are for complete years of service. Rates for residual parts of a year will be calculated proportionately according to the number of days.

Maximum Rates of Pension

16. Ratings who, on the date specified in Clause 1(a) of Schedule IX, were serving on engagements that could take them beyond 37 years' reckonable service (i.e. those who entered under the terms of DCI(RN)1104/64) will receive an addition to the 37 year rate of pension equal to 1/37 of the appropriate 37 year rate of pension for each year of reckonable service beyond 37 years subject to a maximum of 5 years, i.e. 5/37 of the 37 year rate of pension.

Extended Service

17. Where a rating has completed a pensionable engagement but is permitted to remain in the service in a lower rank he may on final discharge be awarded the pension he would have received had he been discharged on the date on which he reverted to the lower rank (but calculated in accordance with the rates current at the time of his final discharge).

18. He will also be eligible to reserve an addition in respect of the period of additional services (calculated in accordance with the rates current on the date of his final discharge) equal to the difference between the lower rank's rate of pension for the total period of reckonable service and the lower rank's rate for a period equal to that served before reversion to the lower rank.

19. Should the rating be re-employed after a break in service of less than 5 years as defined in Clause 10 of this Schedule, and should his period of re-employed service be 3 years or more than the increment shall be calculated in accordance with the rates of pension current at the time of his final discharge. Should the period of re-employed service be less than 3 years, the increment will be calculated in accordance with the rates of pension promulgated at the time of his original discharge.

SECTION II

Service Invaliding Pension

20. Ratings invalidated on or after the date specified in Clause 1(b) of Schedule IX and who have completed at least 5 years' reckonable service may be awarded Service Invaliding Pension at the rates shown in Clause 9 of Schedule IX.

21. Where, however, a rating is invalidated in his last year of service or where in the view of the Discretionary Award Panel the circumstances of the case justify it, a lesser award than that shown in Clause 9 of Schedule IX may be awarded.

22. In the case of those invalidated, pension may be based on the length of reckonable service and on the acting or confirmed rank held at the time of discharge provided the higher rank was a regular roster advancement, if this is more favourable than the rule in Clause 11 of this Schedule.

Service Invaliding Gratuities

23. The provisions of this Section relate to ratings/RM other ranks who are invalidated from the Service whether or not in receipt of Service Invaliding Pension or Service Attributable Pension.

24. Reckonable service for the purposes of this Section will be as for service pension in Clauses 7 to 10 of this Schedule. Where the total of reckonable service is not in complete years the residual period of less than a year will be reckonable in calculating the amount of the gratuity. The award for the residual part of a year will be calculated, according to the number of days, as a proportion of the increase for the next complete year at the appropriate point on the scale.

25. Ratings who are non-attributably invalidated on or after the date specified in Clause 1 (b) of Schedule IX, with less than 5 years' qualifying service but with not less than 2 years' may be awarded a gratuity at the rates shown in Clause 11 of Schedule IX.

26. Notwithstanding the provisions of this Schedule the award and amount of any Service Invaliding Pension or Gratuity shall be at the discretion of the Secretary of State for Defence.

A4

SECTION III

Service Attributable Pension

27. Irrespective of their length of service all ratings who are invalidated with a degree of disability assessed as 20 per cent or more may be awarded Service Attributable Pension provided their disability is accepted by the Department of Health and Social Security as being attributable to or aggravated by service. The rank upon which the award is based will be determined in the same way as for Service Invaliding Pension. The award of Service Attributable Pension will be at the appropriate rate of Service Invaliding Pension in respect of the rating's service unless this be less favourable than the minimum rate as shown in Clause 10 of Schedule IX in which the case will apply. In either case the award will be tax free. Eligibility to receive an award of Service Attributable Pension shall extend in time of general mobilisation or imminent national danger or emergency to ratings of the Royal Naval Reserve, other ranks of the Royal Marines Reserve, Naval Nurses of Queen Alexandra's Royal Naval Nursing Service Reserve and ratings of the Women's Royal Naval Reserve but not to Rating Instructors of the Sea Cadet Corps other than those who are members of a reserve force specified above.

28. This award may be paid concurrently with any disablement pension or other Department of Health and Social Security allowances except that Service Attributable Pension will be abated by the amount of any Unemployability Supplement put into payment by the Department of Health and Social Security within 12 months of their determination of attributability provided the amount abated shall not exceed the excess of the minimum rate set out in Clause 10 of Schedule IX over the appropriate rate of Service Invaliding Pension.

29. Should the degree of disability increase at any time, the rate of Service Attributable Pension will be reviewed. If the degree of disability decreases, however, attributable pension will only be reviewed during the 12 months immediately following retirement unless the degree of disability falls below 20 per cent in which case it will be abated whenever that occurs by the difference between the minimum rate and the appropriate rate of Service Invaliding Pension.

30. Where the rate of Service Attributable Pension is reviewed the revised rate will be that appropriate to the revised degree of disability, at the rate current at the date of invaliding enhanced where applicable by the pensions increase measures applicable to that pension.

31. An adjustment to the excess of the minimum rate over the appropriate rate of Service Invaliding Pension may be made in cases where a rating recovers damages for an injury which led to the attributable invaliding.

32. The excess of the minimum rate over the appropriate rate of Service Invaliding Pension is not commutable.

33. In addition to any award of attributable pension under Clause 27 of this Schedule any rating invalidated from attributable cause may be awarded:

- (i) The terminal grant, if any, for which he would have been eligible on non-attributable invaliding plus an additional attributable gratuity, if his degree of disability is 20 per cent or more at the rates shown in Clause 12 of Schedule IX; or
- (ii) The gratuity which he would have received on non-attributable invaliding except that a rating with less than 2 years' qualifying service, including a rating with less than 20 per cent disability, may receive not less than half the 2 year rate of invaliding gratuity, plus an additional attributable gratuity, if his degree of disability is 20 per cent, or more at the rates shown in Clause 12 of Schedule IX.

SCHEDULE III

SECTION I

Preserved Pensions and Terminal Grants

1. The provisions of this Schedule relate to officers of the Royal Navy, Royal Marines, Queen Alexandra's Royal Naval Nursing Service and Women's Royal Naval Service; ratings of the Royal Navy, other ranks of the Royal Marines, Naval Nurses of Queen Alexandra's Royal Naval Nursing Service and rating of the Women's Royal Naval Service before qualifying for immediate service on or after the date specified in Clause 1 (b) of Schedule IX and who leave the Service before qualifying for immediate service retired pay or service pension. Provided they have given a minimum period of either 5 years' reckonable service or 5 years' contracted-out

service they may be awarded a preserved pension at the rates shown in Clause 2 below. These provisions do not apply to officers serving on gratuity-earning short service engagements.

2. The rate of preserved pension will be:

(a) Officers—except Chaplains. For each year of reckonable service (from the age of 21 years) 3 per cent. of the 34 year rate of service retired pay appropriate to the rank or ranks for service retired pay purposes.

(b) Chaplains:

(i) with less than 10 years' reckonable service. For each year of reckonable service 3 per cent. of the 34 year rate of the service retired pay of a Lieutenant R.N.;

(ii) with 10 or more years' reckonable service. For each year of reckonable service 3 per cent. of the 34 year rate of the service retired pay of a Lieutenant-Commander R.N.

(c) Ratings R.N. and Other Ranks R.M. For each year of reckonable service (from the age of 18 years), 2.75 per cent. of the 37 year rate of service pension appropriate to the rank or ranks for service pension purposes.

Preserved terminal grant at three times the value of preserved pension will also be paid.

3. The preserved pension and terminal grant will normally be paid when the officer, rating or other rank attains the age of 60 years through payment may be made earlier if the pensioner becomes permanently incapable of working through physical or mental infirmity. The preserved pension when paid will be adjusted in accordance with such pensions increase measures as are applicable at the time of payment and the preserved terminal grant will be similarly adjusted.

4. Forfeiture or abatement of preserved pension may be made in certain cases but always subject to the provisions of section II of this Schedule.

5. A preserved pension will not be commutable in any circumstances.

Former Service

6. Where a preserved pension and terminal grant have been awarded for former service and the officer, rating or other rank re-enters within 5 years of release, the preserved pension and terminal grant may with the re-employed pensioners consent be cancelled, so that on final retirement the aggregate of former service and re-employed service will be assessed under the provisions of the Order in Council current at the time of final release.

SECTION II

Abatement, Forfeiture and Restoration of Retired Pay and Pensions

7. An officer or rating who is retired or discharged for incapacity or inefficiency due to causes within his own control or for misconduct, but is otherwise eligible for an award of immediate retired pay or pension and terminal grant under Schedule I or II may be granted that award at such reduced rate as the Secretary of State for Defence may determine. In the case of officers the award shall not exceed the rate which would have been admissible had he retired voluntarily, and in the case of ratings shall not exceed 90 per cent. of the award which would have been admissible had the discharge been on other grounds.

8. Where a rating has been disrated for misconduct or reverted for inefficiency or unsuitability during the 5 years preceding termination of full pay service and is eligible for a service pension under Clause 3 of Schedule II, the rank on which such pension is based will be determined by the Secretary of State for Defence having regard to the circumstances of the case.

Dismissal

9. An officer with at least 16 years' reckonable service who is dismissed the Service or dismissed with disgrace by sentence of a Court Martial or whose name has been removed from the List of Officers or who has been allowed to resign his commission to avoid trial by Court Martial may be granted a compassionate allowance at the discretion of the Secretary of State for Defence but not in any event exceeding the rate of retired pay which would have been admissible had he retired at his own request. In addition to this allowance the Secretary of State may, at his discretion, grant a compassionate gratuity not exceeding three times the amount of the allowance.

Grave Offences

10. For certain grave offences against the State or against military discipline as defined in Clause 14 of the Schedule

to Order in Council 9* of 25th July 1978, forfeiture

NPP

or abatement of immediate or preserved pension benefits may be imposed without right of restoration at any age. In such cases, the widow's benefits may also be abated or forfeited where in the opinion of the Secretary of State for Defence she was an accessory to, or profited by, the offence.

11. For serious offences against the State or against military discipline other than those defined in Clause 4 above abatement or forfeiture may be imposed subject to there being, at age 60, restoration of at least the minimum benefits required by Order in Council 9* dated 25th July

NPP

1978 and also, from the age of 65 years for men and 60 years for women, sufficient retired pay or pension to equal the amount of the Guaranteed Minimum Pension required by that Order in Council. In the case of other offences an abated or forfeited award may be restored and paid in full at the age of 60 years. For the purposes of this section a compassionate allowance awarded under Clause 3 above shall be treated as though it were a reduced award of retired pay.

12. Any half pay, retired pay, pension or terminal grant payable under Schedules I and II to this Order in Council may, subject to any restriction imposed by Order in Council

9* dated 25th July 1978, be abated at the discretion

NPP

of the Secretary of State to meet any public or service debt, including mess debts, long service advance of pay, judgment debts to the Crown, or any debt to Service charitable or benevolent funds.

13. Any restoration or retired pay or pension will attract pension increases and a corresponding re-assessment and payment of the balance of terminal grant, calculated as three times the difference between the restored rate of retired pay or pension and the abated award as increased by the appropriate pensions increase measures.

14. Premature Voluntary Retirement Officers who retire at their own request on or after the date specified in Clause 1 (b) of Schedule IX and who suffer an abatement of their immediate retired pay will, on attaining the age of 60 years and where it is to their advantage, have their retired pay and terminal grant re-assessed using the accrual rates set out in Clause 2 of this Schedule. Pension increases will be applied to any such re-assessment.

15. No abatement for premature voluntary retirement will be taken into account when assessing an award of preserved retired pay and terminal grant.

SCHEDULE IV

SECTION I

Retired Officers of the Royal Navy and Royal Marines: Re-employed in Peace-time

1. Except as provided in section III of this Schedule an officer who is on retired pay may, while re-employed for training or any authorised naval duty for periods not exceeding 6 consecutive months or aggregating 6 months or less in any 12 months, continue to draw his retired pay concurrently with any pay to which he is entitled; but payment of retired pay may be suspended when there is doubt about the duration of the period of re-employment. No retired pay will be payable when the period of re-employment exceeds 6 months, and where the retired officer has commuted any part of the retired pay which would have been liable to suspension had he not commuted, a deduction equivalent to the amount commuted will be made from his pay.

2. An officer whose service retired pay has been suspended under Clause 1 of this Schedule and who, having been placed on the Retired List before the date specified in Clause 1 (a) of Schedule IX, is re-employed on or after that date without an actual break in service, will be eligible on reversion to the Retired List for awards of retired pay and terminal grant under the provisions of Schedule I as appropriate for officers retiring on or after that date, assessed on the basis of former service added to re-employment service.

3. An officer whose service retired pay has been suspended under Clause 1 of this Schedule and who having had a break in service, is in re-employment on or after the date specified in Clause 1 (a) of Schedule IX may receive on reversion to the Retired List an award of retired pay

assessed on the basis of former service added to re-employed service as follows:

- (a) Under the provisions of Schedule I provided that
- (i) the period of re-employment is not less than 3 years; or
 - (ii) the officer is invalidated from re-employment; or
 - (iii) he originally retired on or after the date specified in Clause 1 (a) of Schedule IX;
- (b) If the officer originally retired before the date specified in Clause 1 (a) of Schedule IX and the period of his re-employment is less than 3 years and he is not invalidated, under the provisions of the Order in Council under which his retired pay was originally assessed.

4. If during re-employed service an officer has served in a rank higher than that held before original retirement and has received the pay and allowances appropriate to that rank, this service may be allowed to reckon for assessment of a revised rate of retired pay on a similar basis to that laid down in Clauses 23 to 25 of Schedule I.

5. If the officer had originally retired at his own request, re-assessed retired pay under sub-Clause (a) or (b) of Clause 3 of this Schedule will be on the basis of voluntary retirement unless he is invalidated from re-employment.

6. An officer whose retired pay has been suspended under Clause 1 of this Schedule may receive, on reversion to the Retired List on or after the date specified in Clause 1 (a) of Schedule IX a terminal grant or additional terminal grant calculated as follows:

- (a) If retired pay has been re-assessed under paragraph (i) or (ii) of Clause 3 (a) of this Schedule, the award shall be, for each complete year of re-employed service, one-tenth of the difference between three times the annual amount of retired pay awarded on termination of re-employment and the terminal grant (if any) previously awarded.
- (b) If retired pay has been re-assessed under Clause 3 (b) of this Schedule, and the officer originally retired before 1st January 1956, as in sub-Clause (a) of this Clause.
- (c) If retired pay has been re-assessed under paragraph (iii) of Clause 3 (a), or under Clause 3 (b) of this Schedule where the officer originally retired on or after 1st January 1956, the difference between the terminal grant previously awarded and three times the amount of retired pay awarded on termination of re-employment.

7. An officer who originally retired at his own request with a gratuity only, may receive an additional proportionate gratuity for each year of re-employed service.

8. An officer who re-enters the Service within 5 years of being discharged on redundancy will be required to refund a portion of the Special Capital Payment awarded to him. The refund will be calculated as follows:

$$\frac{a-b}{a} \times \text{The Special Capital Payment}$$

("a" representing 5 years or the uncompleted period of service on redundancy, whichever is the less, and "b" the break in service. In cases of "b" being greater than "a" there is no refund.)

SECTION II

Retired Officers of the Royal Navy and Royal Marines employed by the Ministry of Defence

9. Where a retired officer in receipt of retired pay is employed by the Ministry of Defence as a Principal Retired Officer or Retired Officer Grade I, II or III his retired pay will be abated in accordance with the provisions of the Naval and Marine Pay and Pensions (Retired Officers' Abatement) Order 1975.

10. An officer taking up a Retired Officer post within two years of redundancy may be required to refund a portion of the Special Capital Payment awarded to him, in accordance with Section I of Schedule VII.

SECTION III

Retired Officers of the Royal Navy and Royal Marines Re-employment in Emergency

11. On recall for service at a time of imminent national danger or of great emergency, or when re-employed with the Armed Forces on general mobilisation, one-half of the retired pay of a retired officer will remain in issue concurrently with the pay and allowances appropriate to his rank on re-employment. Any portion of the retired pay that

has been commuted will be recovered from his pay to the extent of the deficiency.

12. For the purpose of applying the provisions of Clause 11 of this Schedule to a retired officer compulsorily recalled at a time of national emergency when general mobilisation has not been announced, the operative period will be determined by the Secretary of State for Defence in consultation with the Minister for the Civil Service.

SECTION IV

Service Pensioners re-employed in peace-time

13. (a) *Pensioners re-employed after an interval of more than 5 years.* Where a pensioner is re-employed on a pensionable basis on or after 1st April 1978 after an interval in service of more than 5 years as defined in Clause 10 of Schedule II, any pension previously awarded will not be re-assessed and no revised terminal grant will be payable.

(b) *Pensioners re-employed after an interval of less than 5 years.* Where a pensioner is re-employed on a pensionable basis after 1st April 1978 after an interval in service of less than 5 years as defined in Clause 10 of Schedule II, he will cease to draw his pension for the duration of re-employed service but will be eligible to have his pension re-assessed on final discharge as follows:

- (i) *Where the period of continuous pensionable re-employment is 3 years or more or the rating is invalidated from re-employment.* The pension and terminal grant previously awarded will be re-assessed at the current rates of pension shown in this Order. Total service for this purpose will be the aggregate of former and re-employed service. Any re-assessed terminal grant so paid will, however, be reduced by the amount of any terminal grant received by the pensioner when first discharged.
- (ii) *Where the period of continuous pensionable re-employment is less than 3 years and the rating is not invalidated.* The pension previously awarded will be re-assessed in accordance with the conditions specified in sub-Clause (b)(i) of this Clause but only on the basis of the rates of pension and terminal grant contained in the Order in Council under which the pension was originally awarded.

14. Where a pensioner who was re-employed in a lower rank than that held when he was originally discharged to pension has qualified for re-assessment of his pension under Clause 13(b) of this Schedule he may on final discharge, if more to his advantage, be awarded the pension to which he would have been entitled at the time when he was originally discharged to pension, calculated in accordance either with Clause 11 of Schedule II, should his period of re-employed service be 3 years or more, or in accordance with the relevant provisions in the Order in Council under which the pension was originally granted, if his period of re-employed service is less than 3 years, together with an addition based on his further service and rank as appropriate as defined in Clause 17 of Schedule II.

15. Ratings who re-enter the service within 5 years of being discharged on redundancy will be required to refund a portion of the Special Capital Payment awarded to them. The refund will be calculated as follows:

$$\frac{a-b}{a} \times \text{The Special Capital Payment}$$

("a" representing 5 years, or the uncompleted period of service on redundancy, whichever is the less, and "b" the break in service. In cases of "b" being greater than "a" there is no refund.) In addition a discount of a period equal to that by which service on redundancy was enhanced will be made from any subsequent service reckonable for terminal benefits.

Pensionable Re-employment—Definition

16. For the purpose of this Section re-employment on a pensionable basis shall be any period of re-employed naval service during which a long service pensioner has given up payment of his pension in order that such additional service may be reckonable for increase of pension on final discharge.

Officers Re-employed as Ratings

17. An officer who after being awarded retired pay is subsequently re-employed as an RN rating or Royal Marine other rank, may be dealt with under this Section as though his retired pay were a service pension.

Commutation

18. When a pensioner who has commuted a part of his pension re-enters the Royal Navy or the Royal Marines and ceases to draw pension he shall be required to refund the value of the commuted part for the period of further service. He shall be given the option of refunding the money by:

- (a) deduction from his final pension, on discharge, for a period equal to the re-employed service of an amount equivalent to that commuted; or
- (b) deduction from any terminal grant payable on final discharge; or
- (c) further commutation of the pension awarded on final discharge to provide a sum equal to the total of weekly or monthly deductions in respect of commutation of the original pension which would have been deducted from that pension for the period of re-employed service had payment of that pension not been in abeyance; or
- (d) deduction from naval pay while serving.

A deduction equivalent to the amount of the original part of the pension commuted will be made from any revised award made on final discharge, but the commutation will be ignored in assessing the final terminal grant which will be based on the gross pension irrespective of commutation.

SECTION V**Future Emergency Re-employment of Service Pensioners**

19. This Section relates to:

- (a) service pensioners recalled for service during a period of general recall.
- (b) other service pensioners who give further service (otherwise than on normal or non-continuous service engagements) during a period of general recall to service on account of an emergency, or who are specially re-employed on full pay in anticipation of an imminent general recall.

20. The provisions of this Section may be brought into operation for such pensioners on such occasions and for such period as the Secretary of State for Defence may determine, in consultation with the Minister for the Civil Service.

21. A service pensioner will, during periods of further service to which these provisions apply, continue to receive his service pension subject to the conditions normally attached thereto.

22. On discharge or release from such service a service pensioner, provided his service has been satisfactory and of at least 6 months' duration, may receive an addition to his pension of half the difference between:

- (a) the pension for which his previous service qualified him, or would have qualified him under Clause 11 of Schedule II; and
- (b) the pension for which he would be eligible under Clause 11 of Schedule II if his further service were added to his previous service.

23. No terminal grant or additional terminal grant will be payable in respect of the re-employment.

24. An addition under Clause 22 of this Schedule may be granted although the existing pension was assessed under regulations in force before 1st April 1978.

25. If service pensioners are employed with the Armed Forces of the British Commonwealth or Colonies, the provisions of this section may be applied to them at the discretion of the Secretary of State for Defence as if their further service had been with the Royal Navy, Royal Marines or Women's Royal Naval Service.

SECTION VI**Ratings serving on regular engagements continuing in service during a Future Emergency**

26. The following Clause will be brought into operation on such occasions, being periods of general recall to service on account of emergency as the Secretary of State for Defence may determine, in consultation with the Minister for the Civil Service. In respect of each such occasion the Secretary of State for Defence may fix a date from which it will come into operation and after which it will cease to apply.

27. A rating serving on a normal regular engagement while this Clause is in operation, who completes 22 years' service reckonable for pension under Schedule II may be

allowed, with effect from the date of completion of 22 years' service, to receive an immediate award of service pension and terminal grant, calculated on 22 years' service. If he elects to receive pension while serving, he will thereafter be regarded for pension purposes as a re-employed pensioner under section IV of this Schedule.

SCHEDULE V**ABATEMENT FROM SERVICE RETIRED PAY AND SERVICE PENSION IN RELATION TO RETIREMENT PENSION UNDER THE NATIONAL INSURANCE ACT (1946) (a) AND THE NATIONAL INSURANCE ACT 1965.**

1. The provisions of this Schedule relate to officers of the Royal Navy, Royal Marines, Queen Alexandra's Royal Naval Nursing Service and the Women's Royal Naval Service; ratings of the Royal Navy and other ranks of the Royal Marines and Naval Nurses of Queen Alexandra's Royal Naval Nursing Service, and ratings of the Women's Royal Naval Service who:

- (a) entered the service on or after 1st July 1949; or
- (b) re-entered the service, after a break in service, on or after 1st July 1949; except those who re-entered within 12 months of being invalided or those who had already been granted service retired pay or service pension before re-entry.

Any rating or other rank, the regular part of whose engagement terminated before 1st July 1949, but who continued to serve on the reserve portion of that regular engagement shall, if he rejoined the service on a regular engagement before the termination of the reserve portion of his previous regular engagement, be regarded as having continuous regular service for the purposes of this Clause.

2. The Secretary of State for Defence may exempt from the provisions of this Section any officer, rating or other rank, who entered or re-entered the Royal Navy after 30th June 1949, if satisfied that such entry or re-entry was in fulfilment of an undertaking or commitment entered into before 1st July 1949.

3. Except as provided in Clause 4 of this Schedule, service retired pay or service pension shall be reduced by £0.01667 a week for each complete year of reckonable service subject to a maximum of £0.80 a week, on becoming eligible for a National Retirement Pension on attaining the age of 65 years, in the case of men, or on attaining the age of 60 years in the case of women.

4. No abatement, however, shall be made in the case of a person permanently resident outside the United Kingdom unless that person is receiving retirement pension under the National Insurance Act 1946, or a corresponding award payable under reciprocal arrangements with the country of domicile.

5. Subject to Clause 6 below service retired pay or service pension shall also be reduced to take account of graduated national insurance pensions. The reduction will apply from age 65 for men and from age 60 for women. An officer or rating who, for a part of his reckonable service, was not contracted out of the Graduated Pension Scheme will have his retired pay or pension reduced by the amount of pension earned by graduated contributions payable under the National Insurance Act 1965, that is by contributions of:

- (i) 4½ per cent of earnings between £9 and £15 a week from 3rd April 1961 to 31st May 1963;
- (ii) 4½ per cent of earnings between £9 and £18 a week, from 1st June 1963 to 5th April 1975;

except that there will be no reduction if the graduated pension earned by these contributions is £5.20 a year or less.

6. There will be no reduction for graduated pension earned by contributions paid during service contracted out of the Graduated Pension Scheme, or in respect of graduated contributions which were in addition to those payable under the National Insurance Act 1965.

SCHEDULE VI**Transfer of Pension Rights**

1. The provisions of this Schedule apply to officers of the Royal Navy, Royal Marines, Queen Alexandra's Royal Naval Nursing Service and Women's Royal Naval Service; ratings of the Royal Navy, other ranks of the Royal Marines, Naval Nurses of Queen Alexandra's Royal Naval Nursing Service and ratings of the Women's Royal Naval Service who leave the Service on or after 1st April 1975 without title to immediate retired pay or pension. Subject

to the general conditions set out below and also to such regulations as are agreed by the Civil Service Department for the conduct of the public sector transfer network such officers, ratings or other ranks may apply to have their pension rights transferred to the scheme they join on leaving the Service. Similarly officers, ratings or other ranks who join the service after having accumulated pension rights in their previous employment may apply to their previous pension scheme to have those rights transferred into the Armed Forces Pension Scheme.

2. The minimum qualifying period for the payment of a transfer value is one year of reckonable or contracted-out service, that is, service from any age on or after 6th April 1978 during which the lower, contracted-out rate of National Insurance contribution is paid.

3. A transfer value will not normally be paid after a break between two pensionable employments of more than 12 months or if the application for it is made more than 6 months after the transferee joins his new scheme.

4. Transfer values for those leaving the Service will be calculated using age at the time of leaving and preserved benefits under the provisions of Schedule III above, with the exception that there will be no minimum qualifying period of service other than the one year referred to in Clause 2 of this Schedule. If, however, a calculation of transfer value based on pension rights earned in accordance with the

provisions of Order in Council — of 25th July 1978

NPP

produces a greater sum than a calculation in accordance with the terms of Schedule III above the former shall be used to provide the basis for the transfer value calculation.

5. Transfer values for those leaving the Service will be calculated using the tables for this purpose common to the rest of the public sector transfer network.

6. Any outstanding contribution for widows' pension at the time of transfer will be deducted from the preserved terminal grant before calculation of the transfer value.

7. Where a Serviceman leaves with insufficient service to qualify for a preserved pension but is awarded a gratuity (e.g. on invaliding) a transfer value may be paid provided exception that there will be no minimum qualifying period to Navy Funds of such amount as the Secretary of State for Defence may determine.

8. A person joining the Service on or after 1st April 1975 in respect of whom a transfer payment is accepted from his former pension scheme will be credited with reckonable service as calculated using special tables prepared by the Government Actuary which take account of the early ages at which members of the Armed Forces Pension Scheme can receive immediate retired pay or pension.

9. The transfer value tables will be applied to the transfer value to give equal periods of reckonable service for personal pension, terminal grant and (for both married and unmarried men) half-rate widow's pension. The length of reckonable service credited may, however, be restricted in those circumstances where the limits laid down from time to time by the Inland Revenue for approved occupational pension schemes would otherwise be exceeded.

10. Where service credited is less than service actually served in the old scheme, the previous service will count as to its actual length for the purpose of the 5 year qualifying period for pension benefits. However, neither actual service in previous employment nor service credited will count towards the minimum period of service necessary for the award below the age of 55 years of immediate retired pay or pension.

Order in Council ^{9a} of 25th July 1978.
NPP

2. The family pension and other awards provided for in this Schedule are those payable in respect of the service of deceased Officers, Fleet Chief Petty Officers, Chief Petty Officers, Petty Officers, Non-Commissioned Officers and Men of the Royal Navy and the Royal Marines and awards which are payable in respect of deaths which are attributable to service.

SECTION II

General Conditions Governing the Award of Family Pensions

4. If the death of an officer, RN rating or RM other rank was due wholly or in part to his own negligence or misconduct or to any cause within his own control the award and amount of any family pension payable shall be at the discretion of the Secretary of State for Defence.

5. If the applicant is granted any other pension or allowance from public funds payable by virtue of the deceased's

service then the Secretary of State for Defence may at his discretion withhold or reduce any award otherwise admissible.

6. (a) Where an officer, RN rating or RM other rank has suffered an abatement of his retired pay or pension (whether preserved or immediate) on account of his misconduct or inefficiency, such abatement may be ignored when assessing any benefits payable to his wife and children under the terms of this Schedule, except as provided in sub-Clause (b) below.

(b) Where the Secretary of State for Defence is of the opinion that the misconduct of an officer, RN rating or RM other rank constitutes a grave offence against the State as defined in Clause 14 of the Schedule to Order

9*
in Council — of 25th July 1978 and he is satisfied

NPP

that the man's widow wilfully aided and abetted the commission of that offence he may in his discretion direct that any pension payable to the widow or children may be abated by such amount as seems to him appropriate having regard to all the circumstances of the case.

7. If a widow dies before establishing her claim to pension, arrears of pension will not, save in exceptional circumstances, be allowed to her estate.

8. The date of commencement of family pension will normally, if application is not unduly delayed, be the date following the husband's death or if death occurs in service the date following the last issue of terminal benefits.

9. In exceptional circumstances the Secretary of State for Defence may at his discretion withhold a part of a pension granted under this Schedule and may divert such pension in whole or in part for purposes which he may deem beneficial for the pensioner.

(10. (a) A widow who was married to the deceased officer, RN rating or RM other rank before his retirement or discharge from the service, or before the completion of any further service that may have entitled the officer, RN rating or RM other rank to re-assessed retired pay or pension may be awarded a pension under Clauses 16 or 20 to 23 of this Schedule as appropriate.

(b) A widow who was married to the deceased officer, RN rating or RM other rank after his retirement or discharge may be awarded a pension under the terms of

9*

Clause 4 of the Schedule to Order in Council — of

NPP

25th July 1978 which provides for a widow's pension at the annual rate of $\frac{1}{3}$ per cent. of the husband's final pensionable salary for each year and fraction of a year of his contracted-out service, for such time as she is also eligible for a National Insurance Widowed Mothers' Allowance, Widows' or Category B Retirement Pension.

Effect of Separation on Widows Pension and Gratuity

11. (a) An award of pension to a widow who is separated from her husband at the date of his death will be at the discretion of the Secretary of State for Defence who may withhold all or such a proportion of the pension as seems appropriate to him in all the circumstances.

(b) If a widow is shown to be living with a man as his wife she will not be eligible for a pension.

Re-marriage

12. The pension of a widow who re-marries will cease, but if she again becomes a widow her pension may be restored in whole or part at the discretion of the Secretary of State for Defence.

Conditions for the award of Children's Pensions

13. (a) A "child" for the purposes of the award of a pension under this Schedule means:

(i) a legitimate child of the officer, RN rating or RM other rank provided that the child's mother fulfilled the conditions relating to marriage contained in Clause 10(a); or

(ii) a step-child of the officer, RN rating or RM other rank who was mainly dependent on him at the time of his death, provided that the child's mother fulfilled

the conditions relating to marriage contained in Clause 10(a); or

(iii) a child adopted by the officer, RN rating or RM other rank, or by his wife, before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for a re-assessment of retired pay or service pension, before the termination of such further service), who was mainly dependent upon him at the time of his death, and provided that the child's mother by adoption fulfilled the conditions relating to marriage contained in Clause 10(a); or

(iv) a child mainly dependent upon the officer, RN rating or RM other rank before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for re-assessment of retired pay or service pension, before the termination of such further service) who was adopted by the officer, RN rating or RM other rank, or by his wife after his retirement or discharge (or after the termination of further service) provided that the Secretary of State for Defence is satisfied that the officer, RN rating or RM other rank had formed the intention of adopting the child before retirement or discharge (or before the termination of further service) and that the child was mainly dependent upon him at the time of his death, and provided that the child's mother by adoption fulfilled the conditions relating to marriage contained in Clause 10(a); or

(v) an illegitimate child of the officer, RN rating or RM other rank, or of his wife, born before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for re-assessment of retired pay or service pension, before the termination of such further service), who was mainly dependent upon him at the time of his death, and provided that where the child is the illegitimate child of the wife, the wife fulfilled the conditions relating to marriage contained in Clause 10(a).

(b) A child's pension will normally cease when the child attains the age of 16 years, except where an officer, Fleet Chief Petty Officer or Regimental Sergeant-Major, Royal Marines, was retired or discharged before 31st March 1973 when payment of a child's pension will normally cease at the age of 18 years. However, it may be granted or continued after these ages:

(i) if the child continues to receive full-time education then the normal limit will be 3 years from the age of 18 years but the pension may be further continued where there are circumstances justifying special consideration; or

(ii) the child is an apprentice not receiving more than nominal wages; or

(iii) if, before attaining the age referred to above the child was, and continues to be afflicted by mental or bodily infirmity and is therefore incapable of earning his or her own living, provided the Secretary of State for Defence considers that the pecuniary circumstances of the child and family are such as to justify the award.

(c) Children's pensions will be paid to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct as may be decided by the Secretary of State for Defence.

(d) Pensions of children of officers and of Fleet Chief Petty Officers and Regimental Sergeant-Majors, Royal Marines, may be issued quarterly in advance.

Effect of Commutation

14. (a) Except as provided for in sub-Clauses (b) and (c) below, commutation of retired pay or service pension shall not debar a widow or children, otherwise eligible under the provisions of this Section, from receiving an award of pension nor shall any such pension be reduced or abated on that account.

(b) Where a retired officer gives further service entitling him to a re-assessment of his retired pay or pension, and before or during the period of his re-employment he marries having first commuted a portion of the retired pay granted him in respect of his original service, then any award of pension to the widow may be reduced by an amount proportionate to the amount of retired pay originally commuted.

(c) Any legitimate or illegitimate child born after commutation, a step-child eligible by virtue of a marriage after commutation or a child adopted after commutation shall

likewise suffer an abatement of pension proportionate to the amount of retired pay or pension originally commuted.

SECTION III

Non-Attributable Benefits for the Dependants of those whose service ceased before 31st March 1973

15. The provisions of this Section shall apply to the widows and children of officers, RN ratings and RM other ranks who ceased to serve on or before 31st March 1973 and who were granted service retired pay or pension:

- (a) Widows and children of Temporary Branch Officers, RN ratings and RM other ranks (except Regimental Sergeant-Majors RM) will be eligible for a pension provided reckonable service was given after 31st August 1950.
- (b) In the case of those RN ratings and RM other ranks who died before 4th November 1958 the widows or children will only be eligible for a pension if the following minimum periods of reckonable service were completed:

Rank of Husband	Years of Reckonable Service
Fleet Chief Petty Officer ...	22
Warrant Officer I RM ...	22
Warrant Officer II RM ...	22
Chief Petty Officer ...	22
Colour Sergeant RM ...	22
Petty Officer ...	27
Sergeant RM ...	27
Leading Rating and below ...	32
Corporal RM and below ...	32

16. The rate of widow's pension will be one-third of the husband's rate of half pay, retired pay or pension or the rate according to the husband's rank provided for in Clause 15 of Schedule IX whichever is the more favourable. The rate of half pay, retired pay or pension will be the basic rate, ignoring, subject to the exception in Clause 14 any commutation that may have been made plus all the pensions increases appropriate to the basic rate whether or not the husband qualified for these increases by virtue of age or health.

Awards to children.

17. Where an officer, RN rating or RM other rank was retired or discharged before 31st March 1973, each eligible child may receive one-third or if motherless, two-thirds, of the rate of widow's pension appropriate to the rank and service of the officer, RN rating or RM other rank.

Minimum Rates of Family Pension.

18. If the rates of pension for the widows of those officers, RN ratings and RM other ranks retired, discharged or who died in service before 31st March 1973 calculated in accordance with Clause 16 would be less than the minimum rates set out in Clause 15 of Schedule IX, the latter will be payable from the date specified in Clause 1(a) of Schedule IX.

19. If an officer, RN rating or RM other rank discharged or retired before 31st March 1973 dies in retirement from causes attributable to service, a family pension as provided ^{45*} for in Order in Council — of 4th February 1972 may be NPP paid in addition to any award payable under the provisions of Section VI of this Schedule.

SECTION IV

Non-Attributable Family Pensions and Gratuities to the Dependants of those Officers, Ratings and Other Ranks who gave reckonable service on or after 31st March 1973 or who die in Service on or after the date specified in 1(b) of Schedule IX

Forces Family Pensions.

20. Pensions may be awarded to the widows and dependants of officers, ratings and other ranks who retired on or after 31st March 1973 and were in receipt of half pay, retired pay or pension or service invaliding retired pay or pension or who were serving at the date of their death and would have been so entitled had they been invalided on the date of death.

21. Where the husband exercised the option to purchase an entitlement to a half-rate widow's pension for service up to 31st March 1973 the rate of widow's pension shall be one-half of the husband's rate of half pay, retired pay or pension which was in payment to the husband at the date of his death or for which he would have been eligible had he been invalided on the date of death, ignoring, subject to the exception in Clause 14, any commutation that may have been made, plus all pensions increases appropriate to the basic rate whether or not the husband qualified for these by virtue of age and health.

22. Where no option was exercised, the rate of widow's pension shall be one-third of the husband's rate of half-pay, retired pay or pension for service prior to 1st April 1973 and one-half for service thereafter. The husband's rate shall be calculated as in Clause 21. Where the pension is calculated by reference to the husband's service invaliding retired pay or pension, the element in the husband's award which is the result of the special invaliding enhancement will attract a half rate widow's pension. The enhancement is the difference between the rate of invaliding retired pay or pension and a rate calculated at 3 per cent. for officers and 2.75 per cent. for ratings and other ranks, of the maximum rate of retired pay or pension for his rank for each year of reckonable service.

23. Where the cause of death of an officer or RN rating or RM other rank who has been invalided attributably is regarded as not attributable to his service, the rate of any family pension payable will be based on the service invaliding retired pay or pension for which he may have been eligible and not at the higher level of service attributable retired pay or pension of which he was in receipt.

Awards to Children

24. (a) The rate of children's pension for the children (as defined in Clause 13) of all officers, RN ratings and RM other ranks who gave service on or after 31st March 1973 shall be:

- (i) one-quarter of the father's half pay, retired pay or pension for each of two children where there is a widow ;
- (ii) one-third of the father's half pay, retired pay or pension for each of three motherless children.

(b) For the purposes of sub-Clause (a) of this Clause where eligible children are not being maintained by their mother or where there are more eligible children than the maximum number specified in sub-Clause (a) of this Clause and they are living in separate households the award and allocation of children's pensions shall be at the discretion of the Secretary of State for Defence.

(c) On the death of an officer, RN rating or RM other rank on or after 31st March 1973 whether in service or in retirement, a short-term family pension as provided for in Section V of this Schedule may be payable to any eligible dependants.

Preserved Forces Family Pensions

25. Subject to the conditions of Section II of this Schedule the provisions of Clauses 26 to 28 below shall apply to the widows and children of those officers, RN ratings and RM other ranks, who died on or after the date specified in Clause 1(a) of Schedule IX in receipt of, or with a future entitlement to, a preserved pension.

26. The widow of a pensioner who dies in retirement whilst in receipt of a preserved pension may be granted a Forces Family Pension of one-third of that portion of the husband's pension earned by service prior to 1st April 1973, and one-half of the portion earned by subsequent service, except where the husband had elected to purchase entitlement to a half rate widow's pension in which case the rate will be one-half throughout. In addition, pensions may be granted to any eligible children at the rates and in accordance with the conditions specified in Clause 24.

27. Should an officer, RN rating or RM other rank die before his preserved pension or terminal grant becomes payable then a Forces Family Pension may be granted to his widow and/or children at the following rates:

- (a) *Widow's pension.* The appropriate fractions, as set out in Clause 26 of the husband's initial pension assessment as enhanced by all relevant pension increase measures introduced between the date of his retirement and the date of his death.

(b) Children's pensions

(i) One-quarter of the father's initial pension assessment (as enhanced by all relevant pensions increase measures) for each of two dependent children; or

(ii) one-third of the father's initial pension assessment (as enhanced by all relevant pensions increase measures) for each of three motherless children.

In the event of apportionment being necessary the award and allocation of children's pensions shall be at the discretion of the Secretary of State for Defence.

(c) Terminal Grant. On the husband's death, his widow or eligible children, or widow and in addition a child or children who are not living with or supported by her (as specified in Clause 34), may be awarded a gratuity equal to the preserved terminal grant. The value of the preserved terminal grant shall be the initial assessment of the award as enhanced by all pensions increase measures introduced between the husband's date of retirement and his death. If he leaves neither an eligible widow nor eligible children a payment equal to the preserved terminal grant will be made to the estate of the deceased.

28. Where the death of an officer, RN rating or RM other rank occurs before his preserved pensions has been put into payment the widow will not be eligible for a short-term family pension under Section V of this Schedule. If the preserved pension has become payable however (whether by reason of age or otherwise) then the widow may receive a short-term family pension at the rates and in accordance with the conditions set out in Section V of this Schedule.

Gratuities to dependants of serving officers, ratings and other ranks

29. (a) The provisions of Clauses 30 to 40 shall apply to the widows and children of officers, ratings and other ranks who die while serving on full pay on or after the date specified in Clause 1(b) of Schedule IX.

(b) The same general conditions applicable to the award of pensions set out in Section II of this Schedule shall apply to the award of a gratuity under the provisions of this Section.

30. Irrespective of length of service where an officer, including a short service officer, RN rating or RM other rank dies while serving on full pay on the Active List, his widow may be granted a gratuity equal to the terminal grant or gratuity for which the husband would have been eligible had he been invalided on the day of his death; or if this is greater, a gratuity equal to twice the rate of retired pay or pension of her husband's rank for invaliding purposes appropriate to 34 years of service for an officer, or 37 years of service for a RN rating or RM other rank.

31. Where an officer, RN rating or RM other rank who on or after the date specified in Clause 1(b) of Schedule IX has retired with retired pay or been discharged to pension or has been invalided with invaliding retired pay or pension or with invaliding gratuity dies within one year of retirement or discharge his widow may be awarded a gratuity equal to the difference between the gratuity which would have been payable if he had died in service on the day of retirement or discharge and the amount of terminal grant or gratuity and any sum raised by commutation which he received.

32. Where, had the officer or RN rating or RM other rank been invalided, an adjustment would have been made to his award in respect of a gratuity or other non-effective payment previously received by him, an abatement may be made on that account in assessing the gratuity payable under Clauses 30 or 31.

33. Where the officer or RN rating or RM other rank did not leave a widow eligible for an award under this Section but a child or children (as defined in Clause 13 the fulfilling the conditions of that Clause), the Secretary of State for Defence may award a gratuity to the child or children. The total award shall equal that which would have been payable to a widow eligible for an award under this section and shall be apportioned among them at the discretion of the Secretary of State for Defence.

34. Where the officer or RN rating or RM other rank leaves a widow and in addition a child or children (as defined in Clause 13 and fulfilling the conditions of that Clause) who are not living with or supported by her, the Secretary of State for Defence may divert part of the gratuity which would normally be payable to the widow for the benefit of all children.

35. Where a member of the Women's Services dies in circumstances in which the child of a male member would have been granted a gratuity under Clause 33 leaves an eligible child or children (as defined in Clause 13) the Secretary of State for Defence may award a gratuity for the benefit of the child or children of such amount as he may determine.

36. Gratuities in respect of children may be issued to the widow or mother of the child or other person responsible for the child's maintenance or to the child direct as may be decided. The gratuity may where appropriate, be issued in instalments or withheld for later payment, i.e. when the children are no longer eligible for pension or have reached the age of 18 years whichever is the earlier.

37. Where an officer, RN rating or RM other rank (including a member of the Women's Services) dies in service and neither an eligible widow nor motherless child nor children are left, a sum equal to the gratuity otherwise payable under Clause 30 to the widow may be payable to the estate of the deceased.

38. Gratuities payable under Clause 37 may be abated in respect of any public or service debt.

39. Any outstanding balance due from an officer, RN rating or RM other rank who has elected to purchase an enhanced pension entitlement for his widow in respect of his service before 1st April 1973 may be deducted from any gratuity payable under the provisions of Clause 30.

40. No abatement of a gratuity payable by virtue of this section other than that provided by Clause 32, 38 and 39 shall be made in respect of any public or service debt due from the deceased officer or RN rating or RM other rank.

SECTION V**Short Term Family Pension**

Where an officer, RN rating or RM other rank who has given service on or after 1st April 1973 dies either in service after having completed more than 5 years' service from the age of 18 years or in retirement with retired pay and pension, the widow, provided she is otherwise eligible, may be paid for a period of 91 days a short term family pension equal to the rate of her husband's pay or half pay on the day he died, excluding additional pay and allowances, or the actual rate of her husband's retired pay or pension in issue at the time of his death. This short term pension may be increased if it is less than the normal family pension.

42. When a short service officer or a pensionable officer, RN rating or RM other rank with less than 5 years' service from the age of 18 years dies in service, a short term pension equal to the husband's rate of pay on the day he died, excluding additional pay and allowances, may be paid for the following periods:

Widow with no dependent children ...	91 days
Widow with one dependent child ...	137 days
Widow with two or more dependent children	182 days
A motherless child or child of a non-eligible widow ...	61 days

44. The provisions of this Section apply only to the dependants of officers, RN ratings and RM other ranks who gave service on or after the date specified in Clause 1(a) of Schedule IX.

45. Where such an officer, RN rating or RM other rank dies in service from causes accepted by the Department of Health and Social Security as being attributable to or aggravated by his service or dies in retirement from causes wholly or mainly due to the injury or disease which resulted in his being attributable invalided, the widow may be awarded an attributable family pension at the rates shown in Clause 13 of Schedule IX.

46. If an officer, RN rating or RM other rank dies in retirement from causes accepted by the Department of Health and Social Security as being attributable to his service but who was not invalidated attributably, the award of attributable family pension(s) will be at the discretion of the Secretary of State for Defence.

47. A Forces Family Pension will not be payable in addition.

48. Rank for the purpose of the award of attributable family pension shall be according to rank for invaliding purposes.

49. Where an award of attributable family pension is made the payment of a short term family pension under Clause 41 and 42 may not exceed 91 days.

50. The date of commencement of an attributable family pension shall normally be the day after the end of payment of the short term pension under Clauses 41 and 42 unless the Secretary of State for Defence considers there are circumstances justifying special consideration.

SECTION VII

Family Pension Where an Attributable Pension is Paid

51. Widows of officers, RN ratings and RM other ranks who were retired or discharged before 31st March 1973

and whose death is due to service may receive a family pension as provided for the Order in Council ^{45^o} of 4th NPP

February 1972 if the family is in receipt of a Department of Health and Social Security attributable pension.

52. The family pension will be abated by an amount calculated on the following basis if a widow is receiving a Department of Health and Social Security attributable pension as the widow of an officer:

(a) The family pension will be abated by the amount of the rank element included in the war pension if the widow is receiving a war widow's pension from the Department of Health and Social Security of an officer. This will be the difference between the war widow's pension for the widow of a Fleet Chief Petty Officer and the actual amount of war widow's pension.

(b) Children's pensions will not be subjected to such reductions. Additional Attributable Gratuities for the dependants of those who die in service.

53. Where an officer, RN rating or RM other rank dies in service from causes accepted by the Department of Health and Social Security as being attributable to service, a gratuity may be paid to his widow in addition to any gratuity payable by virtue of Clauses 29 to 40 at the rates specified in Clause 14 of Schedule IX.

The minimum of 1 year's service stipulated in Clause 12(c) of this Schedule may be disregarded for purposes of award under this sub-Clause.

SECTION IV

General Conditions attached to the award of Short Service Gratuities

11. When an officer's qualifying service (for gratuity purposes) exceeds a given number of years by one or more complete days of a year, his award of gratuity will be increased by that number of days as a fraction of 365 of the difference between the rate for the number of years completed and the rate that would have been awarded had a further complete year been served.

12. Should the officer fail to complete the full period of Active List service which he had undertaken, an award may nevertheless be made as follows:

- (a) If his service is terminated on account of disability not due to causes within his own control, he will be granted a gratuity proportionate to the length of Active List service he has actually completed.
- (b) If his service is terminated for non-employment, or incapacity, unsuitability or inefficiency not due to causes within his own control, or if he is permitted voluntarily to terminate his service within 6 months of the completion of the full period of Active List service he has undertaken, he may be awarded either a gratuity proportionate to the length of Active List service he has actually completed or a reduced gratuity at such rate as the Secretary of State for Defence may determine.
- (c) If he is permitted voluntarily to terminate his service more than 6 months before the conclusion of the period he has undertaken, no gratuity will be payable to a Pilot or Observer unless he has completed at least 18 months' satisfactory service and is in possession of the flying badge, nor to an officer of any other Branch unless he has completed at least 1 year's satisfactory service. Thereafter he may be allowed at the discretion of the Secretary of State for Defence, such gratuity as may be determined, but not in any event exceeding three-quarters of the amount proportionate to the length of his actual service on the Active List.
- (d) If his service is terminated owing to disability due to causes within his own control or to inefficiency or other cause within his own control but not amounting to misconduct, he may be allowed, at the discretion of the Secretary of State for Defence, such gratuity as may be determined, but not in any event exceeding the

amount which would have been admissible had he been allowed to terminate his service voluntarily.

- (e) If his service is terminated on account of misconduct, the special payment of a compassionate gratuity shall be within the discretion of the Secretary of State for Defence according to the circumstances of his case, but the award will not in any event exceed 90 per cent. of the gratuity which would have been admissible had he left voluntarily.

13. Where a short service commissioned officer dies in service leaving neither a widow nor dependent children, a lump sum payment may be made to his estate equal to twice the annual rate of full career pension for an officer of his rank or the amount of gratuity which would be payable had the officer been invalided on the day he died, if this is greater.

14. If an officer serving on a short service commission continues on full pay beyond the period of Active List service which he had undertaken, payment of the gratuity will be deferred until the end of such further service.

15. A short service commissioned officer who is granted a permanent commission will not be eligible for any gratuity in respect of his service on a short service commission, but his service on that commission may count towards an ultimate award of retired pay or gratuity as a permanent officer. If, after receipt of a gratuity in respect of short service, an officer is granted a permanent commission his previous service will not be reckonable towards an ultimate award of retired pay or gratuity as a permanent officer, unless satisfactory arrangements are made for the refund of the short service gratuity.

16. Service on a short service commission in the medical, dental or education branches of the Royal Navy, may, in certain circumstances, be treated as contributory service under the National Health Service (Superannuation) Regulations or under the Teachers' (Superannuation) Regulations, 1976, as appropriate. Where service is so treated, both the employer's and the officer's contribution will be advanced by the Ministry of Defence and the total amount so advanced will be deducted from the gratuity for which the officer is eligible under the provisions of this Section. When contributions have been so advanced but as a result of being transferred to a permanent or pensionable commission the officer does not qualify for a gratuity under this Section, no refund of the employer's contributions will be required from the officer, but in order that his previous service may be reckonable towards an ultimate award of retired pay or gratuity as a permanent officer he will be required to refund the employee's contributions advanced on his behalf by the Ministry of Defence. Service which counts for service retired pay may not also count as reckonable service for purposes of pension under the appropriate civil superannuation scheme.

19. Any resettlement grant awarded on release may be subject to partial refund on re-entry to the Service. The amount repayable will depend on the length of the break of service.
