Variation to Eltham Palace Conservation Area

Notice is hereby given that Greenwich Council has on 14th September 1978, made certain variations to the Eltham Palace Conservation Area under powers contained in section 277 of the Town and Country Planning Act 1971. A map showing the variations may be inspected during normal office hours at the Borough Planning Officer's department, 45-53 Wellington Street, S.E.18. The variations are as follows:

1. In the south-west corner of the Area, the boundary line continues along Middle Park Avenue so that the Community Centre in Middle Park Avenue and the open land on the corner of Middle Park Avenue and The Vista are now included in the Conservation Area.
2. In the south of the Area, north of Mottingham Station, the boundary line continues along Middle Park Avenue on its north side, then turns south in between the vacant railway land and the garages and then turns east along the north side of Station Approach to join the original boundary at Court Road. The effect of this is to include the flats at the corner of Middle Park Avenue and Court Road and also the vacant railway land on the opposite corner.
3. In the south-east of the area the boundary now follows the boundary of the garages at the rear of 136 Green Lane then turns north along the rear of numbers 82 to 130 to join the original boundary at the rear of 66 Green Lane. This will mean that the allotments at the rear of numbers 82 to 130 Green Lane are now included in the Conservation Area.

The effect of the designation of an area as a Conservation Area is as follows:

1. In considering applications for planning permission in respect of land in or near the Conservation Area, a special procedure is adopted, and special attention is paid to the desirability of preserving or enhancing the character or appearance of the area.
2. Buildings in a Conservation Area, with certain exceptions, must not be demolished without the consent of the Council.
3. Trees in a Conservation Area, with certain exceptions, must not be felled, lopped or damaged unless notice of intention to carry out the work has previously been served on the Council and consent has been given or a period of 6 weeks has elapsed without the Council having made a Tree Preservation Order within the time.
